Annual Meeting of Stockholders

March 8, 2007

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Australia Equity Fund, Inc., a Maryland corporation (the Fund), to be voted at the Annual Meeting of Stockholders of the Fund (the Meeting) to be held at 1735 Market Street, 37th Floor, Philadelphia, Pennsylvania, on Thursday, March 8, 2007, at 10:20 a.m. (Eastern time). The approximate mailing date for this Proxy Statement is February 15, 2007 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card, proxies received will be voted **FOR** the proposal to elect Class I Directors. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, 800 Scudders Mill Road, Plainsboro, New Jersey 08536), or by attending the Meeting and voting in person. Stockholders may authorize proxy voting by using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Stockholders may also authorize proxy voting by telephone, by following the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, withheld votes and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a director. For purposes of the election of directors, withheld votes will not be counted as votes cast and will have no effect on the result of the vote. Proxies from

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares on the proposal will be voted **FOR** the proposal.

If a quorum is not present in person or by proxy at the time the Meeting is called to order, the chairman of the Meeting or the stockholders may adjourn the Meeting. If a quorum is present but there are not sufficient votes to approve a proposal,

the persons named as proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies on that proposal. The vote required for stockholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal. For purposes of votes with respect to adjournment, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If the motion for adjournment is not approved, the voting on that proposal will be completed at the Meeting.

Only stockholders or their duly appointed proxy holders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a stockholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

The Board of Directors has fixed the close of business on January 16, 2007 as the record date (Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Stockholders on the Record Date will be entitled to one vote for each share held. As of the Record Date, the Fund had 19,114,918 shares of common stock outstanding.

The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2006, and any more recent reports, to any Fund stockholder upon request. To request a copy, please call or write to the Fund c/o Aberdeen Asset Management Inc., 1735 Market Street, 37th Floor, Philadelphia, Pennsylvania, 19103, Telephone: 1-866-839-5205.

PROPOSAL 1: ELECTION OF CLASS I DIRECTORS

The Fund's bylaws provide that the Board of Directors will be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund, the Fund's investment manager, Aberdeen Asset Management Asia Limited (the Investment Manager), or the Fund's investment adviser, Aberdeen Asset Management Limited (the Investment Adviser), are referred to in this Proxy Statement as Interested Directors. Directors who are not interested persons as described above are referred to in this Proxy Statement as Independent Directors.

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Board's Nominating and Corporate Governance Committee, which is composed solely of Independent Directors, has nominated Messrs. Anthony E. Aaronson, Neville J. Miles and Moritz Sell to serve as Class I Directors for three-year terms to expire at the Annual Meeting of Stockholders to be held in 2010, and until their successors are duly elected and qualify. Messrs. Aaronson and Miles were elected by stockholders as Class I Directors to serve until the 2007 Annual Meeting. Mr. Sell was appointed by the Board as a Class I Director to serve until the 2007 Annual Meeting, as the representative of Bankgesellschaft Berlin AG (BGB). BGB, now known as Landesbank Berlin Holding AG (LBH), was previously the owner, and is now the parent company of the owner, of approximately 16.5% of the outstanding shares of the Fund's common stock as of October 19, 2006.

The Board of Directors has adopted a retirement policy providing for the retirement of Directors at the age of 70, subject to annual review thereafter by the Nominating and Corporate Governance Committee to determine whether it is then in the

best interests of the Fund for the Director to remain on the Board. The policy provides that an individual shall not be nominated for election as a Class I, Class II or Class III Director if such individual shall have attained 70 years of age prior to the meeting of the Nominating and Corporate Governance Committee (a Nomination Meeting) preceding the Board meeting at which Directors (of any class) are to be nominated for election. Following a Director's 70 birthday, such Director shall tender his or her resignation at the next occurring Nomination Meeting, to be effective on the date of the next meeting of stockholders at which Directors (of any class) are to be elected. However, in recognition of the fact that a person may continue to provide a valuable contribution to the Fund after reaching the age of 70, the Nominating and Corporate Governance Committee may determine not to accept such resignation, in which case the retiring Director may serve as a Director for one additional year. This process may be repeated for a second year. However, the retiring Director may not continue as a Director for longer than the term for which he or she was elected.

