**PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS**

The accompanying proxy is solicited by the Board of Directors of InsWeb Corporation, a Delaware corporation ( InsWeb or the Company ), for use at its annual meeting of stockholders to be held on July 18, 2007, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The date of this Proxy Statement is June 9, 2006, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders.

**SOLICITATION AND VOTING OF PROXIES**

The cost of soliciting proxies will be borne by InsWeb. In addition to soliciting stockholders by mail, InsWeb will request banks and brokers, and other custodians, nominees and fiduciaries, to solicit their customers who have stock of InsWeb registered in the names of such persons and will reimburse them for their reasonable, out-of-pocket costs. InsWeb may use the services of its officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, InsWeb has retained American Stock Transfer & Trust Co., a registrar and transfer agent firm, for assistance in connection with the annual meeting at no additional cost except for reasonable out-of-pocket expenses.

InsWeb s bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum.

All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a stockholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before the time it is exercised by delivering to the Secretary of InsWeb a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

All directors attended or participated in more than 75% of the total number of meetings of the Board and any of the committees of the Board on which such director served during that period.

***Audit Committee.*** The current members of the Audit Committee are Messrs. Orr, Corroon and Puccinelli. Mr. Orr is chairman of the committee. The Board of Directors has determined that each of the members of the Audit Committee is independent for purposes of the Nasdaq Marketplace Rules as they apply to audit committee members. The Board of Directors has also determined that Mr. Orr is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission. The functions of the Audit Committee include overseeing the quality of our financial reports and other financial information, retention of independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangements and results of InsWeb's annual audit, reviewing our critical accounting policies and the adequacy of our accounting and financial controls, and reviewing the independence of InsWeb's accountants. For additional information concerning the Audit Committee, see Report of the Audit Committee and Principal Accounting Firm Fees below.

***Compensation Committee.*** The current members of the Compensation Committee are Messrs. Chookaszian, Orr and Puccinelli. Mr. Chookaszian is chairman of the committee. The Compensation Committee reviews and determines the salary and bonus criteria of and stock option grants to all executive officers. For additional information about the Compensation Committee, see Report of the Compensation Committee on Executive Compensation and Executive Compensation and Other Matters below.

***Nominating and Corporate Governance Committee.*** The current members of the Nominating and Corporate Governance Committee are Messrs. Chookaszian, Corroon, Orr and Puccinelli, each of whom

is independent for purposes of the Nasdaq Marketplace Rules. Mr. Corroon is chairman of the committee. The functions of the Nominating and Corporate Governance Committee include selecting, evaluating and recommending to the Board qualified candidates for election or appointment to the Board, and recommending corporate governance principles, codes of conduct and compliance mechanisms applicable to the Company.

***Compensation Committee Interlocks and Insider Participation***

None of our Compensation Committee members is an officer or employee of the Company. None of our executive officers serves as a member of the Board of Directors or compensation committee of any entity that has one or more of its executive officers serving on our Compensation Committee.

***Director Nominations***

The Nominating and Corporate Governance Committee is responsible for the selection, and recommendation to the Board, of nominees for election as director. When considering the nomination of directors for election at an annual meeting, the Nominating and Corporate Governance Committee reviews the needs of the Board of Directors for various skills, background, experience and expected contributions and the qualification standards established from time to time by the Nominating and Corporate Governance Committee. When reviewing potential nominees, including incumbents, the Nominating and Corporate Governance Committee considers the perceived needs of the Board of Directors, the candidate's relevant background, experience and skills and expected contributions to the Board of Directors. The Nominating and Corporate Governance Committee also seeks appropriate input from the Chief Executive Officer from time to time in assessing the needs of the Board of Directors for relevant background, experience and skills of its members.

