SURVIVAL; INDEMNIFICATION

Section 10.01 Survival. The representations and warranties of the parties hereto contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive until two years after the Closing Date; provided that (i) the representations and warranties contained in Sections 3.03 and 3.14 shall survive indefinitely, and (ii) the representations and warranties contained in Sections 3.15 and 3.16 shall survive until their applicable statutes of limitations have expired. The covenants and agreements of the parties contained in this Agreement shall survive the Closing until such time as such covenants or agreements shall terminate or expire in accordance with their respective terms. Notwithstanding the preceding sentence, any covenant, agreement, representation or warranty in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate pursuant to the preceding sentence with respect to the specific claim, if notice of the inaccuracy or breach thereof giving rise to such right of indemnity shall have been given to the party against whom such indemnity may be sought prior to such time.

Section 10.02 Indemnification. (a) Subject to the other provisions of this Article 10, Seller hereby agrees to indemnify Buyer and its Affiliates and their respective officers, directors, managers, employees, Affiliates, agents, advisors and representatives (Buyer and such other entities and Persons are hereinafter collectively referred to as "Buyer Indemnitees"), against and agrees to hold each of them harmless from any and all judgments, fines, Claims, costs, damages, losses, penalties, lost profits, consequential damages, punitive damages, liabilities and expenses (including, without limitation, expenses of investigation or remediation, consulting or engineering fees and expenses and attorneys' fees and expenses) of any nature or kind, known or unknown, fixed, accrued, absolute or contingent, liquidated or unliquidated ("Damages") incurred or suffered by any Buyer Indemnitees resulting from or arising out of (i) any misrepresentation or breach of representation or warranty (each such misrepresentation and breach, a "Warranty Breach") by Seller, (ii) any breach of covenant or agreement made or to be performed by Seller pursuant to this Agreement; provided that with respect to indemnification by Seller for any Warranty Breach pursuant to this Section 10.02 other than those contained in Sections 3.03, 3.14, 3.15 and 3.16, (A) Seller shall not be liable unless the aggregate amount of Damages with respect to such Warranty Breaches exceeds \$250,000 and then Seller shall be liable only to the extent of such excess and (B) in the absence of fraud on the part of Seller, Seller's maximum liability for all such Warranty Breaches shall not exceed the Purchase Price. For the purpose of determining whether any Warranty Breach has occurred with respect to a claim for indemnification or for the purposes of measuring Damages with respect to any Warranty Breach, such representations and warranties shall be deemed to have been made without any materiality, Material Adverse Effect or Material Adverse Change qualifications contained therein.

(b) Subject to the other provisions of this Article 10, Buyer hereby agrees to indemnify Seller and its Affiliates and their respective officers, directors, managers, employees, Affiliates, agents, advisors and representatives (Seller and such other entities and Persons are hereinafter collectively referred to as "Seller Indemnitees"), against and agrees to hold each of them harmless from any and all Damages incurred or suffered by Seller Indemnitees resulting from or arising out of (i) any Warranty Breach by Buyer, or (ii) except with respect to a breach of Section 7.01(1), any breach of covenant or agreement made or to be performed by Buyer pursuant to this Agreement; provided that with respect to indemnification by Buyer for any Warranty Breach pursuant to this Section 10.02, (A) Buyer shall not be liable unless the aggregate amount of

Edgar Filing: QUADRAMED CORP - Form 8-K

Damages with respect to such Warranty Breaches exceeds \$250,000 and then Buyer shall be liable only to the extent of such excess and (B) Buyer's aggregate maximum liability for all such Warranty Breaches shall not exceed the Purchase Price. For the purpose of determining whether any Warranty Breach has occurred with respect to a claim for indemnification or for the purposes of measuring Damages with respect to any Warranty Breach, such representations and warranties shall be deemed to have been made without any materiality, material adverse effect or material adverse change qualifications contained therein.

Section 10.03 Procedures. (a) The party seeking indemnification under Section 10.02 (the "Indemnified Party") agrees to give reasonably prompt written notice to the party against whom indemnity is sought (the "Indemnifying Party") of the assertion or commencement of any Claim in respect of which indemnity may be sought under Section 10.02 and will provide the Indemnifying Party such information with respect thereto that the Indemnifying Party may reasonably request. The parties hereby acknowledge and agree that the failure by any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its indemnification obligation under this Agreement except to the extent that (i) such failure results in a failure of actual notice to the Indemnifying Party and (ii) such Indemnifying Party is materially prejudiced as a result of such failure to give notice.