If elected, Mr. Aaronson would be subject to the Fund's retirement policy during the first year of his term, and his resignation, if accepted, would not be effective until the next meeting of stockholders at which directors are to be elected, which would most likely be the annual meeting of stockholders to be held in 2008. The Nominating and Corporate Governance Committee would then determine whether Mr. Aaronson could continue to serve during the remaining years of his term. If the Nominating and Corporate Governance Committee determined to accept Mr. Aaronson's resignation, the Board of Directors could appoint a successor director to serve during the remainder of Mr. Aaronson's term, leave the directorship vacant, reduce the size of the Board of Directors, or nominate a successor director for election by stockholders at the next meeting of stockholders at which directors are to be elected.

It is the intention of the persons named on the enclosed proxy card to vote **FOR** the election of the persons indicated above to serve as Class I Directors. The Board of Directors knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend.

The members of the Fund's Contract Review Committee are Messrs. David L. Ellum, Neville J. Miles and William J. Potter.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

The Nominating and Corporate Governance Committee recommends nominations for membership on the Board of Directors and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Manager and Investment Adviser and other principal service providers. The Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. The Committee also periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. The Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Board of Directors has adopted a Nominating and Corporate Governance Committee Charter, which was included as an appendix to the Fund's proxy statement in 2005. The members of the Fund's Nominating and Corporate Governance Committee are Messrs. David L. Ellum, Neville J. Miles and William J. Potter.

The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Committee will consider potential director candidates recommended by Fund stockholders provided that: (i) the proposed candidates satisfy the director qualification requirements set forth in the Fund's bylaws, and (ii) the nominating stockholders comply with the Fund's Policies for Consideration of Board Member Candidates submitted by Fund Stockholders, which policies were included as an appendix to the Fund's proxy statement in 2005, in addition to such procedures and requirements as are set forth in the Fund's bylaws. Other than compliance with the requirements mentioned in the preceding sentence, the Committee will not otherwise evaluate stockholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner. The Committee may identify prospective director candidates from any reasonable source and has the ability to engage third-party search services for the identification and evaluation of potential nominees.

The Fund's bylaws (Article III, Section 2(b)) contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years experience in either investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate degree in economics, finance, business administration, accounting, or engineering, or a professional degree in law, engineering or medicine, from

an accredited university or college in the United States or Australia or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

The Fund's bylaws (Article II, Section 11) also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Stockholders recommending potential director candidates must substantiate compliance with these requirements at the time of submitting their proposed director candidate to the attention of the Fund's Secretary. Notice to the Fund's Secretary should be provided in accordance with the deadline specified in the Fund's bylaws, and (i) as to each individual whom the stockholder proposes to nominate for election or re-election as a director include (A) the name, age, business address and residence address of such individual, (B) the class, series and number of any shares of stock of the Fund that are beneficially owned by such individual, (C) the date such shares were acquired and the investment intent of such acquisition, (D) whether such stockholder believes any such individual is, or is not, an interested person of the Fund (as defined in the 1940 Act), and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Fund to make such determination, (E) sufficient information to enable the Nominating and Corporate Governance Committee of the Board of Directors to make the determination as to the proposed nominee's qualifications required under Article III, Section 2(b) of the bylaws, and (F) all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the 1934 Act, and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), (ii) as to the stockholder giving the notice, the class, series and number of all shares of stock of the Fund which are owned by such stockholder and the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and (iii) as to the stockholder giving the notice, the name and address of such stockholder, as they appear on the Fund's stock ledger and current name and address, if different.

