PROXY STATEMENT

GENERAL INFORMATION

We are providing this proxy statement to you in connection with the solicitation of proxies by the Board of Directors of Kentucky First Federal Bancorp (“Kentucky First” or the “Company”) for the 2014 Annual Meeting of Stockholders (the “Annual Meeting”) and for any adjournment or postponement of the meeting. The annual meeting will be held at First Federal Center on the campus of Hazard Community and Technical College located at One Community College Drive, Hazard, Kentucky on Thursday, November 13, 2014, at 3:30 p.m., Eastern time, and at any adjournment thereof.

We intend to mail this proxy statement and the enclosed proxy card to stockholders of record beginning on or about October 13, 2014.

NOTICE OF AVAILABILITY OF PROXY MATERIALS

Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to be Held on November 13, 2014.

The proxy statement and the 2014 Annual Report to Stockholders are available on the Internet at <https://materials.proxyvote.com/491292>.

Who Can Vote at the Meeting

You are entitled to vote the shares of Kentucky First Federal Bancorp common stock that you owned as of the close of business on September 30, 2014. As of the close of business on September 30, 2014 (the “Record Date”), a total of 8,524,178 shares of Kentucky First Federal Bancorp common stock were outstanding. Each share of common stock has one vote.

Ownership of Shares; Attending the Meeting

You may own shares of Kentucky First Federal Bancorp in one of the following ways:

- Directly in your name as the stockholder of record;
- Indirectly through a broker, bank or other holder of record in “street name”; or
- Indirectly in the First Federal Savings and Loan Association of Hazard Employee Stock Ownership Plan.

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the annual meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction card that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the voting instruction card provided by your broker, bank or other holder of record that accompanies this proxy statement. **If you hold your shares in street name, you will need proof of ownership to be admitted to the meeting.** A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Kentucky First Federal Bancorp common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares.

If you are a participant in the ESOP, see “*Participants in the First Federal Savings and Loan Association of Hazard Employee Stock Ownership Plan*” below for information on how to vote your shares.

Quorum and Vote Required

Quorum. We will have a quorum and will be able to conduct the business of the Annual Meeting if the holders of at least a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy. Because First Federal MHC owns in excess of 50% of the outstanding shares of Kentucky First Common Stock, the votes it casts will insure the presence of a quorum.

Votes Required for Proposals. At this year’s annual meeting, stockholders will elect three directors to serve for terms of three years. In voting on the election of directors, you may vote in favor of the nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected.

In voting to ratify the appointment of Crowe Horwath, LLP as the Company’s independent registered public accounting firm, you may vote in favor of this proposal, vote against this proposal, or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the votes cast at the annual meeting.

In the advisory vote on the non-binding resolution to approve the compensation of the named executive officers, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To approve the non-binding resolution on an advisory basis, the affirmative vote of a majority of the votes cast at the annual meeting is required.

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes, if any, also will be counted for purposes of determining the existence of a quorum.

In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of the independent registered public accountants and the non-binding resolution to approve the compensation of the named executive officers, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the voting on the proposal.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors or on the advisory vote regarding the compensation of our named executive officers (Proposals 1 and 3 of this proxy statement). Current regulations restrict the ability of your bank or broker to vote your uninstructed shares in the election of directors and other matters on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors or with respect to the advisory votes regarding the compensation of our named executive officers, no votes will be cast on these matters on your behalf. These are referred to as broker non-votes. Your bank or broker does, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 2 of this proxy statement).

Voting by Proxy

The Board of Directors of Kentucky First Federal Bancorp is sending you this proxy statement for the purpose of requesting that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the annual meeting by properly executed and dated proxy cards will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

The Board of Directors recommends that you vote:

“FOR” each of the nominees for director;

“FOR” ratification of Crowe Horwath, LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2015; and

“FOR” the approval of the compensation of the named executive officers.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will vote your shares as determined by a majority of the Board of Directors. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Kentucky First Federal Bancorp common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. We do not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later-dated proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

Participants in the First Federal Savings and Loan Association of Hazard Employee Stock Ownership Plan

If you participate in the First Federal Savings and Loan Association of Hazard Employee Stock Ownership Plan (the “ESOP”), you will receive a voting instruction card that reflects all shares you may direct the ESOP trustees to vote on your behalf under the plan. Under the terms of the ESOP, the ESOP trustees vote all allocated shares of Company common stock held by the ESOP as directed by the plan participants. The ESOP trustees, subject to the exercise of their fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Please return your proxies as instructed as early as possible.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

