PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS

February 6, 2008

Your proxy in the enclosed form is solicited by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on February 6, 2008 at 915 East First Street, Los Angeles, California 90012 at 10:00 a.m., and at any adjournment thereof. Each properly executed proxy received prior to the Annual Meeting will be voted as directed, but, if not otherwise specified, proxies will be voted for the election of the nominees for directors named in this Proxy Statement and to ratify the appointment of Ernst & Young LLP as the Company's independent accountants for the current fiscal year. As to any other business which may properly come before the meeting and be submitted to a vote of shareholders, proxies received by the Board of Directors will be voted in accordance with the discretion of the holders thereof.

Each shareholder has the right to revoke his proxy at any time before it is voted. A proxy may be revoked by filing with the Secretary of the Company at 915 East First Street, Los Angeles, California 90012, a written revocation or a properly executed proxy bearing a later date, or by voting in person.

The Company will bear the cost it contracts for in solicitation of proxies. In addition to the use of the mails, proxies may be solicited by personal interview, telephone, telecopier or e-mail by officers, directors and other employees of the Company (none of whom will receive additional compensation therefor). The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send or cause to be sent proxy materials to, and obtain proxies from, such beneficial owners, and, on request, will reimburse such holders for their reasonable expenses in so doing.

The close of business on December 21, 2007 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. Shares of Common Stock, of which 1,500,299 were outstanding on December 21, 2007, are the only voting securities of the Company. A majority of the Company's outstanding shares of Common Stock as of December 21, 2007 must be represented in person or by proxy to constitute a quorum for the Annual Meeting. All shares represented in person or by proxy, regardless of the nature of the vote, the indication of abstention or the absence of a vote indication, including broker non-votes, will be counted to determine the number of shares represented at the meeting. This Proxy Statement and the enclosed form of proxy were first mailed to shareholders on or about January 4, 2008.

ELECTION OF DIRECTORS

The Bylaws of the Company permit from three to five members of the Board of Directors. Presently, five directors serve on the Board. The directors are elected annually and serve until the next annual meeting of shareholders and the election of their successors.

The independent members of the Board of Directors have nominated for election the five current directors of the Company. Shareholders have cumulative voting rights in the election of directors. This means that each shareholder has the right to cast a number of votes equal to his number of shares of Common Stock multiplied by the number of directors to be elected, and to cast all of such votes for one nominee or distribute such votes among two or more nominees as he chooses. The right to vote cumulatively is dependent on a shareholder's giving notice of his intention to cumulate his votes either to an officer of the Company in writing 48 hours before the meeting or by an announcement during the meeting before the voting for directors commences. Once such notice is given, all other shareholders entitled to vote at the meeting will be without further notice entitled to cumulate their votes. Unless otherwise instructed, the persons named in the accompanying form of Proxy will vote the proxies for the five nominees named below, reserving the right, however, to cumulate such votes and to distribute them among the nominees at their discretion.

Directors are elected by a plurality of the votes cast by the shares entitled to vote thereon. Abstentions and broker non-votes are not counted as votes cast in favor of any nominee.

The Board of Directors of the Company does not contemplate that any of the following nominees will become unavailable prior to the meeting, but if any such persons should become unavailable, proxies will be voted for such other nominees as may be selected by the Company's independent directors.

Directors

The information set forth below as to each nominee for election as director has been furnished to the Company by the respective persons named below:

<u>Name</u>	<u>Age</u>	<u>Principal Occupation Last Five Years</u>
Charles T. Munger	84	Mr. Munger has been Chairman and a director of the Company since 1977. He also serves as Vice Chairman and a director of Berkshire Hathaway Inc., a holding company with interests in insurance companies, corporations engaged in the retail sale of consumer goods, a manufacturer of premium candies, various other manufacturers, the publisher of The World Book Encyclopedia and a newspaper, the Buffalo News. Mr. Munger is also Chairman of the Board of Directors of Wesco Financial Corporation (80% owned by Berkshire Hathaway Inc.), which owns an insurance company, a furniture rental business and a specialty steel distribution company. Mr. Munger is a director of COSTCO Wholesale Corporation, a discount merchant.
J.P. Guerin	78	Mr. Guerin has been Vice Chairman and a director of the Company since 1977. Prior to retiring in 2002, Mr. Guerin was a director of Lee Enterprises, Incorporated, a company owning newspapers. Mr. Guerin is a private investor.

