This transaction is a purchase of shares of common stock of HealthSouth Corporation (the "Company") pursuant to an election by the reporting person to participate in the Directors Deferred Stock Investment Plan of the Company (the "Plan"). The Plan is a non-qualified deferral plan adopted and effective November 1, 2007, allowing non-employee directors to make elections during 2008 to defer fixed

(1) percentages of their directors fees for 2009. The amount each participant defers under the Plan is deducted, on a quarterly basis, from the directors fees the participant would otherwise have received in cash. The transaction reported on this Form 4 is the acquisition of common stock of the Company for the account of the reporting person, for an aggregate purchase price equal to the amount of fees deferred by the reporting person for the current quarter of 2009 under the Plan.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
