Item 5. Other Events

On April 29, 2004, the Company issued the following press release:

**SECOND BANCORP REPORTS
FIRST QUARTER 2004 EARNINGS**

Warren, Ohio, April 29, 2004 SECOND BANCORP INCORPORATED (Nasdaq SECD , SECDP) reported net income for first quarter 2004 of \$2,767,000 or \$.29 per diluted share compared to \$8,661,000 or \$.89 per diluted share for the same period last year. Earnings for first quarter 2004 were adversely affected by \$1,138,000 in non-recurring expenses associated with Second Bancorp's pending merger with Sky Financial Group, Inc. Earnings for last year's first quarter included gains (after tax) of \$3.65 million on the sale of two of subsidiary Second National Bank's banking centers in Jefferson County, Ohio. Absent these items, earnings for the current quarter would have been \$3,812,000 or \$.39 per diluted share, and last year's first quarter would have been \$5,009,000 or \$.52 per diluted share. All results contained in this press release are reported on a GAAP basis unless specifically indicated otherwise.

The Company's return on average assets (ROA) for the just completed quarter was .52% compared to 1.85% (or 1.07% on a non-GAAP basis) for the comparable quarter in 2003. Second Bancorp's return on average equity (ROE) was 7.93% for the quarter compared to 25.61% (or 14.81% on a non-GAAP basis) for the year-ago quarter. Persistently low interest rates continued to compress the Company's net interest margin which was 2.84% for the just completed quarter compared to 3.33% during the same period last year. Lower non-interest income reflected, in part, slowing secondary market activity in our mortgage lending line of business and higher non-interest expenses (including merger costs) produced a 73.95% efficiency ratio for the quarter compared to 47.48% for the same quarter last year.

Second Bancorp President and Chief Executive Officer R. L. (Rick) Blossom stated "Among the many challenges Second Bancorp and Second National Bank face as we move toward completion of the pending merger with Sky Financial Group have been customer retention and continuing business development. Our charge is to deliver to Sky Financial the bargained-for customer base and accompanying earnings potential. With average total loans for the first quarter 1.6% higher

than for fourth quarter 2003 and average deposits up 4.6% for the same periods, we're satisfied that our dedicated, professional staff continues to focus on those things which have historically created value for our shareholders.

As mentioned, Second Bancorp announced January 8, 2004 that it has entered with Sky Financial Group, Inc. into a definitive merger agreement under which Sky Financial will acquire all of Second Bancorp's outstanding shares in a stock-for-stock transaction. Under the agreement, Second Bancorp's common shareholders will receive 1.26 shares of Sky Financial stock in exchange for each Second Bancorp share. Second Bancorp's special meeting of shareholders for the purpose of considering and approving the merger will be held on May 18, 2004. Shareholders of record on April 5, 2004 are entitled to vote at that meeting. The transaction, subject also to regulatory approvals, is expected to be completed as of the close of business June 30, 2004.

The Company also reported that its Board of Directors declared a nineteen cent (\$.19) per share common dividend payable April 30, 2004 to shareholders of record on April 15. That dividend is unchanged from the previous quarter.

This announcement contains forward-looking statements that involve risk and uncertainties, including changes in general economic and financial market conditions and the Company's ability to execute its business plans. Although management believes the expectations reflected in such forward-looking statements are reasonable, actual results may differ materially.

Shareholders are urged to read the joint proxy statement/prospectus regarding the referenced proposed transaction filed by Sky Financial Group, Inc. and Second Bancorp Incorporated filed with the SEC because it will contain important information. Shareholders and interested parties can obtain a free copy of the joint proxy statement/prospectus, as well as other filings containing information about Sky Financial and Second Bancorp, without charge, at the SEC's Internet site (<http://www.sec.gov>).