<u>Name</u>	<u>Age</u>	<u>Principal Occupation Last Five Years</u>
Gerald L. Salzman	68	Mr. Salzman was elected to the Board of Directors and became President of the Company in 1986. Mr. Salzman also acts as Chief Executive Officer, Chief Financial Officer, Treasurer and Assistant Secretary of the Company.
George C. Good	85	Mr. Good has been a director of the Company since 1988. Mr. Good is a private investor.
Peter D. Kaufman	53	Mr. Kaufman joined the Board of Directors in 2006. Mr. Kaufman is Chairman and Chief Executive Officer of Glenair, Inc., a privately held manufacturer of electrical and fiber optic components and assemblies for the aerospace industry. He has served in various capacities at that company since 1977. He is also a director of Wesco Financial Corporation.

Proxies given without instructions will be voted FOR the nominees listed above.

CORPORATE GOVERNANCE

The Board of Directors has determined that Messrs. Guerin, Good and Kaufman are independent in accordance with Nasdaq Marketplace Rule 4200. Accordingly, a majority of the members of the Board of Directors are independent, as required by Nasdaq Marketplace Rule 4350(c)(1).

The Board of Directors has two standing committees: the audit committee and the compensation committee, both consisting of Messrs. Guerin, Good and Kaufman. During the fiscal year ended September 30, 2007, the Board of Directors held three meetings. The audit committee held three meetings, and the compensation committee held two meetings during the fiscal year. Each director attended all of the meetings of the Board and any committee of which he was a member. The Company does not require its directors to attend the Annual Meetings of Shareholders, but all of the Company's five directors serving at the time of the 2007 Annual Meeting attended that meeting.

Audit Committee

The audit committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act) and is responsible for assisting the Board in fulfilling its responsibilities as they relate to the Company's accounting policies, internal controls, and financial reporting practices. The audit committee operates in accordance with a written charter that is not available on the Company's website, but that is attached as Appendix A to this proxy statement. The Board of Directors has determined that Mr. Guerin is an audit committee financial expert, as that term is used in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has also determined that Mr. Guerin is independent even though he falls outside the safe harbor definition set forth in Rule 10A-3(e)(1)(ii) under the Exchange Act because he owns in excess of 10% of the Company's common stock. Among other things, the Board considered Mr. Guerin's history of service and the percentage of common stock held by others, and it determined that he is not an affiliated person of the Company who would be ineligible to serve on the audit committee. The Board of Directors believes that each of Messrs. Guerin, Good and Kaufman is independent under Nasdaq Marketplace Rule 4200, meets the criteria for independence set forth in Rule 10A-3 under the Exchange Act and satisfies the other audit committee membership requirements specified in Nasdaq Marketplace Rule 4350(d)(2)(A).

Compensation Committee

The compensation committee is responsible for determining the compensation of the Company's Chief Executive Officer and all of its other officers. In light of this straightforward responsibility, the compensation committee does not operate under a written charter. The compensation committee does not delegate its responsibilities. The Company's only executive officer, Gerald L. Salzman, does not determine or recommend the amount or form of his compensation or of any director's compensation. The compensation committee relies on its own good judgment in carrying out its duties and does not waste stockholder money on compensation consultants.

Nominations

There is no standing nominating committee, but Messrs. Guerin, Good and Kaufman, the Company's independent directors, are responsible for selecting nominees for election to the Board of Directors. The Company believes that its independent directors are able to fully consider and select appropriate nominees for election to the Board without operating as a formal committee or pursuant to a written charter. For this same reason, the Company does not have a formal policy by which its shareholders may recommend director candidates, but Messrs. Guerin, Good and Kaufman will certainly consider candidates recommended by shareholders. A shareholder wishing to submit such a recommendation should send a letter to the Secretary of the Company at 915 East First Street, Los Angeles, California 90012. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Director Nominee Recommendation. The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications, as well as contact information for both the candidate and the shareholder. At a minimum, candidates for election to the Board must meet the independence requirements of Nasdaq Marketplace Rule 4200 and Rule 10A-3 under the Exchange Act. Candidates should also have relevant business and financial experience, and they must be able to read and understand fundamental financial statements. Candidates recommended by shareholders will be evaluated in the same manner as candidates recommended by anyone else, although Messrs. Guerin, Good and Kaufman may prefer candidates who are personally known to the existing directors and whose reputations are highly regarded. Messrs. Guerin, Good and Kaufman will consider all relevant qualifications as well as the needs of the Company in terms of compliance with Nasdaq listing standards and Securities and Exchange Commission rules.

