**PROXY STATEMENT FOR THE
2007 ANNUAL MEETING OF STOCKHOLDERS
To Be Held On February 1, 2007**

INFORMATION ABOUT SOLICITATION AND VOTING

General

This proxy statement is provided in connection with the solicitation of proxies by the Board of Directors of VistaCare, Inc. for the 2007 Annual Meeting of Stockholders to be held at 2:00 p.m. local time on Thursday, February 1, 2007 at the Chaparral Suites Resort, located at 5001 North Scottsdale Road, Scottsdale, Arizona 85250, and at any adjournment or postponement of the annual meeting. Our principal executive offices are located at 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251.

This proxy statement and the accompanying proxy card are expected to be mailed on or about January 3, 2007 to all stockholders entitled to vote at the annual meeting. We are mailing our Annual Report to Stockholders for the fiscal year ended September 30, 2006 together with these proxy materials. The Annual Report to Stockholders does not constitute part of this proxy statement.

What is the purpose of the annual meeting?

At the annual meeting, our stockholders will consider and vote on the following matters:

1. The election of three nominees to serve as members of our Board of Directors for a term of three years or until their respective successors are elected and qualified.
2. The ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending September 30, 2007.
3. The consideration of any other business that may properly come before the meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on December 26, 2006 may vote at the annual meeting. This date is the record date for the annual meeting. On the record date, there were 16,718,800 outstanding shares of our Class A Common Stock, \$0.01 par value per share, which we refer to in this proxy statement as our common stock.

How many votes do I have?

Each share of common stock that you owned on the record date entitles you to one vote on each matter voted on at the annual meeting.

Is my vote important?

Your vote is important regardless of how many shares you own. Please take the time to vote and to read the instructions below.

How can I vote?

You can vote by mail or you can vote in person at the annual meeting. If your shares are held in street name, see below under the question Can I vote if my shares of common stock are held in street name ? for additional information as to how you can vote your shares.

You can vote by mail. You can vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the

enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors. The Board of Directors recommends that you vote FOR proposals 1 and 2.

You can vote in person. If you attend the annual meeting, you can vote by delivering your completed proxy card in person or you can vote by completing a ballot. Ballots will be available at the meeting.

Can I change my vote after I have mailed my proxy card?

Yes, you can change your vote and revoke your proxy at any time before the proxy is exercised at the annual meeting by doing any one of the following things:

signing another proxy with a later date;

giving our corporate secretary a written notice before or at the meeting prior to the exercise of the proxy that you want to revoke your proxy; or

voting in person at the annual meeting.

Your attendance at the meeting alone will not revoke your proxy.

If the annual meeting is postponed or adjourned, a stockholder's proxy will remain valid and may be voted at the postponed or adjourned meeting. A stockholder will still be able to revoke the stockholder's proxy until it is voted.

Can I vote if my shares of common stock are held in street name ?

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

If your shares are held in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the annual meeting. To be able to vote your shares held in street name at the annual meeting, you will need to obtain a proxy card from the holder of record.

What will happen if I do not give my bank or brokerage firm instructions on how to vote my shares?

If you do not give your broker instructions as to how to vote on the two proposals described in this proxy statement, your broker is entitled to use its discretion in voting your shares.

What constitutes a quorum for purposes of the annual meeting?

In order for business to be conducted at the annual meeting, a quorum must be present. A quorum consists of the presence, in person or by proxy, of a majority of the shares of common stock issued, outstanding and entitled to vote at the meeting.

Shares of common stock represented in person or by proxy, including broker non-votes and shares that abstain from voting on one or more of the matters to be voted upon, will be counted as present for purposes of determining whether a quorum exists. A broker non-vote occurs when a record holder (for example, a bank or brokerage firm) holding shares for a beneficial owner does not vote on a particular proposal because the record holder does not have discretionary voting power for that particular item and has not received voting instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors and the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm even if the broker does not receive voting instructions from you.

If a quorum is not present, the annual meeting will be adjourned until a quorum is obtained.

What vote is required for each proposal?

Election of directors. The three nominees receiving the greatest number of votes cast at the annual meeting will be elected, regardless of whether that number represents a majority of the votes cast. Abstentions may not be specified on this proposal. Broker non-votes will have no effect on the outcome of this proposal.

Ratification of selection of independent registered public accounting firm. The affirmative vote of the holders of a majority of the shares present or represented at the annual meeting is needed to approve the ratification of the selection of our independent registered public accounting firm. Abstentions will have the effect of a negative vote on this proposal. Because brokers are permitted to vote on this proposal even in the absence of voting instructions from beneficial owners, broker non-votes will have the effect of negative votes.

How will votes be counted?

Each share of common stock will be counted as one vote according to the instructions contained on a properly completed proxy card or on a ballot voted in person at the annual meeting.

Who will count the votes?

The votes will be counted, tabulated and certified by our transfer agent and registrar, Computershare Trust Company, N.A. Two of our employees, Merle Lindlar and Janet Wright, will serve as the inspectors of elections at the annual meeting.

How does the Board of Directors recommend that I vote on the proposals?

The Board of Directors recommends that you vote:

FOR the election of the three nominees to serve as members of our Board of Directors to hold office for a term of three years; and

FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending September 30, 2007.

Will any other business be conducted at the annual meeting, or will other matters be voted on?

The Board of Directors does not know of any other matters that may come before the annual meeting. If any other matter is properly brought before the meeting, the persons named in the proxy card that accompanies this proxy statement will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

The preliminary voting results will be announced at the annual meeting. We will report the final voting results in our quarterly report on Form 10-Q for the second quarter of 2007, which we expect to file with the Securities and Exchange Commission, or the SEC, on or before May 10, 2007.

How and when may I submit a stockholder proposal for the 2008 annual meeting?

To be included in the proxy statement or considered at the annual meeting, a stockholder must timely submit nominations of directors or other proposals to our Corporate Secretary in addition to complying with certain provisions set forth in our Bylaws and rules and regulations promulgated by the Securities and Exchange Commission. We intend to hold our 2008 annual meeting during February 2008. We must receive proposals for our 2008 annual meeting no later than September 3, 2007 for possible inclusion in the proxy statement, or between November 5, 2007 and December 5, 2007 for possible consideration at the meeting. SEC rules permit

management to vote proxies in its discretion with respect to such matters if the Company advises stockholders how management intends to vote.

