ANNUAL MEETING OF STOCKHOLDERS - AUGUST 5, 2004

The enclosed Proxy is solicited by the Board of Directors of SpaceDev, Inc. (the "Board") in connection with the annual meeting of stockholders of SpaceDev, Inc. (the "Company") to be held on August 5, 2004 at 11:00 A.M. at 13855 Stowe Drive, Poway, California 92064, and at any adjournments thereof. The Company will pay the cost of solicitation, including the cost of preparing and mailing the Notice of Stockholders' Meeting and this Proxy Statement. Such mailing took place on approximately July 12, 2004. Representatives of the Company may, without cost to the Company, solicit Proxies for the management of the Company by means of mail, telephone or personal calls.

A Proxy may be revoked before the meeting by giving written notice of revocation to the Secretary of the Company, or may be revoked at the meeting, prior to voting. Unless revoked, properly executed Proxies with respect to the Company will be voted as indicated in this Proxy Statement. Should any other matters come before the meeting, it is the intention of the persons named as Proxies in the enclosed Proxy to act upon them according to their best judgment. In instances where choices are specified by the stockholders in the Proxy, those Proxies will be voted or the vote will be withheld in accordance with each stockholder's choice. An "abstention" on any proposal will be counted as present for purposes of determining whether a quorum of shares is present at the meeting with respect to the proposal on which the abstention is noted, but will be counted as a vote "against" such proposal.

Only stockholders of record at the close of business on June 24, 2004 may vote at the meeting or any adjournments thereof. As of that date there were issued and outstanding approximately 18,935,285 common shares of all classes, \$.0001 par value, of the Company. Each stockholder is entitled to one vote for each common share held. Voting for the election of directors is not cumulative, which means that the holders of a majority of the Company's outstanding shares have the power to elect the entire Board of Directors. None of the matters to be presented at the meeting will entitle any stockholder to appraisal rights. In the event that Proxies, which are sufficient in number to constitute a quorum, are not received by August 5, 2004, we may propose one or more adjournments of the meeting to permit further solicitation of Proxies. Such adjournments will require the affirmative vote of the holders of a majority of the shares present in person or by Proxy at the meeting. The persons named as Proxies will vote in favor of such adjournment. At the annual meeting, the stockholders will be asked to re-elect the current members of our Board of Directors, to approve the selection of the independent public accountant for the Company and to approve the Company's 2004 Equity Incentive Plan.

COMMITTEES OF THE BOARD OF DIRECTORS AND MEETING ATTENDANCE

We have a standing audit committee comprised of Messrs. Blake, McClendon and Dr. Huntress. On March 25, 2004, the Board established two new committees of the Board of Directors: the Compensation Committee and the Nominating and Governance Committee. Mr. McClendon chairs the Compensation Committee with General Estes and Mr. Blake as members. General Estes chairs the Nominating and Governance Committee with Dr. Huntress and Mr. Walker as members. Each committee is required to have a minimum of three (3) independent members. Each member of the Compensation Committee and the Nominating and Governance Committee are "independent" as defined by applicable listing standards of The Nasdaq Stock Market and SEC rules.

PAGE 10

No charter has been adopted for our Nominating and Governance Committee to date, although the Board intends to adopt one. The Board has no established policy with regard to the consideration of any director or candidate recommended by shareholders of the Company, although the Committee intends to adopt standards at its next meeting. Until recently, our Chief Executive Officer held more than 50% of our outstanding capital stock. Because of the practical necessity that a candidate for director must be acceptable to Mr. Benson, in his capacity as holder of a majority of the Company's voting stock, in order to be elected, the Board did not believe that such a policy was necessary until such ownership percentage was diluted or a committee had been appointed.

The Nominating and Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election. Each of the director nominees included in this Proxy Statement were recommended by the Nominating and Governance Committee. The Board of Directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Governance Committee will select candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders based on standards that will be further outlined in a written charter, to be adopted by the Board of Directors at its next regular meeting. Each of the director nominees set forth on the Proxy were selected by the Nominating and Governance Committee based on his experience in management or accounting and finance, or industry and technology knowledge, personal and professional ethics, and the willingness and ability to devote sufficient time to effectively carry out his duties as a director.

The Company does not maintain any pension, retirement or other arrangements other than as disclosed in the following table for compensating its Directors. Our Board of Directors took action seven (7) times during the last fiscal year: six (6) times at regular or special meetings attended by all of the members of the Board either personally or telephonically, and one (1) time by unanimous written consent. Our Audit Committee took separate action four (4) times during the last fiscal year, each time at a regular or special meeting attended by all of the members of the committee either personally or telephonically.

DIRECTOR COMPENSATION

At our annual meeting on July 16, 2000, our Board of Directors adopted a compensation plan for independent directors whereby they received options for attending meetings of the Board as follows: each such director received an option to purchase 5,000 shares for each of two telephonic meetings attended per year, and an option to purchase 10,000 shares for each of two meetings attended in person per year. These directors did not receive additional compensation for attending meetings in excess of those described above. In addition to the above, independent directors received \$5,000 in options on the date of election

Edgar Filing: SPACEDEV INC - Form DEF 14A

or appointment. All such options were issued pursuant to our 1999 Incentive Stock Option Plan at fair market value as of the date of the meeting attended, were set up to vest 50% on the first anniversary date of the date of grant and 50% on the second anniversary date of the date of grant and expire on the five-year anniversary of the grant date. The following table sets forth the remuneration paid to our directors during the fiscal year ended December 31, 2003 under this compensation plan. We do not pay directors, who are also our officers, additional compensation for their service as directors.

Mr. Grosvenor continues to be one of our investors with ownership of 665,188 shares and warrants to purchase 665,188 shares.

On March 25, 2004, our Board of Directors modified our compensation plan for independent directors. Under the modified plan, independent directors will receive options for attending meetings of the Board as follows: each director shall receive an option to purchase 6,000 shares for each telephonic meeting attended and an option to purchase 12,000 shares for each meeting attended in person, with a cap of options on 36,000 shares per year. All such options will be issued pursuant to the Plan at fair market value as of the date of the meeting attended, will vest 50% on the first anniversary date of the date of grant and 50% on the second anniversary date of the date of grant and will expire on the three-year anniversary of the grant date.

Certain information about the current executive officers of the Company is set forth below. Each executive officer of the Company may be removed from office at any time by a majority of the Company's Board of Directors with or without cause.

PAGE 12

James W. Benson, age 59, is our founder and has served as our Chief Executive Officer and Chairman of the Board since inception, and started the trend of successful computer entrepreneurs moving into the entrepreneurial space arena. In 1984, Mr. Benson founded Compusearch Corporation (later renamed Compusearch Software Systems), in McLean, Virginia. The company was based on the first development of software algorithms and applications for personal computers and networked servers to create full text indexes of massive government procurement regulations and to provide instant full text searches for any word or phrase; the first instance of large scale, commercial implementation of PC-based full text searching, which later grew to encompass such systems as worldwide web search engines. Seeing related opportunities in document and image management, Mr. Benson started the award-winning ImageFast Software Systems in 1989, which later merged with Compusearch. In 1995, Mr. Benson sold Compusearch and ImageFast, and retired at age fifty. After months of research, Mr. Benson started SpaceDev, Inc., a Nevada corporation, which was acquired by us in October 1997. Mr. Benson holds a Bachelor of Science degree in Geology from the University of Missouri. He founded the non-profit Space Development Institute, and introduced the \$5,000 Benson Prize for Amateur Discovery of Near Earth Objects. He is also Vice-Chairman and private sector representative on NASA's national Space Grant Review Panel, and is a member of the American Society of Civil Engineers subcommittee on Near Earth Object Impact Prevention and Mitigation.

Richard B. Slansky, age 47, is our Chief Financial Officer and Corporate Secretary and joined us on February 10, 2003. Mr. Slansky served as interim Chief Executive Officer and Chief Financial Officer of Quick Strike Resources, Inc., an IT training, services and consulting firm, from July 2002 to February 2003. Previously, Mr. Slansky served as Chief Financial Officer, Vice President of Finance, Administration and Operations and Corporate Secretary for Path 1 Network Technologies, Inc., a company focused on merging broadcast and cable quality video transport with IP networks from May 2000 to July 2002. Before his tenure at Path 1, Mr. Slansky served as President, Chief Financial Officer and member of the Board of Directors of Nautronix, Inc., a marine electronics/engineering services company, from January 1999 to May 2000. Prior to Nautronix, Mr. Slansky served as Chief Financial Officer of Alexis Corporation, an international pharmaceutical research products technology company, from August 1995 to January 1999. He also served as President and Chief Financial Officer of C-N Biosciences, formerly Calbiochem, from July 1989 to July 1995. Mr. Slansky is currently serving on the Board of Directors of two privately held high technology companies and one closely held, private real estate company. Mr. Slansky earned a bachelor's degree in economics and science from the University of Pennsylvania's Wharton School of Business and a master's degree in business administration in finance and accounting from the University of Arizona.

Edgar Filing: SPACEDEV INC - Form DEF 14A

Randall K. Simpson, age 57, is our Vice President of Engineering and joined us in January 2004. Mr. Simpson has over 30 years of diversified experience in business development, product definition, engineering development and support for aerospace, commercial and international customers. From October 2000 to January 2004, Mr. Simpson served as AVP of Program Management for Alvarion, Inc., a high technology commercial communications firm. From March 1997 to September 2000, Mr. Simpson was Vice President of Engineering for Cubic Defense Systems, an engineering and production company providing military training ranges, laser instrumentation products, space avionics and battlefield communications equipment. From November 1992 to February 1997, Mr. Simpson was Program Director for Advanced Test Systems and Engineering Director for GDE Systems, which develops, integrates and produces test equipment for advanced electronic aircraft, munitions, space launch, satellite and telecommunications systems. Mr. Simpson began his career at General Dynamics/Convair where he held various positions. Mr. Simpson received both his BSEE and MSEE from San Diego State University.

Total compensation paid to officers of the Company for its past three fiscal years is set forth below:

SUMMARY COMPENSATION TABLE

(1) The table includes information as to the Chief Executive Officer and our highest paid officers for the last fiscal year, including persons whose information would have been required but for the fact that they were not serving as our officers at its fiscal year end. For purposes of the table, only persons whose total annual salary and bonus exceeded \$100,000 have been included.