Shareholder Communication with the Board of Directors

Shareholders who wish to communicate with the Board of Directors or with a particular director may send a letter to the Secretary of the Company at 915 East First Street, Los Angeles, California 90012. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all directors, officers and employees of the Company. The Code of Ethics is attached as an exhibit to the Company's annual report on Form 10-K for the fiscal year ended September 30, 2003.

Related Person Transactions

Pursuant to a written policy adopted by the Board of Directors, any related party transaction that the Company would be required to disclose in its annual proxy statement pursuant to Item 404 of Regulation S-K under the Securities Exchange Act of 1934 must be pre-approved or ratified by the Audit Committee (or, if any member of the Audit Committee has an interest in the related party transaction, then by a majority of the disinterested directors). Only transactions that the Audit Committee or the disinterested directors find to be in the best interests of the Company and its stockholders will be approved or ratified.

The Company utilizes the software consulting services of Jon Darin Salzman, the son of the Company's President, Gerald L. Salzman. In fiscal 2007, he billed the Company approximately \$109,000 for about 1,680 hours of software consulting work, and aggregate payments are expected to be at approximately the same rate in fiscal 2008. In addition, Dorothy Salzman, the wife of Gerald L. Salzman, is employed by the Company as Director of Personnel. During fiscal 2007, she received compensation of approximately \$74,000. It is currently expected that her compensation will be less than \$120,000 in fiscal 2008. The Audit Committee has ratified these related party transactions for fiscal 2007 and has approved them for fiscal 2008.

Compensation Committee Interlocks and Insider Participation

As indicated above, the members of the compensation committee are Messrs. Guerin, Good and Kaufman. None of these individuals has at any time been an officer or employee of the Company (although Mr. Guerin holds the title of non-executive vice-chairman). During 2007, Mr. Salzman, our only executive officer, did not serve as a member of the board of directors or compensation committee of any entity for which a member of the Company's Board of Directors served as an executive officer.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The compensation for Mr. Salzman, the Company's only executive officer, consists of three elements: base salary, year-end bonus and participation in the Deferred Management Incentive Plan. Salary and bonus payments are primarily designed to reward current and past performance, while awards granted pursuant to the Deferred Management Incentive Plan are aimed at providing incentives for long-term future profitability of the Company. In determining the amount and form of compensation to be paid or awarded in 2007, the compensation committee considered the Company's overall performance over a period of years, rather than constructing a guideline or formula based on any particular performance measured in a single year. The compensation committee also recognized that Mr. Salzman serves in several executive capacities. Mr. Salzman currently serves as the Company's chief executive officer, president, treasurer, assistant secretary, chief accounting officer and chief financial officer.

Mr. Salzman's base salary remained \$250,000, or the same as the amounts paid in each fiscal year since 1992. Mr. Salzman received a bonus of \$300,000 in fiscal 2007, which is the same as the amounts paid in 2006 and 2005. The compensation committee believes that the amounts of base salary (which will be continued at the same level for fiscal 2008) and bonus were warranted by the Company's financial performance, and by Mr. Salzman's personal performance, in fiscal 2007. While the compensation committee did not undertake a comparison of Mr. Salzman's compensation to amounts paid by other companies to their chief executive officers, the committee members did utilize in their determination of Mr. Salzman's compensation their collective current and past experience as directors and executive officers of numerous companies, and their subjective judgments about the performance of the Company and Mr. Salzman in light of the highly competitive market conditions in the publishing and case management software businesses.

The Company has no stock option plans, retirement plans, disability insurance programs or traditional perquisites (other than health insurance and a life insurance policy, which are offered to all full-time employees). It instead maintains the Deferred Management Incentive Plan, which is designed to link compensation to the performance of the Company by granting to Mr. Salzman and other participating employees a percentage of income before taxes, workers' compensation expenses and supplemental compensation expenses in the current year and each of the next nine years subsequent to the grant, provided they remain employed by the Company or are retired and have worked for the Company until age 65. The compensation committee recognizes that a significant portion of the compensation paid pursuant to the Deferred Management Incentive Plan relates to certificates earned under the Plan in prior years, with future payments entirely dependent on earnings.