The Company's Board of Directors currently consists of nine members, all of whom are independent under the listing standards of the Nasdaq Stock Market, except William H. Johnson, Tony D. Whitaker and Don D. Jennings. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading "*Other Information Relating to Directors and Executive Officers — Transactions with Related Persons.*" These include loans and lines of credit made by the banks in the ordinary course of business, which are made in compliance with federal lending regulations regarding loans to insiders and approved by the appropriate bank board of directors. In determining that Directors Stephen G. Barker and W. Banks Hudson are independent, the Board of Directors considered that they had been paid \$27,124 from First Federal of Hazard and \$18,457 from First Federal of Frankfort, respectively, in legal fees for services provided to the banks during the year ended June 30, 2014.

Board Leadership Structure and Board's Role in Risk Oversight

Beginning on January 1, 2013, the positions of Chief Executive Officer and Chairman of the Board were separated due to Tony D. Whitaker's retirement from day to day activity and Don Jennings' appointment as Chief Executive Officer. Mr. Whitaker continues to serve as Chairman of the Board of the Company and First Federal of Hazard but no longer serves as Chief Executive Officer of those entities. The Board of Directors has not designated a lead independent director.

Though different individuals serve in the position of Chairman of the Board and Chief Executive Officer, the Chairman of the Board had served as Chief Executive Officer until December 31, 2012 and continues to serve as an executive officer and; therefore, is not independent under the listing standards of the Nasdaq Stock Market. The Company's Board of Directors endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the Chief Executive Officer. However, the Board does not believe that mandating a particular structure is necessary to achieve effective oversight. The Board of the Company is currently comprised of nine directors, six of whom are independent directors under the listing standards of the Nasdaq Stock Market. The Chairman of the Board has no greater nor lesser vote on matters considered by the Board than any other director, and the Chairman does not vote on any related party transaction. All directors of the Company, including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Accordingly, having an independent director serve as Chairman would not serve to enhance or diminish the fiduciary duties of any director of the Company.

To further strengthen the regular oversight of the full Board, all various committees of the Board are comprised of independent directors. The Compensation Committee of the Board consists solely of independent directors. The Compensation Committee reviews and evaluates the performance of all executive officers of the Company, including the Chief Executive Officer and reports to the Board. In addition, the Audit Committee, which is comprised solely of independent directors, oversees the Company's financial practices, regulatory compliance, accounting procedures and financial reporting functions. In the opinion of the Board of Directors, an independent chairman or the designation of a lead independent director does not add any value to this already effective process.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Committees of the Board of Directors

Below we provide the Company's standing committees and their members. All members of each committee are independent in accordance with the listing requirements of the Nasdaq Stock Market. The Board's Audit, Compensation, and Nominating/Corporate Governance Committees each operate under a written charter that has been approved by the Board of Directors. Each committee reviews and reassesses the adequacy of its charter at least annually.

Audit Committee. The Company has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is comprised of Chairman David R. Harrod, Walter G. Ecton, Jr., William D. Gorman, Jr. and Herman D. Regan, Jr. The committee met five times during the year. The Company's Board of Directors has determined that one member of the Audit Committee, David R. Harrod, qualifies as an "audit committee financial expert" under the rules of the Nasdaq Stock Market.

The function of the Audit Committee is to review and discuss the audited financial statements with management, internal audit and the independent auditors; to determine the independent accountants' qualifications and independence; to engage the independent auditors of the Company; to review the internal audit function and internal accounting controls; to review the internal audit plan; to review the Company's compliance with legal and regulatory requirements; and to review the Company's auditing, accounting and financial processes generally. The Audit Committee operates under a written charter, a copy of which is posted on the website of First Federal Savings Bank of Frankfort at www.ffsbfrankfort.com/Audit.pdf.

Compensation Committee. The Compensation Committee is comprised of Chairman Herman D. Regan, Jr., Walter G. Ecton, Jr., and William D. Gorman, Jr. The committee met once during the year. The Compensation Committee evaluates the compensation and fringe benefits of the directors, officers and employees and recommends changes. The Compensation Committee reviews all components of compensation, including salaries, cash incentive plans, equity incentive plans and various employee benefit matters. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Chief Executive Officer makes recommendations to the Compensation Committee regarding compensation of directors and executive officers other than himself, but final compensation decisions are made by the Board of Directors based on the recommendation of the Compensation Committee.

