PROXY STATEMENT**

The Board of Directors of MESA AIR GROUP, INC., a Nevada corporation (the Company), is soliciting proxies to be used at the 2006 annual meeting of shareholders of the Company to be held on February 7, 2006, at 10:00 a.m., Arizona time, at the Phoenix Airport Marriott Hotel, 1101 N. 44th Street, Phoenix, Arizona, and any adjournment(s) or postponement(s) thereof (the Annual Meeting). This proxy statement and the enclosed form of proxy will be mailed to shareholders beginning January 6, 2006.

Who Can Vote

Shareholders of record as of the close of business on December 30, 2005 (the Record Date), may vote at the Annual Meeting and at any adjournment or postponement of the meeting. Each shareholder has one vote for each share of Common Stock held of record on the Record Date. On the Record Date, 29,247,993 shares of the Company's common stock, no par value per share (the Common Stock), were issued and outstanding.

How You Can Vote

All valid proxies received by the Secretary of the Company before the Annual Meeting and not revoked will be exercised. All shares represented by proxy will be voted, and where a shareholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made. If you do not specify on your proxy card how you want to vote your shares and authority to vote is not specifically withheld, we will vote your shares as follows: (i) for the election of the persons named in the proxy to serve as directors; (ii) for the ratification of Deloitte & Touche LLP (Deloitte & Touche) as the independent registered public accountants of the Company; and (iii) to transact such other business as may properly come before the meeting or any postponement(s) or adjournment(s) thereof. Shareholders who hold their shares in street name (i.e., in the name of a bank, broker or other record holder) must vote their shares in the manner prescribed by their brokers.

How You Can Revoke Your Proxy

You can revoke your proxy at any time before it is exercised in one of three ways:

(1) by delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy.

(2) by duly executing and delivering to the Secretary of the Company a subsequent proxy relating to the same shares.

(3) by attending the meeting and voting in person, provided that the shareholder notifies the Secretary at the meeting of his or her intention to vote in person at any time prior to the voting of the proxy.

Required Votes

A plurality of votes cast by shareholders who are either present in person or represented by proxy at the meeting is required to elect the seven (7) nominees for Director under Proposal 1. Approval of Proposal 2 requires the affirmative vote of a majority of the shares present and entitled to vote on this proposal at the Annual Meeting. The total number of votes that could be cast at the meeting is the number of votes actually cast plus the number of abstentions. Abstentions are counted as shares present at the meeting for purposes of determining whether a quorum exists and have the effect of a vote against any matter as to which a specific proportion of affirmative votes is required for approval. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and

Table of Contents

have not received instructions as to how to vote on these proposals (so-called "broker non-votes") are counted for the purpose of determining the presence of or absence of a quorum but are not counted for determining the number of votes cast for or against a proposal.

Dissenter's Rights or Appraisal

Pursuant to applicable Nevada law, there are no dissenter's or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Other Matters to Be Acted Upon at the Meeting

We do not know of any matters other than the election of directors and the ratification of independent registered public accountants that are expected to be presented for consideration at the Annual Meeting. If any other matters are properly presented at the meeting, the shares represented by proxies will be voted in accordance with the judgment of the persons voting those shares.

Solicitation

The cost of soliciting proxies, including the cost of preparing and mailing the Notice and Proxy Statement, will be paid by the Company. Solicitation will be primarily by mailing this Proxy Statement to all shareholders entitled to vote at the meeting. Proxies may also be solicited by officers and directors of the Company personally or by telephone or facsimile, without additional compensation. The Company may reimburse brokers, banks and others holding shares in their names for others for the cost of forwarding proxy materials and obtaining proxies from beneficial owners.

Communications with the Board of Directors

Stockholders may communicate with any and all members of the Company's Board of Directors by transmitting correspondence by mail or facsimile addressed to one or more directors by name or, for a communication to the entire board, to the Chairman of the Board at the following address and fax number: Mesa Air Group, Inc. c/o Corporate Secretary, 410 North 44th Street, Suite 700, Phoenix, Arizona 85008; facsimile: (602) 685-4352.

Communications from our stockholders to one or more directors will be collected and organized by our Corporate Secretary under procedures adopted by our independent directors. The Corporate Secretary will forward all communications to the Chairman of the Board or to the identified director(s) as soon as practicable, although communications that are abusive, in bad taste or that present safety or security concerns may be handled differently. If multiple communications are received on a similar topic, the Corporate Secretary may, in his discretion, forward only representative correspondence.

