## EXPLANATORY NOTE

As previously disclosed, on June 28, 2018, Convergys Corporation, an Ohio corporation (the “Company” or “Convergys”), entered into that certain Agreement and Plan of Merger, dated as of June 28, 2018, as amended by Amendment No. 1 to the Agreement and Plan of Merger, dated as of August 22, 2018 (as it may be amended, modified or supplemented from time to time, the “Merger Agreement”), with SYNnex Corporation, a Delaware corporation (“SYNNEX”), Delta Merger Sub I, Inc., a Delaware corporation and wholly owned subsidiary of SYNnex (“Delta Merger Sub I”) and Concentrix CVG Corporation, a Delaware corporation and a wholly owned subsidiary of SYNnex (“Concentrix CVG Corporation”), pursuant to which Delta Merger Sub I, Inc. will be merged with and into Convergys, and Convergys will continue as the surviving corporation and a wholly owned subsidiary of SYNnex, and, immediately thereafter, Convergys will be merged with and into Concentrix CVG Corporation, and Concentrix CVG Corporation will continue as the surviving company and a wholly owned subsidiary of SYNnex (the “Mergers”).

On August 28, 2018, the Company filed its Definitive Proxy Statement on Schedule 14A (the “Definitive Proxy Statement”) to obtain shareholder approval for the transactions contemplated by the Merger Agreement.

Convergys’ Board of Directors continues to unanimously recommend that you vote (i) FOR the adoption of the Merger Agreement, (ii) FOR the adjournment from time to time of the Convergys special meeting if necessary to solicit additional proxies if there are not sufficient votes at the time of the special meeting, or any adjournment or postponement thereof, to adopt the Merger Agreement, and (iii) FOR the non-binding advisory proposal to approve compensation that will or may be paid or provided by Convergys to its named executive officers in connection with the Mergers.

### Item 8.01 Other Events.

On September 10, 2018, after the filing of the Definitive Proxy Statement, two lawsuits were brought by and/or on behalf of Convergys shareholders (the “Actions”).

The first action, a putative class action and derivative lawsuit (captioned Franchi v. Ayers, et al., Case No. A 1804876) (the “Franchi Action”), was filed in the Ohio Court of Common Pleas, Hamilton County against Convergys, individual members of the Convergys Board, SYNnex, Delta Merger Sub I and Concentrix CVG Corporation, alleging breach of fiduciary duty in connection with the Mergers. The complaint filed in the Franchi Action alleges that the individual defendants breached their fiduciary duties by (i) conducting an unfair sales process that was not designed to maximize shareholder value and (ii) failing to disclose to shareholders all material information necessary to make an informed vote on the Mergers. The Franchi Action seeks, among other things, orders (i) enjoining the defendants from proceeding with or consummating the Mergers, (ii) rescinding the Mergers if consummated or, alternatively, awarding unspecified rescissory damages, (iii) directing the defendants to account for all damages suffered as a result of their wrongdoing, and (iv) awarding plaintiff’s costs and attorneys’ and expert fees. A copy of the complaint filed in the Franchi Action is attached as Exhibit 99.1 hereto and incorporated by reference herein.

The second action, a putative class action lawsuit (captioned Zalvin v. Ayers, et al., Case No. A 1804888) (the “Zalvin Action”), was filed in the Ohio Court of Common Pleas, Hamilton County against Convergys and individual members of the Convergys Board, alleging breach of fiduciary duty in connection with the Mergers. The complaint filed in the Zalvin Action alleges that the individual defendants breached their fiduciary duties by (i) conducting an unfair sales process that was not designed to maximize shareholder value and (ii) failing to disclose to shareholders all material information necessary to make an informed vote on the Mergers. On September 20, 2018, plaintiff filed a motion for a preliminary injunction. The hearing on that motion is scheduled for September 26, 2018. The Zalvin Action seeks, among other things, orders (i) declaring that the Mergers were agreed to in breach of the defendants’ fiduciary duties or that the defendants aided and abetted such breaches, (ii) declaring that the defendants breached their duty of a full and fair disclosure, (iii) enjoining the defendants from proceeding with or consummating the Mergers until the requested

disclosures are made, (iv) awarding plaintiffs compensatory damages, and (v) awarding plaintiff's costs and attorneys' and expert fees. A copy of the complaint filed in the Zalvin Action is attached as Exhibit 99.2 hereto and incorporated by reference herein.

