BACKGROUND OF THE SOLICITATION

Between October 18, 2017 and November 22, 2017, the Participants purchased an aggregate of 4,818,832 Shares in open market purchases (as more fully described on Annex I hereto). On November 22, 2017, the Participants filed a Schedule 13D with the SEC (the Initial Schedule 13D and, as amended from time to time, the Schedule 13D) disclosing that they beneficially owned, in the aggregate, 4,818,832 Shares, representing approximately 13.51% of SandRidge's outstanding Shares (based upon the 35,665,907 Shares outstanding as of November 14, 2017 as disclosed in the Merger Agreement).

On November 14, 2017, the Company entered into the Merger Agreement with Bonanza Creek, pursuant to which a wholly owned subsidiary of SandRidge formed for the purpose of effecting the Merger would be merged with and into Bonanza Creek, and Bonanza Creek would be the surviving corporation in the Merger.

On November 22, 2017, in the Initial Schedule 13D filing, the Participants disclosed their strong opposition to the proposed Merger and their intention to vote against the Share Issuance. In the Initial Schedule 13D, the Participants also disclosed their intention to meet or have discussions with the Board and management regarding the proposed Merger and their rationale for entering into the transaction.

On November 26, 2017, SandRidge adopted the Short-Term Shareholder Rights Plan, which we sometimes refer to (using the more common name for such instruments) as the Poison Pill.

On November 30, 2017, the Participants delivered a letter to the Board that reiterated their strong opposition to the proposed Merger because of its dilutive impact on the Company's stockholders and the Participants' view that the purchase price significantly overvalued Bonanza Creek and that the transaction would therefore destroy SandRidge stockholder value. In the letter, the Participants also stated their vehement objection to the adoption of the Poison Pill, which they believed could chill their ability to communicate with other stockholders of the Company regarding the Merger and the Share Issuance and contained provisions that were overly-broad, ambiguous and, potentially, unenforceable. The Participants also requested that the Board respond to several questions regarding the parameters of the Poison Pill, including as to their ability, without triggering the Poison Pill, to (i) discuss their opposition to the Merger with other SandRidge stockholders, (ii) solicit proxies from other stockholders of the Company to vote against the Share Issuance, (iii) seek to call, contact other stockholders of SandRidge about calling, or join other stockholders of SandRidge in calling, a special meeting of stockholders of SandRidge, and (iv) solicit proxies to remove members of the Board.

On December 1, 2017, the Participants delivered a demand, pursuant to Section 220 of the Delaware General Corporation Law, to SandRidge requesting access to certain of its books and records, including books and records relating to senior management compensation, the Share Issuance, the Merger, and the Poison Pill.

On December 8, 2017, counsel to SandRidge responded in two separate communications to the November 30 and December 1 letters from the Participants. The Participants believed that the response to their November 30 letter did not provide the requested clarity on the terms of the Poison Pill. Accordingly, on December 9, 2017, counsel to the Participants responded to the December 8 letter from counsel to SandRidge seeking further clarification regarding the terms and application of the Poison Pill. In its response to the December 1 letter, counsel to SandRidge informed the Participants that although the Company did not believe the Participants were entitled to inspect the requested books and records under Delaware law, the Company would voluntarily make certain documents available subject to the execution of a mutually acceptable

confidentiality agreement.

On December 11, 2017, SandRidge and Bonanza Creek filed a preliminary joint proxy statement and registration statement on Form S-4 with the SEC (the SandRidge Proxy Statement) seeking, among other things, SandRidge stockholder approval of the Share Issuance in accordance with the requirements of the rules of the New York Stock Exchange (NYSE).

