PROXY STATEMENT FOR 2005 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Criticare Systems, Inc. (the Company), to be voted at the Annual Meeting of Stockholders to be held at the Company's headquarters, 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, at 4:00 p.m., local time, on Thursday, December 1, 2005, and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. The mailing of this Proxy Statement and accompanying form of proxy is being made on or about October 28, 2005.

GENERAL INFORMATION

The Board of Directors knows of no business which will be presented to the meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented to the meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it has been voted by a later dated proxy or a vote in person at the Annual Meeting. Shares represented by properly executed proxies received on behalf of the Company will be voted at the Annual Meeting (unless revoked prior to their vote) in the manner specified therein. If no instructions are specified in a signed proxy returned to the Company, the shares represented thereby will be voted (1) in **FAVOR** of the election of the nominees listed in the enclosed proxy as directors of the Company; (2) in **FAVOR** of the proposal to amend the Criticare Systems, Inc. 2003 Stock Option Plan (the 2003 Plan) and (3) in **FAVOR** of the ratification of BDO Seidman, LLP as the Company's independent registered public accounting firm for the 2006 fiscal year.

Only holders of the Company's common stock, par value \$0.04 per share (the Common Stock), whose names appear of record on the books of the Company at the close of business on October 14, 2005 (the Record Date) are entitled to vote at the Annual Meeting. On that date, the only outstanding shares of capital stock of the Company were 12,009,897 shares of Common Stock. Each share of Common Stock is entitled to one vote on each matter to be presented at the meeting. The election of the directors requires the affirmative vote of the holders of a plurality of the shares represented, in person or by proxy, at the meeting and the adoption and approval of the amendment to the 2003 Plan and the ratification of the Company's independent registered public accounting firm require the affirmative vote of the holders of a majority of the shares represented, in person or by proxy, at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement and will not count toward the determination of whether the directors are elected, the amendment to the 2003 Plan is approved or the appointment of the independent registered public accounting firm is ratified.

ELECTION OF DIRECTORS

Edgar Filing: CRITICARE SYSTEMS INC /DE/ - Form DEF 14A

Pursuant to the authority contained in the By-Laws of the Company, the Board of Directors has established the number of directors of the Company at five. The Company's By-Laws provide that the Board of Directors will be divided into three classes as nearly equal in number as possible, with the term of one class expiring each year. The terms of two directors expire at the Annual Meeting. Accordingly, the Board of Directors has nominated for re-election as directors Jeffrey T. Barnes and N.C. Joseph Lai, Ph.D., to each serve a term of three years until the 2008 Annual Meeting of Stockholders. Proxies cannot be voted for more than two candidates for director.

As indicated below, the persons nominated by the Board of Directors are incumbent directors. The Company anticipates that the nominees will be candidates when the election is held. However, if for any reason any nominee is not a candidate at that time, proxies will be voted for any substitute nominee designated by the incumbent directors (except where a proxy withholds authority with respect to the election of a director).

The Board of Directors recommends that stockholders vote in FAVOR of the election of Jeffrey T. Barnes and N.C. Joseph Lai, Ph.D. as directors of the Company.

The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders. A stockholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, Criticare Systems, Inc.,

20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the stockholder proposes to be considered as a nominee; (2) the number of shares of Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to stockholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934; and (4) the name and address (business and residential) of the stockholder making the recommendation and the number of shares of the Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the stockholder making the recommendation. Stockholder recommendations will be considered only if received no less than 120 days nor more than 150 days before the date of the proxy statement sent to stockholders in connection with the previous year's annual meeting of stockholders.

The Nominating and Corporate Governance Committee will consider any nominee recommended by a stockholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating and Corporate Governance Committee believes that a nominee recommended for a position on the Company's Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Nominating and Corporate Governance Committee include:

personal integrity and high ethical character;

professional excellence;

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is comprised of three members of the Company's Board of Directors. Based upon the review described above under Corporate Governance Matters Director Independence, the Board of Directors has determined that each member of the Audit Committee is independent as defined in the listing standards of the American Stock Exchange and the rules of the SEC. The duties and responsibilities of the Company's Audit Committee are set forth in the Audit Committee Charter, which was attached as Appendix A to the Company's Proxy Statement delivered in connection with its 2004 Annual Meeting of the Stockholders.

