Voting Securities and Quorum

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

At the close of business on March 2, 2009, the voting record date, the Corporation had outstanding 1,431,404 shares of common stock, \$1.25 par value per share. A majority of the outstanding shares in person or by proxy will constitute a quorum at the annual meeting.

Only our shareholders of record, at the close of business on the voting record date, will be entitled to notice of and to vote at the annual meeting. On all matters to come before the annual meeting, each share of common stock is entitled to one (1) vote.

Directors are elected by a plurality of the votes cast with a quorum present. The persons receiving the greatest number of votes of the holders of common stock represented in person or by proxy at the annual meeting will be elected director. The affirmative vote of a majority of the total votes present in person or by proxy is required for approval of the proposal to ratify the appointment of the independent registered public accounting firm and the proposal to approve, on a non-binding advisory basis, the compensation of the Corporation's named executive officers.

With regard to the election of directors, you may vote in favor of or withhold authority to vote for one or more nominees for director. Votes that are withheld in connection with the election of one or more nominees for director will not be counted as votes cast for such individuals and accordingly will have no effect. An abstention may be specified on the proposal to ratify the appointment of Beard Miller Company LLP as our independent registered public accounting firm for 2009. Abstentions will have the effect of a vote against this proposal. There are no proposals to be considered at the annual meeting which are considered non-discretionary and, as a result, there will be no broker non-votes.

INFORMATION WITH RESPECT TO NOMINEES FOR DIRECTOR,

CONTINUING DIRECTORS AND EXECUTIVE OFFICERS

Election of Directors

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

The Corporation has a classified Board of Directors with staggered three-year terms of office. In a classified board, the directors are generally divided into separate classes of equal number. The terms of the separate classes expire in successive years. Thus, at each annual meeting of shareholders, successors to the class of directors whose term shall then expire shall be elected to hold office for a term of three years, so that the office of one class shall expire each year.

A majority of the members of our Board of Directors are independent based on an assessment of each member's qualifications by the Board, taking into consideration the Nasdaq Stock Market's requirements for independence. The Board of Directors has concluded that Messrs. Freemer, Crooks, Hunter, Freeman, McCarrier and Ashbaugh do not have any material relationships with the Corporation that would impair their independence. There are no arrangements or understandings between the Corporation and any person pursuant to which such person has been elected a director. Shareholders of the Corporation are not permitted to cumulate their votes for the election of directors.

No director or executive officer of the Corporation is related to any other director or executive officer of the Corporation by blood, marriage or adoption, and each of the nominees currently serve as a director of the Corporation.

Unless otherwise directed, each proxy executed and returned by a shareholder will be voted for the election of the nominees for director listed below. If the person named as nominee should be unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for one or more replacement nominees recommended by the Board of Directors. At this time, the Board of Directors knows of no reason why the nominees listed below may not be able to serve as a director if elected. Any vacancy occurring on the Board of Directors of the Corporation for any reason may be filled by a majority of the directors then in office until the expiration of the term of office of the class of directors to which he or she was appointed. The Board of Directors recommends that its nominees be elected as directors. Ages are reflected as of December 31, 2008.

Director s Attendance at Annual Meetings

All directors are expected to attend the Corporation s annual meeting of shareholders. All of the directors of the Corporation at the time attended the Corporation s 2008 annual meeting of shareholders.

Committees and Meetings of the Corporation and the Bank

During 2008, the Board of Directors of the Corporation held five regular meetings and five special meetings and the Board of Directors of the Bank held 13 regular meetings. Each of the directors attended at least seventy-five percent (75%) of the combined total number of meetings of the Corporation s and Bank s Board of Directors and of the committees on which they serve.

Membership on Certain Board Committees. The Board of Directors of the Corporation has established an audit committee, executive committee and a human resources committee. The human resources committee functions as the Corporation s compensation committee. The Corporation does not have a standing nominating committee and, instead, director nominations are considered by the entire Board. The Corporation s director nomination process is described below.

The following table sets forth the membership of such committees as of the date of this proxy statement.

Audit Committee. The audit committee of the Board is composed of five members and operates under a written charter adopted by the Board of Directors. During 2008, the audit committee consisted of Messrs. Freemer (Chairman), Ashbaugh, Hunter, McCarrier and Crooks. The Board of Directors has identified Mark A. Freemer as an audit committee financial expert. The audit committee met four times in 2008. The Board of Directors has determined that each committee member is independent, as defined by Corporation policy, SEC rules and the NASDAQ listing standards.

