Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2008, Whitestone REIT (the “Company”), operating through its subsidiary, Whitestone Corporate Park West, LLC (the “Borrower”), executed a Promissory Note (the “Loan”) for \$11,200,000 payable to MidFirst Bank (the “Lender”) with an applicable interest rate of 6.52% per annum and a maturity date of September 15, 2015. A payment of \$70,939 is due October 1, 2008 and on the first day of each calendar month thereafter through August 1, 2015.

The Loan is a non-recourse loan secured by the Borrower’s Corporate Park West property, which is located in Houston, Texas, and a limited guarantee by the Company.

In conjunction with the Loan, a Security Agreement and Assignment of Leases and Rents and Fixture Filing (the “Security Instrument”) was executed by the Borrower which contains customary terms and conditions, including representations, warranties and covenants by the Borrower, that includes, without limitation, warranty of title, insurance requirements and maintenance, use and management of the property.

The Loan contains events of default that include, among other things, non-payment and default under the Security Instrument. Upon occurrence of an event of default, the Lender is entitled to accelerate all obligations of the Borrower. The Lender will also be entitled to receive the entire unpaid principal balance at a default rate.

The Loan proceeds will be used to pay down a portion of the outstanding amounts on the Company’s revolving credit facility. The Loan is part of an effort to refinance the revolving credit facility with:

- non-recourse loans on specific properties or groups of properties, and
- a smaller revolving credit facility secured by unencumbered properties

The foregoing description of the Loan is qualified in its entirety by the full terms and conditions of the Loan, a copy of which is furnished herewith as Exhibit 99.1 to the Current Report on Form 8-K and is incorporated herein by reference.