The Nominating and Corporate Governance Committee's goal is to assemble a Board of Directors that brings to InsWeb a diversity of experience at policy-making levels in business and technology, and in areas that are relevant to InsWeb's activities. Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of our stockholders. They must have an inquisitive and objective outlook and mature judgment. They must also have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are and have been affiliated. Director candidates must have sufficient time available in the judgment of the Nominating and Corporate Governance Committee to perform all Board and committee responsibilities that will be expected of them. Members of the Board of Directors are expected to rigorously prepare for, attend and participate in all meetings of the Board of Directors and applicable committees. Other than the foregoing, there are no specific minimum criteria for director nominees, although the Nominating and Corporate Governance Committee believes that it is preferable that at least one member of the Board of Directors should meet the criteria for an audit committee financial expert as defined by SEC rules. Under applicable Nasdaq listing requirements, at least a majority of the members of the Board of Directors must meet the definition of independent director set forth in such requirements. The Nominating and Corporate Governance Committee also believes it appropriate for one or more key members of InsWeb's management, including the Chief Executive Officer, to serve on the Board of Directors.

The Nominating and Corporate Governance Committee will consider candidates for director proposed by directors or management, and will evaluate any such candidates against the criteria and pursuant to the policies and procedures set forth above. If the Nominating and Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the Nominating and Corporate Governance Committee may engage, as appropriate, a third party search firm to assist in identifying qualified candidates. All incumbent directors and nominees will be required to submit a completed directors' and officers' questionnaire as part of the nominating process. The process

may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee will also consider candidates for director recommended by a stockholder, provided that any such recommendation is sent in writing to General Counsel, InsWeb Corporation, 11290 Pyrites Way, Suite 200, Gold River, CA 95670-4481, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders and contains the following information:

- the candidate's name, age, contact information and present principal occupation or employment; and
- a description of the candidate's qualifications, skills, background and business experience during at least the last five years, including his or her principal occupation and employment and the name and principal business of any company or other organization where the candidate has been employed or has served as a director.

The Nominating and Corporate Governance Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

In addition, stockholders may make direct nominations of directors for election at an annual meeting, provided the advance notice requirements set forth in our Bylaws have been met. Under our Bylaws, written notice of any such nomination, including certain information and representations specified in the Bylaws, must be delivered to our principal executive offices, addressed to the General Counsel, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been advanced by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be received not later than the close of business on the tenth day following the day on which the public announcement of the date of such meeting is first made.

**Committee Charters and Other Corporate Governance Materials**

**Equity Compensation Plan Information**

InsWeb currently maintains three equity compensation plans that provide for the issuance of InsWeb Common Stock to employees, officers, directors, independent contractors and consultants of InsWeb and its subsidiaries. These consist of the 1997 Stock Option Plan, the Senior Executive Option Plan and the 1999 Employee Stock Purchase Plan, all of which have been approved by the stockholders. The following table sets forth information regarding outstanding options and shares reserved for future issuance under the foregoing plans as of December 31, 2006:

	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance
Equity compensation plans approved by security holders	1,923,000	\$ 5.90	606,000
Equity compensation plans not approved by security holders			

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires InsWeb's executive officers, directors and persons who beneficially own more than 10% of InsWeb's Common Stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish InsWeb with copies of all Section 16(a) forms filed by such persons.

Based on InsWeb's review of reports furnished to InsWeb and representations from certain reporting persons, InsWeb believes that reports of changes in ownership (Form 4) during the year ended December 31, 2006 were timely filed, except for the reporting of Hassan Elsawaf's purchases on April 27, 2006, which was reported one day late.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### *Overview*

This compensation discussion describes the material elements of compensation awarded to, earned by, or paid to each of our executive officers who served as named executive officers during the last completed fiscal year. This compensation discussion focuses on the information contained in the following tables and related footnotes and narrative for primarily the last completed fiscal year, but we also describe compensation actions taken before or after the last completed fiscal year to the extent it enhances the understanding of our executive compensation disclosure.

Our Compensation Committee oversees the design and administration of our executive compensation program.

The principal elements of our executive compensation program are base salary, annual cash incentives based on company performance goals, equity incentives in the form of stock options, other benefits and perquisites, post-termination severance and acceleration of stock option vesting for certain named executive officers upon change of control. Our other benefits and perquisites consist of life, health and disability insurance benefits, and a qualified 401(k) savings plan. Our philosophy is to position the aggregate of these elements at a level that is competitive within the industry and commensurate with our size and performance.

