1.625% Guaranteed Note Due 2017

This Note is one of a duly authorized issue of debt securities of the Issuer of the series designated as the 1.625% Guaranteed Note due 2017 (the Notes), all issued or to be issued under and pursuant to an Indenture, dated as of April 30, 2014 (the Base Indenture), duly executed and delivered by and among the Issuer, the Guarantor and The Bank of New York Mellon, as trustee (the Trustee, which term includes any successor trustee), initial paying agent and initial registrar. The Base Indenture is referred to herein as the Indenture. Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Indenture.

1. Interest. The Issuer promises to pay interest on the principal amount of this Note at a rate of 1.625% per annum. The Issuer will pay interest semi-annually on April 30 and October 30 of each year. If a payment date is not a Business Day as defined in the Indenture at a Place of Payment, payment may be made at that place on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Issuer shall pay interest on the Notes (except Defaulted Interest), if any, to the Persons in whose name such Notes are registered at the close of business on the Record Date referred to on the face of this Note for such interest installment. In the event that the Notes or a portion thereof are called for redemption, and the Redemption Date is subsequent to a Record Date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Notes will instead be paid upon presentation and surrender of such Notes as provided in the Indenture. Payment of the principal of and interest on, and all other amounts payable under, the Notes and the Guarantee shall be made in the currency of the United States of America that at the time is legal tender for payment of public and private debts, at the Corporate Trust Office or, at the option of the Issuer, by check mailed to the address of the Person entitled thereto as such address shall appear in the Register or, in accordance with arrangements satisfactory to the Trustee, by wire transfer to an account designated by the Holder.

3. Paying Agent and Registrar. Initially, The Bank of New York Mellon, the Trustee, will act as Paying Agent and Registrar. The Issuer or the Guarantor may change or appoint any Paying Agent or Registrar without notice to any Noteholder. The Issuer or the Guarantor may act in any such capacity.

4. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (TIA) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and TIA for a statement of such terms. The Notes are unsecured general obligations of the Issuer irrevocably and unconditionally guaranteed by the Guarantor and constitute the series designated on the face of this Note as the 1.625% Guaranteed Note due 2017, initially limited to US\$1,250,000,000 in aggregate principal amount. The Issuer and the Guarantor will furnish to any Noteholder upon written request and without charge a copy of the Base Indenture. Requests may be made to: CNOOC Nexen Finance (2014) ULC, c/o CNOOC Limited, Room 1105, CNOOC Tower, No. 25 of Chaoyangmen North Street, Dongcheng District, Beijing 100010, China, Attention: Legal Department.

5. Redemption. Except as set forth below, the Notes are not redeemable prior to maturity.

(a) The Guarantor or the Issuer may, at the Guarantor's option, at any time and from time to time redeem the Notes, in whole or in part, on not less than 30 nor more than 60 calendar days' prior notice mailed to the holders of such Notes, with a copy provided to the Trustee as provided in the Indenture. The Notes will be redeemable at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including interest accrued to the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 10 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed, if any, to the Redemption Date.

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the Indenture.

(b) The Notes may be redeemed, at the option of the Issuer, in whole but not in part, upon not less than 30 nor more than 60 calendar days' notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption and Additional Amounts, if any, if, as a result of any change in or amendment to the laws of a Relevant Taxing Jurisdiction or any regulations or rulings promulgated thereunder, or any change in the official interpretation or official application of such laws, regulations or rulings, which change or amendment (i) in the case of the Guarantor or the Issuer becomes effective on or after the date of the applicable prospectus supplement, and (ii) in the case of any successor to the Guarantor or the Issuer that is organized or tax resident in a jurisdiction that is not a Relevant Taxing Jurisdiction as of the original issue date of the Notes becomes effective on or after the date such successor assumes the Guarantor's or the Issuer's obligations, as applicable, under the Notes and the Indenture,

and such obligation cannot be avoided by the use of reasonable measures available to the Guarantor or the Issuer, as the case may be.

Notwithstanding anything to the contrary in the Indenture, the Guarantor, the Issuer or any successor person may not redeem the Notes in the case that Additional Amounts are payable in respect of PRC withholding tax at a rate of 10% or less solely as a result of the Guarantor, the Issuer or a successor person being considered a PRC tax resident under the PRC Enterprise Income Tax Law.

The Issuer or the Guarantor, as the case may be, shall also pay, or make available for payment, to the Holder of the Notes on the Redemption Date any Additional Amounts resulting from the payment of such Redemption Price.

CNOOC Nexen Finance (2014) ULC

4.875% Guaranteed Note Due 2044

This Note is one of a duly authorized issue of debt securities of the Issuer of the series designated as the 4.875% Guaranteed Note due 2044 (the Notes), all issued or to be issued under and pursuant to an Indenture, dated as of April 30, 2014 (the Base Indenture), duly executed and delivered by and among the Issuer, the Guarantor and The Bank of New York Mellon, as trustee (the Trustee, which term includes any successor trustee), initial paying agent and initial registrar. The Base Indenture is referred to herein as the Indenture. Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Indenture.