On December 12, 2017, counsel to SandRidge responded to the December 9 letter from counsel to the Participants. The response letter confirmed that, subject to compliance by the Participants with certain laws and the Company's constituent documents, none of the actions outlined in the Participants' November 30 letter would trigger the Poison Pill. Based upon the assurances contained in the December 12 letter from counsel to SandRidge, the Participants

understand that under the Board's interpretation of the Poison Pill, the rights would not be triggered as a result of, among other things, discussions between the Participants and other stockholders regarding opposition to the proposed Merger and Share Issuance, or the solicitation of stockholders to vote against, or the granting by any stockholder of a proxy in respect of, the Share Issuance.

On December 26, 2017, the Participants filed this preliminary proxy statement with the SEC soliciting your proxy to vote **AGAINST** the Share Issuance Proposal.

We recommend that you demonstrate your opposition to the Share Issuance and send a message to the Board that the proposed Share Issuance is not in the best interest of SandRidge stockholders by signing, dating and returning the enclosed GOLD proxy card as soon as possible. You may also vote via the internet or by telephone at any time before [] on [] by following the instructions on your GOLD voting information card.

PROPOSAL 1: SHARE ISSUANCE PROPOSAL

You are being asked by SandRidge to approve the issuance of Shares to Bonanza Creek stockholders in connection with the Merger. The rules of the NYSE require SandRidge to obtain stockholder approval of the Share Issuance. For the reasons discussed below, we oppose the Share Issuance Proposal. To that end, we are soliciting your proxy to vote **AGAINST** the Share Issuance Proposal.

We recommend that you demonstrate your opposition to the Share Issuance and send a message to the Board that the proposed Share Issuance is not in the best interest of SandRidge stockholders by signing, dating and returning the enclosed GOLD proxy card as soon as possible. You may also vote via the internet or by telephone at any time before [] on [] by following the instructions on your GOLD voting information card.

Reasons to Vote Against the Share Issuance Proposal

The Participants believe that SandRidge has significantly overvalued Bonanza Creek in the proposed Merger, in particular based on relative valuation metrics of the two companies. As illustrated in the chart below, the daily total production, daily oil production, total proved reserves, proved oil reserves, PV10 and Adjusted EBITDA (as described below) of SandRidge are significantly higher than the corresponding amounts for Bonanza Creek. However, notwithstanding these metrics, the Board determined to ascribe an enterprise value to Bonanza Creek that is in excess of \$170 million higher than the enterprise value of SandRidge based on the closing price of a Share on the day prior to the public announcement of the Merger Agreement and the debt and cash and cash equivalent balances of SandRidge as of September 30, 2017.

	SandRidge	Bonanza
Daily Total Production (Q3 17) (1)	38,800 BOE(2)	15,800 BOE
Daily Oil Production (Q3 17) (1)	10,400 BOE	8,300 BOE
Total Proved Reserves(3)	164 million BOE	91 million BOE
Proved Oil Reserves(3)	53 million BBLS(4)	50 million BBLS
PV10(3)	\$438 million	\$277 million
Adjusted EBITDA(5)	\$215 million	\$81 million
Valuation:		
TEV(6)	\$562 million	\$735 million
Price per Flowing Barrel (7)	\$14,485/BOEPD(8)	\$46,508/BOEPD
Price per BOE (TEV/Total Proved Reserves)	\$3.43 per BOE	\$8.07 per BOE
TEV/Adjusted EBITDA (trailing twelve months ended September 30, 2017)	2.6x	9.1x

(1) Daily Total Production and Daily Oil Production information presented in the chart above were taken from the SandRidge Investor Presentation of November 15, 2017 (the SandRidge November Investor Presentation).

(2) Barrel of Oil Equivalent. This is a commonly used industry standard that combines oil, natural gas, and NGL s based on the amount of energy they contain. Under this methodology, 6,000 cubic feet (or 6 mcf) of natural gas equals one barrel of oil.

(3) Reserve & PV10 estimates as of December 31, 2016 using SEC Pricing. Source: SandRidge filings.

(4) BBLs means barrels.