#### *Compensation Program Objectives and Philosophy*

The objectives of our compensation programs are to:

- attract, motivate and retain talented and dedicated executive officers,
- provide our executive officers with both cash and equity incentives to further our interests and those of our stockholders, and
- provide employees with long-term incentives so we can retain them and provide stability as the company grows.

Generally, the compensation of our executive officers is composed of a base salary, an annual incentive compensation award and equity awards in the form of stock options based on company performance. In adjusting base salaries, the Compensation Committee reviews the individual contributions of the particular executive. The annual incentive compensation award is determined by the Compensation Committee based on company financial performance. In addition, stock options are granted to provide the opportunity for long-term compensation based upon the performance of our common stock over time.

We define our competitive markets for executive talent to be the Internet and Insurance industries in northern California. We have not utilized any third party market specific compensation surveys to benchmark our executive compensation.

The Compensation Committee reviews and approves all elements of compensation for each of our named executive officers, taking into consideration recommendations from our principal executive officer (for compensation other than his own).

**Base Salaries**

The salary of our principal executive officer and the salaries of our named executive officers are set by the Compensation Committee. We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary to attract and retain an appropriate caliber of talent for the applicable position, and to provide a base wage that is not subject to risk relating to the Company's performance. We review base salaries for our named executive officers annually and the Company's performance and individual performance, including corporate financial objectives.

Base salaries accounted for approximately 60% of total compensation for the principal executive officer and approximately 80% on average for our other named executive officers.

**Annual Cash Incentives**

We provide the opportunity for our named executive officers and other executives to earn an annual cash incentive award based on achievement of specific Company financial targets. We provide annual cash incentive awards to attract and retain an appropriate caliber of talent for the position and to motivate executives to achieve our annual financial goals. Incentive award thresholds vary by position. We review potential annual cash incentive awards for our named executive officers and other executives annually to determine award payments, if any, for the last completed fiscal year, as well as to establish award opportunities for the current fiscal year. We do not have a formal annual incentive plan, but at the beginning of each fiscal year, the amount of each annual cash incentive award and the related financial objectives are determined by the Compensation Committee.

**Target Award Opportunities.** Our cash incentive awards are based on achieving financial objectives set by the Compensation Committee annually. For 2006, the cash incentive awards were based on achieving profitability in the quarter ending December 31, 2006 for all named executives except Todd Ewing. Mr. Ewing's cash incentive awards for both year 2005 and year 2006 were based on the Term Life Agency achieving specific operating income targets. For the last completed fiscal year (year 2006), annual cash incentive opportunities for the named executive officers are summarized below.

Name	2005 Annual Cash Incentive Award Opportunity		2006 Annual Cash Incentive Award Opportunity	
	Target	Amount Paid in Year 2006	Target	Amount Earned
Hussein A. Enan <i>Chief Executive Officer</i>	\$	\$	\$	\$
William D. Griffin <i>Chief Financial Officer</i>	\$ 30,000	\$	\$ 35,000	\$
L. Eric Loewe <i>Senior Vice President, General Counsel and Secretary</i>	\$ 30,000	\$	\$ 35,000	\$
L. James Pickles <i>Executive Vice President, Business Development</i>	\$ 30,000	\$	\$ 35,000	\$
Todd R. Ewing <i>Senior Vice President, Agency Operations</i>	\$ 50,000	\$ 44,000	\$ 50,000	\$

Annual cash incentives accounted for approximately 0% of total compensation for the principal executive officer and approximately 2% on average for our other named executive officers.

***Equity Incentives***

We provide the opportunity for our named executive officers and other executives to earn a long-term equity incentive awards. Long-term incentive awards provide employees with the incentive to stay with us for longer periods of time, which in turn, provides us with greater stability. Equity awards also are less costly to us in the short term than cash compensation. We review long-term equity incentives for our named executive officers and other executives annually.