Any proposals or notices should be sent to:

VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Attention: Corporate Secretary

Who will bear the costs of soliciting these proxies?

We will bear the costs of solicitation of proxies. Copies of solicitation material may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of shares of the common stock. We will reimburse such fiduciaries for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials. Solicitation of proxies may be made by the Company by mail or by personal interview, telephone and other electronic communication by our officers and other management employees, who will receive no additional compensation for their services.

How can I obtain a copy of VistaCare's 2006 Annual Report on Form 10-K?

Our Annual Report on Form 10-K is a part of our 2006 Annual Report to Stockholders and it is being mailed to you together with this proxy statement. However, you may also receive a copy of our Annual Report on Form 10-K for the fiscal year ended September 30, 2006 by visiting our website (www.vistacare.com) and clicking on Investor Relations, or we will send you a paper copy without charge upon request. PROPOSAL 1

ELECTION OF DIRECTORS (Item 1 of Notice)

General

The Board of Directors, acting on the recommendation of the Nominating and Corporate Governance Committee, has nominated Jon M. Donnell, Perry G. Fine, M.D. and Jack A. Henry for re-election as Class II directors at the 2007 Annual Meeting of Stockholders, each to serve a three-year term expiring at the 2010 Annual Meeting of Stockholders or until their respective successors have been elected and duly qualified. Unless instructed otherwise, the proxy holders will vote the proxies received by them for the election of Messrs. Donnell, Fine and Henry. If any nominee is unable or declines to serve as a director at the time of the annual meeting, the proxies may be voted for a substitute nominee designated by the present Board of Directors (unless another nominee is indicated in any particular proxy), or the Board of Directors may reduce the number of directors. Messrs. Donnell, Fine and Henry have consented to serve as directors, and our Board of Directors has no reason to believe that they will be unavailable for service.

The Board of Directors recommends a vote FOR the proposed nominees.

Composition of the Board of Directors

Our Certificate of Incorporation divides the Board of Directors into three classes. Directors in each class serve for a three-year term or until their respective successors are elected and qualified or until their earlier resignation, death or removal. One class of directors is elected at each annual meeting. Currently, James C. Crews, Geneva B. Johnson and Brian S. Tyler serve as Class I directors (whose terms expire in 2009), Messrs. Donnell, Fine and Henry serve as Class II directors (whose terms expire in 2007), and Messrs. Klisares and Slager serve as Class III directors (whose terms expire in 2008). There are no family relationships among any of our directors or executive officers.

Effective May 13, 2006, Ronald A. Matricaria resigned from the Board of Directors. On May 16, 2006, acting on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors fixed the number of directors at eight (8) to eliminate the vacancy on the board created by Mr. Matricaria's resignation. As a result, the Board of Directors is composed of eight members, with three (3) directors in each of Classes I and II and two (2) directors in Class III.

Effective September 26, 2006, a vacancy on the Board of Directors was created by the resignation of David W. Elliot, Jr. Effective December 6, 2006, the Board of Directors, acting on the recommendation of the Nominating and Corporate Governance Committee, appointed Brian S. Tyler, Ph.D. to serve the remainder of Mr. Elliot's term ending in 2009.

Set forth below is information concerning the persons nominated for election at the 2007 Annual Meeting of Stockholders and the directors whose terms do not expire at the 2007 Annual Meeting. Information regarding their compensation is presented in the section of this proxy statement entitled "Compensation of Non-Employee Directors," and information regarding their beneficial ownership of shares of our common stock is presented in the section of this proxy statement entitled "Security Ownership of Certain Beneficial Owners and Management."

CORPORATE GOVERNANCE

General

We believe that good corporate governance practices provide an important framework that promotes our long-term strategy of building value for our stockholders. Accordingly, we review annually our corporate governance practices and policies to ensure that they are in line with current best practices and in compliance with the requirements of the SEC and the Nasdaq Stock Market.

Information regarding corporate governance at VistaCare can be found on our website (www.vistacare.com) under the Investor Relations Corporate Governance captions. This information includes copies of the charters of our Audit, Compensation and Nominating and Corporate Governance Committees, our Code of Business Conduct and Ethics for officers, employees and directors and our Corporate Governance Guidelines. Set forth below is a brief description of some of our most important corporate governance policies and practices.

Independence of Directors

Independent Directors. We believe that independent directors play a critical role in company governance, and we are committed to ensuring that a majority of our directors are independent. Presently, seven (7) of our eight (8) directors are independent under the standards specified by the Nasdaq Stock Market. In particular, our Board of Directors has determined that none of Messrs. Crews, Donnell, Fine, Henry, Klisares and Tyler, and Ms. Johnson has a material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) and that each of these directors is independent within the meaning of Nasdaq's director independence standards. In addition, our Board of Directors has determined that all of the members of each of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee have no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) and are independent within the meaning of Nasdaq's director independence standards. Mr. Slager is the only director who is also an employee of VistaCare.

All of our directors during fiscal 2006, other than Messrs. Slager and Elliot, were non-employee directors. The Nasdaq independence criteria applicable to directors includes a requirement that a director not have been employed by the company or by any parent or subsidiary of the company during the past three years. From June 1996 to August 2003, Dr. Fine was employed as our National Medical Director. Our Board of Directors has determined that as of September 1, 2006, Dr. Fine qualifies as an independent director under the Nasdaq rules.

The Nasdaq independence criteria also include a requirement that a director not have received payments from the company in excess of \$60,000 during the current or any of the past three fiscal years other than: (i) compensation for board or board committee service; (ii) payments arising solely from investments in the company's securities; (iii) compensation paid to a family member of the director who is a non-executive employee of the company or any parent or subsidiary of the company; (iv) benefits under a tax-qualified retirement plan or

non-discretionary compensation; or (v) certain permitted loans. Commencing September 1, 2003, Dr. Fine began to provide consulting services to us under a consulting agreement described elsewhere in this proxy statement under Certain Relationships and Related Transactions. In return, Dr. Fine received an annual retainer of \$60,000. Our consulting agreement with Dr. Fine was terminated in January 2006. The Board of Directors concluded that Dr. Fine's consulting agreement with the company did not preclude a determination that Dr. Fine is independent under the Nasdaq rules.