Any stockholder who would like a copy of the Fund's bylaws or the Fund's Policies for Consideration of Board Member Candidates Submitted by Fund Stockholders may obtain a copy from the Fund, by writing to Aberdeen Asset Management Inc., the Fund's investor relations services provider, at 1735 Market Street, 37th Floor, Philadelphia, PA 19103, or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Board and Committee Meetings in Fiscal 2006

During the Fund's fiscal year ended October 31, 2006, the Board of Directors held four regular meetings and two special meetings; the Audit and Valuation Committee held two meetings; the Contract Review Committee held one meeting; and the Nominating and Corporate Governance Committee held three meetings. During such period, each incumbent Director attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

Director Attendance at Annual Meetings of Stockholders

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

Generally, in the event that any of the Fund's Directors are geographically close to the site of an annual meeting of stockholders at the time of such meeting, one or more of such Directors will attend the meeting. However, since a majority of

the Fund's Directors reside outside of the United States, the Fund recognizes that it would be impractical for most Directors to attend such meetings and would create a significant expense for the Fund. In light of the fact that the residences of most Directors are substantial distances from the location of the annual meetings of stockholders and that, historically, few stockholders have attended annual meetings in person, the Fund has not established a policy with respect to Director attendance at annual meetings of stockholders. No Directors attended the 2006 Annual Meeting of Stockholders.

Compensation of Directors and Certain Officers

The following table sets forth information regarding compensation of Directors by the Fund and by the fund complex of which the Fund is a part for the fiscal year ended October 31, 2006. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the fund complex for performing their duties as officers or Directors, respectively.

Each Independent Director of the Fund receives a retainer fee of \$19,000 per year and a fee of \$1,500 per meeting for attendance at Board meetings. In addition, the Chairman of the Board receives a fee of \$10,000 per year; the Chairman of the Contract Review Committee receives a fee of \$5,000 per year; and the Chairman of the Audit and Valuation Committee receives a fee of \$5,000 per year. There are no per meeting fees for attendance at meetings of the Board's standing committees (Contract Review Committee, Audit and Valuation Committee, Nominating and Corporate Governance Committee). Members of ad hoc committees of the Board receive a fee of \$500 per meeting attended and the Chairman of each ad hoc committee receives an additional fee of \$500 per meeting attended. However, the fees for attendance at ad hoc committee meetings may be less than \$500 per meeting in certain instances where committee meetings are held jointly with committee meetings of other funds in the same fund complex.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons) to electronically file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the AMEX. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, and except as provided in the following sentence, the Fund believes that during the fiscal year ended October 31, 2006, its Reporting Persons complied with all applicable filing requirements. Mr. Puay-Wei Teo (an affiliate of the Investment Manager) filed a Form 3 Initial Statement of Beneficial Ownership of the Fund's securities subsequent to the 10-day period specified in the Form.

BGB Representative on the Board of Directors

The Board of Directors indicated in the proxy statement for the Fund's 2004 Annual Meeting of Stockholders (2004 Proxy Statement) that, if the Fund's stockholders voted to recommend the adoption of the alternative director qualifications set forth in the 2004 Proxy Statement, the Board would amend the Fund's bylaws accordingly. The Board of Directors further indicated in the 2004 Proxy Statement that, in the event the bylaws were so amended by the Board, then it was the intention of the Board of Directors promptly thereafter to increase the size of the Board to nine directors and to elect one representative of BGB to the Board of Directors for a three-year term as a Class I Director, provided that, at the time of such appointment, BGB continued to own at least 25% of the Fund's common stock, and further provided that such representative then satisfied the alternative director qualifications. At the 2004 Annual Meeting of Stockholders, the stockholders voted to recommend that the Board amend such provisions of the bylaws by adopting the alternative director qualifications. BGB submitted Mr. Moritz Sell as its proposed representative to serve on the Board of Directors, and the Board's Nominating and Corporate Governance Committee, composed entirely of Independent Directors, determined that Mr. Sell met the alternative director qualifications and was otherwise an appropriate candidate to serve as a director of the Fund. The Board then amended the Fund's bylaws to adopt the alternative director qualifications and increased the size of the Board of Directors. Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors appointed Mr. Sell as a Class I Director to serve for the remainder of a three-year term expiring at the Annual Meeting of Stockholders to be held in 2007. Mr. Sell has indicated that BGB agreed to indemnify him in connection with his service as a Director of the Fund. Based upon information in an amendment to BGB's Statement on Schedule 13D with respect to the Fund's shares, effective August 29, 2006, the name of BGB was changed to Landesbank Berlin Holding AG and all of the assets of BGB were transferred to Landesbank Berlin AG.