(2) Mr. Benson was awarded 10,000 options in 2001 as a part of an annual award of options to our employees.

(3) Mr. Slansky was awarded up to 385,000 options in 2003 as part of

Edgar Filing: SPACEDEV INC - Form DEF 14A

his employment agreement, with 25,000 vested immediately, 180,000 vesting in six-month increments over five years and the remaining based on performance criteria established by the CEO. The timeframe for certain performance criteria lapsed in 2003 and 30,000 options not earned were forfeited; thereby, reducing Mr. Slansky's potential securities underlying options to a maximum of 355,000, as illustrated above.

During the last fiscal year and as of December 31, 2003, we granted stock options to executive officers as set forth in the following table:

(1) For purposes of determining whether options are "in-the-money," we defined fair market value as the five-day weighted average of the closing price of our common stock on the Over-The-Counter Bulletin Board as of March 4, 2004, or \$1.05 per share. All the options listed on the table are "in-the-money," except unvested options on 2,000,000 of Mr. Benson's shares.

EMPLOYMENT AGREEMENTS

On November 21, 1997, we entered into a five-year employment agreement with our CEO, Mr. Benson. This agreement provides for compensation of salary and stock as well as stock options. This agreement also prohibits Mr. Benson from competing with us, disclosing any confidential information, or soliciting any of our employees or customers for one year after termination of employment. Our Board of Directors revised Mr. Benson's employment agreement at its meeting on July 16, 2000. This employment contract supercedes the previous agreement. The term of this revised employment contract is for a period of five (5) years from July 16, 2000. The revised agreement provides for the grant of options to purchase up to 4,000,000 shares of our common stock upon the occurrence of certain events, of which options to purchase 500,000 shares are currently vested.

On May 17, 2002, we entered into an "at-will" employment agreement with Mr. Schaffer. The agreement provided for Mr. Schaffer's compensation of salary, benefits and options to purchase up to 450,000 shares of our common stock. On July 2, 2003, we entered into a Confidential Separation Agreement and General Release with Mr. Schaffer. The agreement provided for Mr. Schaffer to receive salary and benefits until August 8, 2003 and for the resignation of Mr. Schaffer as an officer, but not as a director. In exchange for a release of claims and other promises set forth in the agreement, Mr. Schaffer retained certain exercise rights on his vested options of 90,000 shares until the earlier of (i) eighteen (18) months from his resignation as a member of our Board of Directors or other subsequent consulting relationship with us, or (ii) July 19, 2008.

On May 31, 2002, we entered into a Confidential Separation Agreement and General Release of Claims with Mr. Lloyd, our former Chief Operating Officer and Chief Financial Officer. The agreement provided for the resignation of Mr. Lloyd as an officer and director of SpaceDev, Inc. and Integrated Space Systems, Inc., effective June 14, 2002. In exchange for a release of claims and other promises set forth in the agreement, Mr. Lloyd received \$36,000 and an extension of the exercise period of each of his non-statutory stock options for a five-year period from the original date of grant. Until May 31, 2003, the agreement also prohibits Mr. Lloyd from soliciting our employees, inducing any customer away from us or representing himself on our behalf.

PAGE 15

On February 14, 2003, we entered into an "at-will" employment agreement with Mr. Slansky. The agreement provided for Mr. Slansky's compensation of salary, benefits and options to purchase up to 385,000 shares of our common stock. The agreement also provided for severance under certain termination provisions and prohibits Mr. Slansky from soliciting our employees or competing with us, if he were to leave the Company.

On November 17, 2003, we entered into an "at-will" employment relationship with Mr. Dario ("Dan") DaPra to become our Vice President of Engineering. Our offer letter provided for Mr. DaPra's compensation of salary, benefits and options to purchase up to 250,000 shares of our common stock. The offer letter also provided for severance under certain termination provisions and prohibits Mr. DaPra from soliciting our employees or competing with us. Mr. DaPra resigned on March 5, 2004 and subsequently entered into a Confidential Separation Agreement and General Release with us. The Agreement provides for Mr. DaPra to receive one-half pay through April 30, 2004 in lieu of severance,

Edgar Filing: SPACEDEV INC - Form DEF 14A

and to retain options on 40,000 shares of our stock with the ability to exercise those options until October 31, 2004.

On January 16, 2004, we entered into an "at-will" employment relationship with Mr. Randall K. Simpson to become our Vice President of New Business Development. Our offer letter provided for Mr. Simpson's compensation of salary, benefits and options to purchase up to 250,000 shares of our common stock. Mr. Simpson assumed the additional position of Vice President of Engineering with the departure of Mr. DaPra on March 5, 2004.

EMPLOYEE BENEFITS

At our 1999 Annual Stockholder Meeting, the stockholders adopted an Incentive Employee Stock Option Plan under which its Board of Directors may grant our employees, directors and affiliates Incentive Stock Options, Supplemental Stock Options and other forms of stock-based compensation, including bonuses or stock purchase rights. Incentive Stock Options, which provide for preferential tax treatment, are only available to employees, including officers and affiliates, and may not be issued to non-employee directors. The exercise price of the Incentive Stock Options must be 100% of the fair market value of the stock on the date the option is granted. Pursuant to our plan, the exercise price for the Supplemental Stock Options will not be less than 85% of the fair market value of the stock on the date the option is granted. We are required to reserve an amount of common shares equal to the number of shares, which may be purchased as a result of awards made under the Plan at any time.

At the 2000 Annual Stockholder Meeting, the stockholders approved an amendment to the Stock Option Plan of 1999, increasing the number of shares eligible for issuance under the Plan to 30% of the then outstanding common stock and allowing the Board of Directors to make annual adjustments to the Plan to maintain a 30% ratio to outstanding common stock at each annual meeting of the Board of Directors. The Board, at its annual meetings in 2001 and 2002, made no adjustment, as a determination was made that the number of shares then available under the Plan was sufficient to meet the Company's needs. As of December 31, 2003, 4,184,698 shares were authorized for issuance under the Plan, 3,124,807 of which are currently subject to outstanding options and awards and options on 37,000 shares were exercised in 2003. The Stock Option Plan of 1999 was registered with the U.S. Securities & Exchange Commission on Form S-8.

PAGE 16

During 2003, we issued non-statutory options to purchase 140,000 shares to our independent directors for attendance at our 2003 Board of Directors meetings. In addition to the Stock Option Plan of 1999, our stockholders adopted the 1999 Employee Stock Purchase Plan, which authorized our Board of Directors to make twelve consecutive offerings of our common stock to our employees. The 1999 Employee Stock Purchase Plan has been instituted and the first employees enrolled in the plan in August 2003. The first shares of common stock were issued under the Plan in February 2004. We also offer a variety of health, dental, vision, 401(k) and life insurance benefits to our employees in conjunction with our co-employment partner, Administaff.

On June 11, 2004, we had 140,926 shares available under our 1999 Stock Option Plan. The 1999 Stock Option Plan will be retired except with respect to outstanding options and awards once those shares have been issued pursuant to stock options or other awards. We are proposing the adoption of a new plan, as outlined in Proposition 3 below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

James W. Benson, our Chief Executive Officer and Chairman of the Board of Directors, and Susan Benson, our former Corporate Secretary, are husband and wife. Mr. Benson has personally guaranteed the building lease on our facility.

One of our independent directors, Robert S. Walker, is a principal of Wexler & Walker Public Policy Associates, a Washington-based, full-service government relations firm founded in 1981. Wexler & Walker principals have served in Congress, in the White House and federal agencies, as congressional staff, in state and local governments and in political campaigns. Wexler & Walker is a leader on the technology issues of the twenty-first century. During 2003, we did not incur any consulting fees from Wexler & Walker or any of its affiliates; however, during 2002, we incurred consulting fees with Hill and Knowlton, Inc., an affiliate of Wexler & Walker, in an aggregate amount of approximately \$56,000.

In December 2001, we entered into a consulting agreement with one of our independent directors, Curt D. Blake, pursuant to which Mr. Blake agreed to perform certain services for us and identify and qualify significant investors and potential acquisition targets for us. Under the agreement, Mr. Blake was to receive compensation, in cash and non-statutory stock options, for his services. In addition, Mr. Blake was to receive a cash finder's fee plus a common stock grant for all monies raised as a result of introductions made by him. However, as a result of the independence rules imposed by the Sarbanes-Oxley Act of 2002, Mr. Blake voluntarily terminated his agreement with us on November 25, 2002. We made no payments to Mr. Blake in 2003 and 2002, other than reimbursement of Board-related travel expenses.

In September and October 2002, certain of our officers provided personal interest-free short-term loans to support our working capital needs. The officer loans were paid with the proceeds from imminently pending contract payments and the proceeds of the convertible note program sales.

From October 14, 2002 through November 14, 2002, we sold an aggregate of \$475,000 of 2.03% convertible debentures to two of our directors, officers and

Edgar Filing: SPACEDEV INC - Form DEF 14A

Mr. Skarupa, a former officer. Mr. Benson purchased \$375,000 of Series A Subordinated Convertible Notes and Mr. Shaffer purchased \$50,000. The total funding was completed on November 14, 2002. The convertible debentures entitled the holder to convert the principal and unpaid accrued interest into our common stock when the note matured. The notes originally were set to mature six (6) months from issue date and were subsequently extended to twelve (12) months from issue date on March 19, 2003. Unless paid, extended or re-negotiated, the convertible debentures are exercisable into a number of our common shares at a conversion price that equals the 20-day average asking price less 10%, which was established when the note was issued, or the initial conversion price. Concurrent with the issuance of the convertible debentures, we issued to the subscribers, warrants to purchase up to 1,229,705 shares of our common stock. These warrants are exercisable for three (3) years from the date of issuance at the initial exercise price, which equals to the 20-day average asking price less 10% which was established when the note was issued, or the initial conversion price. Upon issuance, the warrants were valued using the Black-Scholes pricing model based on the expected fair value at issuance and the estimated fair value was recorded as debt discount. See Note 8(c) to our Consolidated Financial Statements for discussion of the terms of the warrants. The debt discount was being amortized as additional interest expense over the term of the convertible debentures.