The Audit Committee has:

reviewed and discussed the Company's audited financial statements for the fiscal year ended June 30, 2005 with the Company's management and with the Company's independent auditors;

discussed with the Company's independent auditors the matters required to be discussed by SAS 61, as modified or supplemented (Codification for Statements on Auditing Standards); and

received and discussed the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Statement No. 1 (Independence discussions with Audit Committees) and has discussed with its independent auditors its independence.

Based on such review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005, for filing with the SEC.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's independent auditors. The Audit Committee has delegated certain of its pre-approval authority to the Chairman of the Audit Committee to act between meetings of the Audit Committee. Any pre-approval given by the Chairman of the Audit Committee pursuant to this delegation is presented to the full Audit Committee at its next regularly scheduled meeting. The Audit Committee or Chairman of the Audit Committee reviews and, if appropriate, approves non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent auditors.

Since the effective date of the SEC rules requiring pre-approval of non-audit services on May 6, 2003, each new engagement of the Company's independent auditors to perform non-audit services has been approved in advance by the Audit Committee or the Chairman of the Audit Committee pursuant to the foregoing procedures.

Stock Option Plans

On November 14, 2003, the Company adopted the 2003 Plan. Pursuant to the adoption of the 2003 Plan, no new stock options can be granted under the stock option plans which existed prior to the approval of the 2003 Plan (collectively, the Old Plans), although the Company may regrant existing stock options under the Old Plans to extend the terms of such stock options. The 2003 Plan, prior to the proposed amendment described below, provides for the grant to directors, officers and employees of the Company and to other persons who provide services to the Company of options covering shares of Common Stock. The 2003 Plan is administered by the Compensation Committee of the Board of Directors which has discretion to select grantees, designate the number of shares to be covered by each award, establish vesting schedules, specify the amount and type of consideration to be paid to the Company on exercise, and to specify certain other terms of the awards. The exercise price of options granted under the 2003 Plan must be at least 100% of the fair market value of the Common Stock on the date of grant.

Prior to the proposed amendment described below, the Company has reserved 430,000 shares of Common Stock for issuance under the 2003 Plan, subject to adjustment for certain dilutive events. At the end of fiscal 2005, options to purchase 388,438 shares were outstanding under the 2003 Plan and options to purchase 667,920 shares were outstanding under the Old Plans. During fiscal 2005, options were granted to purchase 90,000 shares of Common Stock under the 2003 Plan at an average per share exercise price of \$2.97 and options to purchase 6,000 shares of Common Stock were regranted under the Old Plans at an average per share exercise price of \$3.08 per share. All options were granted with exercise prices no less than the market price on the grant date. In addition, during fiscal 2005, options to purchase 80,000 shares of Common Stock at an average per share exercise price of \$3.48 were canceled under the 2003 Plan, options to purchase 108,700 shares of Common Stock at an average per share exercise price of \$2.93 were canceled under the Old Plans, 4,062 options to purchase shares of Common Stock at an average exercise price per share of \$3.05 were exercised under the 2003 Plan and options to purchase 276,275 shares of Common Stock at an average exercise price per share of \$2.45 were exercised under the Old Plans.

A total of 37,500 shares of Common Stock remain available for future grants under the 2003 Plan. If the stockholders of the Company approve the proposal to amend the 2003 Plan at the Annual Meeting, an additional 500,000 shares of Common Stock will become available for future grants under the plan and the grant of restricted stock and stock appreciation rights will be authorized under the plan.

The following table provides certain information regarding stock options granted to the named executive officers of the Company during the fiscal year ended June 30, 2005.