The compensation committee believes the Deferred Management Incentive Plan is preferable to a conventional stock option plan. As a mechanism for compensation, a stock option plan is capricious, as employees awarded options in a particular year would ultimately receive too much or too little compensation for reasons unrelated to employee performance. Such variations could cause undesirable effects, as employees receive different results for options awarded in different years. In addition, a conventional stock option plan would fail to properly weigh the disadvantage to shareholders through dilution. The Deferred Management Incentive Plan was implemented in combination with repurchases of the Company's stock, and therefore the Company's per share earnings have not been diluted by grants under the Deferred Management Incentive Plan.

At September 30, 2007, 79,500 units for Daily Journal Non-Consolidated Certificates, 53,500 units for Sustain Certificates and 148,000 units for Daily Journal Consolidated Certificates (which are approximate share equivalents based on stock outstanding at the commencement of the plan) were outstanding under the Deferred Management Incentive Plan while 352,199 shares of the Company's common stock (including Treasury Shares) have been repurchased since the commencement of the plan.

After considering the amount of the certificates previously granted to Mr. Salzman under the Deferred Management Incentive Plan, the compensation committee granted to Mr. Salzman additional certificates entitling him to receive approximately .66% (\$59,760 in fiscal 2007) of the pre-tax earnings of the Company. Certificates awarded to Mr. Salzman in earlier years of the Deferred Management Incentive Plan, which constitute the largest portion of his certificates, began to expire after fiscal 1997, and those certificates expiring in fiscal 2007 were for .66% of pre-tax earnings. Accordingly, the award in fiscal 2007 essentially replaced an identical expiring award and maintained Mr. Salzman's interest in the pre-tax earnings of the Company at 8.2% (\$737,040 in fiscal 2007), where it has been since fiscal 1997. The compensation committee will continue to examine the appropriate amount of future grants to Mr. Salzman in light of the Company's financial performance and the expiration, or expected expiration, of a substantial portion of the certificates Mr. Salzman currently holds.

Mr. Salzman does not have an employment contract with the Company, nor is he otherwise entitled to any sort of special payment in connection with his termination or a change in control of the Company.

Summary Compensation Table

The following table sets forth compensation paid by the Company during the last three fiscal years to Gerald L. Salzman, who is the only executive officer of the Company.

Summary Compensation Table

Annual Executive Compensation in Fiscal 2005 - 2007

	<u>Fiscal Year</u>	<u>Salary</u>	<u>Bonus</u>	<u>Non-Equity Incentive Plan Compensation (1)</u>	<u>Total</u>
Gerald L. Salzman	2007	\$ 250,000	\$ 300,000	\$ 737,040	\$ 1,287,040
	2006	250,000	300,000	452,880	1,002,880
Chief Executive Officer, President, Chief Financial Officer, Treasurer and Assistant Secretary	2005	250,000	300,000	510,600	1,060,600

- (1) All amounts were paid pursuant to the Company's Deferred Management Incentive Plan. Mr. Salzman has received certificates entitling him to a designated share (currently 8.2%) of the Company's income before taxes on a consolidated basis. In fiscal 2007, Mr. Salzman received a certificate entitling him to .66% of such earnings for the current and the next nine years. (The .66% awarded in fiscal 2007 replaced an earlier awarded certificate which terminated with a final payment in fiscal 2006.) Mr. Salzman's 2007 certificate resulted in a payment of \$59,760 for fiscal 2007.

Grants of Plan-Based Awards

The following table sets forth certain information regarding the fiscal 2007 grant of a certificate under the Deferred Management Incentive Plan to Mr. Salzman.

Deferred Management Incentive Plan**Executive Awards in Fiscal 2007**

<u>Name</u>	<u>Grant Date</u>	<u>Estimated Future Payouts Under Non-Equity Incentive Plan Awards</u>		
		<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>
Gerald L. Salzman	September 11, 2007 (1)	\$ 0	\$ 537,840 (2)	N/A (2)

- (1) Mr. Salzman received a certificate in fiscal 2007 entitling him to .66% of the Company's income before taxes on a consolidated basis for the current year and the next nine years.
- (2) Should the Company's income before taxes for the next nine years be the same as in fiscal 2007, the grant Mr. Salzman received in fiscal 2007 would result in total payments to him over the next nine years of \$537,840. The actual payments to Mr. Salzman will vary, however, depending on the Company's income before taxes in each year of such period.

Prior to fiscal 2003, participation in the Company's Deferred Management Incentive Plan entitled certain employees of the Company to a designated share of the Company's income before taxes for the lesser of (a) ten years or (b) the period during which such employee remains in the Company's employ or in retirement (and not competing with the Company) following employment with the Company to age 65. Non-negotiable certificates specifying the designated share of pre-tax earnings were given to employees as evidence of their participation in the Deferred Management Incentive Plan. Certificates were awarded on the basis of employee performance.