PAGE 18

On September 5, 2003, we repaid one-half of the convertible notes, with the condition that the note holders would convert the other half. Also, as a condition of the partial repayment, the note holders were required to relinquish one-half of the previously issued warrants. Finally, as additional consideration for the transaction, the note holders were offered 5% interest on their notes, rather than the stated 2.03% for a total of \$18,161 of interest expense. All the note holders accepted the offer and the convertible notes were retired. In order for Mr. Skarupa, our former Vice President of Operations, to accept the offer, he entered into a private transaction with Mr. Slansky, our Chief Financial Officer. Mr. Slansky purchased 60% of Mr. Skarupa's note conversion for \$15,000 in cash and received 38,462 shares of common stock on the conversion as well as warrants on an additional 38,462 shares of common stock. As of December 31, 2003, we recorded a credit of \$88,408, as debt discount recovery; therefore, for the year ending December 31, 2003, the debt discount expense was \$112,500. The Company also expensed \$131,411 for non-cash loan fee expense related to the convertible note. Fair market value of the stock was determined by discounting the closing market price on the date of the transaction by 20%, based on the nature of the restricted securities.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based upon a review on the Forms 3 and 4 furnished to us with respect to our most recent fiscal year, each of the Directors and/or Executive Officers timely filed his initial Form 3 and Form 4 under Section 16(a) of the Securities and Exchange Act of 1934 during 2003 with the following exceptions: Mr. Slansky filed his Form 3 on March 28, 2003 after the Board approved his contract and options. Prior to March 28, 2003, Mr. Slansky had no beneficial ownership in us but should have filed a Form 3 on or before February 21, 2003. Messrs. Blake, Estes, Grosvenor, Huntress, McClendon and Walker filed their Form 4 related to options granted at the May Board meeting on June 4, 2003, a few days late. Messrs. Benson, Schaffer and Slansky filed their Form 4 related to retirement of our convertible debt program on September 15, 2003, a few days late due to the delay in getting signatures from all parties to the transaction. Mr. DaPra filed his Form 3 on December 22, 2003, one day late.

REQUIRED VOTE

In voting for directors, you must vote all of your shares noncumulatively.

Edgar Filing: SPACEDEV INC - Form DEF 14A

This means that the owners of a majority of the Company's outstanding common shares have the power to elect the entire Board of Directors. The vote of a majority of shares of the Company represented at the meeting, provided at least a quorum (a majority of the outstanding shares) is represented in person or by proxy, is sufficient for the election of the above nominees. By completing the Proxy, you give the named Proxies the right to vote for the persons named in the table above. If you elect to withhold authority for any individual nominee or nominees, you may do so by making an "X" in the box marked "VOTE FOR NOMINEE(S) NOT LINED OUT," and by striking a line through the nominees' name or names on the Proxy that you do not vote for.

Each of the nominees for director has agreed to serve as a director of the Company until his replacement is elected and qualified. If any unforeseen event prevents one or more of the nominees from serving as a director, your votes will be cast for the election of a substitute or substitutes selected by the Board. In no event, however, can the Proxies be voted for a greater number of persons than the number of nominees named. Unless otherwise instructed, the Proxies will vote for the election of each nominee to serve as a director of the Company.

OUR BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES TO THE BOARD OF DIRECTORS OF THE COMPANY.

PROPOSAL 2

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Sarbanes-Oxley Act of 2002 ("Act") established the Public Company Accounting Oversight Board ("PCAOB") and charged it with the responsibility of overseeing the audits of public companies that are subject to the federal securities laws. Under the Act, the PCAOB's duties include the establishment of a registration system for public accounting firms. The PCAOB proposed rules for the registration process, which required approval of the U.S. Securities Commission ("SEC") prior to enforcement. All public accounting firms were required to register with the PCAOB in order to prepare or issue audit reports on U.S. public companies, or to play a substantial role in the preparation or issuance of such reports. Public accounting firms are required to file periodic reports with the PCAOB. At this time last year, the cost of compliance with these new rules was not determined, and, as a result of the legislation, it appeared that the cost of professional liability insurance for public accounting firms would be dramatically increased. We were informed by our prior independent auditor, Nation Smith Hermes Diamond, Accountants and Consultants, P.C. ("Nation Smith"), that they did not intend to register with the PCAOB at that time and, as a result, would not be able to continue to act as our independent auditors.

Our Board of Directors selected PKF, Certified Public Accountant a professional corporation, as the Company's independent accountants for the fiscal year ending December 31, 2003, and has directed us to submit PKF, Certified Public Accountant, again, as our selection of independent accountants to the stockholders for ratification at the Annual Meeting for the fiscal year ending December 31, 2004. A representative of PKF, Certified Public Accountant, is expected to be present at the Annual Meeting.

Stockholders are not required to ratify the selection of PKF, Certified Public Accountant, as the Company's independent accountants. However, our Board of Directors is submitting the selection of PKF, Certified Public Accountant, to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, our Board of Directors will

Edgar Filing: SPACEDEV INC - Form DEF 14A

reconsider whether or not to retain that firm. Even if the selection is ratified, the Board, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

AUDIT FEES

The following are the fees billed us by our auditors, PKF and Nation Smith, respectively, for services rendered thereby during 2003 and 2002:

	2003	2002
	-----	-----
Audit Fees	\$55,025	\$54,500
	-----	-----
Audit Related Fees \$	-	-
	-----	-----
Tax Fees	\$ 7,850	\$11,734
	-----	-----
All Other Fees . .	\$ 5,093	\$12,712
	-----	-----

Audit Fees consist of the aggregate fees billed for professional services rendered for the audit of our annual financial statements and the reviews of the financial statements included in our Forms 10-QSB and for any other services that are normally provided by PKF and Nation Smith in connection with our statutory and regulatory filings or engagements.

PAGE 20

Audit Related Fees consist of the aggregate fees billed for professional services rendered for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and were not otherwise included in Audit Fees.

Tax Fees consist of the aggregate fees billed for professional services rendered for tax compliance, tax advice and tax planning. Included in such Tax Fees were fees for preparation of our tax returns and consultancy and advice on other tax planning matters.

All Other Fees consist of the aggregate fees billed for products and services provided by PKF and Nation Smith and not otherwise included in Audit Fees, Audit Related Fees or Tax Fees. Included in such Other Fees were fees for services rendered by PKF or Nation Smith in connection with our private and public offerings conducted during such periods.

Our Audit Committee has considered whether the provision of the non-audit services described above is compatible with maintaining PKF's and Nation Smith's independence and determined that such services are appropriate.

Before the auditors are engaged to provide us audit or non-audit services, such engagement is approved by the Audit Committee of our Board of Directors.

The affirmative vote of the holders of a majority of the common shares represented and voting at the meeting will be required to ratify the selection of PKF, Certified Public Accountant a professional corporation.

Edgar Filing: SPACEDEV INC - Form DEF 14A

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY SELECTION OF THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2004.

PROPOSAL 3

APPROVAL OF 2004 EQUITY INCENTIVE PLAN

On June 11, 2004, we had only 140,926 options remaining available for grant under our 1999 Stock Option Plan. The Board of Directors is asking stockholders to approve the proposed 2004 Equity Incentive Plan, which is attached to this Proxy Statement as Appendix A. The 2004 Equity Incentive Plan would authorize and reserve for issuance under the Plan 2,000,000 shares of the Company's common stock. We have used our 1999 plan to provide employees, directors and consultants an incentive for continued and future service. The 2004 Equity Incentive Plan is an important part of the Company's total compensation program because competitive benefit programs are a critical component of our efforts to attract and retain qualified employees, directors and consultants. We are asking for the approval of this plan to continue providing this benefit to new and current employees, directors and consultants.

The 2004 Equity Incentive Plan is described below.

PAGE 21

DESCRIPTION OF THE PLAN

The purpose of the Company's 2004 Equity Incentive Plan (the "Plan") is to provide selected eligible employees, directors and certain types of consultants of and to the Company, its subsidiaries, and affiliates an opportunity to participate in the Company's future by offering them an opportunity to acquire stock in the Company so as to retain, attract and motivate them. Options granted under the Plan may be Incentive Stock Options or Non-statutory Stock Options, as determined by the Board of Directors or a committee appointed by the Board of Directors at the time of grant. Limited rights and stock awards may also be granted under the Plan. The options, limited rights and awards are collectively referred to in this discussion as "Awards."

A stock option is the right to purchase a certain number of shares of stock, at a certain exercise price, in the future. The exercise price of Incentive Stock Options may not be less than 100% of the fair market value of the common stock as of the date of grant (110% of the fair market value if the grant is to an employee who owns more than 10% of the total combined voting power of all classes of our capital stock). The Code currently limits to \$100,000 the aggregate value of common stock for which incentive stock options may first become exercisable in any calendar year under the Plan or any other option plan adopted by the Company. Non-statutory Stock Options may be granted under the Plan at an exercise price of not less than 85% of the fair market value of the common stock on the date of grant. Non-Statutory Stock Options also may be granted without regard to any restriction on the amount of common stock to which the option may first become exercisable in any calendar year. Regardless of which type of option is granted to an employee of the Company, the option will expire ninety (90) days after termination of employment for any reason other than death, disability or retirement; provided, however, that all rights under any options expire immediately upon termination of an employee for cause.

A limited right is the right to receive the net of the market price of a share of stock and the exercise price of the right, either in cash or in stock, in the future. In no event may a limited right issued under the Plan be

Edgar Filing: SPACEDEV INC - Form DEF 14A

exercisable in whole or in part before the expiration of six (6) months from the date of grant, and the right may only be exercised in the event of a change in control of the Company. In addition, limited rights issued under our plan may be exercised only when the underlying option is exercisable and the fair market value of the shares on the date of exercise is greater than the exercise price of the underlying option. The limited right and the option terminate simultaneously upon exercise of one or the other. Limited rights issued under the plan may be for no more than 100% of the difference between the purchase price and the fair market value of the stock subject to the underlying option.

The Committee may issue restricted stock awards under the Plan to employees and independent directors. The Committee has discretion to determine the dates on which stock awards will vest and any specific conditions or performance goals which must be satisfied prior to vesting of any portion of the Award. Stock awards which are not fully vested at the time of termination of the employee for any reason other than death, disability or retirement or as a result of termination for cause, the unvested portion of the award will be forfeit as of the date of termination.

The Committee has discretion to accelerate the vesting of any Award issued under the Plan.

The Committee may award Incentive Stock Options only to full-time employees (including officers) of the Company and its affiliates under the Plan. A non-employee director, as well as part-time employees and certain consultants, of the Company are not eligible to receive Incentive Stock Options, but may receive Non-Statutory Stock Options under the Plan.

