Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

Fiscal Year 2015 Cash Incentive Program

On April 3, 2014, the Compensation Committee of the Board of Directors (the “Compensation Committee”) of Measurement Specialties, Inc. (the “Company”) adopted the Company’s annual cash incentive program for fiscal year 2015 (the “2015 Incentive Program”) under the Company’s shareholder-approved Performance Incentive Plan for the named executive officers and certain other eligible employees of the Company. The 2015 Incentive Program establishes an aggregate target bonus amount for fiscal year 2015 of \$5.0 million (the “Aggregate Target Bonus”) to be allocated amongst the participants at target levels set by the Compensation Committee for each participant. Pursuant to the 2015 Incentive Program, the Company will accrue an aggregate bonus amount only if the Company’s fiscal 2015 Adjusted EBITDA margin as a percentage of net sales (excluding the bonus accrual) (“Adjusted EBITDA Margin”) exceeds 18.5%. The actual aggregate bonus amount will be based on the amount by which the Company’s fiscal 2015 Adjusted EBITDA, as defined under the Performance Incentive Plan, (excluding the bonus accrual) exceeds the Adjusted EBITDA (excluding the bonus accrual) that would have resulted if Adjusted EBITDA Margin at such level of net sales were equal to 18.5% (the “Excess Amount”). Under the 2015 Incentive Program, the following amounts will be accrued to the aggregate bonus amount: (i) 50% of the Excess Amount up to a maximum accrual equal to the Aggregate Target Bonus plus (ii) 20% of the Excess Amount above the Aggregate Target Bonus.

Adjusted EBITDA and Adjusted EBITDA Margin are non-GAAP financial measures that are not in accordance with, or an alternative to, measures prepared in accordance with GAAP and may be different from EBITDA and EBITDA margin as a percentage of sales measures used by other companies.