Independence for Audit Committee Members and Audit Committee Financial Expert. In addition, as required by Nasdaq rules, the members of the Audit Committee each qualify as independent under special standards established by the SEC for members of audit committees. The Audit Committee also includes at least one independent member who is determined by the Board of Directors to meet the qualifications of an audit committee financial expert in accordance with SEC rules, including that the person meets the relevant definition of an independent director. Jon M. Donnell and Jack A. Henry are the independent directors who have been determined to be audit committee financial experts. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Messrs. Donnell and Henry's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Messrs. Donnell and Henry any duties, obligations or liability that are greater than are generally imposed on them as members of the Audit Committee and the Board of Directors, and their designation as audit committee financial experts pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board of Directors.

Lead Director

In order to ensure a balanced relationship between management and the Board of Directors, in 2003 our Board of Directors established the role of Lead Director. The Lead Director serves as the Chair of any meeting at which management directors are not present and acts as a liaison between management, including the Chairman/Chief Executive Officer, and the independent directors. Mr. Klisares served as the Lead Director during our 2006 fiscal year. In this capacity, Mr. Klisares had frequent contact with Mr. Slager and other members of management on a broad range of matters.

Nomination of Directors

General

The Nominating and Corporate Governance Committee makes recommendations to the Board of Directors regarding the size and composition of the Board. The Committee reviews annually with the Board the composition of the Board as a whole and recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of knowledge, experience, skills, expertise and diversity required for the Board as a whole and contains at least the minimum number of independent directors required by the Nasdaq and other applicable laws and regulations. The Committee is responsible for ensuring that the composition of the Board accurately reflects the needs of the Company's business and, in accordance with the foregoing, proposing the addition of members and the necessary resignation of members for purposes of obtaining the appropriate members and skills.

If the Nominating and Corporate Governance Committee determines that it is necessary to add a new member to the Board of Directors or to fill a vacancy, the Committee will identify and evaluate prospective candidates. In evaluating a director candidate, including candidates recommended by stockholders, the Committee will consider, among other things, the candidate's integrity, business acumen, experience, other commitments, conflicts of interest and the ability to act in the interest of all of our stockholders. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. In addition, there are no specific minimum qualifications that must be met for any nominee. The Committee believes that the backgrounds and

qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

After seeking input from other Board members and from senior management, the Chair of the Nominating and Corporate Governance Committee will compile a list of potential candidates to recommend for consideration by the full Board. If the Nominating and Corporate Governance Committee deems appropriate, it may also engage a

professional search firm. The Chair of the Nominating and Corporate Governance Committee, working with the other members of the Board and senior management, determines whether any of the candidates proposed by the Nominating and Corporate Governance Committee have relationships with any Board members or management, and oversees the initial contact with candidates.

The Chairman of the Board of Directors, together with at least one member of the Nominating and Corporate Governance Committee, interviews prospective candidates. Following such interview, the Nominating and Corporate Governance Committee deliberates to consider whether and to what extent prospective candidates satisfy the criteria for nomination established by the Board of Directors. Following its evaluation discussion, the Nominating and Corporate Governance Committee will then recommend to the Board of Directors the final nominee(s). The Board will then consider and vote on such recommendations.

To date, we have not paid any third party a fee to assist in evaluating and identifying nominees. During 2006, no candidate was recommended to our Nominating and Corporate Governance Committee by any beneficial owner of more than 5% of our common stock.

Stockholder Nominations

Our stockholders may recommend director candidates for inclusion by the Board of Directors in the slate of nominees which the Board recommends to our stockholders for election. The qualifications of recommended candidates will be reviewed by our Nominating and Corporate Governance Committee in the same manner, and subject to the same criteria, as nominees proposed by the Board of Directors, management or other sources.

To propose a nominee, stockholders should submit the name of the proposed nominee, together with the information required by our Bylaws, and any other information with respect to the proposed nominee that will enable the Nominating and Corporate Governance Committee to make an informed evaluation of the proposed nominee's qualifications. Such proposals should be directed to:

Nominating and Corporate Governance Committee
c/o General Counsel
VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Phone: (480) 684-4545

The Nominating and Corporate Governance Committee will consider recommendations that are provided on a timely basis in accordance with our Bylaws.

Stockholder Communications with the Board of Directors

The Board of Directors provides a process for stockholders to send communications to the Board. In particular, stockholders may send written communications to the Board of Directors at the following address:

Board of Directors
c/o General Counsel
VistaCare, Inc.
4800 North Scottsdale Road, Suite 5000
Scottsdale, Arizona 85251
Phone: (480) 684-4545

Upon receipt, the General Counsel will review such communications to determine whether they relate to matters of corporate governance or strategy or to matters unrelated to the responsibilities of the Board of Directors. Communications relating to matters of corporate governance or strategy will be forwarded to the Lead Director, who will, in turn, provide copies or summaries of such communications to the other members of the Board of Directors for consideration, as appropriate.

Board of Directors Meetings and Committees

The Board of Directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than overseeing day-to-day operations. The primary responsibility of the Board of Directors is to oversee the management of the company and, in so doing, to serve the best interests of the company and its stockholders. The Board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. It participates in decisions that may potentially have a major economic impact on us. Management keeps the directors informed of Company activity through regular written reports and presentations at Board and committee meetings.

The Board of Directors and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. The Board has delegated various responsibilities and authority to different Board committees as described in this section of the proxy statement. Committees regularly report on their activities and actions to the full Board. Mr. Slager is the only director who is also an employee of VistaCare. Mr. Slager does not serve on any of the Board's committees and does not participate in any meeting at which his compensation is evaluated.

