Item 4.01. Change in Registrant's Certifying Accountant.

(a) Dismissal of independent registered public accounting firm.

On July 10, 2008, KPMG LLP (KPMG) was notified on behalf of the Audit Committee and the Board of Directors of Cyanotech Corporation (the Company) that KPMG was dismissed as the Company's principal auditor.

The audit reports of KPMG on the consolidated financial statements of the Company as of and for the years ended March 31, 2008 and 2007 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except KPMG's report on the consolidated financial statements of the Company as of and for the year ended March 31, 2007, contained a separate paragraph stating that As discussed in Note 1 to the consolidated financial statements, effective April 1, 2006, the Company adopted Statement of Financial Accounting Standards No. 123(R), *Shared Based Payment*.

The termination, which was effective as of July 10, 2008, was approved by the Company's Audit Committee.

During the Company's two most recent fiscal years ended March 31, 2008 and 2007 and through July 10, 2008, the Company did not have any disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreements in connection with its report. Also during this period, there have been no reportable events as that term is described in Item 304(a)(1)(v) of Regulation S-K, except that KPMG advised the Company of the following material weaknesses:

- A material weakness related to controls around the Company's inventory process as of March 31, 2008, and
- The Company did not have adequately trained internal accounting resources as of March 31, 2007.

The Audit Committee discussed the reportable events with KPMG. The Company has authorized KPMG to respond fully to the inquiries of the successor accountant concerning the subject matter of the reportable events.

A letter from KPMG is attached as Exhibit 16.1 to this Form 8-K.

(b) Engagement of new independent registered public accounting firm.

Edgar Filing: CYANOTECH CORP - Form 8-K

On April 3, 2008 the Audit Committee issued a request for proposal to determine the Company's auditor for the year ending March 31, 2009. As a result of this process, the Audit Committee decided to select Grant Thornton LLP (Grant Thornton) as the Company's auditor for the year ending March 31, 2009, subject to Grant Thornton's customary client acceptance procedures.

The Company did not engage Grant Thornton in any prior consultations during the Company's fiscal years ended March 31, 2008 or March 31, 2007, or the subsequent period through the date of the filing of this current report on Form 8-K regarding either: (a) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements; or (b) any matter that was the subject of either a disagreement or a reportable event (as defined in Item 304(a)(1)(v), respectively, of Regulation S-K)