PAGE 22

ADMINISTRATION

The Plan shall be administered by the Compensation Committee. Subject to the provisions of the Plan, the specific duties of the Compensation Committee, and subject to the approval of any relevant authorities, the Compensation Committee shall have the authority in its discretion:

- (i) to determine the fair market value;
- (ii) to select the employees, directors and consultants to whom Awards may from time to time be granted hereunder;
- (iii) to approve forms of agreement for use under the Plan;
- (iv) to determine the terms and conditions of any Award granted under the Plan, including, but not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting and any restriction or limitation regarding any Award or the common stock relating thereto, based in each case on such factors as the Committee, in its sole discretion, shall determine;
- (v) to reduce the exercise price of any Option to the then current Fair Market Value if the Fair Market Value of the common stock covered by the Option has declined since the grant date;
- (vi) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;
- (vii) to allow participants in the Plan to satisfy withholding tax obligations on options by electing to have the Company withhold from the

Edgar Filing: SPACEDEV INC - Form DEF 14A

common stock to be issued upon exercise of an option that number of shares having a fair market value equal to the amount required to be withheld. The fair market value to be withheld will be determined on the date that the amount of tax to be withheld is to be determined; and

(viii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan.

All determinations and interpretations made by the Compensation Committee shall be binding and conclusive on all participants in the Plan and on their legal representatives and beneficiaries. Because option grants and other Awards under the Plan are subject to the discretion of the Committee, awards under the Plan for the current year are indeterminable. Future option exercise prices under the Plan are also indeterminable because they will be based upon the fair market value of the common stock on the date of grant.

PAGE 23

SHARES SUBJECT TO THE PLAN

Subject to adjustment, the maximum number of shares of common stock reserved for Awards under the Plan is 2,000,000 shares. These shares of common stock may be either authorized but unissued shares or authorized shares previously issued and reacquired by the Company. To the extent that options and stock awards are granted under the Plan, the shares underlying such Awards will be unavailable for any other use including future grants under the Plan except that, to the extent that stock awards or options terminate, expire, or are forfeited without having been exercised (or in cases where a limited right has been granted in connection with an option, the amount of such limited right received in lieu of the exercise of such option), new Awards may be made with respect to those shares underlying such terminated, expired or forfeited options or stock awards.

ADJUSTMENTS

The Committee will make adjustments to the number of shares subject to any award based on any change in the outstanding shares of common stock of the Company resulting from any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares, or any similar corporate change, or other increase or decrease in such shares without receipt or payment of consideration by the Company.

AMENDMENT OR TERMINATION

The Board of Directors may amend or modify the Plan in any or all respects whatsoever. However, certain amendments may require shareholder approval pursuant to applicable laws and regulations. In order for the Plan to become effective for the purpose of obtaining preferential tax treatment for Incentive Stock Options, we require approval of the stockholders of the Company.

Once approved by both the stockholders and the Board of Directors, the Plan shall continue in effect for a term of ten (10) years unless sooner terminated.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Incentive stock options granted under the Plan will be afforded favorable federal income tax treatment under the U.S. Internal Revenue Code of 1986, as amended (the "Code"). If an option is treated as an Incentive Stock Option, the recipient will recognize no income upon grant or exercise of the option unless the alternative minimum tax rules apply. Upon an recipient's sale of the shares (assuming that the sale occurs more than two years after grant of the option and more than one year after exercise of the option), any gain will be taxed to the

Edgar Filing: SPACEDEV INC - Form DEF 14A

recipient as long-term capital gain. If the recipient disposes of the shares prior to the expiration of either of the above holding periods, then the recipient will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain recognized on such a premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain.

PAGE 24

All other options granted under the Plan will be Non-Statutory Stock Options and will not qualify for any special tax benefits to the recipient. A recipient will not recognize any taxable income at the time he or she is granted a Non-Statutory Stock Option. However, upon exercise of the Non-Statutory Stock Option, the recipient will recognize ordinary income for federal income tax purposes in an amount generally measured as the excess of the then fair market value of each share over its exercise price. Upon a recipient's resale of such shares, any difference between the sale price and the fair market value of such shares on the date of exercise will be treated as capital gain or loss and will generally qualify for long term capital gain or loss treatment if the shares have been held for more than one year. The Code provides for reduced tax rates for long-term capital gains based on the taxpayer's income and the length of the taxpayer's holding period.

The recipient of a restricted stock award will generally recognize ordinary compensation income when such shares are no longer subject to a substantial risk of forfeiture, based on the excess of the value of the shares at that time over the price, if any, paid for such shares. However, if the recipient makes a timely election under the Code to be subject to tax upon the receipt of the shares, the recipient will recognize ordinary compensation income at that time equal to the fair market value of the shares over the price paid, if any, and no further ordinary compensation income will be recognized when the shares vest.

No taxable income is recognized upon the receipt of a limited right. The recipient will recognize ordinary income, in the year in which the right is exercised, equal to the excess of the fair market value of the underlying shares of common stock on the exercise date over the base price in effect for the exercised right, and the recipient will be required to satisfy the tax withholding requirements applicable to such income. The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the recipient in connection with the exercise of the limited right. The deduction will be allowed for the taxable year of the Company in which such ordinary income is recognized.

We are generally entitled to a deduction for federal income tax purposes equal to the amount of ordinary compensation income recognized by the recipient of an award at the time such income is recognized.

The foregoing does not purport to be a complete summary of the federal income tax considerations that may be relevant to holders of options or restricted shares, or to us. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which a recipient may reside, nor does it reflect the tax consequences of a recipient's death.

REQUIRED VOTE

Approval of the Plan requires the affirmative vote of a majority of the shares present and entitled to vote on this Proposal 3, and such affirmative vote must also constitute at least a majority of the required quorum for the meeting. In determining whether this Proposal 3 has been approved, abstentions and broker non-votes are not counted as votes for or against this proposal.

OTHER MATTERS

We do not intend to present any business at the meeting not mentioned in this Proxy Statement, and currently know of no other business to be presented. AUDIT COMMITTEE REPORT

Following is the report of the Audit Committee with respect to the Company's audited consolidated financial statements for the fiscal year ended December 31, 2003, which include the consolidated balance sheets of the Company as of December 31, 2003 and 2002 and the related consolidated statements of operations, stockholders' equity and cash flow for each of the fiscal years ended December 31, 2003 and 2002, and the notes thereto.

The Audit Committee of the Company's Board of Directors currently consists of three directors, none of which are employees of the Company or any of its subsidiaries. Pursuant to an Audit Committee Charter adopted on April 19, 2002, the Audit Committee is required to be comprised of at least three directors. The Board believes that the current members of the committee, Mr. Blake, Mr. McClendon and Dr. Huntress, are "independent" directors as that term is defined under the Nasdaq listing standards.

The primary responsibility of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities related to corporate accounting, financial reporting practices, and the quality and integrity of the Company's financial reports. In that respect, the Audit Committee has reviewed and discussed the audited financial statements and the footnotes thereto with management and the independent auditors. The Audit Committee has not been apprised of any misstatements or omissions in the financial statements. In addition, the Audit Committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standard No. 61, Communication with Audit Committees, including, among other items, matters related to the conduct of the audit of the Company's financial statements.

The Audit Committee has received from the independent accountants, as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee, (i) a written disclosure, indicating all relationships, if any, between the independent auditor and its related entities and the Company and its related entities which, in the auditor's professional judgment, reasonably may be thought to bear on the auditor's independence, and (ii) a letter from the independent auditor confirming that, in its professional judgment, it is independent of the Company; and the Audit Committee has discussed with the auditor the auditor's independence from the Company.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003.

AUDIT COMMITTEE CHARTER

Our Audit Committee currently consists of three independent members of the Board of Directors: Messrs. Blake, McClendon and Dr. Huntress. On April 19, 2002, the Board of Directors adopted and approved a charter for the Audit Committee, which is attached to this Proxy Statement as Appendix B. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to the stockholders and others, the preparation of the Company's internal financial statements, and the Company's audit and financial reporting process. In addition, our Audit Committee is responsible for maintaining free and open lines of communication among the committee, the independent auditors and management. Our Audit Committee consults with the Company's management and independent auditors prior to the presentation of financial statements to stockholder and, as appropriate, initiates inquiries into various aspects of the Company's financial affairs. The committee is also responsible for considering and recommending the appointment of and reviewing fee arrangements with our independent auditors. It is not responsible for preparing the Company's financial statements or for planning or conducting the audits.

(a) The Plan shall be administered by the Committee, which shall be constituted to comply with applicable laws. Subject to the provisions of the Plan, the specific duties of the Committee, and subject to the approval

Edgar Filing: SPACEDEV INC - Form DEF 14A

of any relevant authorities, the Committee shall have the authority in its discretion:

- (i) to determine the Fair Market Value;
- (ii) to select the Employees, directors and Consultants to whom Awards may from time to time be granted hereunder;
- (iii) to approve forms of agreement for use under the Plan;
- (iv) to determine the terms and conditions of any Award granted hereunder, subject to the provisions hereof. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting and any restriction or limitation regarding any Award or the Common Stock relating thereto, based in each case on such factors as the Committee, in its sole discretion, shall determine;

PAGE 4

(v) to reduce the exercise price of any Option to the then current Fair Market Value if the Fair Market Value of the Common Stock covered by such Option has declined since the date the Option was granted;

(vi) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(vii) to allow Participants to satisfy withholding tax obligations on Options by electing to have the Company withhold from the Common Stock to be issued upon exercise of an Option that number of shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Common Stock to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by optionees to have shares withheld for this purpose shall be made in such form and under such conditions as the Committee may deem necessary or advisable; and

(viii) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan.

(b) All determinations and interpretations made by the Committee shall be binding and conclusive on all Employee Participants, Outside Director Participants and Consultants in the Plan and on their legal representatives and beneficiaries.