The Corporate Governance Guidelines that have been adopted by the Board call for regularly scheduled meetings at which only independent directors are present. Executive sessions of non-management directors are generally held before or after regular meetings of the Board of Directors. Executive sessions are either scheduled in advance or called at the request of a non-management director, and are chaired by the Lead Director.

Our Board of Directors met seven (7) times in fiscal 2006 (of which three (3) were by way of teleconference). Each director attended 75% or more of the total number of meetings of the Board of Directors and the committees of which such director was a member. Six (6) directors attended our 2006 annual meeting of stockholders. Our Corporate Governance Guidelines state that directors are not required but are encouraged to attend the annual meeting of stockholders. To encourage and facilitate director attendance at the annual meeting, our Board of Directors attempts to schedule a Board meeting on the same date as the annual meeting of the stockholders.

Our Board of Directors has a standing Audit Committee, a standing Compensation Committee, a standing Nominating and Corporate Governance Committee and a standing Strategic Initiatives Committee. Each Board committee has a charter that has been approved by the Board of Directors, and each committee must review the appropriateness of its charter and perform a self-evaluation at least annually. All members of all Board committees are independent, non-employee directors.

In May 2006, the Board of Directors changed the committee assignments of some of its members to improve the balance of committee service and better utilize each director's experience and interests. At the same time, the Board changed the name of the Investment Committee to the Strategic Initiatives Committee, effective for its August 2006 meeting. The duties and authority of the Investment Committee were reassigned to either the Audit Committee or the Strategic Initiatives Committee. In December 2006, the Board adopted an amended and restated Audit Committee charter, a copy of which is attached as Annex A to this proxy statement.

Audit Committee

The current members of the Audit Committee are Messrs. Henry (Chair), Donnell and Klisares. In August 2006, in connection with an adjustment of board committee assignments, Mr. Crews ceased being a member of the Audit Committee. Our Board of Directors has determined that Messrs. Henry and Donnell qualify as audit committee financial experts under SEC rules; that each member of the Audit Committee is an independent director under the

Nasdaq rules governing the qualifications of the members of audit committees; and that each of them has the financial sophistication to satisfy the requirements of Nasdaq. The Audit Committee is empowered to retain independent advisers or consultants as it deems necessary to accomplish its mandates. No member of our Audit Committee serves on the audit committee of more than three (3) other public companies. The Audit Committee met four (4) times during fiscal 2006. The responsibilities of our Audit Committee and its activities during fiscal 2006 are described in the Audit Committee Report for the year ended September 30, 2006 set forth elsewhere in this proxy statement.

Compensation Committee

The current members of the Compensation Committee are Messrs. Donnell (Chair), Crews, Klisares and Tyler. Mr. Tyler was appointed to the Compensation Committee upon his appointment to the Board in December 2006. Our Board of Directors has determined that each member of the Compensation Committee is independent as defined under Nasdaq rules. The Compensation Committee held six (6) meetings (of which two (2) were by way of teleconference) during fiscal 2006. The Compensation Committee evaluates and sets the compensation of our Chief Executive Officer and makes recommendations to our Board of Directors regarding the salaries and bonuses of our other executive officers. Our Chief Executive Officer is not present during voting or deliberations on the determination of his salary.

The Compensation Committee also oversees the evaluation of management by the Board of Directors. In addition, the Compensation Committee grants stock options and other stock incentives (within guidelines established by our Board of Directors) to our officers and employees. The responsibilities of our Compensation Committee and its activities during fiscal 2006 are described in the Report of the Compensation Committee on Executive Compensation set forth elsewhere in this proxy statement.

Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee are Ms. Johnson (Chair) and Messrs. Henry and Klisares. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent as defined under Nasdaq rules. The Nominating and Corporate Governance Committee is responsible for identifying and evaluating the qualifications of individuals proposed as nominees for election to the Board of Directors and for making recommendations to the Board of Directors based on such evaluations. In addition, the Nominating and Corporate Governance Committee is charged with developing and recommending to the Board of Directors changes to our Corporate Governance Guidelines and overseeing the periodic evaluation of the Board of Directors. The Nominating and Corporate Governance Committee is authorized to retain advisers or consultants as it deems necessary to accomplish its mandate. For information relating to nominations of directors by our stockholders, see Nomination of Directors above. The Nominating and Corporate Governance Committee held four (4) meetings during fiscal 2006.

Strategic Initiatives Committee

In May 2006, our Board of Directors changed the name of the Investment Committee to the Strategic Initiatives Committee. The Investment Committee had been established in May 2004 to assist the Board of Directors by overseeing and making recommendations regarding financial matters such as financing objectives and plans, financial strategies and capital structure, and the implications of major investments, restructurings, joint ventures, acquisitions and divestitures. The Strategic Initiatives Committee focuses on matters such as new program and inpatient unit development, joint ventures, acquisitions and divestitures. Financial matters formerly considered by the Investment Committee are now considered by the Audit Committee. The current members of the Strategic Initiatives Committee are Messrs. Crews (Chair), Klisares and Tyler, and Ms. Johnson. Mr. Tyler was appointed to the Strategic Initiatives Committee upon his appointment to the Board in December 2006. During fiscal 2006, the Investment Committee met three (3) times and the Strategic Initiatives Committee met once.

COMPENSATION OF NON-EMPLOYEE DIRECTORS

Our non-employee directors receive an annual retainer and meeting fees, paid in quarterly installments, for their service as directors and as members of the Board's committees. In July 2006, our Board of Directors approved a proposal to eliminate the payment of fees related to Board and committee meeting attendance and participation in conference calls and adopted a revised compensation schedule for non-employee directors, effective for the fourth

quarter of fiscal 2006. The revised compensation schedule provides for annual retainers based upon Board and Board committee membership and responsibilities. In addition to annual retainers and fees, our non-employee directors are reimbursed for their reasonable out-of-pocket expenses incurred in connection with their duties.