The Chairman of the Board will determine whether any communication addressed to the entire Board of Directors should be properly addressed by the entire Board of Directors or a committee thereof. If a communication is sent to the Board of Directors or a committee, the Chairman of the Board or the chairman of that committee, as the case may be, will determine whether a response to the communication is warranted. If a response to the communication is warranted, the content and method of the response may be coordinated with our counsel.

BOARD AND COMMITTEE MEETINGS

Information concerning the three Committees maintained by the Board of Directors is set forth below. The Board Committees currently consist only of Directors who are not employees of the Company and who are independent within the meaning of the listing standards of the NASD and, with respect to the Audit Committee, Section 10A of the Securities Exchange Act of 1934 (Exchange Act).

The Board held nine meetings during the 2005 fiscal year. No director attended less than 75% of the Board meetings while serving as such director, or less than 75% of all committee meetings on which he or she served as a committee member.

The Company does not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of stockholders, but strongly encourages directors to attend.

At various times throughout the year non-management directors hold meetings without the presence of management personnel. The Lead Director chairs these meetings and is also the Chair of the Nominating/ Corporate Governance Committee.

Table of Contents

The audit, nominating and compensation committees are the standing committees of the Board. The fiscal year 2005 committees were comprised as follows:

Audit	Nominating/Corporate Governance	Compensation
Ronald R. Fogleman*	Daniel J. Altobello*	Daniel J. Altobello*
Peter Nostrand	Peter Nostrand	Peter Nostrand
Robert Beleson	Robert Beleson	Robert Beleson

* Chairman

The Audit Committee of the Board (the Audit Committee) held eight meetings during fiscal 2005. The Audit Committee, among other things, recommends the Company's independent registered public accountants, reviews the Company's financial statements, makes reports and recommendations regarding the adequacy of internal accounting controls made by the independent registered public accountants and considers such other matters with respect to the accounting, auditing and financial reporting procedures as it may deem appropriate or as may be brought to its attention.

The Audit Committee acts under a written charter adopted and approved by the Board in May 2000. The Audit Committee Charter was amended in April 2002 and July 2004 and was attached as an exhibit to the Company's 2004 Annual Meeting Proxy Statement. The Audit Committee is composed of outside directors who are not officers or employees of the Company or its subsidiaries. In the opinion of the Board and as independent is defined under current standards of the NASD (including the heightened independence requirements of audit committee members), these directors are independent of management and free of any relationship that would interfere with their exercise of independent judgment as member of this committee.

The Nominating/Corporate Governance Committee of the Board (the Nominating/Corporate Governance Committee) met twice in fiscal 2005. A Corporate Governance/Nominating Committee charter was adopted in August 2004 and amended in July 2005. The Nominating/Corporate Governance Committee is responsible for identifying and nominating individuals qualified to serve on the Board and the Committees of the Board, as well as reviewing the effective corporate governance policies and procedures and recommending any applicable modifications thereto. The Nominating/Corporate Governance Committee will consider, but is not required to approve, nominations for directors by shareholders for any annual meeting of the Company, provided a written recommendation is received by the Company no later than the date shareholder proposals must be submitted for consideration prior to such annual meeting.

In evaluating the suitability of potential nominees for membership on the Board, the Nominating/Corporate Governance Committee will consider the Board's current composition, including expertise, diversity, and balance of inside, outside and independent directors, and consider the general qualifications of the potential nominees, such as:

Unquestionable integrity and honesty;

The ability to exercise sound, mature and independent business judgment in the best interests of the shareholders as a whole;

Recognized leadership in business or professional activity;

A background and experience that will complement the talents of the other Board members;

Willingness and capability to take the time to actively participate in Board and Committee meetings and related activities;

Ability to work professionally and effectively with other Board members and the Company's management;
5

Table of Contents

An age to enable the Director to remain on the Board long enough to make an effective contribution; and

Lack of realistic possibilities of conflict of interest or legal prohibition.

The Committee will also see that all necessary and appropriate inquiries are made into the backgrounds of such candidates. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating/Corporate Governance Committee may also consider such other factors as it may deem to be in the best interests of the Company and its stockholders.

In obtaining the names of possible new nominees, the Committee may make its own inquiries and will receive suggestions from other Directors, stockholders and other sources. All potential nominees must first be considered by the Committee before being contacted as possible nominees and before having their names formally considered by the full Board.