(5) Adjusted EBITDA presented in the chart above is for the twelve month period ended September 30, 2017. The Adjusted EBITDA amounts for each of SandRidge and Bonanza Creek were taken from the SandRidge November Investor Presentation. Please refer to the SandRidge November Investor Presentation for the definition and computation of Adjusted EBITDA for each of SandRidge and Bonanza Creek.

(6) TEV is defined as market or transaction value plus debt less cash and cash equivalents. For Bonanza Creek, which did not have any debt outstanding as of September 30, 2017, the TEV is based on the most recent approximate transaction value as set forth in the SandRidge Proxy Statement less the amount of Bonanza Creek cash and cash equivalents as disclosed in the Quarterly Report on Form 10-Q filed by Bonanza Creek for the quarter ended September 30, 2017 (the Bonanza Creek Q3 10-Q). Page 167 of the SandRidge Proxy Statement provides that the transaction value as of the measurement period referred to therein was approximately \$766 million. The Bonanza Creek Q3 10-Q provides that the amount of cash and cash equivalents of Bonanza Creek as of September 30, 2017 was approximately \$31 million. Accordingly, the TEV of Bonanza Creek used for purposes of this Proxy Statement is approximately \$735 million (computed as approximately \$766 million of transaction value minus \$31 million of cash and cash equivalents). For SandRidge, the TEV is based on the \$18.43 per Share closing price of SandRidge on November 14, 2017, the day before the public announcement of the Merger Agreement, and the approximately 35.7 million Shares outstanding as set forth in the Quarterly Report on Form 10-Q filed by SandRidge for the quarter ended September 30, 2017 (the SandRidge Q3 10-Q), plus the amount of SandRidge debt and less the amount of SandRidge cash and cash equivalents, in each case as disclosed in the SandRidge Q3 10-Q. The SandRidge Q3 10-Q provides that the amount of debt and cash and cash equivalents of SandRidge as of September 30, 2017 was \$38 million and \$133 million, respectively. Accordingly, the TEV of SandRidge used for purposes of this Proxy Statement is approximately \$562 million (computed as approximately \$657 million of market value (approximately 35.7 million Shares outstanding multiplied by \$18.43 price per share) plus \$38 million of debt minus \$133 million of cash and cash equivalents).

(7) This is a commonly used industry measure that divides TEV by Daily Total Production..

(8) BOEPD means barrel of oil equivalent per day.

The Participants have significant concerns regarding the Board s determination to not only agree to acquire Bonanza Creek in a transaction that the Participants believe is overpriced but to finance a substantial portion of the purchase price with SandRidge stock, resulting in significant dilution to SandRidge stockholders. According to the SandRidge Proxy Statement, the maximum number of Shares issuable by SandRidge upon closing of the Merger is 19,898,072, representing approximately 35.8% of the outstanding Shares

after giving effect to the Share Issuance. The Participants believe that SandRidge stock is trading at a substantial discount to intrinsic value. For example, using the TEV/Adjusted EBITDA multiple of 9.1x implied by the purchase price payable under the Merger Agreement, the \$215 million of Adjusted EBITDA of SandRidge for the 12 month period ended September 30, 2017 and the debt and cash and cash equivalents of SandRidge as of September 30, 2017, the equity value of SandRidge would be approximately \$2.045 billion. Based on approximately 35.7 million Shares outstanding as set forth in the Merger Agreement, that would imply a price per Share of \$57.35, which represents a 211% premium to the closing price on the day before the public announcement of the Merger Agreement. Similarly, using the price per flowing barrel of \$46,508 implied by the purchase price payable under the Merger Agreement, the 38,800 BOE of SandRidge and the debt and cash and cash equivalents of SandRidge as of September 30, 2017, the equity value of SandRidge would be approximately \$1.9 billion. Based on approximately 35.7 million Shares outstanding as set

forth in the Merger Agreement, that would imply a price per Share of \$53.26, which represents a 189% premium to the closing price on the day before the public announcement of the Merger Agreement. Accordingly, the Participants do not support and urge their fellow stockholders not to support this highly dilutive transaction that is being financed with a substantial portion of significantly undervalued SandRidge stock.