Retirement Plan

Effective April 1, 1991, the Company adopted a 401(k) plan, which covers substantially all employees who have completed three months of employment. Under the plan, eligible employees can contribute up to \$14,000 of

pre-tax compensation for investment in a trust under the plan during the calendar year 2005. The Company matches 50% of the first 4% of employee contributions made, subject to annual approval by the Board of Directors. Employee contributions, within certain limitations, are considered tax deferred under the provisions of section 401(k) of the Internal Revenue Code. Withdrawals of tax deferred amounts may be made upon termination of employment or earlier in the event of certain defined hardship situations. Contributions made or accrued by the Company for named executive officers are included under the All Other Compensation column in the Summary Compensation Table.

Other than the 401(k) plan, the Company does not maintain any pension, profit sharing, retirement or similar plans.

COMPENSATION COMMITTEE REPORT

The objectives of the Company's compensation program are to attract and retain the best available executives, to motivate these executives to achieve the Company's business goals and to recognize individual contributions as well as overall business results. To achieve these objectives, the Company reviews its compensation program on a regular basis and attempts to tie a portion of each executive's potential compensation to Company performance.

The key elements of the Company's executive compensation program consist of fixed compensation, in the form of base salary, and variable compensation, which is more directly tied to Company performance, through stock option awards, sales commissions and bonuses. If the proposed amendment for the 2003 Plan is approved at the Annual Meeting, variable compensation may also be awarded in the form of restricted stock and stock appreciation rights. In determining each element of compensation to be awarded to an executive officer, the Compensation Committee considers the executive's overall benefit package as well as the executive's responsibilities and experience. The Compensation Committee also considers the competitive marketplace for executive talent, including, to the extent possible, a comparison to compensation packages for executives with similar levels of experience and responsibility at other companies. The results of the compensation review referenced above included new base salaries for the Company's executive officers. Effective September 1, 2005, the Compensation Committee of the Company's Board of Directors approved an increase in the base salaries for Mr. Soika from \$225,000 to \$250,000, Mr. Knudson from \$120,000 to \$125,000, Mr. Larsen from \$102,000 to \$110,000 and Ms. Zane from \$120,000 to \$130,000.

In fixing the stock option grants, the Committee considers the current stock holdings of each eligible officer, their responsibilities and historical and anticipated future contributions to the Company's performance. The Committee believes that selective grants of stock options promote a commonality of interest between the Company's officers and its stockholders by giving the Company's officers added incentives to maximize the Company's stock price.

The proposed amendment to the 2003 Plan would authorize the issuance of shares of restricted stock and stock appreciation rights to eligible participants in the plan. The proposed amendment also increases the number of shares of Common Stock available for future issuance under the 2003 Plan (whether in the form of stock options, grants of restricted stock or grants of stock appreciation rights) by an additional 500,000 shares of Common Stock. The 2003 Plan, as proposed to be amended, is summarized in the section titled Approval of Amendment to 2003 Stock Option Plan below.

Compensation of Chief Executive Officer

During fiscal 2005, the Compensation Committee reviewed the compensation package of Mr. Soika, the Company's President and Chief Executive Officer. Based upon such review, effective September 1, 2005, the Company amended and restated the employment agreement with Mr. Soika. A description of the amended and restated employment agreement is provided under the section of this Proxy Statement titled

Executive

Compensation Employment Agreements. During fiscal 2005, Mr. Soika received a base salary of \$225,000 in accordance with a review of Mr. Soika's compensation undertaken by the Compensation Committee in fiscal 2003. Effective September 1, 2005 and in accordance with its review of Mr. Soika's compensation package, the Compensation Committee of the Company's Board of Directors approved an increase in the base salary for Mr. Soika from \$225,000 to \$250,000. Additionally, based upon fiscal 2005 performance, the Compensation Committee approved a discretionary cash bonus of \$40,000 for Mr. Soika. Mr. Soika was not awarded any stock options under the 2003 Plan in fiscal 2005.

APPROVAL OF AMENDMENT TO 2003 STOCK OPTION PLAN

Purpose and Effect of Proposed Amendment

Proposed Adoption. Subject to stockholder approval, the Board of Directors has adopted and approved an amendment of the Criticare Systems, Inc. 2003 Stock Option Plan (the "2003 Plan").