The Compensation Committee operates under a written charter that establishes the Compensation Committee's responsibilities. The Compensation Committee and the Board of Directors review the Charter periodically to ensure that the scope of the charter is consistent with the Compensation Committee's expected role. Under the charter, the Compensation Committee is charged with general responsibility for the oversight and administration of the Company's compensation program. The charter vests in the Compensation Committee principal responsibility for determining the compensation of the Chief Executive Officer based on the Compensation Committee's evaluation of his performance.

The charter also authorizes the Compensation Committee to engage consultants and other professionals without management approval to the extent deemed necessary to discharge its responsibilities. The Compensation Committee charter is posted on the website of First Federal Savings Bank of Frankfort at www.ffsbfrankfort.com/Compensation.pdf.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee is comprised of Chairman Walter G. Ecton, Jr., David R. Harrod, William D. Gorman, Jr. and Herman D. Regan, Jr. The Board of Directors' Nominating/Corporate Governance Committee nominates directors to be voted on at the annual meeting and recommends nominees to fill any vacancies on the Board of Directors. The Board of Directors has adopted a charter for the Nominating/Corporate Governance Committee a copy of which is posted on the website of First Federal Savings Bank of Frankfort at www.ffsbfrankfort.com/Nominating.pdf.

It is the policy of the Nominating/Corporate Governance Committee to consider director candidates recommended by security holders who appear to be qualified to serve on the Company's Board of Directors. Any stockholder wishing to recommend a candidate for consideration by the Nominating/Corporate Governance Committee as a possible director nominee for election at an upcoming annual meeting of stockholders must provide written notice to the Nominating/Corporate Governance Committee of such stockholder's recommendation of a director nominee no later than the July 1st preceding the annual meeting of stockholders. Notice should be provided to: Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. Such notice must contain the following information:

The name of the person recommended as a director candidate;

All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;

The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;

As to the stockholder making the recommendation, the name and address, as he or she appears on the Company's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and

A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In its deliberations, the Nominating/Corporate Governance Committee considers a candidate's personal and professional integrity, knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the banks' market areas. Any nominee for director made by the Nominating/Corporate Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating/Corporate Governance Committee solicits the Company's then current directors for the names of potential qualified candidates. Moreover, the Nominating/Corporate Governance Committee may ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating/Corporate Governance Committee would then consider the potential pool of director candidates, select a candidate based on the candidate's qualifications and the Board's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, the Nominating/Corporate Governance Committee would consider the proposed nominee in the same manner in which the Nominating/Corporate Governance Committee would evaluate nominees for director recommended by directors.

The Nominating Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge and corporate governance. Accordingly, the Board of Directors will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its stockholders; independence; and any other factors the Board of Directors deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board and independence.

Board and Committee Meetings

The Board of Directors of the Company meets quarterly and may have additional special meetings. During the year ended June 30, 2014, the Board of Directors of the Company met five times. No director attended fewer than 75% in the aggregate of the total number of Company Board of Directors meetings held during the year ended June 30, 2014 and the total number of meetings held by Committees on which he served during such fiscal year.

Director Attendance at Annual Meeting of Stockholders

Directors are expected to prepare themselves for and to attend all Board meetings, the Annual Meeting of Stockholders and the meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. All directors attended the Company's 2013 annual meeting of stockholders held on November 14, 2013.

Code of Ethics and Business Conduct

Kentucky First has adopted a Code of Ethics and Business Conduct that applies to all of its directors, officers and employees. To obtain a copy of this document at no charge, please write to Kentucky First Federal Bancorp, P.O. Box 535, Frankfort, Kentucky 40602-0535, or call toll-free (888) 818-3372 and ask for Investor Relations.

AUDIT RELATED MATTERS

Report of the Audit Committee

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed pursuant to U.S. Auditing Standards No. 380 (The Auditor's Communication With Those Charged With Governance), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the independent registered public accounting firm the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examination, its evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm who, in its report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board or that the Company's independent registered public accounting firm is in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2014 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of Crowe Horwath, LLP as the Company's independent registered public accounting firm for the 2014 fiscal year.

