Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information set forth in Items 3 and 4 is incorporated herein by reference.

The following is a description of certain terms of the 2010 SPA:

Board Representation. The 2010 SPA provided that the Company will cause a Fund IV representative to be nominated to the Company's board of directors (the Board), subject to satisfaction of legal and governance requirements and to the reasonable approval of the Board's Nominating and Governance Committee (the Board Representative). As long as Fund IV owns 4.9% of the outstanding shares of Common Stock, the Company agreed to recommend to its shareholders the election of the Board Representative and to use all reasonable best efforts to have the Board Representative elected. If Fund IV has the right to a Board Representative but the Board Representative is not currently serving, Fund IV may appoint an individual to attend all meetings of the Board and up to two committees in a non-voting capacity (the Board Observer). In addition, Fund IV has the right to nominate a person to the board of directors of Heritage Bank of Commerce, the Company's wholly owned subsidiary (the Bank), or to appoint an observer with respect to meetings of the Bank's board of directors. Pursuant to this provision, John M. Eggemeyer has been appointed, and is currently serving, as a member of the Board.

ERISA Matters. In connection with the 2010 SPA, Fund IV and the Company also entered into a customary Venture Capital Operating Company agreement (a form of which is attached as Exhibit G to the 2010 SPA and was subsequently executed by Fund IV and the Company), providing Fund IV with customary information, notice and consultation rights in advance of material corporate action.

Gross-up Rights. As long as Fund IV and its affiliates own 4% or more of the outstanding shares of Common Stock (as calculated pursuant to the directions in the 2010 SPA), if the Company makes any public or non-public offering or sale of Common Stock after the date of the 2010 SPA, Fund IV has a preemptive right to purchase the new securities up to Fund IV's pro rata ownership percentage of the Common Stock immediately prior to the offering or sale at the same price offered to other purchasers. Fund IV's gross-up right does not apply in certain circumstances, including (i) Common Stock or other shares issued upon conversion of securities issued prior to the date of the 2010 SPA; (ii) securities issued as compensation to employees; (iii) capital stock issued as consideration for a merger (or similar event); (iv) securities issued upon exercise of warrants outstanding as of the date of the 2010 SPA; or (v) upon a permitted rights offering (as defined in the 2010 SPA). Furthermore, Fund IV shall not have the right to purchase new securities to the extent it would cause Fund IV to own a greater percentage interest than Fund IV owned immediately prior to the issuance of the new securities.

The foregoing reference to and description of the 2010 SPA and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the 2010 SPA, which is attached hereto as Exhibit 2 and incorporated herein by reference.

The following is a description of certain terms of the Exchange Agreement:

Representations and Warranties. The Company made customary representations and warranties to Fund IV relating to the Company, its business, the issuance of the Common Stock and exemption from any anti-takeover provisions. Fund IV also made customary representations and warranties to the Company regarding Fund IV's valid organization and authorization to enter into the transaction.

Exchange Listing. The Company agreed to cause the Acquired Shares to be listed on the NASDAQ and to maintain such listing for so long as any Common Stock is listed.

Transfer Restrictions. Fund IV acknowledged that it had acquired the Acquired Shares solely for investment purposes with no intent to distribute them to any person in violation of the Securities Act. Fund IV agreed not to sell or dispose of the Acquired Shares unless doing so was in compliance with the registration requirements or exemptions of the Securities Act and applicable state securities laws. Subject to compliance with applicable securities laws, however, Fund IV is permitted to transfer, sell, assign or otherwise dispose of the Acquired Shares at anytime, and the Company is required to take steps reasonably requested by Fund IV to facilitate such transfer.

CUSIP No. 426927109

SCHEDULE 13D

Registration Rights. The Company agreed to use commercially reasonable efforts to, as soon as practicable but within 30 days of closing, file a registration statement on Form S-3 under the Securities Act to permit the resale of all Acquired Shares by Fund IV. The Company further agreed to use reasonable efforts to have the registration statement declared effective and to keep the registration statement current and effective thereafter.

Passivity Commitments. In connection with the Exchange Agreement, Fund IV made certain customary passivity commitments to the Federal Reserve in a commitment letter to ensure that Fund IV and its affiliates will not, among other things, exercise or attempt to exercise a controlling influence over the management or policies of the Company or any of its subsidiaries. The Exchange Agreement also required that Fund IV receive a non-control determination, which has been granted.

The foregoing reference to and description of the Exchange Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Exchange Agreement, which is attached hereto as Exhibit 3 and incorporated herein by reference.

The following is a description of certain terms of the Option Agreements and Restricted Stock Agreement (as defined below):

The Company has awarded 16,000 Options to Advisors IV on behalf of John M. Eggemeyer, which were granted as follows: 4,000 Options on June 16, 2011, with an exercise price of \$5.16 per share; 4,000 Options on May 1, 2012, with an exercise price of \$6.39 per share; 4,000 Options on April 30, 2013, with an exercise price of \$6.57 per share; and 4,000 Options on February 27, 2014, with an exercise price of \$8.07 per share. The 12,000 Options awarded through and including April 30, 2013 were awarded pursuant to stock option agreements under the Company's Amended and Restated 2004 Equity Plan (the 2004 Equity Plan Stock Option Agreements). The 4,000 Options awarded in 2014 were awarded pursuant to a stock option agreement under the Company's 2013 Equity Incentive Plan (the 2013 Equity Plan Stock Option Agreement), and together with the 2004 Equity Plan Stock Option Agreements, the Option Agreements).

The Options awarded under the 2004 Equity Plan Stock Option Agreements and the 2013 Equity Plan Stock Option Agreement vest in equal daily increments over a four-year period and expire ten years from the respective grant date. Any vested Options may be exercised at any time prior to the respective expiration date, as long as Mr. Eggemeyer maintains continuous status as a director of the Company. These Options are subject to customary transfer restrictions.

Currently, 13,834 of the 16,000 Options are exercisable, with the remaining 2,166 subject to the vesting schedule described above.

Pursuant to the Notice of Grant and Restricted Stock Agreement (the Restricted Stock Agreement), the Company has also granted Advisors IV (on behalf of Mr. Eggemeyer) 3,702 shares of Restricted Stock, of which 1,768 shares were awarded on April 28, 2015 and 1,934 shares were awarded on May 3, 2016. With respect to each grant, the Restricted Stock vests in four equal installments beginning on the first anniversary of the grant date and fully vesting on the fourth anniversary of the grant date. As of the date hereof, 442 of these shares have vested and the

remaining 3,260 shares remain unvested.

During the period from the grant date until the second anniversary of the grant date, the Restricted Stock shall be forfeited if Mr. Eggemeyer ceases continuous status as a director of the Company for any reason, and the ownership of such Restricted Stock shall be transferred back to the Company (the Company Return Right). However, the Company Return Right shall lapse upon the occurrence of certain events, including upon the death or disability of Mr. Eggemeyer or a change in control of the Company (as defined in the Restricted Stock Agreement).

The foregoing references to and descriptions of the Option Agreements and the Restricted Stock Agreement do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the 2004 Equity Plan Stock Option Agreements and the 2013 Equity Plan Stock Option Agreement, forms of which are attached hereto as Exhibits 4 and 5, respectively, and incorporated herein by reference, and the full text of the Restricted Stock Agreement, a form of which is attached hereto as Exhibit 6 and incorporated herein by reference.
