PROXY STATEMENT

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Korea Fund, Inc., (the Board of Directors or the Board) a Maryland corporation (the Fund), for use at the Annual Meeting of Stockholders, to be held at the offices Allianz Global Investors U.S. LLC (AllianzGI U.S.), 1633 Broadway between West 50th and West 51st Streets, 42nd Floor, New York, New York 10019, on Friday, October 20, 2017 at 10:30 a.m., Eastern time (the Meeting), and at any adjournments or postponements thereof.

This Proxy Statement, the Notice of Annual Meeting of Stockholders, and the proxy card are first being mailed to stockholders on or about September 14, 2017 or as soon as practicable thereafter.

The Board has fixed the close of business on August 25, 2017 as the record date (the Record Date) for the determination of stockholders of the Fund entitled to notice of, and to vote at, the Meeting and any postponement or adjournment thereof. Stockholders on the Record Date will be entitled to one vote for each full share and a proportionate fraction of a vote for each fractional share held, with no cumulative voting rights, with respect to each matter on which they are entitled to vote. As of the Record Date, there were 5,758,689 shares of common stock of the Fund outstanding (the Shares).

If the enclosed proxy is executed and returned, that vote may nevertheless be revoked at any time prior to its use by written notification received by the Fund (addressed to the Fund's Secretary at the Fund's principal executive offices, 1633 Broadway, New York, New York 10019), by the execution of a later-dated proxy, by the Fund's receipt of a subsequent valid Internet or telephone vote, or by attending the Meeting and voting in person. Proxies voted through the Internet or by telephone may be revoked at any time before they are voted in the same manner that proxies voted by mail may be revoked. Please note that merely attending the Meeting without voting will not revoke a valid proxy.

All properly executed proxies received in time for the Meeting (as explained on the enclosed proxy card) will be voted as specified in the proxy. Unless instructions to the contrary are marked, proxies will be voted FOR the election of Christopher B. Brader as a Class II Director (the Proposal).

The presence at the Meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast thereat shall be necessary and

sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes will be treated as shares that are present, but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees for which the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote, nor discretionary power to vote on a particular matter. Election of the Director nominee requires the affirmative vote of the holders of a majority of Shares present in person or by proxy and entitled to vote thereon. Abstentions and broker non-votes will have the effect of a vote against the Proposal. Stockholders are urged to forward their voting instructions promptly.

The Fund provides periodic reports to all stockholders, which highlight relevant information, including investment results and a review of portfolio changes. You may receive an additional copy of the Fund's annual report for its fiscal year ended June 30, 2017 and a copy of the Fund's semi-annual report for the six-month period ended December 31, 2016, without charge, by calling the Fund's stockholder servicing agent at (866) 796-3411 or writing the Fund at 1633 Broadway, New York, New York 10019.

Directors and Officers

The business of the Fund is managed under the direction of the Fund's Board of Directors. Subject to the provisions of the Fund's Articles of Incorporation, its By-laws and Maryland law, the Directors have all powers necessary and convenient to carry out this responsibility, including the election and removal of the Fund's officers.

Board Leadership Structure The Fund's Board of Directors consists of five Directors, none of whom are interested persons (within the meaning of Section 2(a)(19) of the 1940 Act) of the Fund or of the Manager (the Independent Directors). An Independent Director serves as Chairman of the Board and is selected by vote of the majority of the Independent Directors. The Chairman of the Board presides at meetings of the Board and acts as a liaison with service providers, officers, attorneys and other Directors generally between meetings, and performs such other functions as may be requested by the Board from time to time.

The Board meets regularly four times each year to discuss and to consider matters concerning the Fund, and also holds special meetings as necessary to address matters arising between regular meetings. The Independent Directors regularly meet outside the presence of Fund management.