4. TYPES OF AWARDS AND RELATED RIGHTS.

The following Awards and related rights as described below in Paragraphs 8 through 11 hereof may be granted under the Plan:

- (a) Non-statutory Stock Options
- (b) Incentive Stock Options
- (c) Limited Rights
- (d) Stock Awards

5. STOCK SUBJECT TO THE PLAN.

Subject to adjustment as provided in Section 17 hereof, the maximum number of shares of Common Stock reserved for Awards under the Plan is 2,000,000 shares. These shares of Common Stock may be either authorized but unissued

Edgar Filing: SPACEDEV INC - Form DEF 14A

shares or authorized shares previously issued and reacquired by the Company. To the extent that Options and Stock Awards are granted under the Plan, the shares underlying such Awards will be unavailable for any other use including future grants under the Plan except that, to the extent that Stock Awards or Options terminate, expire, or are forfeited without having been exercised (or in cases where a Limited Right has been granted in connection with an Option, the amount of such Limited Right received in lieu of the exercise of such Option), new Awards may be made with respect to those shares underlying such terminated, expired or forfeited Options or Stock Awards.

PAGE 5

6. ELIGIBILITY.

(a) Non-statutory Stock Options, Limited Rights and Stock Awards may be granted to Outside Directors and Consultants of the Company by the Committee, pursuant to the terms of this Plan.

(b) Incentive Stock Options may be granted only to Employees.

(c) Each Option shall be designated in the grant notice as either an Incentive Stock Option or a Non-statutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the optionee during any calendar year (under all plans of the Company and any parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Non-statutory Stock Options. For purposes of this Section, Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the shares of Common Stock shall be determined as of the time the Option with respect to such shares is granted.

7. TERM.

(a) The Plan shall become effective upon the Effective Date and shall continue in effect for a term of ten (10) years unless sooner terminated under Section 20 of the Plan.

(b) The Plan shall become effective upon being presented to shareholders for ratification for the purpose of obtaining preferential tax treatment for Incentive Stock Options. The failure to obtain shareholder ratification for such purpose will not effect the validity of the Plan and the Options thereunder; provided, however, that if the Plan is not ratified, the Plan shall remain in full force and effect, and any Incentive Stock Options granted under the Plan shall be deemed to be Non-statutory Stock Options.

8. NON-STATUTORY STOCK OPTIONS.

The Committee may, subject to the limitations of the Plan and the availability of shares reserved but unawarded under the Plan, from time to time, grant Non-statutory Stock Options to Employees, Outside Directors, advisors and Consultants upon such terms and conditions as the Committee may determine and grant Non-statutory Stock Options in exchange for and upon surrender of previously granted Awards under this Plan under such terms and conditions as the Committee may determine. Non-statutory Stock Options granted under this Plan are subject to the following terms and conditions:

(a) EXERCISE PRICE. The Exercise Price of each Non-statutory Stock Option shall be determined by the Committee. Such Exercise Price shall not be less than 85% of the Fair Market Value of the Company's Common Stock on the Date of Grant. Shares of Common Stock underlying a Non-statutory Stock Option may be purchased only upon full payment of the Exercise Price or upon

Edgar Filing: SPACEDEV INC - Form DEF 14A

operation of an Alternate Option Payment Mechanism set out in Section 13 hereof.

PAGE 6

(b) TERMS OF NON-STATUTORY STOCK OPTIONS. The term during which each Non-statutory Stock Option may be exercised shall be determined by the Committee, but in no event shall a Non-statutory Stock Option be exercisable in whole or in part more than ten (10) years from the Date of Grant. The Committee shall determine the date on which each Non-statutory Stock Option shall become exercisable. The Committee may also determine as of the Date of Grant any other specific conditions or specific performance goals which must be satisfied prior to the Non-statutory Stock Option becoming exercisable. The shares of Common Stock underlying each Non-statutory Stock Option installment may be purchased in whole or in part by the Participant at any time during the term of such Non-statutory Stock Option after such installment becomes exercisable. The Committee may, in its sole discretion, accelerate the time at which any Non-statutory Stock Option may be exercised in whole or in part, subject to applicable rules and regulations. The acceleration of any Non-statutory Stock Option under the authority of this paragraph shall create no right, expectation or reliance on the part of any other Participant or that certain Participant regarding any other unaccelerated Non-statutory Stock Options. Unless determined otherwise by the Committee and except in the event of the Participant's death or pursuant to a domestic relations order, a Non-statutory Stock Option is not transferable and may be exercisable in his or her lifetime only by the Participant to whom it is granted. Upon the death of a Participant, a Non-statutory Stock Option is transferable by will or the laws of descent and distribution.

(c) NSO AGREEMENT. The terms and conditions of any Non-statutory Stock Option granted shall be evidenced by a written agreement (the "NSO Agreement") which shall be subject to the terms and conditions of the Plan.

(d) TERMINATION OF EMPLOYMENT OR SERVICE. Unless otherwise determined by the Committee, upon the termination of a Participant's employment or service for any reason other than Disability, death or Termination for Cause, the Participant's Non-statutory Stock Options shall be exercisable only as to those shares that were immediately exercisable by the Participant at the date of termination and only for a period of three (3) months following termination; provided that in the event of termination of a Participant's employment or service due to Retirement, the Participant shall have up to one (1) year following the Participant's cessation of employment or service to exercise the Participant's immediately exercisable Non-statutory Options. Notwithstanding any provisions set forth herein or contained in any NSO Agreement relating to an award of a Non-statutory Stock Option, in the event of termination of the Participant's employment or service for Disability or death, all Non-statutory Stock Options held by such Participant shall be exercisable, as to the then vested portion, for one (1) year after such termination of service, and, in the event of a Termination for Cause, all rights under the Participant's Non-statutory Stock Options shall expire immediately upon such Termination for Cause. Notwithstanding the above, in no event shall any Non-statutory Stock Options be exercisable beyond the expiration of the Non-Statutory Stock Option term.

(e) PROCEDURE FOR EXERCISE. Any Non-statutory Stock Option granted under this Section 9 shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Committee and set forth in the notice of grant. An Option may not be exercised for a fraction of a share. An Option shall be deemed exercised when the Company receives:

(i) written notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option; and

(ii) full payment for the shares of Common Stock with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Committee and permitted by the Option Agreement and the Plan. Common Stock issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Common Stock is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the shares of Common Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such shares of Common Stock promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the shares of Common Stock are issued, except as provided in Section 17 of the Plan. Exercise of an Option in any manner shall result in a decrease in the number of shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of shares as to which the Option is exercised.

9. INCENTIVE STOCK OPTIONS.

The Committee may, subject to the limitations of the Plan and the availability of shares reserved but unawarded under the Plan, from time to time, grant Incentive Stock Options to Employees upon such terms and conditions as the Committee may determine. Incentive Stock Options granted pursuant to the Plan shall be subject to the following terms and conditions:

(a) EXERCISE PRICE. The Exercise Price of each Incentive Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock on the Date of Grant. However, if at the time an Incentive Stock Option is granted to an Employee Participant, such Employee Participant owns Common Stock representing more than 10% of the total combined voting securities of the Company (or, under Section 424(d) of the Code, is deemed to own Common Stock representing more than 10% of the total combined voting power of all classes of stock of the Company, by reason of the ownership of such classes of stock, directly or indirectly, by or for any brother, sister, spouse, ancestor or lineal descendent of such Employee Participant, or by or for any corporation, partnership, estate or trust of which such Employee Participant is a shareholder, partner or beneficiary) ("10% Owner"), the Exercise Price per share of Common Stock deliverable upon the exercise of each Incentive Stock Option shall not be less than 110% of the Fair Market Value of the Common Stock on the Date of Grant. Shares may be purchased only upon payment of the full Exercise Price or upon operation of an Alternate Option Payment Mechanism set out in Section 13 hereof.

(b) AMOUNTS OF INCENTIVE STOCK OPTIONS. Subject to Section 6(b) hereof, Incentive Stock Options may be granted to any Employee in such amounts as determined by the Committee; provided that the amount granted is consistent with the terms of Section 422 of the Code. The provisions of this Section 9(b) shall be construed and applied in accordance with Section 422(d) of the Code and the regulations, if any, promulgated thereunder. To the extent an Award of an Incentive Stock Option under this Section 9 exceeds this \$100,000 limit, the portion of the Award in excess of such limit shall be deemed a Non-statutory Stock Option. The Committee shall have discretion to

Edgar Filing: SPACEDEV INC - Form DEF 14A

redesignate Options granted as Incentive Stock Options as Non-statutory Stock Options. Such Non-statutory Stock Options shall be subject to Section 8 hereof.

(c) TERMS OF INCENTIVE STOCK OPTIONS. The term during which each Incentive Stock Option may be exercised shall be determined by the Committee, but in no event shall an Incentive Stock Option be exercisable in whole or in part more than ten (10) years from the Date of Grant. If, at the time of grant, an Incentive Stock Option is granted to an Employee Participant who is a 10% Owner, the Incentive Stock Option granted to such Employee Participant shall not be exercisable after the expiration of five (5) years from the Date of Grant. No Incentive Stock Option is transferable except by will or the laws of descent and distribution and is exercisable in his or her lifetime only by the Employee Participant to whom it is granted. The designation of a beneficiary does not constitute a transfer.

Notwithstanding the provisions of Section 8 of this Plan, the Committee shall have the authority to determine the date on which each Incentive Stock Option shall become exercisable. The Committee may also determine as of the Date of Grant any other specific conditions or specific performance goals which must be satisfied prior to the Incentive Stock Option becoming exercisable. The shares comprising each installment may be purchased in whole or in part at any time during the term of such Incentive Stock Option after such installment becomes exercisable. The Committee may, in its sole discretion, accelerate the time at which any Incentive Stock Option may be exercised in whole or in part, subject to applicable rules and regulations. The acceleration of any Incentive Stock Option under the authority of this paragraph shall not create a right, expectation or reliance on the part of any other Participant or that certain Participant regarding any other unaccelerated Incentive Stock Options.

(d) ISO AGREEMENT. The terms and conditions of any Incentive Stock Option granted shall be evidenced by a written agreement (the "ISO Agreement"), which shall be subject to the terms and conditions of the Plan.

