**Item 2.02 Results of Operations and Financial Condition**

On May 10, 2005, GuruNet Corporation announced its financial results for the quarter ended March 31, 2005. A copy of the script from the conference call announcing the results was attached as Exhibit 99.1 to GuruNet's current report on Form 8-K (File No. 001-32255) dated May 10, 2005.

This amendment corrects an error contained in the text of the script. On page 11 of the script, the text of Robert S. Rosenschein's remarks read as follows:

"I am pleased to share with you that May average daily ad revenue has shown over a 20% increase over March average daily ad revenue."

Mr. Rosenchien's remarks should read as follows:

"I am pleased to share with you that May average daily ad revenue has shown over a 20% increase over April average daily ad revenue."

Except for the foregoing, no attempt has been made in this Form 8-K/A to modify or update other disclosures as presented in the original Form 8-K.
