## ELECTION OF DIRECTORS

One of the purposes of the Meeting is to elect three persons to Class III of the Board of Directors in accordance with the Company's Articles of Incorporation. Unless instructed to the contrary, the persons named in the accompanying proxy will vote the shares for the election of the nominees named herein to Class III of the Board of Directors as described below. Although it is not contemplated that any nominee will decline or be unable to serve, the shares will be voted by the proxy holders in their discretion for another person if such a contingency should arise. The term of each person elected as a director will continue until the director's term has expired and until his or her successor is elected and qualified. The three persons receiving the largest number of votes shall be elected as Class III directors. Since there is no particular percentage of either the outstanding shares or the shares represented at the meeting required to elect a director, abstentions and broker non-votes will have the same effect as the failure of shares to be represented at the Annual meeting, except that the shares subject to such abstentions or non-votes will be counted in determining whether there is a quorum for taking shareholder action, under California law and the Company's Articles of Incorporation and Bylaws.

The Company's Articles of Incorporation provides that its eight directors be divided into three classes. The term of office of those directors in Class I expires at the 2003 Annual Meeting of Shareholders; the term of office of those directors in Class II expires at the 2004 Annual Meeting of Shareholders; and the term of office of those directors in Class III expires at the 2002 Annual Meeting of Shareholders. Directors elected to succeed those directors whose terms expire are elected for a term of office to expire at the third succeeding annual meeting of shareholders after their election.

### Nominees For Directors

Borick and Brown are currently serving as directors in Class III and were elected at the 1999 Annual Meeting of Shareholders for a term of office expiring at the 2002 Annual Meeting of Shareholders. Upon an early termination of the agreement or Mr. L. Borick's retirement, he will receive one-twelfth of his annual base compensation during each of the ensuing 60 months and one-half such amount during each of the 120 months following. See Compensation Committee Report located elsewhere in this Proxy Statement for more discussion regarding Mr. L. Borick's compensation.

Its responsibility is to develop and make recommendations to the full Board with respect to executive compensation. Also, the Compensation Committee establishes the annual compensation of the Company's President and Chief Executive Officer (CEO) and reviews the compensation policy related to the Company's other executive officers. Its executive compensation philosophy is to set levels of overall compensation that will allow the Company to successfully compete for exceptional executives, to tie part of each executive's compensation to the success of the Company in attaining its short and long-term objectives, and to recognize individual effort and achievement.

The Committee considers the competitiveness of overall compensation, solely, and evaluates the performance of the executive officers and adjusts salaries accordingly. For individuals other than the CEO,

adjustments are made based on subjective recommendations of the CEO to the Committee of the individual executive's performance and also take into account the profitability of the Company but without regard to a specified formula. The Committee believes these criteria for salary adjustments are in accordance with sound overall compensation guidelines.

Pursuant to this philosophy, the Committee reviews published compensation surveys covering a wide array of public companies, both larger and smaller than the Company. Periodically it reviews the compensation paid and to be paid to each of the Company's executive officers and receives an evaluation of their performance from the Company's CEO. The Company's CEO has an employment contract which is discussed under Employment Agreements.

The compensation surveys utilized for CEO compensation are published in national magazines and contain certain of the companies comprising the peer group (see Common Stock Performance Graph ) but include a variety of other public companies. Compensation levels for the CEO were not solely based by reference to peer company compensation levels.

The Committee does not specifically target a level of compensation relative to comparative compensation data collected for the CEO or other executive officers, but rather refers to this data for subjective review and confirmation of reasonableness of salaries paid to executives.

In 1994, the Board of Directors and the shareholders approved an Incentive Bonus Plan (the Bonus Plan ) for Mr. L. Borick, the Company's CEO. The purpose of the Bonus Plan is to provide Mr. Borick an additional incentive to continue the extraordinary efforts, initiative and judgment he has exercised on behalf of the Company and its stockholders by establishing his yearly bonus on a specific formula basis. Under the Bonus Plan, the amount of Mr. Borick's annual bonus will equal 2.0% of the Company's annual income before income taxes and before deducting any annual awards under the Bonus Plan or any other executive incentive arrangements. However, if such annual income does not equal at least 90% of the planned level for the year, as approved by the Compensation Committee, the 2.0% figure will be reduced to 1.8%, ranging down to 1.0% at 70% of the planned level. In no event, however, will Mr. Borick's annual bonus under the Bonus Plan be less than 1.0% of annual income, as defined.