1. Interest. The Issuer promises to pay interest on the principal amount of this Note at a rate of 4.875% per annum. The Issuer will pay interest semi-annually on April 30 and October 30 of each year. If a payment date is not a Business Day as defined in the Indenture at a Place of Payment, payment may be made at that place on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Issuer shall pay interest on the Notes (except Defaulted Interest), if any, to the Persons in whose name such Notes are registered at the close of business on the Record Date referred to on the face of this Note for such interest installment. In the event that the Notes or a portion thereof are called for redemption, and the Redemption Date is subsequent to a Record Date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Notes will instead be paid upon presentation and surrender of such Notes as provided in the Indenture. Payment of the principal of and interest on, and all other amounts payable under, the Notes and the Guarantee shall be made in the currency of the United States of America that at the time is legal tender for payment of public and private debts, at the Corporate Trust Office or, at the option of the Issuer, by check mailed to the address of the Person entitled thereto as such address shall appear in the Register or, in accordance with arrangements satisfactory to the Trustee, by wire transfer to an account designated by the Holder.

3. Paying Agent and Registrar. Initially, The Bank of New York Mellon, the Trustee, will act as Paying Agent and Registrar. The Issuer or the Guarantor may change or appoint any Paying Agent or Registrar without notice to any Noteholder. The Issuer or the Guarantor may act in any such capacity.

4. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (TIA) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and TIA for a statement of such terms. The Notes are unsecured general obligations of the Issuer irrevocably and unconditionally guaranteed by the Guarantor and constitute the series designated on the face of this Note as the 4.875% Guaranteed Note due 2044, initially limited to US\$500,000,000 in aggregate principal amount. The Issuer and the Guarantor will furnish to any Noteholder upon written request and without charge a copy of the Base Indenture. Requests may be made to: CNOOC Nexen Finance (2014) ULC, c/o CNOOC Limited, Room 1105, CNOOC Tower, No. 25 of Chaoyangmen North Street, Dongcheng District, Beijing 100010, China, Attention: Legal Department.

5. Redemption. Except as set forth below, the Notes are not redeemable prior to maturity.

(a) The Guarantor or the Issuer may, at the Guarantor's option, at any time and from time to time redeem the Notes, in whole or in part, on not less than 30 nor more than 60 calendar days' prior notice mailed to the holders of such Notes, with a copy provided to the Trustee as provided in the Indenture. The Notes will be redeemable at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including interest accrued to the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed, if any, to the Redemption Date.

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the Indenture.

(b) The Notes may be redeemed, at the option of the Issuer, in whole but not in part, upon not less than 30 nor more than 60 calendar days' notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption and Additional Amounts, if any, if, as a result of any change in or amendment to the laws of a Relevant Taxing Jurisdiction or any regulations or rulings promulgated thereunder, or any change in the official interpretation or official application of such laws, regulations or rulings, which change or amendment (i) in the case of the Guarantor or the Issuer becomes effective on or after the date of the applicable prospectus supplement, and (ii) in the case of any successor to the Guarantor or the Issuer that is organized or tax resident in a jurisdiction that is not a Relevant Taxing Jurisdiction as of the original issue date of the Notes becomes effective on or after the date such successor assumes the Guarantor's or the Issuer's obligations, as applicable, under the Notes and the Indenture,

and such obligation cannot be avoided by the use of reasonable measures available to the Guarantor or the Issuer, as the case may be.

Notwithstanding anything to the contrary in the Indenture, the Guarantor, the Issuer or any successor person may not redeem the Notes in the case that Additional Amounts are payable in respect of PRC withholding tax at a rate of 10% or less solely as a result of the Guarantor, the Issuer or a successor person being considered a PRC tax resident under the PRC Enterprise Income Tax Law.

The Issuer or the Guarantor, as the case may be, shall also pay, or make available for payment, to the Holder of the Notes on the Redemption Date any Additional Amounts resulting from the payment of such Redemption Price.

6. absence of bad faith, fraud, undue influence, coercion, duress or misrepresentation on the part of any party to the Documents, and their respective directors, employees or agents, and that each of the Documents has been entered into for bona fide commercial reasons and on arm's length terms by each of the parties thereto;
7. that there has been no breach of any of the provisions of the documents by any of the parties thereto, nor has any provision of such documents been affected by any other document or agreement or any course of

8. that due compliance has been effected with all matters (including, without limitation, the obtaining of necessary authorizations and consents, the making of necessary filings, lodgements, registrations and notifications and the payment of stamp duties and other documentary taxes) required under the laws of all relevant jurisdictions (other than the laws of Hong Kong) in connection with the execution, delivery and performance of the Documents, and that such compliance remains in full force and effect and will continue to be effective;

B. Qualifications

Our opinion is subject to the following qualifications:

1. Our opinion is subject to applicable bankruptcy and insolvency laws including provisions relating to the setting aside of transactions, proof and ranking of claims, or otherwise affecting creditors' rights whether specifically or generally, concepts of reasonableness, public policy and equitable principles of general applicability.
2. Any Companies Registry Search may not completely and accurately reflect the corporate situation of the Company due to (i) failure by officers of the Company to file documents that ought to be filed, (ii) statutory prescribed time-periods within which documents evidencing corporate actions may be filed, (iii) the possibility of additional delays (beyond the statutory time limits) between the taking of the corporation action and the necessary filing at the Companies Registry, (iv) the possibility of delays at the Companies Registry in the registration of documents and their subsequent copying onto the microfiche and (v) error and mis-filing that may occur.
3. We have assumed in giving this opinion that the common law and rules of equity of England which applied in Hong Kong on June 30, 1997 continue to apply, subject to: (a) their subsequent independent development, which rests primarily with the courts of Hong Kong; (b) the extent to which they contravene the Basic Law of Hong Kong; and (c) their amendment by the Hong Kong legislature. We should also add that Article 158 of the Basic Law provides that, ultimately, power to interpret the provisions of the Basic Law is vested in the Standing Committee and this has been confirmed by a recent decision of Hong Kong's

Court of Final Appeal.
