PROXY STATEMENT

General

We are providing this proxy statement in connection with the solicitation by the Board of Directors of Ocean Bio-Chem, Inc. of proxies to be voted at our Annual Meeting of Shareholders and at any postponement or adjournment of the meeting. Our Annual Meeting will be held at 10 a.m., Eastern Daylight Time, on June 8, 2012, at our corporate offices located at 4041 S.W. 47th Avenue, Ft. Lauderdale, Florida 33314.

Our proxy materials and annual report are being made available to our shareholders on or about April 30, 2012.

Outstanding Securities and Voting Rights

Only holders of record of our common stock at the close of business on April 16, 2012, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On the record date, 8,106,886 shares of our common stock were outstanding.

Each holder of record of our common stock as of the record date is entitled to cast one vote per share. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Directors are elected by a plurality of votes cast. For purposes of the vote at the annual meeting, this means that the eight nominees with the highest number of votes will be elected. Except as noted below, under Florida law, action on a matter other than the election of directors is approved if the votes cast in favor of the proposal exceed the votes cast against the proposal. Therefore, abstentions, although counted for purposes of determining whether there is a quorum, will have no effect on the vote. In addition, where brokers are prohibited from exercising discretionary authority in voting shares for beneficial owners who have not provided voting instructions (commonly referred to as “broker non-votes”), those shares will not be included in vote totals, but, if

deemed represented for any purpose at the meeting, will be counted for purposes of determining whether there is a quorum at the meeting. However, with regard to the proposal to amend our Articles of Incorporation, Florida law requires approval of holders of a majority of the outstanding shares of our common stock in order to adopt the proposed amendment. Therefore, with respect to the proposal to amend our Articles of Incorporation, abstentions and broker non-votes will have the same effect as a vote against the proposal.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted "FOR" the election of each of the eight nominees to the Board named in this proxy statement, "FOR" approval of the proposed amendment to our Articles of Incorporation; and "FOR" ratification of the appointment of Goldstein Schechter Koch P.A. as our independent registered public accounting firm. You may revoke your proxy at any time prior to its use by delivering or mailing to our Corporate Secretary at the address listed above a signed notice of revocation or a later-dated signed proxy, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself constitute the revocation of a proxy.

Solicitation of proxies on behalf of the Board of Directors may be made by our employees through the mail, in person or by telephone. We will pay all costs of the solicitation. We also will reimburse brokerage houses and other nominees for forwarding proxy materials to beneficial owners.

PROPOSAL 1. ELECTION OF DIRECTORS

Nominees for Election and Executive Officers

At the annual meeting, eight directors are to be elected for a one-year term expiring at our 2013 annual meeting or until their successors have been duly elected or qualified. Four of our directors also are our executive officers.

The Board of Directors believes that the nominees will be able to serve as directors, if elected. If any nominee is unable to serve, proxies will be voted for the election of such other persons as the Board of Directors may recommend, unless the Board of Directors reduces the number of directors.

Set forth below is certain information concerning the nominees for election as directors:

Peter G. Dornau is our co-founder and has served as our Chairman of the Board, President and Chief Executive Officer since 1973.

Jeffrey S. Barocas joined our company in December 2006 and has been our Vice President-Finance and Chief Financial Officer since March 2007. Prior to joining Ocean Bio-Chem, Inc., he was Chief Financial Officer of Quality Communications of Florida. He has been a director since August 2007.

Gregor M. Dornau has been our Vice President - Sales & Marketing since August 2007. He has been employed by us since 1990 and has been a director since August 2007. He is the son of Peter G. Dornau.

William W. Dudman joined our company in February 2004 as our Vice President - Operations and Secretary. Prior to joining Ocean Bio-Chem, Inc., he held various management positions within the marine industry, most recently with West Marine, Inc., our largest customer, from May 1999 to April 2004. He has been a director since August 2007.

Sonia B. Beard has been a director since April 2003. She has been employed by Walt Disney World since 1997, and currently holds the position of Manager of Operations Initiatives for the Walt Disney World Resort. Ms. Beard has over 15 years of financial experience and is a Certified Public Accountant (inactive). She serves as the Chairperson of the Audit Committee and serves on the Equity Grant Committee.