Pre-Approval of Services by the Independent Auditor

The Audit Committee does not have a policy for the pre-approval of non-audit services to be provided by the Company's independent registered public accounting firm. Any such services would be considered on a case-by-case basis. All non-audit services provided by the independent auditors in fiscal years 2014 and 2013 were approved by the Audit Committee before the independent auditors were engaged to provide the services. Certain services such as the review of the Company's public filings, review of the Company's tax returns, and general discussions with management regarding accounting issues, which may be construed as necessary for the accurate completion of the audit, are approved in advance on an annual basis. The Committee has also approved the engagement of Crowe Horwath, LLP to prepare the Company's consolidated tax return for the year ended June 30, 2015.

ITEMS TO BE VOTED ON BY STOCKHOLDERS

ITEM 1 – ELECTION OF DIRECTORS

The Company's Board of Directors consists of nine members and is divided into three equal classes with approximately one-third of the directors elected each year. At the annual meeting, three directors will be elected for a term expiring at the 2017 annual meeting. The Nominating/ Corporate Governance Committee of the Board of Directors has nominated Walter G. Ecton, Jr. W. Banks Hudson, and Don D. Jennings, to each serve as a director for a three-year term or until their respective successors have been elected and qualified. All of the nominees are currently members of the Company's Board.

Pursuant to the Company's Bylaws, there is no cumulative voting for the election of directors. As a result, directors are elected by a plurality of the votes present in person or by proxy at a meeting at which a quorum is present. This means that the nominees receiving the greatest number of votes will be elected. In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

Unless you indicate on the proxy card that your shares should not be voted for certain nominees, the Board of Directors intends that the proxies solicited by it will be voted for the election of all of the Board's nominees. If any nominee is unable to serve, the persons named in the proxy card would vote your shares to approve the election of any substitute proposed by the Board of Directors. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

The Board of Directors recommends a vote "FOR" the election of Messrs. Ecton, Hudson, and Jennings.

Information regarding the Board of Directors' nominees and the directors continuing in office is provided below. Unless otherwise stated, each individual has held his or her current occupation for the last five years. The age indicated for each individual is as of September 30, 2014. The indicated period of service as a director includes the period of service as a director of one of our bank subsidiaries, except for Mr. Hudson, whose service with CKF Bancorp, Inc. and Central Kentucky Federal Savings Bank, which the Company acquired on December 31, 2012, is not included.

Ford Regional Airport near Hazard. Mr. Baker has also served on the Board of Directors of the Company's wholly owned subsidiary, First Federal Savings and Loan Association of Hazard since 1997. Age 60. Director since 1997.

Mr. Barker's long service to First Federal of Hazard represents a valuable level of expertise and commitment, along with his extensive knowledge of real estate derived from his legal career make him an exceptional member of the board.

Tony D. Whitaker has served as Chairman of the of Kentucky First since its inception in March 2005. He served as Chief Executive Officer of Kentucky First from its inception until his retirement on January 1, 2013. He served as President and Chief Executive Officer of First Federal of Hazard from 1997 until his retirement on January 1, 2013, although he still serves as Chairman of the First Federal of Hazard board, on which he has served as a director since 1993. Mr. Whitaker was President of First Federal Savings Bank in Richmond, Kentucky from 1980 until 1994. From 1994 until 1996, Mr. Whitaker was the President of the central Kentucky region and served on the Board of Great Financial Bank, a \$3 billion savings and loan holding company located in Louisville, Kentucky. Mr. Whitaker served as a director of the Federal Home Loan Bank of Cincinnati from 1991 to 1997, including a term as Vice-Chairman. He served on the Board of America's Community Bankers, a national banking trade group, from 2001 to 2007. He served as Chairman of the Kentucky Bankers Association in 2011-12. Age 69. Director since 1993.

Based on his level of experience and the breadth of his career, Mr. Whitaker has few peers among bankers still actively working. His expertise in the Kentucky thrift community is incomparable. He is both the architect and ongoing leader of Kentucky First Federal and as such provides extremely valuable service to our board.

