Item 2.02 Results of Operations and Financial Condition.

On November 1, 2007, Harvard Bioscience, Inc., (the Company) issued a press release announcing financial results for the three and nine months ended September 30, 2007. The press release is furnished as Exhibit 99.1 and incorporated herein by reference. The information in Item 2.02 of this Current Report on Form 8-K and Exhibit 99.1 attached shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 30, 2007, the Board of Directors of the Company adopted technical amendments to its Amended and Restated By-laws (the "Amendment") to permit the issuance of shares of the Company s capital stock in uncertificated form. The amendments will permit direct or "book-entry" registration of shares of the Company s capital stock and thereby facilitate the Company s eligibility to participate in a direct registration system, or DRS. DRS would allow shares of the Company s stock to be owned, reported and transferred electronically in uncertificated form and without the need for physical stock certificates.

The summary above is qualified in its entirety by the Amendment filed herewith as Exhibit 3.1 to this report and incorporated herein by reference.
