Agilysys, Inc. (the Company) files this Form 12b-25 for a 5-day extension from August 11 to August 18, 2008 to file its Quarterly Report on Form 10-Q for the period ended June 30, 2008 (Form 10-Q). On June 2, 2008, the Company issued a press release and furnished such release on Form 8-K announcing unaudited results for the fourth quarter and full-year ended March 31, 2008 (the June Press Release). In the June Press Release, the Company stated that it must include in its financial statements information from an independent audit report on Magirus AG a foreign equity investment in which the Company owns a 20% stake which financial statement audit was not yet complete. The Magirus financial information is necessary for the Company's financial statements because of its materiality to the Company's fiscal 2008 income statement. The Company's financial results referenced in the June Press Release are subject to change pending the completion and issuance of the Magirus AG audited financial statements in addition to the completion of the audit of Agilysys proportionate share of Magirus equity income and losses. Further, the Company's financial results referenced in the August Press Release are subject to change depending on the final results of the fourth quarter and fiscal year ended March 31, 2008.