Purpose of 2003 Plan. The Company recognizes the importance of attracting, retaining and motivating those persons who make (or are expected to make) important contributions to the Company by providing such persons with equity opportunities and performance-based incentives. The Board of Directors believes that the 2003 Plan is critically important to the furtherance of these objectives. The Board of Directors also believes that, through the 2003 Plan, the Company will be able to enhance the prospects for its business activities and objectives and more closely align the interests of those persons who provide services to the Company with those of the Company's stockholders by offering such persons the opportunity to participate in the Company's future through proprietary interests in the Company.

A total of 37,500 shares of Common Stock remain available for future grants under the 2003 Plan. If the stockholders of the Company approve the proposal to amend the 2003 Plan at the Annual Meeting, the number of shares of Common Stock available for future grants under the 2003 Plan would be increased by 500,000 shares for a total of 537,500 shares available for future issuance under the 2003 Plan. In addition, grants of restricted stock and stock appreciation rights would be authorized under the terms of the amended 2003 Plan. If the amendment to the 2003 Plan is not approved by stockholders, 37,500 shares will continue to be available for future grants of stock options under the 2003 Plan.

A restricted stock award is a grant of shares of Common Stock that vests over time or upon achievement of performance criteria. As the restricted stock award vests, employees receive shares of Common Stock that they own outright. A stock appreciation right is the right to receive the appreciation in the fair market value of the Common Stock between the exercise date and the date of grant, for that number of shares of Common Stock as to which the stock appreciation right is exercised. The Company may pay the appreciation in cash, in shares of Common Stock with an equivalent value, or in some combination, as determined by the Compensation Committee as administrator of the 2003 Plan. The addition of restricted stock and stock appreciation rights to the 2003 Plan will increase the flexibility of the Compensation Committee to design appropriate incentive compensation arrangements for employees, including stock appreciation rights payable in cash. In addition, the Company expects restricted stock awards and stock appreciation rights to result in less compensation expense under the Financial Accounting Standard Board's statement, Share-Based Payment (FAS 123R).

Description of 2003 Plan

The following description of the amended 2003 Plan is qualified in its entirety by reference to the amended 2003 Plan, which is attached hereto as Appendix A.

The Board of Directors has designated that the Compensation Committee will administer the 2003 Plan. Under the 2003 Plan, the Compensation Committee may grant stock incentive awards in the form of stock options, stock appreciation rights and restricted stock. The Compensation Committee administers the 2003 Plan and has complete discretion, subject to the terms of the 2003 Plan, to determine, among other things,

which officers and key employees will receive awards, the type, number and frequency of and the number of shares subject to such awards, and, to the extent not otherwise expressly provided in the 2003 Plan, the terms and conditions of the awards.

Awards.

1. *Stock Options.* The Compensation Committee may grant options to purchase shares of Common Stock to directors, officers and employees of the Company and to other persons who provide services to the Company. Options granted under the 2003 Plan will be nonqualified stock options under the Internal Revenue Code of 1986, as amended. The options will expire at such time as the Compensation Committee determines. Options cannot be exercised until the vesting period, if any, specified by the Compensation Committee has expired. Options are not transferable other than by will or the laws of descent and distribution, and may be exercised during the life of the recipient only by him or her.

The option price per share is determined by the Compensation Committee. The option price per share can never be less than 100% of the fair market value of the Common Stock on the date such option is granted or the trading day preceding the date of grant.

2. *Stock Appreciation Rights.* The Compensation Committee may also award stock appreciation rights under the plan. Upon exercise, a stock appreciation right is paid in cash, Common Stock or a combination thereof, at the discretion of the Compensation Committee, in a per share amount equal to the excess of the fair market value of the Common Stock on the exercise date over the option exercise price of the stock appreciation right. The exercise price per share under a stock appreciation right is determined by the Compensation Committee. The exercise price per share can never be less than 100% of the fair market value of the Common Stock on the date such stock appreciation right is granted or the trading day preceding the date of grant.

3. *Restricted Stock.* Restricted stock may be granted contingent upon the attainment of specified performance goals or such other factors as the Compensation Committee may determine and, during the period of restriction, the holder of restricted stock may not sell, transfer, pledge or assign the restricted stock. Awards of restricted stock granted under the 2003 Plan may be in such amounts and subject to such terms (including vesting provisions, forfeiture provisions and performance criteria) as the Compensation Committee determines.