(b) The Indemnifying Party shall be entitled to participate in the defense of, investigation of, or corrective action required to be undertaken in response to, any Claim asserted by a third party, including any Governmental Authority ("Third Party Claim") and, subject to the limitations set forth in this Section 10.03 or Section 10.04, shall be entitled to control and appoint lead counsel for such defense, in each case at its expense.

(c) If the Indemnifying Party shall assume the control and cost of the defense of any Third Party Claim in accordance with the provisions of this Section 10.03 or Section 10.04, (i) the Indemnifying Party shall obtain the prior written consent of the Indemnified Party (which shall not be unreasonably withheld) before entering into any settlement of such Third Party Claim if the settlement does not provide for the unconditional written release of the Indemnified Party from any and all liabilities and obligations with respect to such Third Party Claim or if the settlement imposes any form of relief other than monetary against the Indemnified Party for which the Indemnified Party receives indemnification hereunder and (ii) the Indemnified Party shall be entitled to participate in the defense of such Third Party Claim and to employ separate counsel of its choice for such purpose. The fees and expenses of such separate counsel shall be paid by the Indemnified Party. In the event that the Indemnified Party shall in good faith determine that the conduct of the defense of any claim subject to indemnification hereunder or any proposed settlement of any such claim by the Indemnifying Party might be expected to affect adversely the ability of Buyer to conduct its business, or that the Indemnified Party may have available to it one or more defenses or counterclaims that are inconsistent with one or more of those that may be available to the Indemnifying Party in respect of such claim or any litigation relating thereto, the Indemnified Party shall have the right at all times to take over and assume control over the defense, settlement, negotiations or litigation relating to any such claim at the sole cost of the Indemnifying Party, provided that if the Indemnified Party does so take over and assume control, the Indemnified Party shall not settle such claim or litigation without the written consent of the Indemnifying Party, such consent not to be unreasonably withheld.

(d) Each party shall cooperate, and cause their

Edgar Filing: QUADRAMED CORP - Form 8-K

respective Affiliates to cooperate, in the defense or prosecution of any Third Party Claim (including any counterclaims filed by Seller or Buyer) and shall provide access to properties and individuals as reasonably requested and furnish or cause to be furnished records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith. This cooperation shall be provided without cost or expense of the other party other than reimbursement of out-of-pocket travel or similar expenses subject to the provisions of Section 10.02.

Each Indemnified Party shall use reasonable efforts to collect any amounts available under insurance coverage, or from any other Person alleged to be responsible, for any Damages payable under Section 10.02.

Section 10.04 Calculation of Damages. The amount of any Damages payable under Section 10.02 by the Indemnifying Party shall be net of any amounts actually recovered by the Indemnified Party under applicable insurance policies (but any such offset for amounts so recovered shall be reduced by the present value of any insurance policy increases to Indemnified Party relating thereto), from any other third party with indemnification obligations or from any other Person alleged to be responsible therefor. If the Indemnified Party receives any amounts under applicable insurance policies, from any other third party with indemnification obligations or from any other Person alleged to be responsible for any Damages, subsequent to an indemnification payment by the Indemnifying Party, then such Indemnified Party shall promptly reimburse the Indemnifying Party for any payment made or expense incurred by such Indemnifying Party in connection with providing such indemnification payment up to the amount actually received by the Indemnified Party (but any such offset for amounts so recovered shall be reduced by the present value of any insurance policy increases to Indemnified Party relating thereto) and net of any expenses incurred by such Indemnified Party in collecting such amount.