The cash portion of the purchase price payable pursuant to the Merger Agreement will be financed through the use of substantially all of the cash of SandRidge and a draw of \$383 million under a new secured financing facility (in each case, according to the investor presentation filed by SandRidge with the SEC on December 13, 2017 (the Investor Presentation)). The Participants do not believe that this is a prudent allocation of the capital resources of the Company. The Participants also have concerns that the proposed Merger and significant amount of debt to be incurred in connection with the transaction (upwards of \$400 million according to the Investor Presentation) is similar to the strategy previously pursued by the Company, which ultimately resulted in a bankruptcy filing in May 2016. Rather than pursuing highly dilutive transactions that place substantial leverage on the Company, the Participants strongly prefer that management maintain its previously stated objectives of protecting the Company's balance sheet, reducing operating costs and developing existing assets.

The Participants also believe that there is substantial misalignment of interests between management of SandRidge and its stockholders. As reflected in the charts below, the Participants believe that management compensation, in particular the compensation of the chief executive officer of the Company, is significantly disproportionate to the size and scale of the Company and its operations and compensation paid to executives of peer companies. The Participants are therefore concerned that management has an incentive to support and seek out transactions, such as the proposed Merger, that allow them to maintain their positions at a company with increased size, which may more easily justify the Company's compensation practices, notwithstanding that such transactions are not in the best interests of the stockholders of the Company.

Accordingly, the Participants recommend that you vote **AGAINST** the Share Issuance Proposal. Other than soliciting your vote **AGAINST** the Share Issuance Proposal, we currently do not intend to make any other proposals in person at the Special Meeting regarding the Merger, and this Proxy Statement does not include any other proposals to be voted upon at the Special Meeting, although we reserve the right to make additional proposals at a later meeting of stockholders or through a separate consent solicitation.

We urge stockholders to vote AGAINST the Share Issuance Proposal on the GOLD proxy card.

Consequences of Defeating the Share Issuance Proposal

The closing of the Merger is expressly conditioned on the approval of the Share Issuance by stockholders of the Company. If, after final adjournment of the Special Meeting at which a vote of SandRidge stockholders has been taken in accordance with the Merger Agreement, the stockholders of SandRidge fail to approve the Share Issuance, then the conditions to the closing of the Merger will not be satisfied and either SandRidge or Bonanza Creek may terminate the Merger Agreement. In the event that the Merger Agreement is terminated as a result of the failure to obtain the requisite vote of SandRidge's stockholders, unless Bonanza Creek is otherwise entitled to the termination

fee under the Merger Agreement, SandRidge will be required to pay Bonanza Creek up to approximately \$3.7 million in expense reimbursement.

In addition, in certain cases pursuant to the terms of the Merger Agreement, SandRidge will be required to pay Bonanza Creek a termination fee of approximately \$26.1 million (less any amounts previously paid to Bonanza Creek):

- if SandRidge effects an adverse recommendation change or commits a material breach of its non-solicitation obligations and Bonanza Creek terminates the Merger Agreement; or
- (i) an alternative proposal is publicly submitted, publicly proposed, publicly disclosed or otherwise communicated to the Board and not withdrawn at the time of the termination of the Merger Agreement, (ii) the Merger Agreement is terminated because SandRidge's stockholders fail to approve the Share Issuance, or because of the occurrence of the outside date or Bonanza Creek terminates due to SandRidge's terminable breach and (iii) within twelve months of the termination of the Merger Agreement, SandRidge enters into a definitive agreement with a third party with respect to or consummates a transaction that is an alternative proposal relating to 50% or more of SandRidge's assets or stock with a third party (*provided* that if the Merger Agreement is terminated because of the occurrence of the outside date, the termination fee shall only be approximately \$13.0 million).

