Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

RCC Residential Portfolio, Inc. (RCC Portfolio) and RCC Residential Portfolio TRS, Inc. (RCC TRS), each an indirect wholly-owned subsidiary of Resource Capital Corp. (RCC), entered into a \$285,000,000 Master Repurchase and Securities Contract dated as of June 20, 2014 with Wells Fargo Bank, National Association (Wells Fargo), to be used to finance RCC's residential real estate investment business (the Repurchase Facility). Each repurchase transaction specifies its own terms, such as identification of the assets subject to the transaction, sale price, repurchase price and rate. The financing provided by the Repurchase Facility matures no later than June 22, 2015.

The Repurchase Facility contains margin call provisions that provide Wells Fargo with certain rights where there has been a decline in the value of purchased assets (Margin Deficit) that has not been remedied by increasing the purchase price of other assets. Under these circumstances, Wells Fargo may require RCC Portfolio and RCC TRS to transfer cash in an amount necessary to eliminate such Margin Deficit.

In connection with the Repurchase Facility, RCC fully guaranteed all payments and performance under the Repurchase Facility pursuant to a guaranty agreement.

The Repurchase Facility contains events of default (subject to certain materiality thresholds and grace periods) customary for this type of financing arrangement, including but not limited to: payment defaults; bankruptcy or insolvency proceedings; a change of control of RCC Portfolio, RCC TRS or RCC; breaches of covenants and/or certain representations and warranties; performance defaults by RCC Portfolio, RCC TRS or RCC; or a judgment which RCC Portfolio, RCC TRS or RCC has not insured against. The remedies for such events of default are also customary for this type of transaction and include the acceleration of the principal amount outstanding under the Repurchase Facility and the liquidation by Wells Fargo of purchased assets then subject to the Repurchase Facility.

The foregoing description of the Repurchase Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Repurchase Facility and RCC's guaranty, which have been filed with this Current Report on Form 8-K as Exhibits 99.1 and 99.2.