For the first, second and third quarters of fiscal 2006, each non-employee director, other than the Lead Director and the Chair of the Audit Committee, received a \$20,000 annual retainer. Our Lead Director, Pete A. Klisares, received a \$40,000 annual retainer. Our current Audit Committee Chair, Mr. Henry, received a \$30,000 annual retainer. Each non-employee director, other than the Lead Director, received fees of \$1,500 per Board meeting and \$750 per Board conference call attended. Our Lead Director received fees of \$3,000 per Board meeting and \$1,500 per Board conference call attended. Each non-employee director, including the Lead Director, who served on a Board committee received a fee of \$750 per committee meeting and \$375 per committee conference call attended. Each non-employee director, including the Lead Director, who served as the chair of a Board committee received an additional \$500 per committee meeting and an additional \$125 per committee conference call attended.

Beginning with the fourth quarter of fiscal 2006, each non-employee director receives an annual retainer, payable in quarterly installments, based upon Board and Board committee membership and responsibilities. Each non-employee director receives a \$30,000 annual retainer. Our Lead Director, Mr. Klisares, receives an additional \$30,000 annual retainer. Our Audit Committee Chair, Mr. Henry, receives an additional \$27,500 annual retainer. Our Compensation Committee Chair, Mr. Donnell, receives an additional \$10,000 annual retainer. Ms. Johnson, Chair of the Nominating and Corporate Governance Committee, and Mr. Crews, Chair of the Strategic Initiatives Committee, each receives an additional \$5,000 annual retainer. The non-chair members of our Audit Committee, Mr. Donnell and Mr. Klisares, each receive an additional \$5,000 annual retainer. All non-chair members of committees other than the Audit Committee each receive an additional \$2,500 annual retainer.

Non-employee directors are entitled to participate in our 2002 Non-Employee Director Stock Option Plan, or our director plan. Our director plan authorizes the grant of options to purchase up to an aggregate of 300,000 shares of our common stock. Under the director plan, each non-employee director is granted an option to purchase 20,000 shares of our common stock promptly following his or her election or appointment to our Board of Directors. In addition, the director plan provides that each non-employee director will be granted an option to purchase 10,000 shares of our common stock on November 11 of each year, provided that he or she attended at least 75% of the meetings of the Board of Directors, and the meetings of any Board committee on which he or she served, in the preceding year. In 2003, our Board of Directors elected to defer such annual option grants until the first quarter of 2004. Accordingly, each of our non-employee directors was granted an option in February 2004 to purchase 10,000 shares of our common stock under the director plan at an exercise price of \$34.09 per share. Each option granted under the director plan is immediately exercisable in full and expires on the earlier of ten years from the date of grant, or on the first anniversary of the date on which the optionee ceases to be a director. The Board of Directors elected not to accept the automatic grant for 2004. On May 5, 2005, the annual grant was resumed and each of our non-employee directors received an option grant to purchase 10,000 shares of our common stock at an exercise price of \$17.58 per share. On May 17, 2006, each of our non-employee directors received an option grant to purchase 10,000 shares of our common stock at an exercise price of \$13.62 per share.

In addition to the foregoing, all of our directors are eligible to receive option grants under our 1998 Stock Option Plan. In fiscal 2006, no grants were awarded to any of our directors pursuant to the 1998 Stock Option Plan, other than an option grant to purchase 10,000 shares of our common stock awarded May 17, 2006 to Mr. Klisares as Lead Director, at an exercise price of \$13.62 per share.

Stock Option Grants in Last Fiscal Year

The following table lists the grants during fiscal 2006 of stock options to the named executive officers listed in the Summary Compensation Table. Todd R. Coté, M.D., our Chief Medical Officer, was the only named executive officer to receive options in the last fiscal year.

| Name | Number of Shares Underlying | % of Total Options Granted to Employees in | Exercise or Base Price (\$/Sh) | Expiration Date | Potential Realizable Value at Assumed Annual Rate of Stock Price Appreciation for Option Term(1) | |

These numbers are calculated based on rules promulgated by the SEC and do not reflect our estimate of future stock price growth. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercise of this stock option will depend on the future performance of our common stock, the optionholder's continued employment through the option period, and the date on which the option is exercised.

Management Agreements with Named Executive Officers

In October 2002, we entered into management agreements with Richard R. Slager, our Chief Executive Officer, and Stephen Lewis, our Senior Vice President and General Counsel. In May 2004, we entered into a management agreement with Ronald F. Watson, who served as our Executive Vice President of Corporate Development from May 2004 until June 2006. In January 2005, we entered into a management agreement with David W. Elliot, who served as our President and Chief Operating Officer from January 2005 until September 2006. In June 2005, we entered into a management agreement with John Crisci our Vice President of People. In February

2006, we entered into management agreements with Roseanne Berry, our Chief Compliance Officer, and Todd Coté, our Chief Medical Officer. In August 2006, we entered into an amended and restated management agreement with Mr. Slager.

Under these agreements, the named executive officers are entitled to compensation in the event of their employment termination or a sale of the Company, as described below.

Compensation Upon Termination of Employment Prior to Change of Control

In the event that, prior to a change of control of VistaCare, the employment of any of the named executive officers is terminated by (i) us for any reason other than for cause or the executive's death or disability or (ii) the executive for good reason, we are required to:

continue to pay the executive his or her then current salary for twelve months following employment termination; and

continue to provide the executive with health and life insurance benefits for twelve months following employment termination, or pay the full value of such benefits in cash.

Upon Mr. Watson's resignation, he became entitled to the above severance benefits pursuant to the terms of his management agreement.

Upon Mr. Elliot's resignation, we recorded a charge in the fourth quarter of 2006 of approximately \$400,000 for severance-related expenses. In addition, we incurred approximately \$150,000 in expenses associated with accelerated vesting of a portion of Mr. Elliot's unvested stock options.

Compensation Upon Termination of Employment After a Change of Control

In the event that, within two years following a change in control of VistaCare, the employment of Mr. Slager is terminated for any reason, including Mr. Slager's death, disability or voluntary resignation, but excluding a termination by VistaCare for cause, we are required to:

pay Mr. Slager a lump sum amount equal to three times his then current annual salary; and

continue to provide Mr. Slager with health and life insurance benefits for three years following employment termination, or pay the full value of such benefits in cash.