Vote Required

According to the SandRidge Proxy Statement, the approval of the Share Issuance Proposal requires the affirmative vote of a majority of the Shares present in person or represented by proxy at the Special Meeting and entitled to vote on the Share Issuance Proposal, assuming a quorum is present. Any abstention by a SandRidge stockholder will have the same effect as a vote against the Share Issuance Proposal. The failure of any SandRidge stockholder to submit a vote (*e.g.*, by failing to submit a proxy or to appear in person) will not be counted in determining the votes cast in connection with this proposal and therefore will have no effect on the outcome of the Share Issuance Proposal. For these reasons, among others, we urge stockholders to vote **AGAINST** the Share Issuance Proposal to make sure their voices are heard.

We urge you to sign, date and return our GOLD proxy card. WE URGE YOU NOT TO SIGN ANY [COLOR] PROXY CARD SENT TO YOU BY THE COMPANY. If you have already voted using the Company's [COLOR] proxy card, you have every right to change your vote by completing and mailing the enclosed **GOLD** proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the **GOLD** proxy card. Only the latest validly executed proxy that you submit will be counted; any proxy may be revoked at any time prior to its exercise at the Special Meeting by following the instructions under "Can I change my vote or revoke my proxy?" If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, Harkins Kovler, LLC: Banks and Brokerage Firms Please Call Collect: (212) 468-5380; All Others Call Toll Free: (844) 218-8384; Email: sd@harkinskovler.com.

We Recommend a Vote AGAINST the Share Issuance Proposal on the GOLD proxy card.

PROXY INFORMATION

Voting and Proxy Procedures

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Special Meeting. Stockholders who sell their Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell their Shares after the Record Date. If you hold your Shares in the name of one or more brokerage firms, banks or nominees, only they can vote your Shares and only upon receipt of your specific instructions. Accordingly, you should contact the person responsible for your account and give instructions to them to sign and return a **GOLD** proxy card representing your Shares to vote AGAINST the Share Issuance Proposal.

Shares represented by properly executed **GOLD** proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, will be voted AGAINST the Share Issuance Proposal.

Quorum; Broker Non-Votes; Discretionary Voting

A quorum is the minimum number of Shares that must be represented at a duly called meeting of stockholders in person or by proxy in order to legally conduct business at the meeting. According to the SandRidge Proxy Statement, a quorum requires the presence, in person or represented by proxy, of holders of a majority of the voting power of the outstanding shares of SandRidge stock entitled to vote at the Special Meeting. For purposes of determining whether there is a quorum, all Shares that are present, including abstentions, will count towards the quorum.

According to the SandRidge Proxy Statement, any abstention by a SandRidge stockholder will have the same effect as a vote against the Share Issuance Proposal. The failure of any SandRidge stockholder to submit a vote (*e.g.*, by failing to submit a proxy or to appear in person) will not be counted in determining the votes cast in connection with this proposal and therefore will have no effect on the outcome of the Share Issuance Proposal.

If you are a stockholder of record, you must deliver your vote by mail or attend the Special Meeting in person and vote in order to be counted in the determination of a quorum.

If your Shares are held in the name of your broker, a bank or other nominee, that party will give you instructions for voting your Shares. A broker non-vote results when banks, brokers and other nominees return a valid proxy but do not vote on a particular proposal because they do not have discretionary authority to vote on the matter and have not received specific voting instructions from the beneficial owner of such shares. If Shares are held in the name of a bank, brokerage firm or other nominee, and the bank, brokerage firm or other nominee has not received voting instructions from the beneficial owner of the Shares with respect to that proposal, the bank, brokerage firm or other nominee cannot vote the Shares on that proposal unless it is a routine matter. Under the NYSE rules, the Share Issuance Proposal is not a routine proposal

at the Special Meeting. Accordingly, no bank, brokerage firm or other nominee will be permitted to vote your Shares at the Special Meeting without receiving instructions. Failure to instruct your bank, brokerage firm or other nominee on how to vote your Shares will have no effect on the outcome of the Share Issuance Proposal.

