PART II INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 6. *Indemnification of directors and officers*

The registrant's articles of association provide that, subject to Companies Law (2004) (Revision) Cap. 22 (the Companies Law), every director or other officer of the registrant shall be indemnified against any liability incurred by him in his capacity as such. However, directors and officers of the registrant are not indemnified against any liability to the registrant or a related company of the registrant arising out of negligence, default, breach of duty or breach of trust with respect to the registrant or a related company, unless such liability is incurred in defending any proceedings, whether civil or criminal, in which judgment is given in his favor, or in which he is acquitted, or in connection with any application in which relief is granted to him by the court pursuant to the Companies Law from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the registrant.

Pursuant to indemnification agreements, a form of which has been filed as Exhibit 10.2 to this registration statement, the registrant has agreed to indemnify its directors and officers, to the extent permitted by Cayman law, against certain liabilities and expenses incurred by such persons in connection with claims by reason of their being such a director or officer.

Item 7. *Recent sales of unregistered securities*

During the past three years, the registrant has issued and sold the securities listed below without registering the securities under the Securities Act. In the case of each transaction referenced in this Item 7, the issuance was a private placement of securities with fewer than ten purchasers who are all non-US residents, no directed selling efforts, no discounts, commissions or fees, no underwriter, and no substantial U.S. market interest as defined in Regulation S. The only exceptions to this are that one of the four Goldman Sachs affiliated entities that purchased Mindray preferred shares in September of 2005 is incorporated in the State of Delaware and the grant of options was made to a large number of our employees. The registrant believes that each of the following issuances was exempt from registration under the Securities Act in reliance on Regulation S pursuant to Section 4(2) of the Securities Act regarding transactions not involving a public offering.

In September 2005, we issued a total of 75,350,054 ordinary shares, par value HK\$0.001 per share, to Able Choice Investments Limited, Asiawell Holdings Limited, Dragon City International Investment Limited, Hung Yue Finance Limited, Ideaport Technology Limited, Med-Tech Consulting Co. Ltd., MEG Holding Corp., New Dragon (No. 12) Investments Limited, Quiet Well Limited and Well Elite Group Limited, and a total of 3,000,000 convertible redeemable preferred shares to Able Choice Investments Limited, Dragon City International Investment Limited, New Dragon (No. 12) Investments Limited and Quiet Well Limited in exchange for their respective outstanding ownership interests in Shenzhen Mindray.

In September 2005 we entered into a subscription and share purchase agreement with GS Capital Partners V Fund L.P., GS Capital Partners V Offshore Fund, L.P., GS Capital Partners V GmbH & Co. KG, and GS Capital Partners V Institutional, L.P., or collectively the GS Funds, pursuant to which we issued 7,074,977 convertible redeemable preferred shares convertible into ordinary shares to the GS Funds at a cash purchase price of approximately US\$3.93 per share.

On June 15, 2006, we issued a total of 7,649,646 ordinary shares to Able Choice, Bright Ray Limited and Clear Ray Limited to be owned by shareholders of Mingrui Venture Capital and Investment Co. Ltd. and Legend New-Tech Investments Ltd. in exchange for consideration of 7,649,646 shares of Shenzhen Mindray acquired by Mindray International.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant under Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) For the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(4) For the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 6, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