In addition, upon a change in control of VistaCare, regardless of whether Mr. Slager's employment is terminated, the vesting of all of his options to purchase common stock would be accelerated in full. Under Mr. Slager's August 2006 amended and restated management agreement, all restricted stock awarded to Mr. Slager shall also immediately vest in full upon a change in control of VistaCare regardless of whether Mr. Slager's employment is terminated following such change in control.

In the event that, within two years following a change in control of VistaCare, the employment of Messrs. Lewis, Crisci or Coté, or Ms. Berry is terminated by VistaCare for any reason other than cause or the executive's death or disability or is terminated by the executive for good reason, we are required to:

pay the executive a lump sum amount equal to two times his or her then current annual salary;

continue to provide the executive with health and life insurance benefits for two years following employment termination, or pay the full value of such benefits in cash; and

accelerate the vesting of all options to purchase common stock held by the executive.

Compensation Upon a Sale of the Company

Mr. Slager's October 2002 management agreement provided that if, before December 31, 2006, there was a change in control resulting from a sale of the Company in which the per-share equity value of VistaCare implied by the transaction is at least \$12.50, we are required to pay Mr. Slager a transaction fee in the amount of \$1 million. Under Mr. Slager's August 2006 amended and restated management agreement, in the event Mr. Slager's

employment is terminated for any reason other than cause within two years following a change in control of the Company, Mr. Slager will receive, in addition to the other amounts provided for under the management agreement, an amount equal to the greater of the last bonus payment earned by him prior to his termination or his target bonus payment for the year in which his employment is terminated if the change in control does not result from a sale of the Company prior to December 31, 2006.

As used in the management agreements, a sale of the company means:

the acquisition of more than 50% of our voting securities by any person, party or group, other than in connection with a sale of securities by us; or

the acquisition of VistaCare by means of reorganization, merger, consolidation or asset sale, unless our stockholders prior to such acquisition hold, in substantially the same proportions as prior to the acquisition, more than 50% of the voting securities of the acquiring entity following the acquisition.

In exchange for the foregoing rights, each of the executives has agreed to covenants restricting them from competing with our business or soliciting our employees or patient referral sources for two years following their employment termination and from disclosing or divulging any of our confidential information.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served as a director or member of the compensation committee of any other entity whose executive officers served as a director or member of our Compensation Committee.

Report of the Compensation Committee on Executive Compensation

The Company's executive compensation is supervised by the Compensation Committee of the Board. The Compensation Committee seeks to provide executive compensation that will support the achievement of the Company's financial goals while attracting and retaining talented executives and rewarding superior performance. In performing this function, the Committee reviews executive compensation surveys and/or other available information and may from time to time consult with independent compensation consultants.

Compensation Philosophy

Our compensation philosophy provides the Board of Directors and management the framework to make compensation-related decisions on an ongoing basis. It ensures that compensation is aligned with key business drivers and that agreement exists with respect to the key objectives, design parameters and pay levels for the executive compensation program.

The philosophy is designed for fair pay based on an employee's role in the Company; the market value of their job; and their performance in that position. Opportunities for additional compensation rewards are offered when the Company meets or exceeds its targeted business objectives.

Compensation Components

There are three compensation components for our executive officers: base salary, annual incentive compensation and long-term incentive compensation. Generally, the Compensation Committee believes both the individual components of compensation, as well as total compensation, are equitable and competitive. Each component of the compensation program for executive officers is further explained below.

Base Salary. Base salary levels for the Company's executive officers are set generally to be competitive in relation to the salary levels of executive officers in other companies within the healthcare industry or other companies of comparable size, taking into consideration the position's complexity, responsibility and need for special expertise. In reviewing salaries in individual cases, the Company also takes into account individual experience and performance.

Annual Incentive Compensation. The amount of incentive compensation awarded to any executive officer is based on the executive's performance in relation to stated goals and VistaCare's overall performance. Results that

affect incentive compensation include the executive officers' contribution toward the achievement of revenue and net income targets as well as key business drivers. The Compensation Committee establishes the amount of annual incentive compensation payable to each of the executive officers in respect of any year following the completion of the audit of VistaCare's financial statements for such year. During fiscal year 2006, the Compensation Committee did not grant any bonus pay award to any of the named executive officers.

Long-Term Incentives. The Compensation Committee uses stock options and restricted stock awards as a long-term, non-cash incentive and as a means of aligning the long-term interests of executives and stockholders. The exercise price of stock options is set at the market price of our common stock on the date of the grant, thus linking the value of the options to the holder to the future performance of our stock. Stock options do not become valuable unless the price of our stock increases above the price on the date of grant. In the case of restricted stock awards, the holder of the award does not realize the value of the stock until the restrictions imposed on the award expire. The number of stock options or restricted stock awards granted to an executive as a form of non-cash compensation is determined by taking into consideration factors such as the executive's performance, the number of stock options or restricted stock awards previously granted to the executive, the executive's remaining options exercisable and the value of those stock options or restricted stock awards, as compared to the anticipated value that an executive will add to VistaCare in the future. Stock options or restricted stock awards are not necessarily granted to executives on an annual basis.

Compensation of the Chief Executive Officer in fiscal 2006

The Compensation Committee, in determining the salary, incentive compensation and long term compensation components for our Chief Executive Officer in fiscal 2006, considered the various factors described above. During fiscal 2006, we did not grant any stock options or restricted stock awards to our Chief Executive Officer.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to its chief executive and its four other most highly compensated executives. Performance-based compensation is excluded from the compensation taken into account for purposes of the limit if certain requirements are met. We currently intend to structure our stock options and restricted stock awards granted to executives in a manner that complies with the performance-based requirements of the statute. The Compensation Committee believes that, given the general range of salaries and bonuses for our executive officers, the \$1 million threshold of Section 162(m) will not be reached by any of our executive officers in the foreseeable future.