Diana Mazuelos Conard has been a director since April 2011. Ms. Conard has been employed for over five years by Franklin Templeton Investments, where she has served as the Director of Global Strategic Services since February 2009. From 2005 to 2009 she was Vice President - Client Relationship Manager. Ms. Conard serves on the Audit Committee and the Equity Grant Committee.

James M. Kolisch has been a director since May 1998. Mr. Kolisch has served as Regional Executive Vice President of USI Insurance Services LLC., which sources most of our insurance needs, and its predecessor company for a period of approximately 30 years.

Messrs. Peter and Gregor Dornau, Barocas and Dudman are executive officers of our company and have intimate knowledge of, and provide valuable perspectives to the entire Board regarding, our sales, marketing, operations and finance. Ms. Beard's accounting and operations experience enables her to provide valuable insights to the Board on financial matters. Her background renders her well-qualified to lead the Audit Committee in its oversight function with respect to the integrity of our financial statements, our internal controls and other matters. Ms. Conard's background as an executive with Franklin Templeton Investments enables her to provide valuable insights to both the Board and the Audit Committee on financial matters. Mr. Kolisch's experience assisting our company in locating appropriate insurance coverage enables him to provide insights regarding risk management of our assets and operations. Mr. Turner's insurance and business experience enables him also to contribute meaningfully to the Board's risk assessments.

All directors serve until the next annual meeting of shareholders or until their successors are duly elected and qualified. Each executive officer serves at the discretion of the Board of Directors.

Your Board unanimously recommends a vote FOR each of its nominees.

CORPORATE GOVERNANCE

Board Independence

The Board of Directors has determined that each of Sonia B. Beard, Diana Mazuelos Conard and John B. Turner is an independent director within the meaning of the rules of The Nasdaq Stock Market, which we refer to as “Nasdaq.” In addition, the Board has determined that each of the members of the Audit Committee is also independent within the meaning of Nasdaq rules, including additional independence requirements relating to audit committee members. Because Peter G. Dornau, our President and Chief Executive Officer, indirectly owns a majority of our shares, we qualify as a “controlled company” under Nasdaq rules and, accordingly, we are exempt from requirements to have a majority of independent directors; to have compensation of executive officers determined or recommended to the Board of Directors by a majority of the independent directors or by a compensation committee consisting solely of independent directors; or to have director nominees selected by or recommended to the Board of Directors by a majority of the independent directors or by a nominations committee comprised solely of independent directors.

In light of these exemptions, and because we believe that, under the circumstances, it is appropriate for Mr. Peter Dornau to participate meaningfully in determinations regarding executive compensation and selection of nominees for election to the Board of Directors, we are of the view that it is appropriate not to have these committees. All directors participate in consideration of executive officer compensation and director nominations, although grants of equity awards are subject to approval of the Equity Grant Committee.

Executive Sessions of Independent Directors

Executive sessions of independent directors are held at least four times a year telephonically, and the directors meet in person when deemed appropriate.

Board Leadership Structure and Risk Oversight

Peter G. Dornau, our Chairman of the Board, also is our Chief Executive Officer. We believe that it is appropriate for Mr. Dornau to serve both as our Chairman of the Board and Chief Executive Officer because, as a co-founder of our company and Chief Executive Officer for over 30 years, he is intimately familiar with our business and most capable of effectively identifying strategic priorities and leading directors' discussions on important matters relating to our business operations. We do not have a lead independent director.

The Board, principally through the Audit Committee, addresses risk oversight of Ocean Bio-Chem, Inc. through discussion with management concerning risk issues, typically during the course of Audit Committee meetings. We do not believe this process has a material effect on our leadership structure.

Board of Directors and Board Committees

The Board of Directors held one meeting during 2011. The Board encourages directors to attend our annual meeting of shareholders. All Board members other than Mr. Kolisch attended the 2011 annual meeting.

Audit Committee

The members of the Audit Committee are Ms. Beard (Chairperson), Mr. Turner and Ms. Conard. The Audit Committee assists the Board in fulfilling its oversight responsibility relating to our financial statements and financial reporting process; the qualifications, independence and performance of our independent auditors; the performance of our internal controls; and our compliance with legal and regulatory requirements. The charter of the Audit Committee is available on our website at http://oceanbiochem.com/obci/images/pdf/3406_001.pdf.

