NEWS RELEASE

For Immediate Release

WEYERHAEUSER SENDS LETTER TO WILLAMETTE SHAREHOLDERS

FEDERAL WAY, Wash., March 27, 2001 - Weyerhaeuser Company (NYSE: WY) today announced that it sent the following letter to shareholders of Willamette Industries, Inc. (NYSE: WLL):

Edgar Filing: WILLAMETTE INDUSTRIES INC - Form SC TO-T/A

March 26, 2001

Dear Willamette Shareholder:

As you know, Weyerhaeuser, one of the world's leading forest products companies, has commenced a tender offer to acquire all of the outstanding shares of Willamette Industries for \$48.00 per share in cash. Despite Weyerhaeuser's numerous attempts to negotiate a mutually beneficial transaction, the Willamette board of directors continues to refuse to sit down with us. After considerable delay, the Willamette board has scheduled the company's annual meeting of shareholders for June 7, 2001. Your voice in governing the company can now be heard. WE BELIEVE THAT IN ORDER TO PROTECT THE VALUE OF YOUR INVESTMENT IN WILLAMETTE, YOU SHOULD SIGN, DATE AND RETURN THE ENCLOSED GOLD PROXY CARD TO VOTE FOR THE ELECTION OF THE WEYERHAEUSER NOMINEES TODAY.

IT ALL COMES DOWN TO VALUE

The Weyerhaeuser offer will provide you with a substantial premium for your shares. Based on Willamette's closing share price on Friday, November 10, 2000, the last trading day prior to Weyerhaeuser's announcement of our proposal, the Weyerhaeuser offer represents a premium of approximately 38 percent. It is also a substantial premium of approximately 60 percent to Willamette's average share price for the 60 days prior to the announcement.

We believe our offer provides greater value than Willamette can generate as a stand-alone company. Contrary to Willamette's selective analysis of purportedly comparable transactions, our premium is considerably higher than an average of prior transactions in the forest products industry. In fact:

- o our 38 percent premium exceeds the average premium for the 64 paper industry company transactions that have occurred since 1990(1); and
- o since we announced our offer, the S&P paper and forest products index (as opposed to Willamette's self-selected "relevant composite of forest products company stocks") increased by only 4.1 percent(2) and in the last 10 trading days has declined by 12.6 percent.(3)

Notwithstanding that our \$48 per share all cash offer would provide you with a significant and immediate premium, your board and management have not disclosed any strategic initiatives that we believe could reasonably be expected to provide you with greater or even comparable value.

According to its amended preliminary proxy statement, Willamette "believe[s its] strategic plan will continue to deliver greater value than the Weyerhaeuser offer." (4) HOWEVER, WILLAMETTE'S TOTAL SHAREHOLDER RETURN FOR THE LAST FOUR YEARS, ASSUMING THE REINVESTMENT OF DIVIDENDS, HAS AVERAGED ONLY 1.9 PERCENT ON AN ANNUALIZED BASIS (5) -- FAR BELOW THE SIGNIFICANT PREMIUM OUR OFFER WOULD DELIVER TO YOU NOW.

We believe our all cash offer is even more attractive given today's uncertain marketplace. Industry conditions are weakening. Willamette's chairman, William Swindells, has acknowledged the "significant challenges of [the] current environment, including economic slowdown, rising energy costs and weakening industry conditions." (6)

We have made it clear and repeat here again that if Willamette can demonstrate additional value, Weyerhaeuser stands ready to negotiate.

THE WEYERHAEUSER NOMINEES
WILL WORK TO MAXIMIZE YOUR INVESTMENT

The Weyerhaeuser nominees are experienced business people and none of them is employed by Weyerhaeuser. If elected, the nominees will receive from Willamette the same compensation as all other Willamette directors. Each of these nominees will have a fiduciary duty to act in the best interests of Willamette and its shareholders and will seek to maximize the value of your investment in Willamette. The nominees believe that you - the owners of Willamette - are entitled to determine the future of your investment.

We urge you to ignore Willamette's rhetoric and focus on what we believe this election is really about:

- o electing directors who believe their duty is to MAXIMIZE THE VALUE OF YOUR WILLAMETTE SHARES;
- o electing directors who will best PROTECT THE VALUE OF YOUR INVESTMENT IN WILLAMETTE; and
- o electing directors who believe that YOU--THE OWNERS OF WILLAMETTE--are entitled to decide whether or not to accept the Weyerhaeuser offer.

We believe that the election of our director nominees is critical to the completion of a transaction with Weyerhaeuser. ASK YOURSELF: "HOW MUCH WILL MY INVESTMENT IN WILLAMETTE BE WORTH ABSENT THE WEYERHAEUSER OFFER?"