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Item 2 of Notice)**

Our Audit Committee has selected Ernst & Young LLP, an independent registered public accounting firm, to audit our financial statements for the fiscal year ending September 30, 2007. Ernst & Young LLP audited our financial statements for the fiscal year ended September 30, 2006. Although stockholder approval of the selection of Ernst & Young LLP is not required by law or by the Nasdaq, our Board of Directors believes that it is advisable to give stockholders the opportunity to ratify this selection. We expect that representatives of Ernst & Young LLP will be present at the 2007 Annual Meeting, with the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders. In the event of a negative vote on this proposal by the stockholders, the Audit Committee will consider whether it is appropriate in the future to consider the selection of another independent registered public accounting firm.

The Board of Directors recommends that you vote FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm, and proxies solicited by the Board will be voted in favor thereof unless a stockholder has indicated otherwise on the proxy.

FEES PAID TO ERNST & YOUNG LLP

In connection with the audit of the 2006 financial statements, we entered into an engagement agreement with Ernst & Young LLP which set forth the terms by which Ernst & Young LLP will perform audit services for us. That agreement is subject to alternative dispute resolution procedures, a mutual exclusion of punitive damages and various other provisions.

The following table shows the fees paid or accrued by us for the audit and other services provided by Ernst & Young LLP for the fiscal years 2006 and 2005.

| | 2006 | 2005 |
|--------------------|---------------------|---------------------|
| Audit fees | \$ 1,362,451 | \$ 1,031,865 |
| Audit-related fees | \$ 18,457 | \$ 116,688 |
| Tax fees | \$ 19,993 | \$ 93,131 |
| All other fees | | \$ |
| Total | \$ 1,400,901 | \$ 1,241,684 |

Audit fees represent fees for professional services provided in connection with the audit of our financial statements for the fiscal years ended September 30, 2006 and September 30, 2005, and reviews of quarterly reports on Form 10-Q filed during 2006 and 2005, as well as the specific compliance requirements of Section 404 of the Sarbanes-Oxley Act of 2002 for the fiscal year ended September 30, 2006.

Audit-related fees represent fees for professional services provided in connection with an audit of our pension plans and accounting consultation regarding stock options.

Tax fees consist of fees for tax compliance, tax advice and tax planning.

All other fees represents an annual subscription we paid to Ernst & Young LLP for access to its online database that provides us access to accounting guidance issued by the Financial Accounting Standards Board and other related standard-setting bodies.

All audit and non-audit services provided by Ernst & Young LLP in fiscal years 2005 and 2006 were approved in advance by the Audit Committee.

Audit Committee Pre-Approval Policy and Procedures

Our Audit Committee pre-approves all services, including both audit and non-audit services, provided by our independent registered public accounting firm for the purpose of maintaining the independence of such firm. Each

year the independent registered public accounting firm provides the Audit Committee with an engagement letter outlining the scope of the audit services proposed to be performed during the year, which must be formally accepted by the Audit Committee before the audit commences. The independent registered public accounting firm also submits a fee proposal for audit services, which must be approved by the Audit Committee before the audit commences.

Management may periodically submit to the Audit Committee proposals for non-audit services (together with an estimate of the associated fees) that it recommends the independent registered public accounting firm be engaged to provide. Management and the independent registered public accounting firm must each confirm to the Audit Committee that the performance of the proposed non-audit services would not compromise the independence of the registered independent public accounting firm and would be permissible under all applicable legal requirements. The Audit Committee must approve all non-audit services and the budget for each such service before commencement of the work. Management and the independent registered public accounting firm report to the Audit Committee at each of its regularly scheduled meetings as to the non-audit services actually provided by the independent registered public accounting firm and the approximate fees incurred by us for those services.

During fiscal 2006, no services were provided to us by Ernst & Young LLP or any other accounting firm other than in accordance with the pre-approval policy and procedures described above.

Audit Committee Report for the Year Ended September 30, 2006

The Audit Committee oversees the company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The primary duties and responsibilities of the Audit Committee are to:

- select and engage VistaCare's independent registered public accounting firm;
- serve as an independent and objective body to monitor VistaCare's financial reporting process and internal control systems;
- review and approve the scope of the annual audit and the non-audit services to be performed by the independent registered public accounting firm and that firm's audit and non-audit fees;
- review and appraise the audit efforts of VistaCare's independent registered public accounting firm and the company's internal audit function;
- evaluate VistaCare's financial reporting and compliance with laws and regulations;
- oversee management's establishment and enforcement of financial policies;
- review potential conflict of interest situations and approve any proposed related party transactions;
- recommend to the Board of Directors whether the audited financial statements should be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission; and
- provide an open avenue of communication among the independent registered public accounting firm, financial and senior management and the Board of Directors.

The Audit Committee has:

reviewed and discussed the audited financial statements of VistaCare for the fiscal year ended September 30, 2006 with VistaCare's management and its independent registered public accounting firm, including a discussion of the quality and effect of VistaCare's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with VistaCare's independent registered public accounting firm, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of the independent registered public accounting firm regarding the reasonableness of those estimates; and

met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of VistaCare's internal controls and the overall quality of VistaCare's financial reporting.

The Audit Committee has also received the written disclosures and the letter from VistaCare's independent registered public accounting firm required by Independence Standards Board Standard No. 1 (entitled "Independence Discussions with Audit Committees"), has discussed the independence of its independent registered public accounting firm and considered whether the provision of non-audit services by its independent registered public accounting firm is compatible with maintaining auditor independence, and has satisfied itself as to the independent registered public accounting firm's independence.

Based on the review and discussions described above, the Audit Committee has recommended to the Board of Directors that VistaCare's audited financial statements be included in VistaCare's Annual Report on Form 10-K for the fiscal year ended September 30, 2006 for filing with the Securities and Exchange Commission. The Audit Committee has also recommended the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of our common stock as of December 15, 2006 by:

each stockholder we know to beneficially own more than 5% of our common stock;

each of our directors, director nominees and named executive officers; and

all of our named executive officers and directors as a group.

For purposes of this table, beneficial ownership is determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, as amended, and generally includes voting or investment power over securities. Under this rule, a person is deemed to be the beneficial owner of securities that can be acquired by such person within 60 days of December 15, 2006 upon the exercise of options. Each beneficial owner's percentage ownership is determined by assuming that all options held by such person that are exercisable within 60 days of December 15, 2006 have been exercised.

Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each person named in this table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the person. Unless otherwise noted, the address of each person named in the table is c/o VistaCare, Inc., 4800 North Scottsdale Road, Suite 5000, Scottsdale, Arizona 85251.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

VistaCare Hospice Foundation

The VistaCare Hospice Foundation (formerly, Vista Care Foundation) is a non-profit corporation established by Barry M. Smith, the former Chairman of our Board of Directors, in March 1996 for the purpose of soliciting, investing and distributing funds to advance the cause of end-of-life care. The foundation:

- provides grants directly to terminally ill patients to fulfill basic needs and last wishes;
- funds hospice services for patients who lack the means to pay for hospice care;
- provides funding for end-of-life research and community and professional education; and
- provides grants that help the bereaved overcome their grief of the loss of a loved one.

The business and affairs of the foundation are currently governed by a six (6)-member board of trustees. Geneva B. Johnson, one of our directors serves as Chair of the board of trustees. Ms. Johnson receives no compensation for her service on the board of trustees.

Since May 2005, Martin A. Yenawine, an employee of the Company and former Assistant to the Chairman, has served as President and Chief Executive Officer of the foundation and as a member of its board of trustees. We pay Mr. Yenawine's compensation to work with the foundation on a full-time basis, which, from October 1, 2005 through September 30, 2006, totaled approximately \$150,000. At any meeting of the foundation's board of trustees at which at least three, but fewer than four, trustees are present, it is possible that Ms. Johnson and Mr. Yenawine could control the outcome of all actions taken at such meeting.

Consulting Services Agreement

In September 2003, we entered into a consulting services agreement with Dr. Perry G. Fine, a member of our Board of Directors, pursuant to which Dr. Fine provided certain consulting and other related services to VistaCare as requested from time to time. In return, Dr. Fine received an annual retainer of \$60,000, paid in equal monthly installments commencing on September 1, 2003, plus reimbursement by us in accordance with Company policy of travel and other business-related expenses. The agreement was terminable by either Dr. Fine or us upon 30 days' written notice with or without cause, and we could terminate the agreement immediately under certain circumstances. A copy of the agreement was filed as Exhibit 10.39 to our 2003 annual report on Form 10-K. In January 2006, the agreement was terminated by mutual consent and we made the final retainer payment under the agreement. Since January 2006, Dr. Fine has received no compensation for services other than fees as a member of our Board of Directors.

Other Transaction

On September 27, 2005, in order to aid in the relocation of Mr. Elliot to the Phoenix, Arizona metropolitan area, the Board of Directors, at a special meeting and without the participation of Mr. Elliot, agreed to purchase Mr. Elliot's house in Minnesota for \$940,000. The purchase price was based on two independent real estate appraisals. An agreement for the sale of the house to the Company was executed on October 11, 2005. Pursuant to the terms of this agreement, if the Company was able to sell the house for more than \$940,000, Mr. Elliot would be entitled to the difference between the sales price and \$940,000. If the house sold for less than \$940,000, Mr. Elliot was to pay the Company the difference between \$940,000 and the sales price. On December 15, 2005, the Company sold the house to an unrelated third party for \$900,000. The sale of the house was closed on December 15, 2005. The Board of Directors waived Mr. Elliot's obligation to repay the \$40,000 difference between the \$940,000 purchase price and the \$900,000 sales price.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of VistaCare's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and The Nasdaq National Market. These persons are required by SEC regulation to furnish us with copies of all Forms 3, 4 and 5 they file with the SEC and Nasdaq.

Based on a review of reports filed by our directors and executive officers and based on representations from them, we believe all stock ownership reports required to be filed by those reporting persons during 2006 were timely made, except with regard to the following transactions due to administrative error: (i) a Form 4 on behalf of Ms. Berry relating to a stock award on December 15, 2005 and (ii) a Form 4 on behalf of Mr. Crisci relating to a stock award on December 15, 2005. The corresponding Form 4 for each of the persons identified above has since been filed. In addition, a Form 4 filed on behalf of Mr. Donnell on May 19, 2006 inadvertently excluded certain shares of our common stock purchased by Mr. Donnell. The Form 4 for Mr. Donnell was amended on May 31, 2006 to include the correct share ownership information. Further, a Form 4 filed on behalf of Mr. Hirvela on March 28, 2006 inadvertently excluded a stock award. The Form 4 for Mr. Hirvela was amended on March 30, 2006 to include the correct share ownership information.

OTHER MATTERS

Our Board of Directors does not know of any matters which will be brought before the annual meeting other than those matters specifically set forth in the notice of the 2007 Annual Meeting of Stockholders. However, if any other matter properly comes before the annual meeting, it is intended that the persons named in the enclosed proxy card, or their substitutes acting thereunder, will vote on such matter in accordance with their best judgment.

The Committee shall have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. The Company will provide for appropriate funding, as determined by the Committee, for payment of compensation to any registered public accounting firm engaged to prepare or issue an audit report or perform other audit, review or attest services for the Company, for payment of compensation to any advisers employed by the Committee, and for payment of the ordinary administrative expenses of the Committee that are necessary or appropriate. The Committee may request any officer or employee of the Company or the Company's outside counsel

or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

The Committee relies on the expertise and knowledge of management, the internal auditors, and the independent registered public accounting firm in carrying out its oversight responsibilities. Management is responsible for determining the Company's financial statements are complete, accurate, and in accordance with generally accepted accounting principles. The public accounting firm is responsible for auditing the Company's financial statements. It is not the duty of the Committee to plan or conduct audits, to determine that the financial

statements are complete and accurate and are in accordance with generally accepted accounting principles, to conduct investigations, or to assure compliance with laws and regulations or the Company's internal policies, procedures and controls.

The Committee's specific responsibilities in carrying out its oversight role are delineated in the Audit Committee Planner. In conjunction with the annual review of the Charter, the planner will be updated if appropriate to reflect changes in regulatory requirements, authoritative guidance, and evolving oversight practices. As the compendium of Committee responsibilities, the most recently updated planner will be considered to be an addendum to this Charter.