The Board of Directors has determined that Ms. Beard is an “audit committee financial expert,” as that term is defined in Securities and Exchange Commission regulations.

The Audit Committee met four times during 2011.

Equity Grant Committee

The members of the Equity Grant Committee are Mr. Turner (Chairperson) and Mses. Beard and Conard. The Equity Grant Committee administers our equity compensation plans. The Equity Grant Committee did not meet in 2011, but took action by unanimous written consent.

Director Nominations

Directors are not required to meet any specific or minimum qualifications or diversity criteria to be eligible for nomination. The Board attempts to identify persons who have the requisite experience and expertise to contribute meaningfully to our company.

The Board will consider shareholder recommendations of candidates for nomination to the Board of Directors. Recommendations by shareholders must be in writing, must include the full name of the proposed candidate, a brief description of the proposed candidate's business experience for at least the previous five years, and a representation that the recommending shareholder is a beneficial or record owner of our common stock. Any recommendation must also be accompanied by the written consent of the proposed candidate to be named as a nominee and serve as a director if elected. Recommendations must be delivered to the Board at the following address:

Board of Directors

Ocean Bio-Chem, Inc.

4041 SW 47th Avenue

Fort Lauderdale, Florida 33314-4023

The Board may seek additional information regarding the candidate. All potential candidates will be considered in the same manner regardless of the source of the recommendation.

Compensation Committee Interlocks and Insider Participation

We do not have a compensation committee. All of our directors, including our independent directors, Messrs. Peter and Gregor Dornau, Barocas and Dudman (executive officers of our company) participated in deliberations concerning executive officer compensation, although grants of equity awards were subject to approval of the Equity Grant Committee.

Communications with the Board

Shareholders and other interested persons may communicate with the Board of Directors by writing to: Board of Directors, c/o Corporate Secretary, Ocean Bio-Chem, Inc., 4041 S.W. 47th Avenue, Fort Lauderdale, FL 33314. In addition, shareholders and other interested parties may contact the Audit Committee to report complaints about our accounting, internal accounting controls or auditing matters by writing to: Audit Committee, c/o Corporate Secretary, Ocean Bio-Chem, Inc., 4041 S.W. 47th Avenue, Fort Lauderdale, FL 33314. Communications to the Board of Directors regarding accounting, internal accounting controls or auditing matters will be referred to the Audit Committee. You can report your concerns to the Board of Directors, the independent directors or the Audit Committee anonymously or confidentially. In the case of communications addressed to the Board of Directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to any particular director, the Corporate Secretary will send appropriate shareholder communications to such director. In the case of communications addressed to the Audit Committee, the Corporate Secretary will send appropriate shareholder communications to the Chairperson of the committee.

Code of Ethics

We have a Code of Ethics applicable to all of our officers, other employees and directors. The Code of Ethics is available on our website at <http://oceanbiochem.com/obci/code-of-ethics.html>. We intend to satisfy the disclosure requirements regarding any amendment to, or waiver from, a provision of our Code of Ethics by disclosing such matters in the “About Us” section of our website, <http://oceanbiochem.com/obci>.

Compensation of Directors

Each director who is not an employee of the Company receives fees of \$1,000 for attendance at each regular meeting of the Board of Directors or Board committee; for this purpose, all Board of Directors and Board committee meetings held on the same or on contiguous days are treated as if they constitute a single meeting. Any director may waive the receipt of the fees (Ms. Conard and Mr. Turner, who have waived all compensation, do not receive any fees).

The following table provides information regarding compensation for our non-employee directors in 2011. The table does not include amounts for reimbursement of expenses related to attending Board or Board committee meetings. The table also does not include compensation for Messrs. Peter Dornau, Gregor Dornau, Barocas and Dudman, our executive officers, whose compensation is included in the Summary Compensation Table.