Revocation of Proxies

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute revocation of a proxy), by voting again by telephone or through the Internet, by delivering a written notice of revocation, or by signing and delivering a subsequently dated proxy which is properly completed. The revocation may be delivered either to High River in care of Harkins Kovler, LLC at the address set forth on the back cover of this Proxy Statement or to the Company at 123 Robert S. Kerr Avenue Oklahoma City, Oklahoma 73102 or any other address provided by the Company. QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE SPECIAL MEETING

Q: Who is entitled to vote?

A: Only holders of voting stock at the close of business on the Record Date, [], 2018, are entitled to notice of and to vote at the Special Meeting. Stockholders who sold Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell such Shares after the Record Date (unless they also transfer their voting rights).

Q: How should I vote on the Share Issuance Proposal?

A: We recommend that you vote your shares on the **GOLD** proxy card as follows:

AGAINST the Share Issuance Proposal (Proposal 1)

Q: When and where is the Special Meeting?

A: The Special Meeting will be on [], 2018, at [], at [], local time.

Q: How important is my vote?

A: Your vote **AGAINST** the Share Issuance Proposal presented at the Special Meeting is very important, and you are encouraged to submit a **GOLD** proxy card as soon as possible.

Approval of the Share Issuance Proposal requires the affirmative vote of a majority of the Shares present in person or represented by proxy at the Special Meeting and entitled to vote on the Share Issuance Proposal, assuming a quorum is present. Any abstention by a SandRidge stockholder will have the same effect as a vote against the Share Issuance Proposal. The failure of any SandRidge stockholder to submit a vote (*e.g.*, by failing to submit a proxy or to appear in person) will not be counted in determining the votes cast in connection with this proposal and therefore will have no effect on the outcome of the Share Issuance Proposal.

Q: *What happens if the Merger is not completed?*

A: If the Share Issuance is not approved by SandRidge's stockholders or the Merger is not completed for any other reason, SandRidge will not acquire Bonanza Creek and therefore will not issue any Shares or pay any cash consideration to Bonanza Creek's stockholders. Under specified circumstances, Bonanza Creek and/or SandRidge may be required to reimburse the other party for the expenses it incurred in connection with the Merger Agreement or pay a termination fee upon termination of the Merger Agreement. For example, if, after final adjournment of the special meeting of stockholders of SandRidge at which a vote of its stockholders has been taken in accordance with the Merger Agreement, the stockholders of SandRidge fail to approve the Share Issuance, then the Merger Agreement may be terminated and SandRidge will be required to pay Bonanza Creek up to approximately \$3.7 million in expense reimbursement.

Q: *How do I vote my shares?*

A: **Shares held in record name.** If your Shares are registered in your own name, please vote today by signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided. Execution and delivery of a proxy by a record holder of Shares will be presumed to be a proxy with respect to all Shares held by such record holder unless the proxy specifies otherwise.

Shares beneficially owned or held in street name. If you hold your Shares in street name with a broker, bank, dealer, trust company or other nominee, only that nominee can exercise the right to vote with respect to the Shares that you beneficially own through such nominee and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your broker, bank, dealer, trust company or other nominee to vote **AGAINST** the Share Issuance Proposal. Please follow the instructions to vote provided on the enclosed **GOLD**

proxy card. If your broker, bank, dealer, trust company, or other nominee provides for proxy instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed **GOLD** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions by emailing them to sd@harkinskovler.com or mailing them to High River Limited Partnership, c/o Harkins Kovler, LLC, 1 Rockefeller Plaza, 10th Floor, New York, NY 10020, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Note: Shares represented by properly executed **GOLD** proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, **AGAINST** the Share Issuance Proposal.