The 2003 Plan will terminate in November 2013, unless sooner terminated by the Board of Directors. The 2003 Plan provides that the maximum number of shares of Common Stock that may be issued under the plan is 930,000 shares. No participant may be granted, in any year, total awards with respect to more than 100,000 shares of Common Stock, plus an additional 50,000 shares relating to the participants' initial employment.

(b) *Section 162(m) Limitations.* The following limitations shall apply to grants of Awards under this Plan:

(i) No individual Grantee shall be granted, in any fiscal year of the Company, Awards with respect to more than 100,000 shares of Common Stock in total.

7. *Term of Plan.* Subject to section 16 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten years unless terminated earlier under section 12 of the Plan. All Grant Agreements shall incorporate the provisions of this Plan by reference.

(b) *Exercise Price.* The per share exercise price for the shares of Common Stock to be issued pursuant to exercise of an Option shall be determined by the Administrator, but shall never be less than Fair Market Value on, as determined by the Administrator, either the date the Option is granted or the trading day immediately preceding the date the Option is granted.

(c) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions that must be satisfied before the Option may be exercised.

(d) *Form of Consideration.* The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. Such consideration may consist entirely of:

(i) cash;

(ii) check;

(iii) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

(iv) any combination of the foregoing methods of payment; or

(v) such other consideration and method of payment for the issuance of shares of Common Stock to the extent permitted by Applicable Laws.

(e) *Exercise of Option.*

(i) *Procedure for Exercise; Rights as a Shareholder.* Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as are determined by the Administrator and set forth in the Grant Agreement. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a share.

An Option shall be deemed exercised when the Company receives: [a] written or electronic notice of exercise (in accordance with the Grant Agreement) from the person entitled to exercise the Option, and [b] full payment for the shares of Common Stock with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Grant Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Grantee or, if requested by the Grantee, in the name of the Grantee and his or her spouse. Until the shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Common Stock subject to the Option, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the shares are issued, except as provided in section 12 of the Plan.

Exercising an Option in any manner shall decrease the number of shares of Common Stock thereafter available, both for purposes of the Plan and for sale under the Option, by the number of shares of Common Stock as to which the Option is exercised.

(ii) *Termination of Relationship as a Service Provider.* If a Grantee ceases to be a Service Provider, other than upon the Grantee's death or Disability, retirement after age 55 or termination for Cause, the Grantee may exercise his or her Option within such period of time as is specified in the Grant Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for three months following the Grantee's termination. If, on the date of termination, the Grantee is not vested as to his or her entire Option, the shares of Common Stock covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Grantee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the shares of Common Stock covered by such Option shall revert to the Plan.

(iii) *Disability or Retirement of Grantee.* If a Grantee ceases to be a Service Provider as a result of the Grantee's Disability or the Grantee's retirement after age 55, the Grantee may exercise his or her Option within such period of time as is specified in the Grant Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for twelve months following the Grantee's termination. If, on the date of termination, the Grantee is not vested as to his or her entire Option, the shares of Common Stock covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Grantee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the shares of Common Stock covered by such Option shall revert to the Plan.

(iv) *Death of Grantee.* If a Grantee dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Grant Agreement (but in no event later than the expiration of the term of such Option as set forth in the Grant Agreement), by the Grantee's estate or

by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for twelve months following the Grantee's death. If, at the time of death, the Grantee is not vested as to his or her entire Option, the shares of Common Stock covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Grantee's estate or, if none, by the person(s) entitled to exercise the Option under the Grantee's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the shares of Common Stock covered by such Option shall revert to the Plan.

(v) *Termination for Cause.* If a Grantee ceases to be a Service Provider as a result of a termination for Cause, any Option or Options held by him or her under the Plan, to the extent not exercised before such termination, shall forthwith terminate.

(vi) *Buy-out Provisions.* The Administrator may at any time offer to buy out for a payment in cash or shares of Common Stock an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Grantee at the time that such offer is made.