The compensation committee of the Board (the Compensation Committee) operates under a charter adopted in February 2004 and held two meetings during the 2005 fiscal year. The Compensation Committee is responsible for allocating cash compensation and stock options to senior executive officers of the Company.

It is expected that all current committee members will be nominated for re-election to such committees at a Board meeting to be held immediately following the Annual Meeting.

The Board of Directors has adopted Corporate Governance Guidelines, charters for its Audit, Compensation and Corporate Governance & Nominating Committees and Code of Conduct for directors, officers and employees of Mesa Air Group, Inc., its subsidiaries and affiliated companies. You can obtain copies of our current committee charters, codes and policies in the Corporate Governance section of our website (www.mesa-air.com) or by writing to our Corporate Secretary at 410 North 44th Street, Suite 700, Phoenix, Arizona 85008.

COMPENSATION OF DIRECTORS

Fees

The following fees were paid to Directors who were not employees of the Company during fiscal 2005. Directors who are full-time employees of the Company receive no additional compensation for serving as directors. Board members also are reimbursed for all expenses associated with attending Board or Committee meetings.

Annual Retainer	\$ 15,000
Fee for each Board meeting	\$ 1,000
Fee for each telephonic Board meeting	\$ 500
Fee for each Committee meeting	\$ 500
Lead Director Retainer	\$ 10,000
Compensation Committee Chairman Retainer	\$ 10,000

Stock Options

Under the Outside Director's Stock Option Plan, each non-employee director receives an annual grant of options to purchase 3,000 shares of Common Stock, plus the number of options to purchase Common Stock equivalent to a cash value of \$20,000 as calculated pursuant to the Black-Scholes Valuation Method (collectively, the Formula Amount), at a risk-free rate of a ten-year zero coupon bond. Each non-employee director receives the additional Formula Amount on April 1st of each year thereafter. Upon being appointed a non-employee director after April 1, such director is granted a pro-rata portion of the Formula Amount and receives options pursuant to the plan on April 1st of each succeeding year. The amount of pro rata options

Table of Contents

granted to each new non-employee director is calculated by dividing the number of days prior to April 1st by the number of days in the calendar year and multiplying the quotient by the Formula Amount.

Other Benefits

Each non-employee director, and certain family members of such director, receives free travel on Mesa Airlines and free or reduced-fare travel on certain other partner air carriers at no cost to the Company or the director. The Company believes that the directors' use of free air travel is de minimis and did not maintain any records of non-employee directors' travel during fiscal 2005.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year 2005, the Compensation Committee consisted of Messrs. Altobello and Beleson and, following the resignation of Ms. Julie Silcock in April 2005, Mr. Nostrand. None of the members of the committee held any executive officer position or other employment with the Company prior to or during such service.

REPORT OF AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the internal control, accounting, auditing and financial reporting practices of the Company. Specific responsibilities of the Audit Committee include:

reviewing and discussing the Company's audited financial statements with management;

reviewing the Company's quarterly reports with the Company's independent registered public accountants;

discussing with the Company's independent registered public accountants information relating to the independent registered public accountants' judgments about the quality of the Company's accounting policies and financial reporting practices;

recommending to the Board that the Company include the audited financials in its Annual Report on Form 10-K; and

overseeing compliance with the Securities and Exchange Commission requirements for disclosure of registered public accountants' services and activities.

The Committee regularly meets with management to consider the adequacy of the Company's internal controls and the integrity of its financial reporting. The Committee discusses these matters with the Company's independent registered public accountants and with appropriate Company financial personnel and internal auditors.

The Committee regularly meets privately with management, the independent registered public accountants and the internal auditors. Each of the independent registered public accountants has unrestricted access to the Committee.

The Committee retains and, if circumstances warrant, replaces the independent registered public accountants and regularly reviews their performance and independence from management. The Committee also pre-approves all audit and permitted non-audit services and related fees.

The Board of Directors has determined that none of the Directors serving on the Committee has a relationship to the Company that may interfere with their independence from the Company and its management. As a result, each Director who serves on the Committee is independent as required by NASD listing standards and Section 10A of the Exchange Act.