---

The defendants believe that these Actions are without merit, and that no further disclosure is required under applicable law. Nonetheless, to avoid the risk of the litigation delaying or adversely affecting the Mergers, the defendants are making supplemental disclosures (the “litigation-related supplemental disclosures”) related to the Mergers, as set forth herein. Nothing in this Current Report on Form 8-K shall be deemed an admission of the legal necessity or materiality under applicable laws of any of the supplemental disclosures set forth herein.

The litigation-related supplemental disclosures contained below should be read in conjunction with the Definitive Proxy Statement, which is available on the Internet site maintained by the Securities and Exchange Commission (the “SEC”) at <http://www.sec.gov>, along with periodic reports and other information the Company files with the SEC. The Company and the other named defendants have denied, and continue to deny, that they have committed or assisted others in committing any violations of law or breaches of duty to Convergys shareholders, and expressly maintain that, to the extent applicable, they complied with their fiduciary and other legal duties and are providing the litigation-related supplemental disclosures below solely to try to eliminate the burden and expense of further litigation, to put the claims that were or could have been asserted to rest, and to avoid any possible delay to the closing of the Mergers that might arise from further litigation. Nothing in the litigation-related supplemental disclosures shall be deemed an admission of the legal necessity or materiality under applicable laws of any of the litigation-related supplemental disclosures set forth herein. To the extent that the information set forth herein differs from or updates information contained in the Definitive Proxy Statement, the information set forth herein shall supersede or supplement the information in the Definitive Proxy Statement. All page references are to pages in the Definitive Proxy Statement, and terms used below, unless otherwise defined, have the meanings set forth in the Definitive Proxy Statement.

#### SUPPLEMENTAL DISCLOSURES TO DEFINITIVE PROXY STATEMENT RELATED TO SHAREHOLDER ACTIONS

The “The Convergys Proposal I: Adoption of the Merger Agreement and SYNEX Proposal I: Approval of the Stock Issuance ” section of the Definitive Proxy Statement under the heading “Background of the Mergers” is hereby amended by:

Adding the below paragraph following the fourth full paragraph on page 78.

The confidentiality agreement with Party B provided that the standstill contained in the confidentiality agreement fell away upon execution of an agreement providing for the merger or consolidation of Convergys in which Convergys shareholders did not continue to beneficially own at least 50% of the combined entity or have the ability to elect a majority of the directors of the combined entity. The standstill provisions in all of the confidentiality agreements permitted the applicable counterparty to make a confidential approach to Convergys’ board of directors to request a waiver of the standstill, so long as such approach would not require Convergys to make a public announcement of such approach.

Adding the below additional sentence to the end of the third full paragraph on page 79.

The limited standstill fell away upon the execution of an agreement providing for the merger or other business combination of Convergys in which Convergys' shareholders do not directly or indirectly own 80% or more of the surviving or resulting entity. This standstill would restrict Elliott – a known shareholder activist – from using any confidential information it learned about Convergys under the confidentiality and non-disclosure agreement in an adversarial proxy contest.

Amending and restating the seventh full paragraph on page 79 as follows.

On April 18, 2018, Party D entered into a confidentiality and non-disclosure agreement, which provided for a customary standstill. The standstill provision in the confidentiality agreement permitted Party D to make a confidential approach to Convergys' board of directors to request a waiver of the standstill, so long as such approach would not require Convergys to make a public announcement of such approach.

Adding the below paragraph following the eighth full paragraph on page 80.