For our named executive officers, our stock option grants are of a size and term determined and approved by the Compensation Committee. We have traditionally used stock options as our form of equity compensation because stock options provide a relatively straightforward incentive for our executives, result in less immediate dilution of existing shareholders' interests and, prior to our adoption of FAS 123(R), resulted in less compensation expense for us relative to other types of equity awards. All grants of stock options to our employees were granted with exercise prices equal to or greater than the fair market value of our common stock on the respective grant dates. For a discussion of the determination of the fair market value of these grants, see Management's Discussion and Analysis of Financial Condition and Results of Operations Critical Accounting Policies and the Use of Estimates.

Stock option grants to executives are generally made at the first scheduled Compensation Committee and Board of Directors meeting of the new fiscal year. InsWeb's 1997 Stock Option Plan provides that, in the event of a change in control of InsWeb, any outstanding option that is not assumed or substituted by the acquiring corporation will become fully vested. Further, the option agreements applicable to options granted under the 1997 Stock Option Plan provide for full acceleration of vesting if, within 12 months following a change in control, the optionee's employment is terminated without cause or the optionee resigns for good reason, as defined in such option agreements.

The vesting of certain of our named executive officers' stock options is accelerated pursuant to the terms of the InsWeb Executive Retention and Severance Plan in certain termination and/or change in control events. These terms are more fully described in Employment Contracts and Termination of Employment and Change of Control Arrangements.

Long-term equity incentives accounted for approximately 38% of total compensation for the principal executive officer and approximately 14% on average for our other named executive officers.

***Executive Benefits and Perquisites***

We generally provide for our named executive officers and other executives to receive the same general health and welfare benefits offered to all employees. We currently provide no other perquisites to our named executive officers and other executives. We also offer participation in our defined contribution 401(k) plan. We match employee contributions under our 401(k) plan.

Personal benefits and perquisites accounted for approximately 2% of total compensation for the principal executive officer and our other named executives officers.

***Other Elements of Compensation***

There were no other elements of compensation, such as pension benefits, for any of our executive officers.

*Employment Contracts and Termination of Employment and Change of Control Arrangements*

We have no long-term employment agreements with any of our key personnel. However, the executive officers and certain other key members of management are eligible to participate in the InsWeb Executive Retention and Severance Plan approved by the Board of Directors on June 14, 2004. Participants in the Plan are entitled to receive cash severance payments and health and medical benefits in the event their employment is terminated in connection with a change in control. Participants will also receive the benefits if InsWeb terminates their employment other than for cause or if the participant voluntarily terminates his employment for good reason following certain specified actions by InsWeb. Upon any other termination of employment, the participant will be entitled only to accrued salary and any other vested benefits through the date of termination.

Our analysis indicates that our severance and change in control provisions are consistent with the provisions and benefit levels of other companies disclosing such provisions as reported in public SEC filings. We believe our arrangements are reasonable in light of the fact that cash severance is limited to one year for the certain executive officers (at a rate equal to his then current base salary) and six months for other executive officers (at a rate equal to their then current base salary), there is no severance increase with a change in control.

**REPORT OF THE COMPENSATION COMMITTEE**

We have reviewed and discussed with management the Compensation Discussion and Analysis provisions included this proxy statement. Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the Compensation Discussion and Analysis referred to above be included in this annual report on Form 10-K.

(1) On September 28, 2006, the Compensation Committee of the Board of Directors approved a plan to allow members of the company's senior management to receive stock options in lieu of a portion of their base salary. #### Subsequent Events

On January 25, 2007, the Compensation Committee of the Board of Directors (the Committee) of InsWeb Corporation approved the 2007 compensation plan for the company's senior management, including the three executive officers: the Chief Executive Officer, Chief Financial Officer, and General Counsel and Secretary. The compensation plan is comprised of base compensation, incentive compensation and option grants. In approving the 2007 compensation plan, the Committee considered, among other things, compensation for comparable publicly traded companies in the financial services and Internet marketing sectors.