The audit committee charter adopted by the Board sets out the responsibilities, authority and specific duties of the audit committee. The full text of the audit committee charter is available on our website at www.emclairefinancial.com. Pursuant to the charter, the audit committee has the following responsibilities:

- To monitor the preparation of quarterly and annual financial reports;
- To review the adequacy of internal control systems and financial reporting procedures with management and independent auditors; and
- To review the general scope of the annual audit and the fees charged by the independent auditors.

Human Resources Committee. The human resources committee of the Board functions as the compensation committee and has the responsibility to evaluate the performance of and determine the compensation for the Chairman of the Board, the President and Chief Executive Officer of the Bank, to approve the compensation structure for senior management, to review the Bank's salary administration program, and to review and administer the Corporation's bonus plans, including the management incentive program.

The human resources committee, composed entirely of independent directors, administers the Corporation's executive compensation program. The members of the human resources committee, Messrs. Hunter (Chairman), Freeman, Freemer and Mason, meet all of the independence requirements under the listing requirements of the Nasdaq Stock Market. None of the members is a current or former officer or employee of the Corporation or any of its subsidiaries.

The human resources committee is committed to high standards of corporate governance. The human resources committee's charter reflects the foregoing responsibilities and commitment, and the human resources committee and the Board will periodically review and revise the charter, as appropriate. The full text of the human resources committee charter is available on our website at www.emclairefinancial.com. The human resources committee's membership is determined by the Board. There were nine meetings of the full human resources committee in 2008.

The human resources committee has exercised exclusive authority over the compensation paid to the Corporation's Chairman of the Board, President and Chief Executive Officer and reviews and approves salary increases and bonuses for the Corporation's other executive officers as prepared and submitted to the human resources committee by the Chairman of the Board, President and Chief Executive Officer. Although the human resources committee does not delegate any of its authority for determining executive compensation, the human resources committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the human resources committee.

Nomination Process. The goal of the Board of Directors has been, and continues to be, to identify nominees for service on the Board of Directors who will bring a variety of perspectives and skills from their professional and business experience. Depending upon the current needs of the Board of Directors and the Corporation, certain factors may be weighed more or less heavily. The Board of Directors identifies nominees by first evaluating, on an informal basis, the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Corporation's business and/or unique situation who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective or skill set. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors will then determine if there is a need to replace that director or reduce the number of directors serving on the Board of Directors, in accordance with the Corporation's bylaws. If the Board of Directors determines a need to replace a non-continuing director, it identifies the desired skills and experience in light of the criteria set forth above. Current members of the Board of Directors are polled for suggestions as to individuals meeting those criteria, and research may also be performed to identify qualified individuals. To date, the Board of Directors has not formally engaged third parties to assist in identifying or evaluating potential nominees, although the Board of Directors reserves the right to do so in the future.

Section 10.1 of the Corporation's bylaws contains provisions addressing the process by which a shareholder may nominate an individual to stand for election to the Board of Directors at the Corporation's Annual Meeting. Historically, the Corporation has not had a formal policy concerning shareholder recommendations for nominees. Given the size of the Corporation, the Board of Directors does not feel that such a formal policy is warranted at this time. The absence of such a policy, however, does not mean that a reasonable shareholder recommendation will not be considered, in light of the particular needs of the Corporation and the policies and procedures set forth above. The Board of Directors will reconsider this matter at such time as it believes that the Corporation's circumstances, including its operations and prospects, warrant the adoption of such a policy.

Executive Officers Who are Not Directors

Set forth below is information with respect to the principal occupations during at least the last five years for the current executive officers of the Corporation and the Bank who do not serve as directors. All executive officers of the Corporation and the Bank are elected annually by the Board of Directors and serve at the discretion of the Board. There are no arrangements or understandings between the executive officers and the Corporation and any person pursuant to which such persons have been selected officers. Ages are reflected as of December 31, 2008.

Raymond M. Lawton, age 54. Mr. Lawton is Senior Vice President, Chief Lending Officer and Secretary of the Corporation. Mr. Lawton has been Senior Vice President and Secretary since 2003 and Chief Lending Officer since 2002 and Chief Credit Officer since 1999.

