Item 1. Security and Issuer

This statement on Schedule 13D (this **Statement**) relates to the common stock, \$0.00 par value (the **Shares**), of The Timken Company, an Ohio corporation (the **Issuer** or the **Company**). The Issuer's principal executive offices are located at 1835 Dueber Ave., SW, Canton, OH 44706.

Item 2. Identity and Background

This Statement is being filed by Relational Investors Mid-Cap Fund I, L.P. (**MC I**) and Relational Investors Mid-Cap Fund II, L.P. (**MC II**), collectively, the **Relational LPs**. Each of the Relational LPs is a Delaware limited partnership. The principal business of each is securities investment.

This Statement is also being filed by Relational Investors, LLC (**RILLC**), a Delaware limited liability company. The principal business of RILLC is being the sole general partner or sole managing member of the general partner of certain investment partnerships, including the Relational LPs and the investment adviser of certain client managed accounts, the **Managed Accounts**. The Relational LPs and the Managed Accounts are the beneficial owners of the securities covered by this Statement. Pursuant to the Limited Partnership Agreement of each of the Relational LPs, and the investment management agreement of the Managed Accounts, RILLC has sole investment discretion and voting authority with respect to the securities covered by this Statement.

This Statement is also being filed by Ralph V. Whitworth and David H. Batchelder. Messrs. Whitworth and Batchelder are the Principals of RILLC, in which capacity they share voting control and dispositive power over certain securities covered by this Statement. As such, Messrs. Whitworth and Batchelder may be deemed to have indirect beneficial ownership of such securities, but, each of Mr. Whitworth and Mr. Batchelder disclaim beneficial ownership of the Shares except to the extent of his pecuniary interest therein. The present principal occupation of each of Messrs. Whitworth and Batchelder is serving as Principals of RILLC (Messrs. Whitworth and Batchelder, together with Relational LPs and RILLC, hereinafter, the **Relational Entities**).

This Statement is also being filed by California State Teachers' Retirement System (**CalSTRS**), a California Government Employee Benefit plan. The principal business of CalSTRS is to provide retirement related benefits and services to teachers in public schools and community colleges in California.

CalSTRS and the Relational Entities are filing this statement jointly as they have formed a group with the purpose of supporting a shareholder proposal. See Item 4 below for further discussion of such shareholder proposal, which is incorporated into this Item 2 by reference.

The Relational Entities and CalSTRS together are the **Reporting Persons**.

During the last five years, none of the Reporting Persons has been (i) convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, and as a result of such proceeding, was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

The business address of each of the Relational Entities is 12400 High Bluff Drive, Suite 600, San Diego, CA 92130.

Messrs. Whitworth and Batchelder are citizens of the United States.

The business address for CalSTRS is 100 Waterfront Place, MS 04, West Sacramento, CA 95605.

Item 3. Source and Amount of Funds or Other Consideration

The Reporting Persons purchased an aggregate of 5,892,274 Shares for total consideration (including brokerage commissions) of \$254.3 million derived from their working capital.

Item 4. Purpose of the Transaction

The Reporting Persons believe the Shares reported in this Statement are undervalued by the market at the present time.

The Reporting Persons believe that the market significantly undervalues the Company due to its combination of two incongruent, core businesses and that a spin-off of the Steel business segment (Steel business) from the remaining business segments (collectively, Bearings business) would maximize shareholder value. In August 2012, Relational met with Company management and board members to recommend the Company hire advisors to effectuate a spin-off of its Steel business into a separately traded public company. A copy of the presentation discussed with the Company is attached herewith as Exhibit C.