As recommended by the Committee and approved by the Board of Directors, the 2007 base compensation for senior management, including the executive officers, will remain unchanged. The incentive compensation component applies to key managers of InsWeb Corporation above a certain salary grade, including the Chief Financial Officer and the General Counsel and Secretary, but does not include the Chief Executive Officer. If the year 2007 operating plan, which includes profitability, is achieved in fiscal 2007, subject to certain adjustments, the Chief Financial Officer and the General Counsel and Secretary each would receive a one-time incentive bonus of \$30,000.

To align the compensation of the executive officers with increased shareholder value, the 2007 compensation plan also provides an option grant of 50,000 shares to the Chief Executive Officer, and an option grant of 25,000 shares to both the Chief Financial Officer and the General Counsel and Secretary. In addition, the 2007 compensation plan provides a performance option grant of 25,000 shares to the Chief Executive Officer, and a performance option grant of 15,000 shares to both the Chief Financial Officer and the General Counsel and Secretary; however, these performance options vest only upon achievement of certain specified financial objectives.

Additionally, on January 25, 2007, the Committee approved and the Board of Directors ratified the year 2007 compensation for non-employee members of the Board of Directors. Non-employee directors Mr. Corroon and Mr. Orr will receive an annual retainer comprised of \$20,000, payable on a quarterly basis, and an option grant of 13,333 shares, which vests over one-year. Non-employee directors Mr. Chookaszian and Mr. Puccinelli will receive an annual retainer comprised of an option grant of 26,667 shares, which vests over one-year. The chairman of the Audit Committee, Mr. Orr, will receive an additional fee of \$2,500 for each regularly scheduled Audit Committee meeting attended. The annual retainers relate to the twelve-month period from January 2007 through December 2007.

On April 16, 2007, InsWeb Corporation announced a reorganization of its senior staff to take effect immediately. L. James Pickles, Executive Vice President, has been promoted to President and Chief Operating Officer. Secondly, Kiran Rasaretnam, Senior Vice President, Finance, has been promoted to Chief Financial Officer, replacing William Griffin, who will be leaving the Company in May. Finally, Mr. Steve Yasuda, Vice President and Corporate Controller, has been named Chief Accounting Officer.

Further on April 16, 2007, the Committee approved a proposal from the Chief Executive Officer, Hussein A. Enan, to reduce his salary for 2007 to \$12. As a result, Mr. Enan's salary for the period from April through December 31, 2007 will be \$9.

### Director Compensation

For the year ended December 31, 2006, non-employee directors Mr. Corroon and Mr. Orr received an annual retainer of \$20,000 and each received an option grant of 20,000 options. Non-employee director Mr. Puccinelli received an annual retainer of \$10,000 and total option grants of 27,000 options. Non-employee director Mr. Chookaszian received an annual retainer of \$10,000 and an option grant of 30,000 options. The chairman of the Audit Committee, Mr. Orr, received an additional fee of \$2,500 for each regularly scheduled Audit Committee meeting attended. The annual retainers relate to the twelve-month period from January 1, 2006 through December 31, 2006. In addition, each director will be reimbursed for reasonable expenses incurred in attending meetings of the Board.

In addition, all directors continue to receive an annual grant of options to purchase 5,000 shares, with the date of grant being on or about July 1 of each year that they serve. These options are fully vested. As with all options, the per-share exercise price of each such option will equal the fair market value of a share of Common Stock on the date of grant.

The following table presents the compensation paid to each of the Board of Directors during the year ended December 31, 2006:

**REPORT OF THE AUDIT COMMITTEE**

The current members of the Audit Committee are Mr. Orr, Mr. Corroon and Mr. Puccinelli. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors.

The Audit Committee oversees the quality of InsWeb's financial statements and financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity, in all material respects, of those audited financial statements with United States generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission.