9. *Stock Appreciation Rights.*

(a) *Grant and Exercise.* Stock Appreciation Rights may be granted alone (and not in conjunction with any Option granted under the Plan), at any time and from time to time as determined by the Administrator.

(b) *Terms and Conditions.* Stock Appreciation Rights shall be subject to such terms and conditions as shall be determined by the Administrator, including the following:

(i) As determined by the Administrator on the date of grant, each Stock Appreciation Right shall be evidenced by the Grant Agreement in a form to be established by the Administrator that specifies the exercise price, term, conditions of exercise and such other terms as the Administrator shall determine. All Grant Agreements shall incorporate the provisions of this Plan by reference.

(ii) The per share exercise price of a Stock Appreciation Right shall be determined by the Administrator, but shall never be less than Fair Market Value on, as determined by the Administrator, either the date the Stock Appreciation Right is granted or the trading day immediately preceding the date the Stock Appreciation Right is granted.

(iii) Upon exercise of a Stock Appreciation Right, a Grantee will be entitled to receive payment from the Company in an amount determined by multiplying (A) the difference between the Fair Market Value on the date of exercise over the exercise price of the Stock Appreciation Right, times (B) the number of shares of Common Stock with respect to which the Stock Appreciation Right is exercised. At the discretion of the Administrator, payment upon exercise of a Stock Appreciation Right may be made in cash, in shares of Common Stock (based on the Fair Market Value on the date of exercise), or in some combination thereof.

(iv) The Administrator may at any time offer to buy out for a payment in cash or shares of Common Stock a Stock Appreciation Right previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Grantee at the time that such offer is made.

(c) *Exercise of a Stock Appreciation Right.*

(i) *Procedure for Exercise.* Any Stock Appreciation Right granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as are determined by the Administrator and set forth in the Grant Agreement. Unless the Administrator provides otherwise, to the extent applicable, vesting of Stock Appreciation Rights granted hereunder shall be tolled during any unpaid leave of absence. If applicable, a Stock Appreciation Right may not be exercised for a fraction of a share.

A Stock Appreciation Right shall be deemed exercised when the Company receives written or electronic notice of exercise (in accordance with the Grant Agreement) from the person entitled to exercise the Stock Appreciation Right. If applicable, shares issued upon exercise of a Stock Appreciation Right shall be issued in the name of the Grantee or, if requested by the Grantee, in the name of the Grantee and his or her spouse. If applicable, until the shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Common Stock subject to the Stock Appreciation Right, notwithstanding the exercise of the Stock Appreciation Right. If applicable, the Company shall issue (or cause to be issued) such shares promptly after the Stock Appreciation Right is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the shares are issued, except as provided in section 12 of the Plan.

(ii) *Termination of Relationship as a Service Provider.* If a Grantee ceases to be a Service Provider, other than upon the Grantee's death or Disability, retirement after age 55 or termination for Cause, the Grantee may exercise his or her Stock Appreciation Right within such period of time as is specified in the Grant Agreement to the extent that the Stock Appreciation Right is vested on the date of termination (but in no event later than the expiration of the term of such Stock Appreciation Right as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Stock Appreciation Right shall remain exercisable for three months following the Grantee's termination. If, on the date of termination, the Grantee is not vested as to his or her entire Stock Appreciation Right, any shares of Common Stock covered by the unvested portion of the Stock Appreciation Right shall revert to the Plan. If, after termination, the Grantee does not exercise his or her Stock Appreciation Right within the time specified herein, the Stock Appreciation Right shall terminate, and any shares of Common Stock covered by such Stock Appreciation Right shall revert to the Plan.

(iii) *Disability or Retirement of Grantee.* If a Grantee ceases to be a Service Provider as a result of the Grantee's Disability or the Grantee's retirement after age 55, the Grantee may exercise his or her Stock Appreciation Right within such period of time as is specified in the Grant Agreement to the extent the Stock Appreciation Right is vested on the date of termination (but in no event later than the expiration of the term of such Stock Appreciation Right as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Stock Appreciation Right shall remain exercisable for twelve months following the Grantee's termination. If, on the date of termination, the Grantee is not vested as to his or her entire Stock Appreciation Right, any shares of Common Stock covered by the unvested portion of the Stock Appreciation Right shall revert to the Plan. If, after termination, the Grantee does not exercise his or her Stock Appreciation Right within the time specified herein, the Stock Appreciation Right shall terminate, and any shares of Common Stock covered by such Stock Appreciation Right shall revert to the Plan.