(e) TERMINATION OF EMPLOYMENT. Unless otherwise determined by the Committee, upon the termination of an Employee Participant's Continuous Service for any reason other than Disability, death or Termination for Cause, the Employee Participant's Incentive Stock Options shall be exercisable only as to those shares that were immediately exercisable by the Participant at the date of termination and only for a period of three (3) months following termination, except that in the event of the termination of an Employee Participant's Continuous Service due to Retirement, the Participant shall have up to one (1) year following the Participant's cessation of employment to exercise any Incentive Stock Options exercisable on that date. Notwithstanding any provision set forth herein or contained in any ISO Agreement relating to an award of an Incentive Stock Option, in the event of termination of the Employee Participant's Continuous Service for Disability or death, all Incentive Stock Options held by such Employee Participant shall be exercisable, as to the then vested portion, for one (1) year after such termination, and, in the event of Termination for Cause, all rights under the Employee Participant's Incentive Stock Options shall expire immediately upon termination. Notwithstanding anything contained herein to the contrary, no Incentive Stock Option shall be eligible for treatment as an Incentive Stock Option in the event such Incentive Stock Option is exercised more than three (3) months following the date of a Participant's cessation of employment. In no event shall an Incentive Stock Option be exercisable beyond the expiration of the Incentive Stock Option term.

Edgar Filing: SPACEDEV INC - Form DEF 14A

(f) COMPLIANCE WITH CODE. The Incentive Stock Options granted under this Section 9 are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Code, but the Company makes no warranty as to the qualification of any Option as an incentive stock option within the meaning of Section 422 of the Code. All Options that do not so qualify shall be treated as Non-statutory Stock Options.

(g) PROCEDURE FOR EXERCISE. Any Incentive Stock Option granted under this Section 9 shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Committee and set forth in the notice of grant. Unless the Committee provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a share. An Option shall be deemed exercised when the Company receives:

(i) written notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option; and

(ii) full payment for the shares of Common Stock with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Committee and permitted by the Option Agreement and the Plan. Common Stock issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Common Stock is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the shares of Common Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such shares of Common Stock promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the shares of Common Stock are issued, except as provided in Section 17 of the Plan. Exercise of an Option in any manner shall result in a decrease in the number of shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of shares as to which the Option is exercised.

10. LIMITED RIGHT.

Simultaneously with the grant of any Option to a Participant, the Committee may grant a Limited Right with respect to all or some of the shares covered by such Option. Limited Rights granted under this Plan are subject to the following terms and conditions:

PAGE 10

(a) TERMS OF RIGHTS. In no event shall a Limited Right be exercisable in whole or in part before the expiration of six (6) months from the Date of Grant of the Limited Right. A Limited Right may be exercised only in the event of a Change in Control.

The Limited Right may be exercised only when the underlying Option is eligible to be exercised, and only when the Fair Market Value of the underlying shares on the day of exercise is greater than the Exercise Price of the underlying Option.

Upon exercise of a Limited Right, the underlying Option shall cease to be exercisable. Upon exercise or termination of an Option, any related Limited Rights shall terminate. The Limited Rights may be for no more than 100% of the difference between the purchase price and the Fair Market Value of the Common Stock subject to the underlying option. The Limited Right is

Edgar Filing: SPACEDEV INC - Form DEF 14A

transferable only when the underlying option is transferable and under the same conditions.

(b) PAYMENT. Upon exercise of a Limited Right, the holder shall promptly receive from the Company an amount of cash equal to the difference between the Exercise Price of the underlying Option and the Fair Market Value of the Common Stock subject to the underlying Option on the date the Limited Right is exercised, multiplied by the number of shares with respect to which such Limited Right is exercised. Payments shall be less any applicable tax withholding as set forth in Section 18 hereof.

11. STOCK AWARD.

The Committee (or in the case of an Outside Director Participant, the Board of Directors) may, subject to the limitations of the Plan, from time to time, make an Award of shares of Common Stock to Employees and Outside Directors ("Stock Awards"). The Stock Awards shall be made subject to the following terms and conditions:

(a) PAYMENT OF THE STOCK AWARD. The Stock Award may only be made in whole shares of Common Stock. Stock Awards may only be granted from shares reserved under the Plan but unawarded at the time the new Stock Award is made.

(b) TERMS OF THE STOCK AWARDS. The Committee shall determine the dates on which Stock Awards granted to a Participant shall vest and any specific conditions or performance goals which must be satisfied prior to the vesting of any installment or portion of the Stock Award. Notwithstanding other paragraphs in this Section 11, the Committee may, in its sole discretion, accelerate the vesting of any Stock Award. The acceleration of any Stock Award under the authority of this paragraph shall create no right, expectation or reliance on the part of any other Participant or that certain Participant regarding any other unaccelerated Stock Awards.

(c) STOCK AWARD AGREEMENT. The terms and conditions of any Stock Award shall be evidenced by an agreement (the "Stock Award Agreement"), which such Stock Award Agreement will be subject to the terms and conditions of the Plan. Each Stock Award Agreement shall set forth:

(i) the period over which the Stock Award will vest; and

PAGE 11

(ii) the performance goals, if any, which must be satisfied prior to the vesting of any installment or portion of the Stock Award. The performance goals may be set by the Committee on an individual level, for all Participants, for all Awards made during a given period of time, or for all Awards for indefinite periods;

(d) CERTIFICATION OF ATTAINMENT OF THE PERFORMANCE GOAL. No Stock Award or portion thereof that is subject to a performance goal is to be distributed to the Participant until the Committee certifies that the underlying performance goal has been achieved.

(e) TERMINATION OF EMPLOYMENT OR SERVICE. Unless otherwise determined by the Committee, upon the termination of a Participant's employment or service for any reason other than Disability, death or Termination for Cause, the Participant's unvested Stock Awards as of the date of termination shall be forfeited and any rights the Participant had to such unvested Stock Awards shall become null and void. Notwithstanding any provisions set forth herein or contained in any Agreement relating to an award of a Stock Option or Stock Award, in the event of termination of the

Edgar Filing: SPACEDEV INC - Form DEF 14A

Participant's service due to Disability or death, all unvested Stock Awards held by such Participant shall immediately vest and, in the event of the Participant's Termination for Cause, the Participant's unvested Stock Awards as of the date of such termination shall be forfeited and any rights the Participant had to such unvested Stock Awards shall become null and void.

(f) NON-TRANSFERABILITY. Except to the extent permitted by the Code, the rules promulgated under Section 16(b) of the Exchange Act or any successor statutes or rules:

(i) The recipient of a Stock Award shall not sell, transfer, assign, pledge, or otherwise encumber shares subject to the Stock Award until full vesting of such shares has occurred. For purposes of this Section, the separation of beneficial ownership and legal title through the use of any "swap" transaction is deemed to be a prohibited encumbrance.

(ii) Unless determined otherwise by the Committee and except in the event of the Participant's death or pursuant to a domestic relations order, a Stock Award is not transferable and may be earned in his or her lifetime only by the Participant to whom it is granted. Upon the death of a Participant, a Stock Award is transferable by will or the laws of descent and distribution. The designation of a beneficiary does not constitute a transfer.

(iii) If a recipient of a Stock Award is subject to the provisions of Section 18 of the Exchange Act, shares of Common Stock subject to such Stock Award may not, without the written consent of the Committee (which consent may be given in the Stock Award Agreement), be sold or otherwise disposed of within six (6) months following the date of grant of the Stock Award.

PAGE 12

(g) ACCRUAL OF DIVIDENDS. Whenever shares of Common Stock underlying a Stock Award are distributed to a Participant or beneficiary thereof under the Plan, such Participant or beneficiary shall also be entitled to receive, with respect to each such share distributed, a payment equal to any cash dividends or distributions (other than distributions in shares of Common Stock) and the number of shares of Common Stock equal to any stock dividends, declared and paid with respect to a share of the Common Stock if the record date for determining shareholders entitled to receive such dividends falls between the date the relevant Stock Award was granted and the date the relevant Stock Award or installment thereof is issued.

(h) VOTING OF STOCK AWARDS. After a Stock Award has been granted but for which the shares covered by such Stock Award have not yet been earned and distributed to the Participant pursuant to the Plan, the Participant shall be entitled to direct the Company's Secretary as to the voting of such shares of Common Stock which the Stock Award covers subject to the rules and procedures adopted by the Committee for this purpose. All shares of Common Stock as to which Participants are not entitled to direct, or have not directed, the voting, shall be voted by the Company's Secretary in the same proportion as the Common Stock covered by Stock Awards which have been awarded is voted.

12. PAYOUT ALTERNATIVES.

Payments due to a Participant upon the exercise or redemption of an Award, may be made subject to the following terms and conditions:

Edgar Filing: SPACEDEV INC - Form DEF 14A

(a) DISCRETION OF THE COMMITTEE. The Committee has the sole discretion to determine what form of payment (whether monetary, Common Stock, a combination of payout alternatives or otherwise) it shall use in making distributions of payments for all Awards. If the Committee requests any or all Participants to make an election as to form of distribution or payment, it shall not be considered bound by the election.

(b) PAYMENT IN THE FORM OF COMMON STOCK. Any shares of Common Stock tendered in satisfaction of an obligation arising under this Plan shall be valued at the Fair Market Value of the Common Stock on the day preceding the date of the issuance of such stock to the Participant.

13. ALTERNATE OPTION PAYMENT MECHANISM.

The Committee has sole discretion to determine what form of payment it will accept for the exercise of an Option. The Committee may indicate acceptable forms in the ISO or NSO Agreement covering such Options or may reserve its decision to the time of exercise. No Option is to be considered exercised until payment in full is accepted by the Committee or its agent.

(a) CASH PAYMENT. The exercise price may be paid in cash or by certified check.

(b) BORROWED FUNDS. To the extent permitted by law, the Committee may permit all or a portion of the exercise price of an Option to be paid through borrowed funds.

(c) EXCHANGE OF COMMON STOCK.

PAGE 13

(i) The Committee may permit payment by the tendering of previously acquired shares of Common Stock. This includes the use of "pyramiding transactions" whereby some number of Options are exercised; then the shares gained through the exercise are tendered back to the Company as payment for a greater number of Options. This transaction may be repeated as needed to exercise all of the Options available.

(ii) Any shares of Common Stock tendered in payment of the exercise price of an Option shall be valued at the Fair Market Value of the Common Stock on the date prior to the date of exercise.

14. RIGHTS OF A SHAREHOLDER: NONTRANSFERABILITY.

No Participant shall have any rights as a shareholder with respect to any shares of Common Stock covered by an Option until the date of issuance of a stock certificate for such shares. Nothing in this Plan or in any Award granted confers on any person any right to continue in the employ or service of the Company or its Affiliates or interferes in any way with the right of the Company or its Affiliates to terminate a Participant's services as an Officer or other employee at any time.