The Committee administers the Bonus Plan and determines the amount payable under it in accordance with its terms. The Compensation Committee has the right to amend or terminate the Bonus Plan at any time. The 2001 bonus paid to Mr. Borick pursuant to the Plan was \$1,433,000.

The Omnibus Budget Reconciliation Act of 1993 ( the Act ) enacted in August 1993 limits the deductibility by the Company of the annual compensation paid over \$1,000,000 to the Named Officers, unless such compensation was performance-based, as defined in the Act. The intent of the Compensation Committee is that compensation paid under the Bonus Plan will qualify as performance-based compensation under the Act.

The overall amount of the bonus pool is approximately 6.1% of pre-tax income. The pool is utilized for all employee bonuses including the Bonus Plan for the CEO. The determination as to the portion of the bonus pool awarded to each executive, other than the CEO, is entirely subjective and discretionary based on an evaluation of their performance and contribution for the year. The Committee approved the establishment of the pool and the amount; and individual bonus awards, other than for the CEO, are based on recommendations of the CEO and reviewed and approved by the Committee.

The stock option awards to each executive are determined subjectively based on an evaluation of their performance and contribution to the Company and also take into account the relative financial performance of the Company without regard to any specified formula.

Base salaries are generally reviewed no sooner than every 12 months and adjusted when deemed necessary. The last salary review for each of the Named Officers is as follows: Mr. L. Borick (December 11, 1995), Mr. S. Borick (March 4, 2002), Mr. Ornstein (March 4, 2002), Mr. Ferguson (March 4, 2002) and Mr. O Rourke (March 4, 2002).

**SHAREHOLDER PROPOSALS FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS**

Shareholder proposals complying with appropriate Securities and Exchange Commission and proxy rules to be presented at the 2003 Annual Meeting of Shareholders must be received at the Company's executive offices at 7800 Woodley Avenue, Van Nuys, California 91406 by November 30, 2002 in order to be included in the Company's Proxy Statement and form of proxy relating to that meeting.

**OTHER MATTERS**

Management does not know of any matters to be presented to the Annual Meeting other than those described above. However, if other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote said proxy in accordance with their judgment on such matters, and discretionary authority to do so is included in the proxy.

Arthur Andersen LLP was previously the principal accountant the Company. On July 27, 2001, the Company's Audit Committee recommended to the Company's Board of Directors that Arthur Andersen LLP's appointment as principal accountant be terminated and PricewaterhouseCoopers LLP be engaged as principal accountant. The Audit Committee's recommendation to change accountants was approved by the Company's Board of Directors on that date.

In connection with the audits of the two fiscal years ended December 31, 2000, and during the subsequent interim period through July 27, 2001, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused Arthur Andersen LLP to make reference thereto in their report on the financial statements for such years.

The audit reports of Arthur Andersen LLP on the consolidated financial statements of the Company as of and for the years ended December 31, 1999 and December 31, 2000, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

The Company has requested that Arthur Andersen LLP furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of such letter, dated July 27, 2001, was filed as Exhibit 16 to the Form 8-K.

During the two fiscal years ended December 31, 2000 and subsequent interim period through July 27, 2001, the Company did not consult with PricewaterhouseCoopers LLP regarding the application of generally accepted accounting principles to a specific transaction, either proposed or completed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements.

Management has not selected or recommended any auditors for the forthcoming year. Management believes that this decision is premature at this time although it expects to retain PricewaterhouseCoopers LLP as the Company's auditors for 2002. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting and available to respond to appropriate questions.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires Superior's officers and directors, and persons who beneficially own more than 10% of a registered class of Superior's equity securities, to file reports of beneficial ownerships and changes in beneficial ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% beneficial owners are required by SEC regulation to furnish Superior with copies of all Forms 3, 4 and 5 that they file. Based solely on Superior's review of the copies of such forms it has received and written representation from certain reporting persons confirming that they were not required to file Forms 5 for specified fiscal years, Superior believes that all its officers, directors and greater than 10% beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal year 2001.
