BASSETT FURNITURE INDUSTRIES, INCORPORATED

Bassett, Virginia

Presentation to Certain Investors

Beginning March 17, 2008, Robert H Spilman, Jr., President and Chief Executive Officer, Barry C. Safrit, Senior Vice President and Chief Financial Officer, and Jason W. Camp, Senior Vice President, Retail, will be making presentations to certain Institutional Investors of Bassett Furniture Industries, Inc. regarding Bassett scurrent retail growth strategy. A copy of the presentation is presented below.

Certain of the statements in the presentation that follows, particularly those preceded by, followed by or including the words believes, expects, anticipates, intends, should, estimates, or similar expressions, or those relating to or anticipating financial results for periods beyond the fiscal year 2007, constitute forward looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended. For those statements, Bassett claims the protection of the safe harbor for forward looking statements contained in the Private Securities Litigation Reform Act of 1995. In many cases, Bassett cannot predict what factors would cause actual results or future actions to differ materially from those indicated in the forward looking statements. Expectations included in the forward-looking statements are based on preliminary information as well as certain assumptions which management believes to be reasonable at this time. The following important factors affect Bassett and could cause actual results or future actions to differ materially from those indicated in the forward looking statements: delays or difficulties in converting some of its non-operating assets to cash, tax planning considerations, negotiations with third parties who have an interest in some of the non-operating assets in which the Company has an interest, economic, competitive, governmental and other factors identified in Bassett s filings with the Securities and Exchange Commission, and the effects of national and global economic or other conditions and future events on the retail demand for home furnishings.