Pension Plan

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

The Bank maintains a defined benefit pension plan for all eligible employees. An employee becomes vested in the plan after five years. Upon retirement at age 65, a terminated participant is entitled to receive a monthly benefit. Prior to a 2002 amendment to the plan, the benefit formula was 1.1% of average monthly compensation plus .4% of average monthly compensation in excess of six hundred seventy five (\$675) multiplied by years of service. In 2002, the plan was amended to change the benefit structure to a cash balance formula under which the benefit payable is the actuarial equivalent of the hypothetical account balance at normal retirement age. However, the benefits already accrued by the employees prior to the amendment were not reduced. In addition, the prior benefit formula continues through December 31, 2012, as a minimum benefit. In 2008, the Bank contributed \$360,000 to the pension plan.

401(k) Plan

The Bank provides a match of an employee's contribution to the 401(k) plan up to 4% of the participant's salary.

Supplemental Retirement Agreements

In October 2002, following Board of Director approval, the Bank entered into supplemental retirement agreements with Messrs. Cox and Lawton and in June 2006 with Mr. Marsh (Supplemental Agreements). The Supplemental Agreements are non-qualified defined benefit plans and are unfunded. The Supplemental Agreements have no assets, and the benefits payable under the Supplemental Agreements are not secured. The Supplemental Agreement participants are general creditors of the Corporation in regards to their vested Supplemental Agreement benefits. The Supplemental Agreements provide for retirement benefits upon reaching age 65, and participants are fully vested five years after the inception of the Supplemental Agreements. Upon attaining the age of 65, Messrs. Cox, Marsh and Lawton would be entitled to \$520,000, \$1.1 million and \$720,000, respectively, over a 20 year period under their Supplemental Agreements. The Corporation accrued \$19,920, \$10,020 and \$17,820 in expense for the Supplemental Agreements for Messrs. Cox, Marsh and Lawton, respectively, for the year ended December 31, 2008.

Each of the Supplemental Agreements provides that in the event of a change of control of the Corporation (as defined in the agreements), the officer (i) if he has not yet qualified for retirement benefits, shall have the right to demand his withdrawal benefits (which is an amount equal to the present value of the normal retirement benefit, using a 7% discount rate and monthly compounding of interest) in a single lump sum payment, or (ii) if he has qualified for retirement benefits or has begun receiving a retirement benefit under the Supplemental Agreement, shall have the right to demand his benefits in a single lump sum payment in an amount equal to the normal retirement benefit. In the event of a change in control on December 31, 2008, Messrs. Cox, Marsh, and Lawton could have been entitled to lump sum payments of \$175,485, \$122,115 and \$182,790, respectively. Such payments could be limited if they are deemed parachute payments under Section 280G of the Internal Revenue Code, as amended.

The Farmers National Bank of Emlenton Deferred Compensation Plan

In December 2008, the Board of Directors adopted The Farmers National Bank of Emlenton Deferred Compensation Plan (the Deferred Compensation Plan), and named David L. Cox as the sole participant. The purpose of the Deferred Compensation Plan is to promote the continued success of the Corporation by providing to David Cox a deferred benefit in recognition of his 35 years of service as an executive officer of the Corporation and the Bank. The Deferred Compensation Plan satisfies the requirements of Section 409A of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, and is an unfunded, unsecured promise to pay on the part of the Corporation. For purposes of the Employment Retirement Income Security Act of 1974 (ERISA), the Deferred Compensation Plan is an unfunded plan solely for the benefit of the participant for the purpose of qualifying the Deferred Compensation Plan for the top hat plan exception under sections 201(2), 301(a)(3) and 401(a)(1) of ERISA. Pursuant to the Deferred Compensation Plan, the Corporation paid Mr. Cox \$75,000 in December 2008, \$210,000 in January 2009 and a third installment of \$165,000 is scheduled to be paid in January 2010 without regard to Mr. Cox's continued employment with the Corporation.

Certain Transactions

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

Other than as set forth below, there have been no material transactions, proposed or consummated, between the Corporation and the Bank with any director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons.