Table of Contents

The Board of Directors has adopted a written charter setting out the roles and responsibilities the Committee is to perform. The Board has determined that Peter F. Nostrand of the Audit Committee is an audit committee financial expert, as such term is defined in Item 401(h) of Regulation S-K.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

Review of Audited Financial Statements

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended September 30, 2005, as audited by Deloitte & Touche LLP, the Company's independent registered public accountants, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with Deloitte & Touche LLP and expects to receive from Deloitte & Touche LLP the written disclosures required by Statement of Auditing Standards No. 61, Securities and Exchange Commission Rule 2-07 and the Independence Standards Board Standard No. 1 in January 2006 and has discussed with Deloitte & Touche LLP its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended September 30, 2005 be included in the Company's Annual Report on Form 10-K, for filing with the Securities and Exchange Commission.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with accepted auditing standards of the Public Company Accounting Oversight Board, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America and that the Company's independent registered public accountants are in fact independent.

DISCLOSURE OF AUDIT AND NON-AUDIT FEES

Pre-approval Policy

In August 2003, the Audit Committee adopted a Pre-approval Policy (Policy) governing the approval of all audit and non-audit services performed by the independent registered public accountants in order to ensure that the performance of such services does not impair the independent registered public accountants.

According to the Policy, the Audit Committee will annually review and pre-approve the services and fees that may be provided by the independent registered public accountants during the following year. The Policy specifically describes the services and fees related to the annual audit, other services that are audit-related, preparation of tax returns and tax related compliance services and all other services that have the pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period.

Table of Contents

Any service to be provided by the independent registered public accountants that has not received general pre-approval under the Policy is required to be submitted to the Audit Committee for approval prior to the commencement of a substantial portion of the engagement. Any proposed service exceeding pre-approved cost levels is also required to be submitted to the Audit Committee for specific approval.

The Audit Committee will revise the list of general pre-approved services from time to time based on subsequent determinations. The Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accountant to management.

For fiscal years 2003, 2004 and 2005, Mr. Ornstein's total also includes personal use of Company aircraft of \$38,786, \$57,189 and \$138,623, disability and life insurance premium payments of \$8,451, \$8,451 and \$8,451 and a non-accountable expense allowance of \$12,545, \$32,440 and \$29,704, respectively.

The Company does not intend to recalculate the fiscal 2003 and 2004 amounts using the new methodology.
- (2) Except for Mr. Ornstein in fiscal years 2003 and 2004 and Messrs. Ornstein and Lotz in fiscal year 2005, the amounts in this column do not reflect perquisites since the dollar value of these personal benefits in each reported year did not exceed the lesser of \$50,000 or ten percent of each executive officer's salary and bonus amounts.
- (3) The amounts in the table represent the closing market value of the shares awarded at the date of grant. The number and aggregate market value of all restricted share holdings held as of September 30, 2005, are as follows: Mr. Ornstein, 158,771 shares and \$1,309,861; Mr. Lotz, 126,761 shares and \$1,045,776. In addition, the Company has agreed to enter into a consulting agreement with Mr. Lotz, which will become effective when he leaves the Company for any reason. The consulting agreement will provide for Mr. Lotz's retention as a consultant for a period of 7 years from its effective date at the rate of \$150,000 per year.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee consists of three non-employee directors, Messrs. Altobello, Beleson and Nostrand. The Compensation Committee has the responsibility for allocation of cash and other compensation as well as stock options to senior executive officers of the Company. The Compensation Committee primarily administers the Company's cash compensation plans and employee stock option plans. In those instances in which Rule 16b-3 of the Securities Exchange Act of 1934 requires grants or awards of stock options to be made by a disinterested committee, the Compensation Committee is solely responsible for the administration of such plans.

The entire Board regularly reviews the Compensation Committee decisions relating to executive compensation. The Company's executive compensation policies, as endorsed by the Compensation Committee, have been designed to provide a balanced compensation program that will assist the Company in its efforts to attract, motivate and retain talented executives who the Compensation Committee and senior management believe are important to the long-term financial success of the Company. The employment contracts of Messrs. Ornstein, Lotz and Murnane provide for bonuses. Bonuses are limited to prescribed percentages of base salary, based upon the percentage growth in earnings per share (EPS) of the Company. Growth in EPS, which is reviewed annually by the Compensation Committee, is categorized at four levels: (1) Minimum any growth in EPS during the prior fiscal year; (2) Threshold 5.0% to 9.9% growth in EPS; (3) Target 10.0% to 14.9% growth in EPS; and (4) Maximum 15.0% or greater growth in EPS. The Board may also approve discretionary bonuses. Other compensation provided to the Chief Executive Officer and President generally include life and disability insurance premiums paid by the Company, a non-accountable expense allowance and limited use of Company aircraft for business and personal use. Additional information regarding other compensation provided to the Named Executive Officers is presented in the Summary Compensation Table.

