(1) Represents withholding of shares to satisfy tax withholding obligations of reporting person in connection with the vesting of 13,538 restricted share units. This amendment is being filed solely to reflect recalculation of the tax withholding obligation on October 15, 2008, resulting in the release of 106 shares to the reporting person that were inadvertently withheld by the Company on August 15, 2008 due to an administrative error. The amount of securities beneficially owned by the reporting person after giving effect to the recalculation on August 15, 2008, and the other transaction previously reported for such date, was 224,494.