The Bank, like many financial institutions, has followed a written policy of granting various types of loans to officers, directors, and employees and under such policy grants a discount of 100 basis points on loans extended to all employees, including executive officers. With the exception of such policy, all loans to executive officers and directors of the Corporation and the Bank have been made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank's other customers, and do not involve more than the normal risk of collectibility nor present other unfavorable features. All of such loans are approved by the board of directors. The following table presents a summary of the only loan in excess of \$120,000 extended by the Bank to any of the Corporation's directors, nominees for director, executive officers or immediate family members of such individuals.

(1) Effective January 1, 2009, Mr. Cox became the Vice Chairman of the Corporation and the Bank.

The Chairman of the Audit Committee received an additional \$100 per month for his services as Audit Committee Chairman. No additional compensation is paid for service as a director of the Corporation. In addition, outside directors received \$240 for each Bank committee meeting that they attended during 2008. During 2008, total fees paid to all non-employee directors amounted to \$139,350.

The following table sets forth information concerning compensation paid or accrued by the Corporation and the Bank to each non-officer member of the Board of Directors during the year ended December 31, 2008.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the Board of Directors appointed Beard Miller Company LLP as the independent registered public accounting firm to audit the Corporation's financial statements for the year ending December 31, 2009. The audit committee considered the compatibility of the non-audit services provided to the Corporation by Beard Miller Company LLP in 2008 described below on the independence of Beard Miller Company LLP from the Corporation in evaluating whether to appoint Beard Miller Company LLP to perform the audit of the Corporation's financial statements for the year ending December 31, 2009.

The following table sets forth the aggregate fees paid by us to Beard Miller Company LLP for professional services rendered by Beard Miller Company LLP in connection with the audit of the Corporation's consolidated financial statements for 2008 and 2007, as well as the fees paid by us to Beard Miller Company LLP for audit-related services, tax services and all other services rendered by Beard Miller Company LLP to us during 2008 and 2007.

	2008	2007
Audit Fees (1)	\$ 55,500	\$ 51,100
Audit Related Fees (2)	47,435	6,000
Total	\$ 102,935	\$ 57,100

(1) The audit fees include only fees that are customary under generally accepted auditing standards and are the aggregate fees the Corporation incurred for professional services rendered for the audit of the Corporation's annual financial statements for fiscal years 2008 and 2007 and the reviews of the financial statements included in the Corporation's Quarterly Reports on Forms 10-Q for fiscal years 2008 and 2007.

(2) In both years, audit-related services included audits of the Corporation's benefit plans. In addition, 2008 audit-related fees include fees paid for services rendered associated with the Corporation's public stock offering. These audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements.

The audit committee selects the Corporation's independent registered public accounting firm and separately pre-approves all audit services to be provided by it to the Corporation. The audit committee also reviews and separately pre-approves all audit-related, tax and all other services rendered by our independent registered public accounting firm in accordance with the audit committee's charter and policy on pre-approval of audit-related, tax and other services. In its review of these services and related fees and terms, the audit committee considers, among other things, the possible effect of the performance of such services on the independence of our independent registered public accounting firm.

Since May 6, 2003, the effective date of SEC rules stating that an auditor is not independent of an audit client if the services it provides to the client are not appropriately approved, each new engagement of Beard Miller Company LLP was approved in advance by the audit committee, and none of those engagements made use of the *de minimus* exception to pre-approval contained in the SEC's rules.

REPORT OF THE AUDIT COMMITTEE

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

In discharging its oversight responsibility, the audit committee has met and held discussions with management and Beard Miller Company LLP, the independent auditors for the Corporation. Management represented to the audit committee that all consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and the Corporation, and has received and discussed with the independent auditors the matters in the written disclosures required by the Independence Standards Board and as required under the Sarbanes-Oxley Act of 2002, including considering the permissibility of nonaudit services with the auditors' independence.

The audit committee also obtained from the independent auditors a formal written statement describing all relationships between the Corporation and Beard Miller Company LLP that bear on the auditors' independence consistent with the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The audit committee discussed with the independent auditors any relationships that may impact the firm's objectivity and independence and satisfied itself as to the auditors' independence.

Based on these discussions and reviews, the audit committee recommended that the Board of Directors approve the inclusion of the Corporation's audited consolidated financial statements in its Annual Report on Form 10-K for the year ended December 31, 2008, for filing with the SEC.