On May 18, 2018, Convergys entered into a definitive engagement letter with Centerview. That engagement letter provided that, among other things, Centerview would not be engaged to provide financial advisory services relating to – or in connection with – any strategic transaction involving Convergys to any person other than Convergys. The engagement letter additionally provided that Centerview would not provide any financing services relating to – or in connection with – any strategic transaction involving Convergys to any person other than Convergys.

Amending and restating the last two sentences of the penultimate paragraph on page 82 as follows.

As no SYNEX management projections had been provided to Convergys or Centerview, the parties to the call also reviewed financial forecasts for SYNEX based on Wall Street research analyst estimates. Mr. Witt advised that these projections were appropriate for Convergys to use in evaluating SYNEX' business.

The “The Convergys Proposal I: Adoption of the Merger Agreement and SYNEX Proposal I: Approval of the Stock Issuance ” section of the Definitive Proxy Statement under the heading “Opinion of Convergys' Financial Advisor” is hereby amended by:

Amending and restating the second full paragraph on page 98 as follows.

In performing this analysis, Centerview calculated a range of illustrative equity values for Convergys by (1) discounting to present value as of April 30, 2018 using discount rates ranging from 9.5% to 11.5% (reflecting Centerview's analysis of Convergys' weighted average cost of capital determined using the Capital Asset Pricing Model and based on considerations that Centerview deemed relevant in its professional judgment and experience, taking into account certain metrics including yields for U.S. treasury notes, levered and unlevered betas for comparable group companies, market risk and size premia, yields on an index of comparable credits and tax rates) and a mid-year discounting convention: (a) the forecasted unlevered free cash flows of Convergys reflected in each of the Base Case Forecasts and the Alternative Case Forecasts for the period beginning January 1, 2018 and ending on December 31, 2022 (with calendar year 2018 being pro-rated for the eight months remaining in the calendar year) and (b) a range of illustrative terminal values of Convergys at the end of the forecast period, calculated by Centerview applying perpetuity growth rates ranging from 1.5% to 2.5%, which Centerview selected based on its professional judgment and (2) subtracting from the foregoing results Convergys' net debt as of April 30, 2018 as set forth in the Convergys internal data.

Adding the below paragraph following the fourth full paragraph on page 98.

Centerview’s Discounted Cash Flow Analysis of Convergys did not take into account the expected synergies.

Adding the below additional sentence to the end of the last full paragraph on page 101.

Centerview’s analysis incorporated SYNEX projected cost savings of \$50 million, \$100 million, and \$150 million in fiscal years 2019, 2020, and 2021, respectively, as provided by SYNEX.

Adding the below sentence following the first sentence of the last full paragraph on page 103.

Centerview’s analysis incorporated SYNEX projected cost savings of \$50 million, \$100 million, and \$150 million in fiscal years 2019, 2020, and 2021, respectively, as provided by SYNEX.

The “The Convergys Proposal I: Adoption of the Merger Agreement and SYNEX Proposal I: Approval of the Stock Issuance ” section of the Definitive Proxy Statement under the heading “Convergys Projections” is hereby amended by:

Amending and restating the table and related footnotes on page 117 as follows.

(Dollars in millions)	FY2018E <sup>(1)</sup>	FY2019E	FY2020E	FY2021E	FY2022E
Revenue	\$ 2,690	\$ 2,717	\$ 2,785	\$ 2,854	\$ 2,926
Adjusted EBITDA <sup>(2)</sup>	\$ 340	\$ 349	\$ 363	\$ 372	\$ 381
Less: taxes	\$ (61 )	\$ (65 )	\$ (69 )	\$ (71 )	\$ (74 )
Less: changes in working capital	\$ (32 )	\$ (1 )	\$ (19 )	\$ (19 )	\$ (20 )
Less: capital expenditures	\$ (70 )	\$ (75 )	\$ (75 )	\$ (75 )	\$ (75 )
Less: one-time and other items	\$ (12 )	\$ (1 )	\$ -	\$ -	\$ -
Adjusted Unlevered Free Cash Flow <sup>(3)</sup>	\$ 165	\$ 206	\$ 200	\$ 206	\$ 212
Plus: stock compensation expense	\$ 20	\$ 22	\$ 24	\$ 25	\$ 26
Less: interest expense, net of tax	\$ (12 )	\$ (14 )	\$ (14 )	\$ (14 )	\$ (14 )
Plus: one-time and other items	\$ 12	\$ 1	\$ -	\$ -	\$ -
Adjusted Levered Free Cash Flow <sup>(4)</sup>	\$ 185	\$ 215	\$ 210	\$ 217	\$ 224

