Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 12, 2014, the Board of Directors (the "Board") of Core Molding Technologies, Inc. (the "Company") approved the Company's Cash Profit Sharing Plan for 2014 (the "2014 Plan") for eligible officers, key managers, salaried and non-represented employees. To be eligible to participate in the 2014 Plan, an individual must be actively employed on the date of the payment of the profit sharing or have retired at the age of 55 or older on or after December 31 of the profit sharing year.

During the initial 90 days of each calendar year the Company's Board will establish a threshold earnings before taxes ("Threshold EBT"). An annual profit sharing pool will be created if profits exceed Threshold EBT, with the amount of such pool equal to 50% of EBT above the Threshold EBT, with a cap at a maximum of 20% of EBT. A profit sharing percentage of regular earnings for officers, key managers, salaried employees, and non-represented hourly employees will be determined. The salaried group's profit sharing percentage will be two times the hourly group's profit sharing percentage. The key manager's profit sharing percentage will be two times that of the salaried group and the officer's profit sharing percentage will be two times that of the key manager group. After completion of 2014, the Board will determine actual amounts to be paid, payable to eligible participants in a lump sum distribution between January 1 and March 15 of the year immediately subsequent to the profit sharing year. All payments under the 2014 Plan are subject to Board approval, and the Board, together with the compensation committee of the Board, reserves the right to modify or otherwise amend the 2014 Plan.