(iv) *Death of Grantee.* If a Grantee dies while a Service Provider, the Stock Appreciation Right may be exercised within such period of time as is specified in the Grant Agreement (but in no event later than the expiration of the term of such Stock Appreciation Right as set forth in the Grant Agreement), by the Grantee's estate or by a person who acquires the right to exercise the Stock Appreciation Right by bequest or inheritance, but only to the extent that the Stock Appreciation Right is vested on the date of death. In the absence of a specified time in the Grant Agreement, the Stock Appreciation Right shall remain exercisable for twelve months following the Grantee's death. If, at the time of death, the Grantee is not vested as to his or her entire Stock Appreciation Right, any shares of Common Stock covered by the unvested portion of the Stock Appreciation Right shall immediately revert to the Plan. The Stock Appreciation Right may be exercised by the executor or administrator of the Grantee's estate or, if none, by the person(s) entitled to exercise the Stock Appreciation Right under the Grantee's will or the laws of descent or distribution. If the Stock Appreciation Right is not so exercised within the time specified herein, the Stock Appreciation Right shall terminate, and any shares of Common Stock covered by such Stock Appreciation Right shall revert to the Plan.

(v) *Termination for Cause.* If a Grantee ceases to be a Service Provider as a result of a termination for Cause, any Stock Appreciation Right or rights held by him or her under the Plan, to the extent not exercised before such termination, shall forthwith terminate.

10. *Restricted Stock.*

(a) *Grant of Restricted Stock.* Subject to Section 3, shares of Restricted Stock may be granted to Service Providers at any time and from time to time as determined by the Administrator. The Administrator shall have complete discretion in determining the number of shares of Restricted Stock granted to each Grantee, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 10(c). The Administrator may condition the grant of Restricted Stock upon the attainment of specified performance goals or such other factors or criteria as the Administrator shall determine. The provisions of Restricted Stock Awards need not be the same with respect to each Grantee. In making such determinations, the Administrator may take into account the nature of services rendered by such Service Provider, their present and potential contributions to the Company, and such other factors as the Administrator in its discretion shall deem relevant.

(b) *Awards and Certificates.* Each Service Provider receiving an Award of Restricted Stock shall be issued a certificate in respect of such shares of Restricted Stock. Such certificate shall be registered in the name of such Grantee and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Criticare Systems, Inc. 2003 Stock Option Plan and a Restricted Stock Agreement. Copies of such Plan and Agreement are on file at the offices of Criticare Systems, Inc., 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186.

The Administrator may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the Grantee shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

(c) *Terms and Conditions.* Shares of Restricted Stock shall be subject to the following terms and conditions:

(i) Subject to the provisions of the Plan and the Grant Agreement, during a period set by the Administrator, commencing with the date of such Award (the *Restriction Period*), the Grantee shall not be permitted to sell, assign, transfer, pledge or otherwise encumber shares of Restricted Stock. Within these limits, the Administrator may provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions, in whole or in part, based on service, performance and such other factors or criteria as the Administrator may determine.

(ii) Except as provided in this section and section 10(c)(i), the Grantee shall have, with respect to the shares of Restricted Stock, all of the rights of a stockholder of the Company, including the right to vote the shares and the right to receive any cash dividends. Unless otherwise determined by the Administrator, cash dividends shall be automatically deferred and reinvested in additional Restricted Stock and dividends payable in Common Stock shall be paid in the form of Restricted Stock.

(iii) Except to the extent otherwise provided in the applicable Grant Agreement and sections 10(c)(i) and (iv), upon termination of a Grantee's employment or other relationship with the Company for any reason during the Restriction Period, all shares still subject to restriction shall be

forfeited by the Grantee.