The budgeted numbers for 2018 that were included in the Convergys base case projections that were provided in March 2018 to Convergys’ board of directors and its financial advisor, Centerview, and later, to SYNEX and BofA Merrill Lynch, were updated in June 2018 to take into account actual results, to the extent then known. These (1) updated numbers for 2018 reflected (a) estimated revenue of \$2,714 million and (b) estimated adjusted EBITDA of \$335 million. An updated estimated 2018 adjusted levered free cash flow of \$183 million was also provided to Convergys’ board of directors and Centerview. An updated 2018 adjusted unlevered free cash flow of \$163 was also provided to Centerview.

Adjusted EBITDA is a non-GAAP financial measure that Convergys’ management uses to monitor and evaluate the performance of Convergys’ business. Convergys’ management defines adjusted EBITDA as EBITDA - which (2) represents income from continuing operations, net of tax, plus interest expense, tax expense, depreciation and amortization - excluding certain acquisition-related costs and other discrete items, including pension settlement charges and charges associated with company-wide restructuring initiatives.

(3) Adjusted unlevered free cash flow is a non-GAAP financial measure defined as Adjusted EBITDA, less taxes (adjusted to exclude the tax impact of net interest expense), less changes in working capital, less capital expenditures (net of proceeds from disposal), less one-time and other items. For the avoidance of doubt, stock-based compensation was treated as a cash expense for purposes of calculating adjusted unlevered free cash

flow.

(4) Adjusted levered free cash flow is a non-GAAP financial measure that Convergys’ management uses to monitor and evaluate the performance of Convergys’ business. Convergys’ management defines adjusted free cash flow as free cash flow - which represents cash flows from operations less capital expenditures (net of proceeds from disposal) – excluding certain acquisition-related cash payments associated with investment activity.

The “The Convergys Proposal I: Adoption of the Merger Agreement and SYNEX Proposal I: Approval of the Stock Issuance ” section of the Definitive Proxy Statement under the heading “SYNEX Financial Projections” is hereby amended by:

Amending and restating the penultimate paragraph on page 119 as follows.

The SYNEX financial projections were not prepared with a view to public disclosure and are included in this joint proxy statement/prospectus only because such information was provided to SYNEX’ board of directors and provided, in whole or in part, to BofA Merrill Lynch for the purpose of its financial analyses and opinion. The SYNEX financial projections were not provided to Convergys or Centerview for review.

The “Interests of Convergys’ Directors and Executive Officers in the Mergers” section of the Definitive Proxy Statement under the heading “Equity Compensation” is hereby amended by:

Amending and restating the last full sentence of the second full paragraph on page 160 as follows.

Based on the assumptions described above under “Interests of Convergys’ Directors and Executive Officers in the Mergers—Certain Assumptions,” the estimated amount that would become payable upon the completion of the initial merger to Convergys’ eight non-employee directors in respect of their unvested Convergys RSU awards is \$1,009,454 in the aggregate, which includes, for each non-employee director, the amount shown below:

	Cash Payment for Unvested RSU Awards (\$)
Non-Employee Director	
Cheryl K. Beebe	134,254
Richard R. Devenuti	121,073
Jeffrey H. Fox	121,073
Joseph E. Gibbs	121,073
Joan E. Herman	128,977
Robert E. Knowling, Jr.	126,351
Thomas L. Monohan III	130,302
Ronald L. Nelson	126,351

Convergys’ non-employee directors had no unvested equity compensation that would vest in connection with the mergers, other than as disclosed herein.