In fiscal 2003, the Company modified the Deferred Management Incentive Plan by creating three different kinds of certificates in order to entitle participants to a share of the Company's pre-tax earnings related to their core responsibilities. Employees who work in the Company's traditional publishing business are now eligible to receive Daily Journal Non-Consolidated Certificates, while those working for Sustain are eligible to receive Sustain Certificates. Mr. Salzman and other employees with responsibilities for the entire business are eligible to receive Daily Journal Consolidated Certificates. In addition, each outstanding certificate issued under the Deferred Management Incentive Plan prior to fiscal 2003 has been converted into one of these three types of awards based on the nature of the particular participant's responsibilities.

The Daily Journal Consolidated Certificates are identical to the certificates issued under the Deferred Management Incentive Plan prior to fiscal 2003. The Daily Journal Non-Consolidated Certificates entitle participants to a share of the pre-tax earnings attributable to all non-Sustain operations, while the Sustain Certificates entitle participants to a share of the pre-tax earnings attributable to the Sustain segment only. Each of the new Certificates issued beginning in fiscal 2003 entitles the participant to the specified share of the applicable pre-tax earnings in that fiscal year and the same percentage of the then-applicable pre-tax earnings in each of the next nine years provided the participant is employed by the Company or in retirement (and not competing with any of the Company's businesses) following employment with the Company to age 65. The term of each

outstanding certificate that was converted into a new type of Certificate during fiscal 2003 will continue to run from the date the original certificate was issued. All Certificates are still awarded on the basis of employee performance.

In fiscal 2007, the Company granted Daily Journal Non-Consolidated Certificates entitling employees to receive an aggregate of .44% of the pre-tax earnings of the Company's non-Sustain operations (approximately \$43,760 for fiscal 2007), and it granted Sustain Certificates entitling employees to receive an aggregate of 0.22% of Sustain's pre-tax earnings (\$0 for fiscal 2007). Also in fiscal 2007, the Company granted one Daily Journal Consolidated Certificate entitling Mr. Salzman to receive .66% of the Company's total pre-tax earnings (\$59,760 for fiscal 2007). (The .66% awarded in fiscal 2007 replaced an earlier certificate which terminated with a final payment in fiscal 2006.) The pre-tax earnings for fiscal 2007 were calculated as earnings before taxes, workers' compensation expenses, reversal of Sustain's contingent liability and supplemental compensation expenses. Sustain's losses in fiscal 2007 resulted in there being no payments pursuant to the Sustain Certificates, and such losses adversely affected the payments made pursuant to the Daily Journal Consolidated Certificates.

The aggregate supplemental compensation awarded under the Deferred Management Incentive Plan in fiscal 2007 was \$1,171,905. That compares to an aggregate of \$780,080 awarded under the Deferred Management Incentive Plan in fiscal 2006 and \$796,710 awarded in fiscal 2005.

Compensation of Directors

Messrs. Munger, Guerin and Salzman receive no fees for services as a member of the Company's Board of Directors. Messrs. Good and Kaufman each receive a yearly stipend of \$5,000. In addition, the Company reimburses directors for travel and other expenses incident to service. Non-employee director compensation for 2007 is summarized in the following table:

Non-Employee Director Compensation

Charles T. Munger	\$ 0	\$ 0	\$ 0
J.P. Guerin	0	0	0
George C. Good	5,000	0	5,000
Peter D. Kaufman	5,000	0	5,000

The audit committee has received written disclosures and the letter from the independent accountant required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and has discussed with the independent accountant its independence, including whether the provision of its services is compatible with maintaining its independence.

Pre-Approval Policies

Pursuant to the rules and regulations of the Securities and Exchange Commission, before the Company's independent accountant is engaged to render audit or non-audit services, the engagement must be approved by the Company's audit committee or entered into pursuant to the committee's pre-approval policies and procedures. The audit committee has adopted a policy granting pre-approval to certain specific audit and audit-related services and specifying the procedures for pre-approving other services. The policy is attached as Appendix B.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and its executive officer and all persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. The directors, executive officer and greater-than 10% shareholders are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms received by the Company and written representations from certain reporting persons, the Company believes that during 2007 all filing requirements were satisfied with the exception of one late Form 5 filed by J.P. Guerin to report the gift of 5,000 shares from his personal trust to the Guerin Foundation in December 2006.