Respectfully submitted by the members of the audit committee of the Board of Directors:

Mark A. Freemer, Chairman

Ronald L. Ashbaugh

James M. Crooks

Robert L. Hunter

Brian C. McCarrier

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

Unless instructed to the contrary, it is intended that votes will be cast pursuant to the proxies for the ratification of the selection of Beard Miller Company LLP, Certified Public Accountants, of Wexford, Pennsylvania, as the Corporation's independent public accountants for its fiscal year ending December 31, 2009. The Corporation has been advised by Beard Miller Company LLP that none of its members have any financial interest in the Corporation. Ratification of Beard Miller Company LLP will require an affirmative vote of a majority of the shares of common stock cast at the Annual Meeting.

In addition to performing customary audit services related to the audit of the Corporation's financial statements, Beard Miller Company LLP will assist the Corporation with the preparation of its federal and state tax returns and will perform required retirement plan audits, charging the Corporation for such services at its customary hourly billing rates.

Representatives of Beard Miller Company LLP will be present at the annual meeting, will be available to respond to your questions and will be able to make such statements as they desire.

The Board of Directors recommends that the shareholders vote **FOR** the ratification of the selection of Beard Miller Company LLP as the auditors for the Corporation for the year ending December 31, 2009.

It is understood that even if the selection of Beard Miller Company LLP is ratified, the Board of Directors, in its discretion, may direct the appointment of a new independent auditing firm at any time during the year if the Board of Directors determines that such a change would be in the best interest of the Corporation and its shareholders.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Corporation is asking shareholders to approve the compensation of the Corporation's named executive officers as described under Executive Compensation and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement (see pages 10 to 14).

Background of the Proposal

The American Recovery and Reinvestment Act of 2009 (the ARRA) was signed into law on February 17, 2009, and imposes significant new requirements for and restrictions relating to the compensation arrangements of financial institutions that received government funds through the Troubled Asset Relief Program (TARP). These new executive compensation compliance requirements will be effective for both new and existing TARP recipients until a participant repays the financial assistance received through TARP, including the TARP Capital Purchase Program (CPP). The Corporation is a TARP recipient because of its participation in the CPP, pursuant to which the Corporation issued preferred stock and warrants to purchase the Corporation's common stock to the U.S. Department of the Treasury.

The ARRA requires, among other things, that all participants in the TARP permit a non-binding shareholder vote to approve the compensation of the Corporation's executives, commonly referred to as Say-on-Pay proposal.

As provided in the ARRA, the vote is not binding on the Corporation's Board of Directors and may not be construed as overruling a decision by the Board of Directors, nor creating or implying any additional fiduciary duty by the Board of Directors, nor be construed to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

Shareholders are encouraged to carefully review the Executive Compensation section of this Proxy Statement and the tabular disclosure regarding named executive officer compensation for a detailed discussion of the Corporation's executive compensation program.

Edgar Filing: EMCLAIRE FINANCIAL CORP - Form DEF 14A

The purpose of the Corporation's compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to the Corporation's long-term success and enhancement of shareholder value. The Board of Directors believes the Corporation's compensation policies and procedures achieve this objective, and are strongly aligned with the long-term interests of shareholders.

The Corporation is providing shareholders the opportunity to endorse or not endorse the Corporation's executive compensation policies and procedures through the following resolution:

RESOLVED, that the shareholders of the Corporation approve the compensation of the Corporation's executives named in the Summary Compensation Table of the Corporation's Proxy Statement for the 2009 Annual Meeting of Shareholders, including the Executive Compensation section and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement.

Vote Required; Effect

Approval of the Corporation's executive compensation policies and procedures would require the affirmative vote of a majority of the total votes entitled to be cast by the holders of the Corporation's Common Stock represented in person or by proxy at the Annual Meeting. Proxies received by the Corporation and not revoked prior to or at the Annual Meeting will be voted in favor of this non-binding proposal unless otherwise instructed by the shareholder. Abstentions, and shares not voted by shareholders of record present or represented at the Annual Meeting and entitled to vote, will have the same effect as a vote cast against the proposal. Because the shareholder vote is advisory, it will not be binding upon the Board of Directors. However, the Human Resources Committee may take into account the outcome of the vote when considering future executive compensation arrangements.

Board Recommendation

The Board of Directors unanimously recommends a vote FOR approval of the compensation of executive officers as described in the Executive Compensation section and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement.