Under Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers, and persons holding more than ten percent of our common stock are required to file with the Securities and Exchange Commission initial reports of their ownership of our common stock and reports of changes in such ownership. To our knowledge, based on information furnished to us, all of these filing requirements were satisfied for 2011, except that, due to an administrative oversight, each of Messrs. Peter Dornau, Gregor Dornau, Barocas and Dudman made one late filing relating to one transaction, namely stock awards granted to each of them in 2011.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2011, as in previous years, we sold products to companies affiliated with Peter G. Dornau, our Chairman, President and Chief Executive Officer. The affiliated companies distribute the products outside of the United States and Canada. We also provide administrative services to these companies. In 2011, sales to the affiliated companies aggregated approximately \$1,764,000, and administrative fees aggregated approximately \$332,000. At December 31, 2010, we had accounts receivable from the affiliated companies of approximately \$495,000 in connection with the product sales and management services. Transactions with the affiliated companies were made in the ordinary course of business but were not made on substantially the same terms and conditions as those prevailing at the same time for comparable transactions with other customers. Management believes that the sales transactions did not involve more than normal credit risk or present other unfavorable features.

One of our subsidiaries currently uses the services of an entity that is owned by Mr. Peter Dornau to conduct product research and development. In 2011, we paid the entity approximately \$42,000 for its services.

We lease our executive offices and warehouse facilities in Fort Lauderdale, Florida from an entity controlled by Mr. Peter Dornau. On May 1, 2008, we renewed the lease for a term of ten years. The lease requires minimum base rent of \$94,800 and provides for a maximum annual 2% increase in subsequent years, although the entity has not raised the minimum rent since we entered into the initial lease in 1988. Additionally, the leasing entity is entitled to reimbursement of all taxes, assessments, and any other expenses that arise from ownership. Each of the parties to the lease has agreed to review the terms of the lease every three years if requested by the other party. Rent expense under the lease during 2011 was approximately \$96,000. We believe that our rental payments under the lease are below prevailing market rates.

James M. Kolisch, one of our directors, is Regional Executive Vice President of USI Insurance Services, an entity from which we source most of our insurance needs at an arm's length competitive basis. In 2011, we paid an aggregate of approximately \$600,000 in insurance premiums on policies obtained through USI Insurance Services, Inc.

As previously disclosed, on December 6, 2010, we issued a note to the Mr. Peter Dornau in the principal amount of \$471,950. The note was issued to Mr. Dornau in connection with our redemption of a warrant held by Mr. Dornau to purchase 500,000 shares of our common stock at an exercise price of \$0.836 per share. The redemption, which was approved by our independent directors, was effected to prevent the dilutive effect of the exercise of the warrant. The warrant initially was issued to the Mr. Dornau in connection with financing he provided to us in December 2005. The note bore interest at the rate of 3% per annum. On January 5, 2011, we paid all outstanding principal and interest on the note, totaling \$473,100.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board in its oversight of the integrity of Ocean Bio-Chem, Inc.'s financial statements and compliance with legal and regulatory requirements. Management has responsibility for preparing the financial statements and for the financial reporting process. In addition, management has the responsibility to assess the effectiveness of Ocean Bio-Chem, Inc.'s internal control over financial reporting. Goldstein Schechter Koch P.A., Ocean Bio-Chem, Inc.'s independent registered public accounting firm, is responsible for expressing an opinion on the conformity of Ocean Bio-Chem's audited financial statements to accounting principles generally accepted in the United States of America and on whether the financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of Ocean Bio-Chem, Inc.

In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed with management and Goldstein Schechter Koch P.A. the audited financial statements and evaluation of Ocean Bio-Chem, Inc.'s internal control over financial reporting.

2. The Audit Committee has discussed with Goldstein Schechter Koch P.A. the matters required to be discussed by the Public Company Accounting Oversight Board Standards, AU Section 380, "Communications with Audit Committees."

3. The Audit Committee has received the written disclosures and the letter from Goldstein Schechter Koch P.A. required by applicable requirements of the Public Company Accounting Oversight Board regarding Goldstein Schechter Koch P.A.'s communications with the Audit Committee concerning independence, and has discussed with Goldstein Schechter Koch P.A. that firm's independence.

Based on the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Ocean Bio-Chem, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2011, for filing with the Securities and Exchange Commission.

PROPOSAL 2. AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION

The Board of Directors has approved, subject to shareholder approval, an amendment to our Articles of Incorporation to increase the number of authorized shares of our common stock, \$0.01 par value, from 10,000,000 shares to 12,000,000 shares and enable us to issue shares for such consideration as is permitted by Florida law.