REPORT OF THE AUDIT AND VALUATION COMMITTEE; INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Valuation Committee has selected, and the Fund's Independent Directors have ratified the selection of, PricewaterhouseCoopers LLP (PwC), independent registered public accounting firm, to audit the financial statements of the Fund for the fiscal year ending October 31, 2007.

Representatives from PwC are expected to be present at the Meeting and will have the opportunity to respond to questions from stockholders and to make a statement if they so desire.

The Audit and Valuation Committee has received from PwC the written disclosures and the letter required by Independence Standards Board No. 1, and has discussed with PwC its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC addressed by Statements on Auditing Standards Nos. 61 and 90. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2006. The members of the Audit and Valuation Committee are Messrs. David L. Elsum, Peter D. Sacks and John T. Sheehy.

The following table sets forth the aggregate fees billed for professional services rendered by PwC to the Fund during the Fund's two most recent fiscal years:

Fiscal year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2006	\$91,000	\$0	\$6,700	\$0
2005	\$101,140	\$0	\$6,100	\$0

All of the services described in the table above were approved by the Audit and Valuation Committee pursuant to its pre-approval policies and procedures (the Pre-Approval Policies and Procedures) which are summarized below. The tax fees were for the preparation of the Fund's federal income tax returns.

Other than as set forth in the table above, PwC did not bill any non-audit fees for the fiscal years ended October 31, 2006 and October 31, 2005.

For the fiscal years ended October 31, 2006 and October 31, 2005, PwC did not provide any non-audit services to any entity controlling, controlled by, or under common control with the Fund's Investment Manager or the Fund's Investment Adviser that provides ongoing services to

the Fund (Service Affiliates).

The Fund's Audit and Valuation Committee has adopted Pre-Approval Policies and Procedures pursuant to which the Committee pre-approves all audit and non-audit services provided by the Fund's independent registered public accounting firm (Auditor) and any non-audit services provided by the Auditor to the Fund's Investment Manager, Investment Adviser and Service Affiliates during the period of the Auditor's engagement to provide audit services to the Fund, if those services directly impact the Fund's operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include certain services that are audit-related, such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the Auditor to the Fund or to the Fund's Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit and Valuation Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the client's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit and Valuation Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Fund's Independent Directors. In determining whether to engage the Auditor for its audit services, the Audit and Valuation Committee will consider the Auditor's proposed fees for the engagement, in light of the scope and nature of the audit services that the Fund will receive. The Pre-Approval Policies and Procedures also permit the Audit and Valuation Committee to pre-approve the provisions of types or categories of permissible non-audit services for the Fund and its Service Affiliates on an annual basis at the time of the Auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's Auditor, the Audit and Valuation Committee is to receive a list of the categories of expected non-audit services with a description and an estimated budget of fees. In its pre-approval, the Audit and Valuation Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the Auditor and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit and Valuation Committee consistent with the same standards for determination and information.

The Audit and Valuation Committee may also appoint a Designated Member of the Committee to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. Any actions by the Designated Member are to be ratified by the Audit and Valuation Committee by the time of its next regularly scheduled meeting. The Fund's Pre-Approval Policies and Procedures are to be reviewed annually by the Audit and Valuation Committee and the Fund maintains a record of the decisions made by the Committee pursuant to those procedures.

ADDITIONAL INFORMATION

Expenses. The expense of preparation, printing and mailing of the enclosed proxy card and accompanying Notice and Proxy Statement will be borne by the Fund. The Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Directors and employees of the Fund, the Investment Manager, the Investment Adviser or the Fund's administrator. The Altman Group has been retained to assist in the solicitation of proxies. The Altman Group will be paid a project fee of \$3,500 by the Fund, and the Fund will reimburse The Altman Group for its related expenses. Total payments to The Altman Group are expected to be approximately \$5,000.

