Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) SEC form requires a date format. This row has no transaction and is reporting stock previously issued. We have given the date of the transaction reported in Table II to comply with the software requirement for a date.
- (2) Options have a four-year vesting schedule with 25% of the shares vesting on each anniversary of the vesting commencement date. The vesting commencement date for the options is November 15, 2005.
- (3) Column 8 is not a required reportable field. SEC software requires a dollar amount, use zeroes per SEC.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