Except as permitted under the Code (with respect to Incentive Stock Options) and the rules promulgated pursuant to Section 16(b) of the Exchange Act or any successor statutes or rules, no Award under the Plan shall be transferable by the Participant other than by will or the laws of intestate succession or pursuant to a domestic relations order or unless determined otherwise by the Committee.

15. AGREEMENT WITH GRANTEES.

Each Award will be evidenced by a written agreement(s) (whether

Edgar Filing: SPACEDEV INC - Form DEF 14A

constituting an NSO Agreement, ISO Agreement, Stock Award Agreement or any combination thereof), executed by the Participant and the Company or its Affiliates that describes the conditions for receiving the Awards including the date of Award, the Exercise Price if any, the terms or other applicable periods, and other terms and conditions as may be required or imposed by the Plan, the Committee, or the Board of Directors, and may describe or specify tax law considerations or applicable securities law considerations.

16. DESIGNATION OF BENEFICIARY.

A Participant may, with the consent of the Committee, designate a person or persons to receive, in the event of death, any Award to which the Participant would then be entitled. Such designation will be made upon forms supplied by and delivered to the Company and may be revoked in writing. If a Participant fails effectively to designate a beneficiary, then the Participant's estate will be deemed to be the beneficiary.

17. DILUTION AND OTHER ADJUSTMENTS.

In the event of any change in the outstanding shares of Common Stock by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares, or other similar corporate change, or other increase or decrease in such shares without receipt or payment of consideration by the Company, or in the event a capital distribution is made, the Committee will make such adjustments to Awards to prevent dilution, diminution or enlargement of the rights of the Participant, as the Committee deems appropriate, including any or all of the following:

PAGE 14

(a) adjustments in the aggregate number or kind of shares of Common Stock or other securities that may underlie future Awards under the Plan;

(b) adjustments in the aggregate number or kind of shares of Common Stock or other securities underlying Awards already made under the Plan; or

(c) adjustments in the exercise price of outstanding Incentive and/or Non-statutory Stock Options, or any Limited Rights attached to such Options.

Alternatively, the Committee could provide the Participant with a cash benefit for shares underlying vested, but unexercised Options, in order to achieve the aforementioned effect. All Awards under this Plan shall be binding upon any successors or assigns of the Company.

18. TAX WITHHOLDING.

Awards under this Plan shall be subject to tax withholding to the extent required by any governmental authority. Any withholding shall comply with Rule 16b-3 or any amendment or successive rule. Shares of Common Stock withheld to pay for tax withholding amounts shall be valued at their Fair Market Value on the date the Award is deemed taxable to the Participant.

19. AMENDMENT OF THE PLAN.

The Board of Directors may at any time, and from time to time, subject to applicable rules and regulations, modify or amend the Plan or any Award granted under the Plan, in any respect, prospectively or retroactively; provided however, that provisions governing grants of Incentive Stock Options, unless permitted by the rules and regulations or staff pronouncements promulgated under the Code, shall be submitted for shareholder approval to the extent required by such law, regulation or interpretation.

Edgar Filing: SPACEDEV INC - Form DEF 14A

Failure to ratify or approve amendments or modifications by shareholders shall be effective only as to the specific amendment or modification requiring such ratification. Other provisions, sections, and subsections of this Plan will remain in full force and effect.

No such termination, modification or amendment may adversely affect the rights of a Participant under an outstanding Award without the written permission of such Participant.

20. TERMINATION OF THE PLAN.

The right to grant Awards under the Plan will terminate upon the earlier of: (i) ten (10) years after the Effective Date; or (ii) the issuance of a number of shares of Common Stock pursuant to the exercise of Options or the distribution of Stock Awards which together with the exercise of Limited Rights is equivalent to the maximum number of shares reserved under the Plan as set forth in Section 5. The Board of Directors has the right to suspend or terminate the Plan at any time, provided that no such action will, without the consent of a Participant, adversely affect a Participant's vested rights under a previously granted Award.

PAGE 15

21. APPLICABLE LAW.

The Plan will be administered in accordance with the laws of the State of Colorado and applicable federal law.

22. DELEGATION OF AUTHORITY.

The Committee may delegate all authority for: the determination of forms of payment to be made by or received by the Plan; the execution of Award agreements; the determination of Fair Market Value; the determination of all other aspects of administration of the plan to the Officers of the Company. The Committee may rely on the descriptions, representations, reports and estimate provided to it by the management of the Company for determinations to be made pursuant to the Plan, including the attainment of performance goals. However, only the Committee or a portion of the Committee may certify the attainment of a performance goal.

STOCK OPTION AGREEMENT

Pursuant to the Grant Notice and this Stock Option Agreement, the Company has granted you an option to purchase the number of shares of the Company's common stock ("Common Stock") as set forth in the Grant Notice, at the exercise price set forth in the Grant Notice. Defined terms not explicitly defined in this Stock Option Agreement, but defined in the Plan, shall have the same definitions as in the Plan.

The details of this option are as follows:

1. VESTING. This option will vest as provided in the Grant Notice, provided that vesting will cease upon the termination of your Continuous Service.
2. METHOD OF PAYMENT. Payment of the exercise price by cash (or check) is due upon exercise of all or any part of this option. Notwithstanding the foregoing, this option may be exercised pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board which, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company. Payment of the exercise price may also be made by a combination of the above methods.

Edgar Filing: SPACEDEV INC - Form DEF 14A

3. EXERCISE FOR MINIMUM NUMBER OF SHARES. The minimum number of options that may be exercised at any one time is one hundred (100), except (a) if an installment subject to exercise, as set forth in paragraph 1, amounts to fewer than one hundred (100) shares, then this smaller number of options may be exercised, and (b) with respect to the final exercise of this option, this minimum does not apply. This option may only be exercised for whole shares.

4. SECURITIES LAW COMPLIANCE. This option may not be exercised unless the shares issuable upon exercise are then registered under the Securities Act or, if such shares are not registered, the Company has determined that such exercise and issuance would be exempt from the registration requirements of the Securities Act.

5. TERM.

(a) The term of this option commences on the Date of Grant (as specified in the Grant Notice) and expires upon the earliest of:

(i) the Expiration Date indicated in the Grant Notice;

(ii) the tenth (10th) anniversary of the Date of Grant; or

(iii) ninety (90) days after the termination of your Continuous Service for any reason other than Disability, death, or Termination for Cause provided that if during any part of such ninety (90) day period the option is not exercisable solely because of the condition set forth in paragraph 4 (Securities Law Compliance), then the option shall not expire until the earlier of the Expiration Date or until it shall have been exercisable for an aggregate period of ninety (90) days after satisfaction of the condition set forth in paragraph 4.

PAGE 2

(b) Notwithstanding the foregoing:

(i) If your Continuous Service terminates due to your Disability, then this option will continue as to vested but unexercised options for a period of twelve (12) months after the date such service was terminated, but no later than the Expiration Date.

(ii) If your Continuous Service terminates due to (x) your death, or (y) your Disability and you subsequently die prior to the Expiration Date, then this option shall immediately become fully vested and exercisable for all of the option shares as of the date of your death. This option will then expire on either the Expiration Date or twelve (12) months after the date of your death, whichever occurs earlier.

(iii) If your Continuous Service terminates due to a Termination for Cause, all rights under this option shall expire immediately upon such Termination for Cause.

(c) If this option is designated an incentive stock option, then to obtain the federal income tax advantages associated with an "incentive stock option," the Code requires that at all times beginning on the Date of Grant and ending on the day three (3) months before the date of exercise, you must be an employee of the Company or a "parent corporation" or a "subsidiary corporation" (as those terms are defined in Section 424 of the Code), except in the event of your death or your Disability. The Company has provided for extended exercisability of

Edgar Filing: SPACEDEV INC - Form DEF 14A

this option under certain circumstances for your benefit, but does not represent or guarantee that this option will necessarily be treated as an "incentive stock option."

6. EXERCISE.

(a) You may exercise the vested portion of this option during its term by delivering a notice of exercise (in a form designated by the Company) together with the exercise price to the Secretary of the Company, or to another person as the Company may designate, during regular business hours, together with such additional documents as the Company may then require pursuant to the Plan.

(b) By exercising this option you agree that as a condition to any exercise of this option, the Company may require you to enter an arrangement providing for the payment by you to the Company of any tax withholding obligation of the Company arising by reason of (1) the exercise of this option; (2) the lapse of any substantial risk of forfeiture to which the shares are subject at the time of exercise; or (3) the disposition of shares acquired upon such exercise.

(c) If this option is an incentive stock option, then by exercising this option you agree to notify the Company in writing within fifteen (15) days after the date of any disposition of any of the shares of the Common Stock issued upon exercise of this option that occurs within two (2) years after the Date of Grant or within one (1) year after such shares of Common Stock are transferred upon exercise of this option.

(d) If this option is a non-statutory stock option, it may be subject to certain terms or restrictions such that shares issued upon exercise of the option are nontransferable or subject to a substantial risk of forfeiture (i.e., the stock is not vested). In that event, you may be eligible for an election under Section 83(b) of the Internal Revenue Code, which would allow you to report compensation income when you receive the stock rather than when it becomes vested. If you make an election pursuant to Section 83(b), the value of the stock is determined when you receive it, and you will have nothing to report at the time the stock vests. Because failure to file a Section 83(b) election may result in adverse tax consequences, you are advised to consult your personal tax advisor with respect to the advisability of such an election. AN ELECTION UNDER SECTION 83(b) MUST BE FILED WITHIN 30 DAYS AFTER THE DATE ON WHICH THE OPTIONEE PURCHASES SHARES. THIS TIME PERIOD CANNOT BE EXTENDED. THE OPTIONEE ACKNOWLEDGES THAT TIMELY FILING OF A SECTION 83(b) ELECTION IS THE OPTIONEE'S SOLE RESPONSIBILITY, EVEN IF THE OPTIONEE REQUESTS THE COMPANY OR ITS REPRESENTATIVE TO FILE SUCH ELECTION ON HIS OR HER BEHALF.

7. TRANSFERABILITY. This option is not transferable, except by will or by the laws of descent and distribution or pursuant to a domestic relations order as defined by the Code or Title I of the Employee Retirement Income Securities Act of 1974, as amended (a "DRO"), or the rules thereunder, and is exercisable during your life only by you or any transferee pursuant to a DRO.