Q: *How many shares must be present to hold the Special Meeting?*

A: According to the SandRidge Proxy Statement, a quorum at the Special Meeting requires the presence, in person or represented by proxy, of holders of a majority of the voting power of the outstanding shares of SandRidge stock entitled to vote at the Special Meeting.

Q: *What are broker non-votes and what effect do they have on the Share Issuance Proposal?*

A: A broker non-vote results when banks, brokers and other nominees return a valid proxy but do not vote on a particular proposal because they do not have discretionary authority to vote on the matter and have not received specific voting instructions from the beneficial owner of such shares. If Shares are held in the name of a bank, brokerage firm or other nominee, and the bank, brokerage firm or other nominee has not received voting instructions from the beneficial owner of the Shares with respect to that proposal, the bank, brokerage firm or other nominee cannot vote the Shares on that proposal unless it is a routine matter. Under the NYSE rules, the Share Issuance Proposal is not a routine proposal at the Special Meeting. Accordingly, no bank, brokerage firm or other nominee will be permitted to vote your Shares at the Special Meeting without receiving instructions. Failure to instruct your bank, brokerage firm or other nominee on how to vote your Shares will have no effect on the outcome of the Share Issuance Proposal.

Q: *What should I do if I receive a proxy card from the Company?*

A: You may have received proxy solicitation materials from SandRidge, including a merger proxy statement and registration statement and [COLOR] proxy card. We are not responsible for the accuracy of any information contained in any proxy solicitation materials used by the Company or any other statements that it may otherwise make.

We recommend that you disregard any proxy card or solicitation materials that may be sent to you by the Company. If you have already voted using the Company's [COLOR] proxy card, you have every right to change your vote by completing and mailing the enclosed **GOLD proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the **GOLD** proxy card. Only the latest validly executed proxy that you submit will be counted; any proxy may be revoked at any time prior to its exercise at the Special Meeting by following the instructions below under **Can I change my vote or revoke my proxy?** If you have any questions**

or require any assistance with voting your Shares, please contact our proxy solicitor, Harkins Kovler, LLC, 1 Rockefeller Plaza, 10th Floor, New York, NY 10020 - Banks and Brokerage Firms Please Call Collect: (212) 468-5380; All Others Call Toll Free: (844) 218-8384; Email: sd@harkinskovler.com.

Q: *Can I change my vote or revoke my proxy?*

A: If you are the stockholder of record, you may change your proxy instructions or revoke your proxy at any time before your proxy is voted at the Special Meeting. Proxies may be revoked by any of the following actions:

- signing, dating and returning the enclosed **GOLD** proxy card (the latest dated proxy is the only one that counts);

- delivering a written revocation or a later dated proxy for the Special Meeting to High River Limited Partnership, c/o Harkins Kovler, LLC, 1 Rockefeller Plaza, 10th Floor, New York, NY 10020 or to the secretary of the Company; or
- attending the Special Meeting and voting in person (although attendance at the Special Meeting will not, by itself, revoke a proxy).

If your Shares are held in a brokerage account by a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee to have your Shares voted. If you attend the Special Meeting and you beneficially own Shares but are not the record owner, your mere attendance at the Special Meeting WILL NOT be sufficient to revoke your prior given proxy card. You must have written authority from the record owner to vote your Shares held in its name at the meeting. If you have any questions or require any assistance, contact our proxy solicitor, **Harkins Kovler, LLC - Banks and Brokerage Firms Please Call Collect: (212) 468-5380; All Others Call Toll Free: (844) 218-8384; Email: sd@harkinskovler.**

IF YOU HAVE ALREADY VOTED USING THE COMPANY'S [COLOR] PROXY CARD, WE URGE YOU TO REVOKE IT BY FOLLOWING THE INSTRUCTIONS ABOVE. Although a revocation is effective if delivered to the Company, we request that either the original or a copy of any revocation be mailed to High River Limited Partnership, c/o Harkins Kovler, LLC, 1 Rockefeller Plaza, 10th Floor, New York, NY 10020.