Solicitation and Voting of Proxies. Solicitation of proxies is being made primarily by the mailing of this Proxy Statement with its enclosures on or about February 15, 2007. As mentioned above, The Altman Group has been engaged to assist in the solicitation of proxies. As the meeting date approaches, certain stockholders of the Fund may receive a call from a representative of The Altman Group, if the Fund has not yet received their vote. Authorization to permit The Altman Group to execute proxies may be obtained by telephonic instructions from stockholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that Management of the Fund believes are reasonably designed to ensure that the identity of the stockholder casting the vote is accurately determined and that the voting instructions of the stockholder are accurately determined.

Any proxy given by a stockholder is revocable. A stockholder may revoke the accompanying proxy at any time prior to its use by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund, or by attending the Meeting and voting in person.

Beneficial Ownership. To the best of the Fund's knowledge, based upon filings made by the respective entities with the SEC, as of October 19, 2006, the only beneficial owners of more than five percent of the voting securities of the Fund were:

<u>Title of Class</u>	<u>Name and Address of Beneficial Owner</u>	<u>Number of Shares Beneficially Owned</u>	<u>Percent of Class</u>
Common Stock, par value \$0.01 per share	Bankgesellschaft Berlin AG Alexanderplatz 2-10178 Berlin, Germany	2,783,741(1)	16.5%
Common Stock, par value \$0,01 per share	Credit Suisse, on behalf of the Investment Banking Division Uetlibergstrasse 231 P.O. Box 900 CH 8070 Zurich, Switzerland	1,601,000(2)(3)	9.5%

- (1) In an amendment to BGB's statement on Schedule 13D filed with the SEC on October 19, 2006, LB indicated that it has the sole power to vote and dispose of the shares of the Fund's Common Stock owned by it, and, as the parent holding company, LBH has the power to influence the decisions of LB with regard to the disposition and voting of such shares, and is therefore deemed to share voting and dispositional authority with respect to such shares.
- (2) As indicated in a Statement on Schedule 13G filed by Credit Suisse with the SEC on February 14, 2006, with respect to shares of the Fund beneficially owned by Credit Suisse as of December 31, 2005. Credit Suisse indicated in its filing that it had shared voting power and shared dispositive power with respect to such shares, and that its Statement on Schedule 13G was being filed on behalf of its subsidiaries to the extent that they constituted the Investment Banking division. There have been no subsequent filings with the SEC by Credit Suisse with respect to its shares of the Fund's Common Stock, and the Fund has not received any notice from Credit Suisse with respect to its shares of the Fund's Common Stock.
- (3) In an amendment to BGB's Statement on Schedule 13D filed with the SEC on July 13, 2006, BGB indicated that on July 3, 2006, it had exercised options to purchase from Credit Suisse 685,991 shares of the Fund's Common Stock.

Audit and Valuation Committee

AUDIT CHARTER

Mission

The mission of the Audit and Valuation Committee (the **Committee**) of the Board of Directors (the **Board**) of Aberdeen Australia Equity Fund, Inc. (the **Fund**), under this Audit Charter, is to oversee: (i) the Fund's accounting and financial reporting policies and practices; (ii) its internal controls and, as appropriate, the internal controls of certain service providers; and (iii) the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof, including, but not limited to, oversight of the independent auditor's qualifications and independence. The Committee will report to the Board, if necessary, any relationships between the independent auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the independent auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment manager (the **Manager**) and investment adviser (the **Adviser**) to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditor to plan and carry out a proper audit.

The independent auditor is directly accountable to the Committee.

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an interested person (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (**1940 Act**)) of the Fund, other than in his or her capacity as a member of the Board of Directors or any Board committee (an **Independent Director**) and, in addition, each member shall have the additional qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the Fund's Manager and the Fund's Adviser.

Qualifications of Committee Members

1. Members of the Committee must be members of the Board and may not be officers of the Fund. In addition, members should be free of any relationships that would interfere with the exercise of independent judgment.