(iv) In the event of hardship or other special circumstances of a Grantee whose employment or other relationship is involuntarily terminated (other than for Cause), the Administrator may waive in

whole or in part any or all remaining restrictions with respect to such Grantee's shares of Restricted Stock.

(v) If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period, unlegended certificates for such shares shall be delivered to the Grantee.

(vi) As determined by the Administrator on the date of grant, each Award of Restricted Stock shall be evidenced by the Grant Agreement in a form to be established by the Administrator that specifies: the duration of the Restriction Period; the number of shares of Restricted Stock granted; any vesting or other restrictions which the Administrator may impose, and any other terms and conditions as shall be determined by the Administrator at the time of grant of the Restricted Stock. All Grant Agreements shall incorporate the provisions of this Plan by reference.

11. *Nontransferability of Awards.* Unless determined otherwise by the Administrator, an Option or Stock Appreciation Right may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. If the Administrator makes an Option or Stock Appreciation Right transferable, such Option or Stock Appreciation Right shall contain such additional terms and conditions as the Administrator deems appropriate.

12. *Adjustments Upon Changes in Capitalization, Dissolution, or Acquisition of the Company.*

(a) *Changes in Capitalization.* Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Option or Stock Appreciation Right, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the price per share of Common Stock covered by each Option or Stock Appreciation Right, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) *Acquisitions.* In the event that an Acquisition (as defined below) occurs with respect to the Company, the Administrator shall, in its sole discretion, have authority to provide for (i) waiver in whole or in part of any remaining restrictions or vesting requirements in connection with any Award granted hereunder, (ii) the conversion of each outstanding Award into cash equal to a reasonable, good faith estimate of an amount (hereinafter the *Spread*) equal to the difference between the net amount per share payable in the Acquisition, or as a result of the Acquisition, less the exercise price per share, if any, of the Award and/or (iii) the conversion of outstanding Awards into the right to receive securities of another entity upon such terms and conditions as are determined by the Administrator in its discretion. In estimating the Spread, appropriate adjustments to give effect to the existence of the Awards shall be made, such as deeming the Options to have been exercised, with the Company receiving the exercise price payable thereunder, if applicable, and treating the shares receivable upon exercise of the Options and Stock Appreciation Rights as being outstanding in determining the net amount per share. For purposes of this section, an *Acquisition* shall mean any transaction in which substantially all of the Company's assets are acquired or in which a controlling amount of the Company's outstanding shares are acquired, in each case

by a single person or entity or an affiliated group of persons and/or entities regardless of how the Acquisition is effectuated, whether by direct purchase, through a merger or similar corporate transaction, or otherwise. For purposes of this section a controlling amount shall mean more than 50% of the issued and outstanding shares of stock of the Company. In cases where the Acquisition consists of the acquisition of assets of the Company, the net amount per share shall be calculated on the basis of the net amount receivable with respect to shares upon a distribution and liquidation by the Company after giving effect to expenses and charges, including but not limited to taxes, payable by the Company before the liquidation can be completed.

(c) *Dissolution or Liquidation.* Subject to Section 12(b) above, in the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Grantee as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Grantee to have the right to exercise his or her Option or Stock Appreciation Rights until ten days prior to such transaction as to all of the Common Stock covered thereby, including shares of Common Stock as to which the Option or Stock Appreciation Right would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any shares of Common Stock purchased upon exercise of an Option or Stock Appreciation Right shall lapse as to all such shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Option or Stock Appreciation Right will terminate immediately prior to the consummation of such proposed action.

13. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Grantee within a reasonable time after the date of such grant.

14. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Stockholder Approval.* The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Grantee, unless mutually agreed otherwise between the Grantee and the Administrator, which agreement must be in writing and signed by the Grantee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

15. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant, if applicable, at the time of any such exercise that the shares of Common Stock are being purchased only for investment

and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required.

16. *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares of Common Stock hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained.

17. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of shares of Common Stock as shall be sufficient to satisfy the requirements of the Plan.

18. *Stockholder Approval.* The Plan shall be subject to approval by the stockholders of the Company within 12 months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