**AUDIT COMMITTEE**

Thomas W. Orr (Chair)  
James M. Corroon  
Robert A. Puccinelli

**PRINCIPAL ACCOUNTANT FEES**

The following table sets forth the aggregate fees billed to InsWeb for the years ended December 31, 2006 and 2005 by InsWeb's principal accounting firm, Ernst & Young LLP:

	2006	2005
Audit Fees(1)	\$ 435,000	\$ 556,000
Audit-Related Fees(2)	35,000	30,000
Tax Fees(3)	62,582	68,752
	\$ 532,582	\$ 654,752

(1) Audit fees consist of fees billed for services related to the audit of InsWeb's financial statements (including required quarterly reviews) and other procedures required to be performed by the independent registered public accounting firm to be able to form an opinion on the Company's consolidated financial statements.

(2) Audit-related fees consist of fees billed for services related to assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services in 2006 and 2005 consisted of the audit of the Company's employee benefit plan.

(3) Tax fees consist of fees billed for services related to tax return preparation, tax compliance, tax planning and tax advice.

The Audit Committee considered the role of Ernst & Young LLP in providing non-audit services to InsWeb and has concluded that such services are compatible with Ernst & Young's independence as InsWeb's independent registered public accounting firm.

**Pre-Approval Policies and Procedures**

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee the authority to approve permitted services, provided that the chair reports any decisions to the Audit Committee at its next scheduled meeting.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

InsWeb has a classified Board of Directors consisting of one Class I director (Mr. Puccinelli), two Class II directors (Mr. Corroon and Mr. Orr), and two Class III directors (Mr. Enan and Mr. Chookaszian) who will serve until the Annual Meetings of Stockholders to be held in 2009, 2007 and 2008, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class II directors will expire on the date of the 2007 annual meeting. Accordingly, two individuals are to be elected to serve as the Class II directors of the Board of Directors at the meeting. Management's nominees for election by the stockholders to the position are James M. Corroon and Thomas W. Orr. Please see Information About InsWeb-Management above for information concerning the nominee. If elected, the nominees will serve as directors until InsWeb's Annual Meeting of Stockholders in 2010 and until their successors are elected and qualified. If the nominees decline to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although InsWeb knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominee as InsWeb may designate.

**Vote Required and Board of Directors Recommendation**

If a quorum is present, the two nominees for Class II director receiving the highest number of votes will be elected as the Class II directors. Abstentions and broker non-votes have no effect on the vote.

**The Board of Directors recommends a vote FOR the nominee named above.**

**PROPOSAL NO. 2**

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED  
PUBLIC ACCOUNTING FIRM**

The Audit Committee of InsWeb's Board of Directors has selected Ernst & Young LLP as InsWeb's independent registered public accounting firm to audit the consolidated financial statements of InsWeb for the fiscal year ending December 31, 2007. Ernst & Young LLP has acted in such capacity since its appointment in fiscal year 2001. A representative of Ernst & Young LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

**Vote Required and Board of Directors Recommendation**

The affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting of stockholders at which a quorum representing a majority of all outstanding shares of Common Stock of InsWeb is present, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Neither abstentions nor broker non-votes will have any effect on the outcome of the proposal.

**The Board of Directors recommends a vote FOR ratification of the appointment of Ernst & Young LLP as InsWeb's independent registered public accounting firm for the fiscal year ending December 31, 2007.**

**STOCKHOLDER PROPOSALS TO BE PRESENTED

To be timely, such notice must be delivered to or mailed and received at InsWeb's principal executive offices, not less than 30 days nor more than 60 days prior to the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made.

Proposals of stockholders intended to be included in InsWeb's proxy statement for the next annual meeting of the stockholders of InsWeb must be received by InsWeb at its offices at 11290 Pyrites Way, Suite 200, Gold River, California 95670, no later than January 12, 2008, and satisfy the conditions established by the Securities and Exchange Commission for stockholder proposals to be included in InsWeb's proxy statement for that meeting.

**TRANSACTION OF OTHER BUSINESS**

At the date of this Proxy Statement, the Board of Directors knows of no business that will be conducted at the 2007 Annual Meeting of Stockholders of InsWeb other than as described in this Proxy Statement. If any other matter or matters are properly brought before the meeting, or any adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.