Following the meeting, there is no evidence in the Company's public disclosures or otherwise that the Company has taken steps to independently evaluate the potential value creation of a spin-off of the Steel business. Based on Relational's communications with management and other publicly available information it seems clear that management continues to believe that improving returns and decreasing volatility in the Steel business can correct the trading discount. The Reporting Persons believe, however, that even if such improvements come to fruition, the Company will continue to trade at a discount due to the widely divergent business characteristics. Separating the two businesses would maximize shareholder value partly because the Steel business would be valued and classified as a materials company and the Bearings business as an industrial company. The publicly traded companies comprising these two industry sectors have divergent operating and financial characteristics and are generally followed and evaluated by different industry analysts. At any given time investors value these two industry segments separately within a broad range depending on many market, economic and firm-specific factors.

One of the Reporting Persons, CalSTRS submitted a shareholder proposal pursuant to the Company's bylaws and SEC Rule 14(a)-8 to be voted upon by the Company's shareholders at the Company's next annual meeting (the Proposal). The Proposal recommends that the board of directors and management act expeditiously to engage an investment banking firm to effectuate a spin-off of the Steel business into a separately traded public company. As previously described, we believe that a spin-off of the Steel business would fundamentally and positively change the way the market values the overall business when summing the share prices of the resulting two publicly traded companies. The Reporting persons have agreed to work together to support the Proposal. A copy of the Proposal is attached as Exhibit D.

The Reporting Persons intend to closely monitor the Company's performance, business mix and strategic direction and may modify their plans in the future depending on future events and any actions taken or omitted by the Company. The Reporting Persons and their representatives and advisers intend to continue their discussions regarding the Company, its business mix and strategic direction, with members of the board of directors and management of the Company. In addition, the Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Company.

The Reporting Persons reserve the right to, and may in the future exercise any and all of their respective rights as shareholders of the Company in a manner consistent with their equity interests, including seeking representation on the Company's board of directors at a special or annual meeting of the Company's shareholders including nominating directors at the 2013 or 2014 meetings or both.

The Reporting Persons may from time-to-time (i) acquire additional Shares (subject to availability at prices deemed favorable) in the open market, in privately negotiated transactions or otherwise, or (ii) dispose of Shares at prices deemed favorable in the open market, in privately negotiated transactions or otherwise.

As of the date of this Statement, except as set forth above, none of the Reporting Persons has any present plan or intention which would result in or relate to any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) As of the date of this Statement, the Reporting Persons beneficially own in the aggregate 5,892,274 Shares, constituting approximately 6.15% of the outstanding Shares. The percentage of Shares owned is based upon 95,847,056 Shares reported to be outstanding on September 30, 2012, as set forth in the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2012. The Reporting Persons may be deemed to have direct beneficial ownership of the Shares as follows:

NAME	NUMBER OF SHARES	% OF OUTSTANDING SHARES	VOTING AND DISPOSITIVE POWER
RILLC	465,137	0.49%	Sole
MC I	3,338,672	3.48%	Sole
MC II	1,691,438	1.76%	Sole
CalSTRS	397,027	0.41%	Shared

RILLC, individually and in its capacity as an investment adviser, may be deemed to possess direct beneficial ownership of the 465,137 Shares that are owned by it and the Managed Accounts. Additionally, RILLC, as the sole general partner, of each of Relational LPs may be deemed to beneficially own (as that term is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended) the 5,030,110 Shares beneficially owned by the Relational LPs because the limited partnership agreements of the Relational LPs specify that RILLC has sole investment discretion and voting authority with respect to those Shares.

Each of Messrs. Whitworth and Batchelder, as Principals of RILLC, may be deemed to have indirect beneficial ownership of the Shares which RILLC may beneficially own. Each of Messrs. Whitworth and Batchelder disclaims beneficial ownership of such Shares except to the extent of his pecuniary interest therein.

CalSTRS beneficially owns the underlying shares identified above and has sole voting authority over such shares. CalSTRS may be deemed to share the dispositive power over 214,487 shares that it beneficially owns with certain of its external asset managers.

To the best of the knowledge of each of the Reporting Persons, other than as set forth above, none of the persons named in Item 2 is the beneficial owner of any Shares.