Shareholders desiring to submit proposals for action at that meeting will be required to submit them to the Company on or before September 7, 2008. 22. Review any disclosures made to the Audit Committee by the Corporation's CEO and CFO during the certification process for the Corporation's 10-Ks and 10-Qs about (i) any significant deficiencies in the design or operation of internal controls over financial reporting or material weaknesses therein, (ii) any fraud involving management or other employees who have a significant role in the Corporation's internal controls over financial reporting and (iii) any change in internal controls over financial reporting that has materially affected or is reasonably likely to materially affect, the Corporation's internal controls over financial reporting.

APPENDIX B

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF DAILY JOURNAL CORPORATION

PRE-APPROVAL POLICY

I. STATEMENT OF PRINCIPLES

The Audit Committee of the Board of Directors (the Board) of Daily Journal Corporation (the Corporation) is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by the independent auditor has received pre-approval pursuant to this policy, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee.

The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee will periodically review previously pre-approved services, based on subsequent determinations.

II. DELEGATION

To ensure prompt handling of unexpected matters, the Audit Committee delegates to the Chair of the Audit Committee the authority to amend or modify the list of pre-approved non-audit services and fees. The Chair will report action taken to the Audit Committee at its next scheduled meeting. The Audit Committee may also delegate pre-approval authority to one or more of its members who shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management or to the Board generally.

III. AUDIT SERVICES

The annual audit services engagement terms and fees will be subject to the specific pre-approval of the Audit Committee. The independent auditor will provide the Audit Committee with an engagement letter and fee proposal outlining the scope and cost of the audit services proposed to be performed during the fiscal year. Once agreed to by the Audit Committee, the final engagement letter and fee proposal will be formally accepted. The Audit Committee will then approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Corporation structure or other matters.

The Audit Committee has granted pre-approval for other audit services that only the independent auditor reasonably can provide. The Audit Committee has pre-approved (i) statutory audits or financial audits for subsidiaries or affiliates of the Corporation,

Edgar Filing: DAILY JOURNAL CORP - Form DEF 14A

(ii) services associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings (e.g., comfort letters, consents, etc.), and assistance in responding to SEC comment letters, and (iii) consultations by the Corporation's management as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or

proposed rules, standards or interpretations by the SEC, FASB or other regulatory or standard setting body (other than services that are audit-related services under SEC rules which have been separately pre-approved). Other audit services that reasonably could be performed by someone other than the independent auditor must be separately pre-approved by the Audit Committee.

IV. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements and that are traditionally performed by the independent auditor. The Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor, and has pre-approved audit-related services related to (i) internal control reviews and assistance with internal control reporting requirements, (ii) consultations by the Corporation's management as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the SEC, FASB or other regulatory or standard setting body (other than services that are audit services under SEC rules which have been separately pre-approved), (iii) attest services not required by statute or regulation, and (iv) agreed-upon or expanded audit procedures relating to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters. All other audit-related services must be separately pre-approved by the Audit Committee.

V. TAX SERVICES

It is the preference of the Audit Committee for tax services such as tax compliance, tax planning and tax advice to be performed by an accountant other than the independent auditor. However, if the Audit Committee believes that the independent auditor can provide tax services to the Corporation without impairing the auditor's independence, and the Audit Committee desires to retain the independent auditor for tax services, those services must be specifically pre-approved by the Audit Committee. In no event will the Audit Committee permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations.

VI ALL OTHER SERVICES

The Audit Committee may grant pre-approval to those permissible non-audit services classified as all other services that it believes are routine and recurring services, and would not impair the independence of the auditor.

A list of the SEC's prohibited non-audit services is attached to this policy as Exhibit 1. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

VII. PRE-APPROVAL FEE LEVELS

Pre-approval fee levels for all services to be provided by the independent auditor will be established periodically by the Audit Committee. Any proposed services exceeding these levels will require specific pre-approval by the Audit Committee.

VIII. SUPPORTING DOCUMENTATION

With respect to each proposed pre-approved service, the independent auditor will be required to provide detailed back-up documentation, which will be provided to the Audit Committee, regarding the specific services to be provided.

IX. PROCEDURES

Except for the annual audit services engagement (the procedures for which are set forth in Section III above), all requests or applications to provide services that require separate approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Chief Executive Officer, and must include a joint statement as to whether, in their view, the request or application is permissible under all legal requirements and consistent with the SEC's rules on auditor independence.