In addition to salaries, bonuses and other compensation, an integral part of executive compensation is the issuance of stock options on an annualized basis to key employees under the Key Officer Stock Option Plan and the 2005 Employee Stock Incentive Plan (together, the Stock Option Plans).

The Key Officer Stock Option Plan provides for options to be issued to the Chief Executive Officer and President at set dates for prescribed amounts. The 2005 Employee Stock Incentive Plan provides for options to be issued to officers and key employees at the discretion of the Compensation Committee upon recommendation by the Chief Executive Officer. The options granted under the foregoing Stock Option Plans vest at the rate of one-third per year commencing one year after the grant date. The options have a 10-year term and are subject to standard option provisions, including the requirement of continued employment and provisions to deal with termination of employment due to retirement, death or disability. Under the Stock Option Plans, options will be issued at the weighted average price of Common Stock on the date of grant. The total number of options granted under all Stock Option Plans in fiscal 2005 was 947,324. The Compensation Committee believes that the issuance to officers and key employees of stock options related to the appreciation of the Common Stock provides equitable incentives to increase the profitability of the Company.

During fiscal 2005, Mr. Ornstein's annual base salary was increased from \$300,000 to \$375,000 under his employment agreement and he also earned a performance bonus of \$436,586. Mr. Ornstein's performance bonus was determined in accordance with the EPS growth criteria described above. For additional information concerning Mr. Ornstein's employment agreement, see Employment and Change in Control Arrangements, above.

In establishing the level of base salary payable to Mr. Ornstein under his new employment agreement, we consulted with an independent third party and considered other available information. We took into account compensation levels payable to executives in our industry and reviewed executive compensation information with regard to comparably-sized companies. We further considered the increasingly active market (and correspondingly increased cash and equity compensation levels) for executives with established track records, and potential costs to the Company if replacement management executives were required. We also took into account information concerning employment opportunities with third parties available to Mr. Ornstein, and the importance of retaining Mr. Ornstein's services in areas such as operational leadership and continuing interactions with stakeholders. We continue to consider market conditions with respect to the compensation of all of our executives.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In February 1999, the Company entered into an agreement with Barlow Capital, LLC (Barlow), whereby Barlow would provide financial advisory services related to aircraft leases, mergers and acquisitions, and certain other financing arrangements. The Company paid fees totaling \$0.6 million to Barlow in fiscal 2005 for arranging for leasing companies to participate in the Company's various aircraft financings under this agreement. Jonathan Ornstein, the Company's Chairman of the Board and Chief Executive Officer, and George Murnane III, the Company's Executive Vice President and Chief Financial Officer were each members of Barlow and each held a 25% membership interest therein. In January 2005, Messrs. Ornstein and Murnane disposed of their membership interest in Barlow. Distributions to the members are determined by the members on a year-by-year basis and are not based on a member's percentage interest in Barlow. Substantially all of Barlow's revenues are derived from its agreement with the Company.

The Company provides reservation services to Europe-By-Air, Inc. The Company billed Europe-By-Air approximately \$57,000 during fiscal 2005 for these services during the 2005 fiscal year. Mr. Ornstein is a major shareholder of Europe-By-Air.

The Company has used the services of the law firms of Piper Rudnick and Baker & Hostetler primarily for labor related services. The Company paid Piper Rudnick \$175,000 and Baker & Hostetler \$100,000 for legal-related services in 2005. Before becoming a partner with Baker & Hostetler in February 2005, Mr. Manson, a member of the Company's Board of Directors, was a partner with Piper Rudnick.

During fiscal 2001, the Company established Regional Aviation Partners (RAP), a political interest group formed to pursue the interests of regional airlines, communities served by regional airlines and manufactures of regional airline equipment. Mr. Parker, a member of the Company's Board of Directors, is the Executive Director of RAP. During 2005 the Company paid RAP's operating costs totaling approximately \$312,000. Included in this amount are wages and expenses of Mr. Parker, which amounted to \$120,000 in fiscal 2005. Since inception, the Company has financed 100% of RAP's operations.

The Company will enter into future business arrangements with related parties only where such arrangements are approved by a majority of disinterested directors and are on terms at least as favorable as those available from unaffiliated third parties.