David R. Harrod has been a director of Kentucky First since its inception in March 2005. Mr. Harrod is a certified public accountant and is a principal of Harrod and Associates, P.S.C., a Frankfort, Kentucky-based accounting firm. He currently serves as a Director and Treasurer of the Franklin County Industrial Development Authority. He has served as a Director of Frankfort First Bancorp, Inc. and First Federal of Frankfort since 2003. He also previously served as Director and Chairman of the Audit Committee of Frankfort First Bancorp, Inc. Age 55. Director since 2003.

Mr. Harrod's financial expertise is a necessary component of the board. His career in public accounting, which has included audit work for a publicly-traded financial institution, affords him an exceptional level of knowledge that is highly appropriate as he chairs the Company's audit committee and, as such, is the liaison between the board and the independent public accountants.

The following directors have terms ending in 2016:

William D. Gorman, Jr. was elected as a director of First Federal Savings & Loan of Hazard on December 16, 2010. He follows in the footsteps of his late father, Mayor William D. Gorman, who served as a director of First Federal Savings & Loan of Hazard and Kentucky First Federal Bancorp. Mr. Gorman served as President and Chief Executive Officer of Hazard Insurance Group, LLC through July 31, 2014 and continues to work for that firm as a consultant. He has served on the Hazard-Perry County Tourism Commission and on the Board of Directors of both Kentucky Education Television and Hazard Appalachian Regional Hospital. Mr. Gorman is a graduate of the University of Kentucky. Age 65. Director since 2010.

Mr. Gorman's many years as an important part of the business and civic communities of Hazard and Perry County, as well as his past service to First Federal of Hazard, make him an excellent candidate for the Board.

William H. Johnson was named President and Chief Executive Officer of Central Kentucky Federal Savings Bank and CKF Bancorp in August 2005 and served in that capacity until his appointment effective January 1, 2013 as Danville-Lancaster Area President for First Federal Savings Bank, which acquired Central Kentucky Federal. He joined Central Kentucky Federal Savings Bank as Senior Vice President in September 1998 and was named Secretary in April 1999. Prior to that, he served for 16 years as Vice President and Regional Manager of Great Financial Bank, F.S.B. and for seven years as Managing Officer of Commonwealth First Federal Savings and Loan Association,

Danville, Kentucky. He has served on the Board of Directors of the Kentucky Bankers Association. Age 64. Director since 2013.

Mr. Johnson's experience in the Danville community and the Danville banking market are nearly unequalled. His knowledge of the area as well as his experience in managing Central Kentucky Federal puts him in position to provide invaluable insight to the board of Kentucky First Federal Bancorp.

Herman D. Regan, Jr. has been a director of Kentucky First since its inception in March 2005. He has served as a Director of First Federal of Frankfort since 1988. Mr. Regan served as Chairman of the Board and President of Kenvirons, Inc., a civil and environmental engineering consulting firm, from 1975 until his retirement in August, 1994. He has served as a Director of Frankfort First Bancorp, Inc. and First Federal of Frankfort since 1998. Age 85. Director since 1988.

Mr. Regan's long history in the Frankfort business community allows him to provide valuable insight to the Board. His experience as a director of First Federal of Frankfort and with Frankfort First Bancorp (a public company from 1995 through 2005) illustrates a high level of knowledge and dedication. After completing a B.S. degree in Civil Engineering at the University of Kentucky and a Masters degree in Sanitary Engineering at the University of North Carolina, Mr. Regan went on to a distinguished career in environmental engineering which climaxed in his receipt of the Kentucky Environmental Quality Commission's prestigious Lifetime Achievement Award, which stated that Mr. Regan's career is "a stellar example of dedication to cleaner air and water quality for future Kentuckians." Mr. Regan has also served on the board of Baptist Health Care, Inc., in Louisville and of Central Baptist Hospital in Lexington.

ITEM 2—RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Crowe Horwath, LLP to be the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015, subject to ratification by stockholders. There are no plans for a representative of Crowe Horwath LLP to be present at the 2014 annual meeting.

If the ratification of the appointment of the independent registered public accounting firm is not approved by stockholders at the annual meeting, the Audit Committee will consider other independent registered public accounting firms.

The Board of Directors recommends that stockholders vote “FOR” the ratification of the appointment of the independent registered public accounting firm.