As of February 29, 2012, 8,106,882 shares of our common stock were issued and outstanding. As of that date, an additional 1,406,700 shares of common stock were reserved under our equity compensation plans and other equity arrangements, including 795,700 shares underlying outstanding stock options and 611,000 shares authorized for issuance under our Omnibus Equity Compensation Plan.

The Board believes that the proposed increase in the number of shares of our authorized common stock is in the best interests of our stockholders. The proposed increase will provide us with the ability to issue common stock for a variety of corporate purposes, including grants of equity-based compensation.

We do not have any present plans, agreements or understandings regarding the issuance of our common stock other than under our Omnibus Equity Compensation Plan and outstanding stock options. No further action or authorization by our shareholders would be necessary prior to the issuance of the additional shares of common stock unless required by applicable law or by the rules of the Nasdaq Stock Market or any other stock exchange on which our common stock may then be listed.

If the proposed amendment to our Articles of Incorporation is approved, the additional authorized common stock would have rights identical to our currently outstanding common stock. The proposed increase in the number of shares of common stock will not change the number of shares of common stock outstanding, nor will it have any immediate dilutive effect on current holders of our common stock. However, to the extent that the additional authorized shares are issued in the future, they may decrease the percentage equity ownership of existing shareholders and dilute earnings and book value on a per share basis. Our shareholders have no preemptive rights to subscribe for additional shares of common stock when issued, which means that current shareholders do not have a prior right to purchase any newly-issued shares in order to maintain their proportionate ownership of our common stock.

In addition to increasing our authorized common stock, the proposed amendment is also designed to enable us to issue shares for such consideration as is permitted by Florida law. Currently, Article III of the Articles of Incorporation provides as follows:

The stock of this corporation shall be divided into 10,000,000 shares of stock, par value \$.01 per share. All said stock shall be payable in cash, property, labor or services at a just valuation to be fixed by the Board of Directors at a meeting called for that purpose; property, labor or services may be purchased or paid for, with the capital stock, at a just valuation to be fixed by the Board of Directors at a meeting called for that purchase.

The second and third sentences of current Article III are inconsistent with the provisions of Florida law. Under Section 607.0621 of the Florida Business Corporation Act (the "FBCA"), the board of directors of a Florida corporation may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the corporation, including cash, promissory notes, services performed, promises to perform services evidenced by a written contract or other securities of the corporation. Before a Florida corporation issues shares, the board of directors must determine that the consideration received or to be received is adequate. Under Section 607.0830 of the FBCA, a committee of the board of directors may authorize or approve the issuance or sale or contract for the sale of shares within limits specifically prescribed by the board of directors.

Because Florida law permits a broader class of consideration to may be exchanged for shares than is provided under current Article III and because Article III's "just valuation" standard differs from the "adequate consideration" standard of Florida law, we believe that the Article III provisions may curtail the flexibility otherwise provided by Florida law for over 20 years with regard to types of consideration that may be exchanged for our shares. Moreover, the "just valuation" requirement of Article III may cause uncertainties in its application as compared to the "adequate consideration" standard under Florida law. Accordingly, we believe that the last two sentences of Article III should be deleted, which would eliminate any question concerning our ability to issue shares for such consideration as is provided in the FBCA.

We are not seeking approval of the proposed amendment to inhibit a change in control. We are aware, however, that under certain circumstances the issuance of common stock could discourage, or make more difficult, efforts to obtain control of us, although we are not aware of any pending or threatened efforts to acquire control of us.

For the reasons discussed above, the Board of Directors is recommending that our shareholders approve the proposed amendment to Article III. If the proposed amendment is approved, we will file a Certificate of Amendment with the Secretary of State of the State of Florida amending Article III in its entirety to read as follows:

ARTICLE III

The aggregate number of shares that this corporation shall have authority to issue is 12,000,000 shares of common stock, par value \$.01 per share.

Your Board unanimously recommends a vote FOR approval of the amendment to our Articles of Incorporation.

PROPOSAL 3. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors selected Goldstein Schechter Koch P.A. to audit our consolidated financial statements for 2012. In accordance with past practice, this selection will be presented to the shareholders for ratification at the Annual Meeting; however, consistent with the requirements of the Sarbanes Oxley Act of 2002, the Audit Committee has ultimate authority in respect of the selection of our auditors.