2. Each member of the Committee must be able to read and understand basic financial statements, including the Fund's balance sheet, income statement and statement of cash flows, or must become able to do so within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which result in that individual's having financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. If a member qualifies as an audit committee financial expert pursuant to Item 401(h) of Regulation S-K or Item 3 of Form N-CSR that member may be presumed to be financially sophisticated.

3. Unless exempted by an order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board, directly or indirectly, accept any consulting, advisory, or other compensatory fee from the Fund.

4. If none of the members of the Committee is a financial expert (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.

Duties and Powers

To carry out its mission under this Audit Charter, the Committee shall, to the extent it deems appropriate, carry out the following functions:

1. To annually select, retain or terminate the Fund's independent auditor and, in connection therewith, to evaluate the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Manager or the Adviser, and to receive the independent auditor's specific representations as to their independence, delineating all relationships between the independent auditor and the Fund, consistent with Independence Standards Board (ISB) Standard No.¹ The Committee is responsible for actively engaging in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the independent auditor;

2. To review in advance, and consider approval of, any and all proposals by management of the Fund or the Manager or the Adviser that the Fund, the Manager or the Adviser, or their affiliated persons, employ the independent auditor to render permissible non-audit services² to the Fund and to consider whether such services are consistent with the independent auditor's independence.³ The Committee may delegate to one or more of its members (Delegates) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee shall communicate any pre-approval made by it or a Delegate to the Fund's Manager, who will ensure that the appropriate disclosure is made in the Fund's periodic reports required by Section 13(a) of the Securities Exchange Act of 1934, as amended, and other documents as required under the federal securities laws;

3. To select, recommend and engage new independent auditors, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;

¹ ISB Standard No. 1 requires the auditor to annually: (1) disclose to the Committee, in writing, all relationships between the auditor and its related entities and the Fund and its related entities that in the auditor's professional judgment may reasonably be thought to bear on independence; (2) confirm in the letter that, in its professional judgment, it is independent of the Fund within the meaning of the Securities Acts administered by the SEC; and (3) discuss the auditor's independence with the audit committee.

² Permissible non-audit services include any professional services, including tax services, provided to the Fund by the independent auditor, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

³ Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its auditor during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its Delegate(s) prior to the completion of the audit.

4. To review and oversee, in advance and in consultation with the independent auditor, the staffing of the audit of the Fund's financial statements and obtain from the independent auditor a written representation that they have appointed a lead auditor and/or review partner who has not acted in such capacity for the Fund in each of the Fund's previous five fiscal years;

5. 14. To assure that all its actions are recorded in minutes of its meetings and maintained with the Fund's records; and

15. To report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

¹ SAS Nos. 61 and 90 (amending SAS Nos. 61 and 71) require independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process, specifically the audit committee. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements. SAS No. 90 clarifies that the auditor must discuss certain information relating to its judgment about the quality, not just the acceptability, of the company's accounting principles with the audit committee and encourages a three-way discussion among the auditor, management and the audit committee.

Other Powers and Responsibilities

1. The Committee normally shall meet in person twice yearly, in June and December, prior to the meetings of the full Board, and may meet at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.

2. Each December, the Committee shall make a report as required by Item 306 of Regulation S-K indicating whether the Committee (i) reviewed and discussed the financial statements with management; (ii) discussed the matters required by SAS Nos. 61 and 90, as modified or supplemented; and (iii) received from the independent auditor the letter and written disclosure required by ISB Standard No. 1, and discussed with the independent auditor their independence. The Committee's report should also indicate whether the Committee, based on its review and its discussions with management and the independent auditor, recommends to the Board that the financial statements be included in the Fund's annual report for the last fiscal year.

3. The Fund's officers shall provide, or arrange to provide, such information, data and service as the Committee may request. The Committee shall conduct interviews or discussions as it deems appropriate with personnel of the Fund, and/or others whose views would be considered helpful to the Committee. The Committee may ask management and representatives of the service providers to attend meetings as necessary.