Section 10.05 Dispute Resolutions. If the parties cannot resolve any claim for indemnification within 30 days after the notification of such claim pursuant to Section 10.03, excluding any Third Party Claim, the parties agree to settle such claim by arbitration in accordance with the then-prevailing Commercial Arbitration Rules of the American Arbitration Association, as modified herein. The place of arbitration shall be Wilmington, Delaware. There shall be three neutral and impartial arbitrators and each arbitrator shall be a duly admitted and practicing attorney with at least 10 years experience as an attorney in the field of commercial law. Seller, on the one hand, and Buyer, on the other hand, shall each appoint one arbitrator within 15 days after the commencement of the arbitration and the two arbitrators selected shall select the third arbitrator within 15 days of their appointment. The arbitrators shall permit and facilitate such pre-hearing discovery and exchange of documents and information to which the parties in writing agree or that the arbitrators determine is relevant to the dispute between the parties and is appropriate taking into account the needs of the parties and desirability of making discovery expeditious and cost-effective. Any discovery permitted hereunder shall be completed within 45 days from the date on which the respondent(s) communicates its or their answer(s) to the claimant(s). The arbitration shall be governed by the United States Arbitration Act, 9 U.S.C. ss.ss. 1-16. Judgment upon the award of the arbitrators may be entered in any court of competent jurisdiction. The decision of the arbitrators shall be binding and nonappealable.

Section 10.06 Tax Treatment of Indemnification Payments. Any indemnification payment made pursuant to Article 7 or this Article 10

Edgar Filing: QUADRAMED CORP - Form 8-K

shall be treated as an adjustment to the Purchase Price for Tax purposes.

ARTICLE 11

TERMINATION

Section 11.01 Grounds for Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written agreement of Seller and Buyer;

(b) by either Seller or Buyer if the Closing shall not have been consummated on or before June 30, 2002 (the "Termination Date"); provided, however, that the terminating party may not exercise this right if it or any of its Affiliates is in breach of its obligations under this Agreement;

(c) by either Seller or Buyer if consummation of the transactions contemplated hereby would violate any nonappealable final order, decree or judgment of any court or Governmental Authority having competent jurisdiction, or any Governmental Authority shall have adopted any applicable state, federal or foreign law permanently restraining, enjoining or otherwise prohibiting the transactions contemplated hereby.

(d) by Seller, so long as Seller is not then in breach of its obligations under this Agreement, upon a breach of any covenant or agreement on the part of Buyer set forth in this Agreement, or if any representation or warranty of Buyer shall have been or become untrue, in each case such that the conditions set forth in Section 9.03(a) would not be satisfied; provided, however, that if any such breach is curable prior to the Termination Date by Buyer through the use of its reasonable best efforts, for so long as Buyer, following written notice with respect to such breach from Seller, shall be using its reasonable best efforts to cure such breach, Seller may not terminate this Agreement pursuant to this Section 11.01(d); or

(e) by Buyer, so long as Buyer is not then in breach of its obligations under this Agreement, upon a breach of any covenant or agreement on the part of Seller set forth in this Agreement, or if any representation or warranty of Seller shall have been or become untrue, in each case such that the conditions set forth in Section 9.02(a) would not be satisfied; provided, however, that if any such breach is curable prior to the Termination Date by Seller through the use of his reasonable best efforts, for so long as Seller, following written notice with respect to such breach from Buyer, shall be using his reasonable best efforts to cure such breach, Buyer may not terminate this Agreement pursuant to this Section 11.01(e).

The party desiring to terminate this Agreement pursuant to clauses 11.01(b), 11.01(c), 11.01(d) or 11.01(e) shall give notice of such termination to the other party. If this Agreement is terminated as provided herein: (i) upon written request therefor, Buyer will redeliver to Seller all documents, work papers and other material of Seller or the Company relating to the transactions contemplated hereby, whether obtained before or after the execution hereof; and (ii) all filings, applications and other submissions made shall, to the extent practicable, be withdrawn from the agency or other Person to which made.

Section 11.02 Effect of Termination. If this Agreement is terminated as permitted by Section 11.01, such termination shall be without liability of either party (or any stockholder, director, officer, employee, Affiliate, agent, consultant or representative of such party) to the other

Edgar Filing: QUADRAMED CORP - Form 8-K

party to this Agreement; provided that if such termination shall result from the (i) failure of either Buyer or Seller to fulfill a condition to the performance of the obligations of the other party, (ii) failure to perform a covenant or agreement of this Agreement or (iii) breach by either Buyer or Seller hereto of any representation or warranty contained herein, such party shall be fully liable for any and all Damages incurred or suffered by the other party as a result of such failure or breach. In the event of the termination of this Agreement in accordance with Section 11.01, this Agreement shall thereafter become void and have no effect, except for the obligations of the parties hereto contained in Section 6.02, this Section 11.02 and Section 12.03.