ITEM 3—ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) requires, beginning in 2013, that we provide our stockholders with the opportunity to express their views, on a non-binding advisory basis, on the compensation of the named executive officers as disclosed in this proxy statement. This vote, which is often referred to as the “say-on-pay” vote, provides stockholders with the opportunity to endorse or not endorse the following resolution:

“Resolved, that the stockholders approve the compensation of the named executive officers, as described in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this proxy statement.”

At the Annual Meeting of Kentucky First Federal Bancorp in 2013, shareholders were asked to vote on the frequency this vote should be held. Upon the recommendation of the Board, the shareholders voted to hold this vote annually.

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors recommends a vote “FOR” approval of the compensation of the named executive officers.

Employment Agreements

The Company and First Federal of Frankfort have entered into separate employment agreements with Don D. Jennings, President and Chief Operating Officer of Kentucky First and Chairman and Chief Executive Officer of First Federal of Frankfort, with R. Clay Hulette, Vice President and Chief Financial Officer of Kentucky First Federal Bancorp and Frankfort Area President of First Federal of Frankfort, and William H. Johnson, Vice President and Danville-Lancaster Area President of First Federal of Frankfort. Such employment agreements are referred to herein as the "Agreements." The Agreements provide for three-year terms, expiring on August 15, 2017, renewable on an annual basis for an additional year upon review and extension by the respective Boards of Directors of Kentucky First and First Federal of Frankfort. The Agreements establish a base salary of \$175,000, \$159,090, and \$132,667 for Messrs. Jennings, Hulette, and Johnson respectively. In addition to establishing a base salary, the Agreements provide for, among other things, participation in stock-based and other benefit plans, as well as certain fringe benefits.

The Agreements also provide that Kentucky First and First Federal of Frankfort may terminate the employment of Messrs. Jennings, Hulette, or Johnson for cause, as defined in the Agreements, at any time. No compensation or benefits are payable upon termination of either officer for cause. Each of the officers may also voluntarily terminate his employment by providing 90 days prior written notice. Upon voluntary termination, the officer receives only compensation and vested benefits through the termination date.

The Agreements terminate upon the officer's death, and his estate receives any compensation due through the last day of the calendar month of death. The Agreements also allow the appropriate Boards to terminate the employment of Messrs. Jennings, Hulette, or Johnson due to disability, as defined in the Agreements. A disabled executive receives any compensation and benefits provided for under the agreement for any period prior to termination during which the executive was unable to work due to disability. Messrs. Jennings, Hulette, and Johnson also may receive disability benefits under First Federal of Frankfort's long-term disability plan(s) without reduction for any payments made under the Agreement. During a period of disability, to the extent reasonably capable of doing so, the officer agrees to provide assistance and undertake reasonable assignments for the employers.

The Agreements also require Messrs. Jennings and Hulette to agree not to compete with Kentucky First, First Federal of Hazard or First Federal of Frankfort for one year following a termination of employment, other than in connection with a change in control. Kentucky First or First Federal of Frankfort will pay or reimburse Messrs. Jennings, Hulette, and Johnson for all reasonable costs and legal fees paid or incurred by him in any dispute or question of interpretation regarding the Agreements, if the executive is successful on the merits in a legal judgment, arbitration proceeding or settlement. The Agreements also provide Messrs. Jennings, Hulette, and Johnson with indemnification to the fullest extent legally allowable.

Under the Agreements, if either Kentucky First or First Federal of Frankfort terminates the employment of Messrs. Jennings, Hulette, or Johnson without cause, or if Messrs. Jennings, Hulette, or Johnson resigns under specified

circumstances that constitute constructive termination, he receives his base salary and continued employee benefits for the remaining term of the Agreement, as well as continued health, life and disability coverage under the same terms such coverage is provided to other senior executives, or comparable individual coverage.

Under the Agreements, if, within one year after a change in control (as defined in the Agreements), either of Messrs. Jennings, Hulette, or Johnson voluntarily terminates his employment under circumstances discussed in the Agreement, or involuntarily terminates employment, the executive receives a cash payment equal to three times his average annual compensation over the five most recently completed calendar years preceding the change in control. He also receives continued employee benefits and health, life and disability insurance coverage for thirty-six months following termination of employment.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's "base amount" are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of their base amount, and the employer is not entitled to deduct any parachute payments over the base amount. The Agreements limit payments made to Messrs. Jennings, Hulette, or Johnson in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

The Company granted each of the named executive officers equity awards of restricted stock and stock options in 2006.
