Item 2.02.      Results of Operations and Financial Condition.

On October 31, 2006, G&K Services, Inc. issued a press release regarding its

financial results for the first quarter of 2007 and certain other information. A copy of the press release is furnished as Exhibit 99.1 hereto.

G&K Services, Inc. hosted a conference call on Tuesday, October 31, 2006 at 10:00 pm CDT. A live webcast of the teleconference was available via the Internet on G&K Services' website located at <http://www.gksservices.com> and will be archived at that site for one month.

The press release cites G&K Services' organic industrial rental growth rate, which is a non-GAAP financial measure. The organic growth rate is calculated using industrial rental revenue, adjusted for foreign currency exchange rate differences and revenues from newly acquired locations. Management believes that by eliminating the impact of the U.S.-Canadian exchange rate and the effects of certain acquisitions made by G&K Services, the organic growth rate better reflects the growth of its existing industrial rental business and therefore is useful in analyzing the financial condition of the Company and the results of its operations.

The information in this Item 2.02 and Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended.