8. OPTION NOT A SERVICE CONTRACT. This option is not an employment or service contract and nothing in this option shall be deemed to create in any way whatsoever any obligation on your part to continue in the service of the Company or an Affiliate, or of the Company or an Affiliate to continue your service with the Company or the Affiliate. In addition,

Edgar Filing: SPACEDEV INC - Form DEF 14A

nothing in this option shall obligate the Company or any Affiliates, their stockholders, Board of Directors, Officers or Employees to continue any relationship as a Director or Consultant for the Company or any Affiliate.

9. NOTICES. Any notices provided for in this option or the Plan shall be given in writing and shall be deemed effectively given upon receipt or, in the case of notices delivered by the Company to you, five (5) days after deposit in the United States mail, postage prepaid, addressed to you at the last address you provided to the Company.

10. GOVERNING PLAN DOCUMENT. This option is subject to all the provisions of the Plan, the provisions of which are hereby made a part of this option, and is further subject to all interpretations, amendments, rules and regulations that may from time to time be promulgated and adopted pursuant to the Plan. In the event of any conflict between the provisions of this option and those of the Plan, the provisions of the Plan shall control.

APPENDIX B

AUDIT COMMITTEE CHARTER

Primary responsibility for the SpaceDev, Inc. financial reporting lies with its senior management, with oversight of the Board of Directors. To help the Board of Directors carry out this oversight responsibility, an Audit Committee has been established to promote the financial transparency of the corporation and to ensure the integrity of the corporation's financial reporting processes and products. This charter is meant to identify the personnel and functions of the audit committee. These guidelines contemplate the involvement of the outside counsel and where appropriate, the involvement of the full Board of Directors.

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities related to corporate accounting, financial reporting practices, quality and integrity of financial reports as well as legal compliance and business ethics. Key components of fulfilling this charge include:

- a. Facilitating and maintaining an open avenue of communication among the Board of Directors, Audit Committee, management, the independent external accountants and the internal audit staff.
- b. Oversee the corporation's internal accounting and operational controls, including assessment of strategic, financial, operational and compliance risk management, as well as financial and regulatory reporting.
- c. Review the financial statements and audit findings and take actions considered appropriate by the Audit Committee and the full Board of Directors.
- d. Provide direction to and oversight of the internal audit function.
- e. Ascertain any disagreements among audit personnel or between audit personnel and management.
- f. Affirm that accounting policies are consistent with industry practices, that correct requirements are reflected in accounting policies and that the accounting policies are consistent with a fair

Edgar Filing: SPACEDEV INC - Form DEF 14A

presentation of financial statements in conformity with generally accepted accounting principles.

II. ORGANIZATION/COMPOSITION

The chair and members of the Audit Committee shall be elected annually by the majority vote of the full Board of Directors. The Audit Committee will be comprised of three or more directors as determined by the Board, the majority of whom shall be independent directors. For purposes of this charter, an "independent director" shall be defined as a person other than an officer or employee of the corporation or its subsidiaries or any other individual having a relationship which, in the opinion of the full Board of Directors, would interfere with the exercise of independent judgment in carrying out the duties and responsibilities set forth in this charter. All members of the Audit Committee will have a working familiarity with basic finance and accounting practices and at least one member must have accounting or related financial management expertise.

PAGE

III. MEETINGS

The Audit Committee will meet on a regular basis (quarterly) and special meetings will be called as circumstances require. The Audit Committee will meet privately with the internal auditor and the external accountants to review their findings and management's action plans to ensure internal control recommendations made by internal and external auditors have been appropriately implemented by management. The Audit Committee will request legal updates from the in-house counsel and outside legal resources as they determine the need exists. The Audit Committee members will have sole discretion in determining the meeting attendees and agenda.

IV. RESPONSIBILITIES AND DUTIES

The Audit Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and provide reasonable assurance to the Board that the accounting and reporting practices of the corporation are in accordance with applicable requirements and that an effective legal compliance program exists.

The functions and responsibilities of the Audit Committee shall be to:

A. GENERAL

1. Adopt a formal written charter that is approved by the full Board of Directors which specifies scope of responsibility, process, membership, etc. The Audit Committee will review and update this charter and receive approval of changes from the full Board of Directors at least annually.
2. Approve the selection of and the fees paid to the external accountants for the corporation. The Audit Committee will obtain opinions on the performance of the external accountants from appropriate management representatives and the internal auditor, and based upon the evaluation of the external accountants' performance, recommend that the Board retain or replace the external accountants.
3. Ensure that the independent auditors understand that they are directly accountable to the Board of Directors and the Audit Committee.
4. Inquire of management as to the extent to which external accountants

Edgar Filing: SPACEDEV INC - Form DEF 14A

other than the principal auditors are to be used and the rationale for using them. The Audit Committee will also review management's evaluation of the factors related to the independence of the external auditors and review its plans for engaging the external auditors in performing management advisory services during the year, if any.

5. Maintain minutes or other records of meetings and activities. Following each meeting, the Audit Committee shall report on the proceedings of the Committee to the full Board of Directors with such recommendations as it may deem appropriate.
6. Review with management the Form 10-KSB and the MD&A section of the annual report, and ask the extent to which the external accountants reviewed each. The Audit Committee will inquire of the independent auditor if the other sections of the annual report to shareholders and Form 10-KSB are consistent with the information reflected in the financial statements. The Audit Committee shall recommend to the Board of Directors that the audited financial statements be included in the corporation's annual report to shareholders and Form 10-KSB for the last fiscal year for filing with the SEC.

PAGE 2

7. Meet privately with the external accountants to request their opinion of various matters, including the quality of financial and accounting personnel and the internal audit staff.

B. EXTERNAL/INDEPENDENT ACCOUNTANTS

-
1. Review with the internal auditor and the external accountants their integrated annual audit plan, including the degree of coordination and integration between the respective parties. The Audit Committee will inquire as to the extent to which the planned audit scope can be relied upon to detect fraud, non-compliance with state and federal laws and regulations, non-compliance with the SEC and the National Association of Securities Dealers, Inc.'s (NASD's) guidelines, or weaknesses in internal accounting and operational controls.
 2. Instruct the internal auditor and the external accountants that the Audit Committee expects to be advised if there are any areas that require attention or of occurrences of fraud, illegal acts, deficiencies in internal control or other irregularities.
 3. Discuss with the internal auditor and external accountants what steps are planned for providing assessment of strategic, financial, operational and compliance risk management, as well as financial and regulatory reporting.
 4. Ensure its receipt from the independent auditor of a formal written statement delineating all relationships between the independent auditors and the corporation. The Audit Committee shall actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity

and independence of the independent auditors and recommend that the full Board of Directors take appropriate action to ensure the independence of the independent auditors.

5. Meet with the external accountants and financial management of the corporation to review the scope of the proposed external audit for the current year. The external audit scope shall include a requirement that the external accountants inform the Audit Committee of any significant changes in the external accountant's original audit plan and that the external accountants conduct a SAS 71 Interim Financial Review prior to the company's filing of each quarterly report to shareholders (Form 10-QSB).
6. Review with the external accountants the corporation's interim financial results included in the Form 10-QSB prior to filing with the SEC.
7. Instruct the internal auditor and the external accountants to advise the Audit Committee when the external accountants are hired to perform management consulting services, and to report the nature and timing of such work. The Audit Committee shall consider whether the external accountants' provision of non-audit services is compatible with maintaining their independence.

8. Instruct the internal auditor and the external accountants to advise the Audit Committee when the corporation seeks a second opinion on a significant accounting issue.
9. Instruct the external accountants to communicate any other known matters that require the attention of the Audit Committee or the full Board of Directors.

2. Inquire of the internal auditor regarding the adequacy and effectiveness of accounting and financial controls and the responsiveness of management in correcting audit-related deficiencies, and request recommendations for improvements.
3. Review the internal audit function of the corporation including its independence and the authority of its reporting relationships.
4. Review, at least annually, the then current and future programs of the corporation's internal audit department, including the procedure for assuring implementation of accepted recommendations made by the auditors and the department.
5. Make or cause to be made, from time to time, such other examinations and reviews as the Audit Committee may deem necessary with respect to the accounting practices and systems of internal control of the corporation and with respect to current accounting trends and developments, and recommend such action with respect thereto as may be deemed necessary.

Edgar Filing: SPACEDEV INC - Form DEF 14A

6. Inquire of the internal auditor regarding any difficulties encountered in the course of their audits, including any restrictions on the scope of their work or access to required information.
7. Review and concur in the appointment, replacement, reassignment, or dismissal of the internal auditor. The Audit Committee will annually review and approve the performance evaluation of the internal auditor after consulting with the Chief Executive Officer and the Chief Financial Officer.

D. FINANCIAL STATEMENTS/INTERNAL CONTROLS

1. Discuss with management and the external accountants the accounting principles as applied, their quality and significant assumptions, estimates and judgments used in the preparation of the financial statements.
2. Obtain from management explanations for all significant variances in the financial statements between years. The Audit Committee will consider whether the data is consistent with the MD&A section of the corporation's annual report and Form 10-KSB.

PAGE 4

3. Inquire from management and the external accountants as to and request an explanation of any changes in accounting standards or rules promulgated by the Financial Accounting Standards Board, SEC, NASD or other governing bodies that have an effect on or oversight over the financial statements of the corporation.
4. Inquire of management and the external accountants if there were any significant financial reporting issues discussed during the accounting period reported and, if so, how they were resolved.
5. Inquire of management and the external accountants about the existence and substance of any significant accounting accruals, reserves, or estimates made by management that had a material impact on the financial statements.
6. Advise financial management and the independent auditor that they are expected to provide a timely analysis of significant current financial reporting issues and practices.
7. Advise financial management and the independent auditor to discuss with the Audit Committee their qualitative judgements about the appropriateness, not just the acceptability, of accounting principles and financial disclosure practices used or proposed to be adopted by the corporation.
8. Consider whether the external accountants should meet with the full Board of Directors to discuss any matters relative to the financial statements and to answer any questions that the other directors might have.

E. AUDIT REPORT

Prepare, annually, an Audit Committee Report to be included in the corporation's annual proxy statement stating that the Audit Committee has reviewed and discussed the audited financial statements with management, has discussed with the external accountants the materials required by SAS

 4. Review matters that have come to the attention of the Audit Committee through reports of management, legal counsel and others that relate to the status of compliance and anticipated future compliance with laws, regulations, internal controls, and that may be expected to be material to the corporation's financial statements.