The Board has established seven standing Committees to facilitate the Directors' oversight of the management of the Fund: the Audit and Compliance Committee, the Contracts Committee, the Executive Committee, the Governance, Nominating and Remuneration Committee, the Investment Committee, the Discount Management Committee and the Valuation Committee. The functions and role of each Committee are described below under Committees of the Board of Directors. The membership of each Committee consists of all of the Independent Directors, which the Directors believe allows them to participate in the full range of the Board's oversight duties.

The Board reviews its leadership structure periodically and has determined that this leadership structure, including an independent chairman, a Board composed solely of Independent Directors and full Independent Director membership on each Committee, is appropriate in light of the characteristics and circumstances of the Fund. In reaching this conclusion, the Board considered, among other things, the predominant role of the Manager in the day-to-day management of Fund affairs, the extent to which the work of the Board is conducted through the Committees, the net assets of the Fund and the management, administrative and other service arrangements of the Fund. The Board also believes that its structure, including the active role of the Independent Directors, facilitates an efficient flow of information concerning the management of the Fund to the Independent Directors.

Risk Oversight The Fund has retained the Manager to provide administrative services. The Manager is immediately responsible for the management of risks that may arise from Fund investments and operations. Some employees of the Manager serve as officers of the Fund, including the Fund's principal executive officer and principal financial and accounting officer. The

Board oversees the performance of those functions by the Manager, both directly and through the Committee structure it has established. The Board receives from the Manager a wide range of reports, on both a regular basis and an as-needed basis, relating to the Fund's activities and to the actual and potential risks of the Fund. These include, among others, reports on investment risks, compliance with applicable laws and the Fund's financial accounting and reporting. In addition, the Board meets periodically with the portfolio managers of the Fund to receive reports regarding the portfolio management of the Fund and its performance, including its investment risks, and the Korean market in general.

In addition, the Board has appointed a Chief Compliance Officer (CCO). The CCO oversees the development of compliance policies and procedures that are reasonably designed to minimize the risk of violations of the federal securities laws (Compliance Policies). The CCO reports directly to the Independent Directors, and the CCO or a member of his team provides presentations to the Board at its quarterly meetings and an annual report on the application of the Compliance Policies. The Board periodically discusses relevant risks affecting the Fund with the CCO at these meetings. The Board has approved the Compliance Policies and reviews the CCO's reports. Further, the Board annually reviews the sufficiency of the Compliance Policies, as well as the appointment and compensation of the CCO.

Executive and Other Officers of the Fund. The table below provides certain information concerning the executive officers of the Fund and certain other officers who perform similar duties. Officers hold office at the pleasure of the Board and until their successors are appointed and qualified or until their earlier resignation or removal. Officers and employees of the Fund who are principals, officers, members or employees of the Manager or its affiliates are not compensated by the Fund.

Transactions with and Remuneration of Directors and Officers

The Board's remuneration policy is to emphasize commitment to the Fund, involvement in Fund issues and attendance by Directors at Board meetings. Directors receive an annual retainer fee of \$20,000, except the Chairman of the Board, who receives an additional \$17,000 annual retainer fee. Each Independent Director receives a fee, paid by the Fund, of \$5,000 per Directors' meeting attended and of \$1,000 per telephonic Directors' meeting attended. The Chairman of the Audit and Compliance Committee receives an additional \$10,000 annual fee for serving in that capacity. Each Independent Director also receives \$10,000 annual maximum remuneration for attendance at Audit and Compliance Committee meetings (depending on the number of meetings) and \$5,000 per Contracts Committee meeting attended (there is a \$5,000 annual maximum remuneration for attendance at Contracts Committee meetings).

In addition, each Independent Director is eligible to receive a per diem fee for a full day of \$2,000 or a pro-rated fee for a lesser period as compensation for taking on special assignments. Such special assignments must be approved in advance by the Governance, Nominating and Remuneration Committee, except that special assignments for which compensation will be less than \$5,000 may be approved in advance by the Chairman of the Governance, Nominating and Remuneration Committee. A report regarding compensation for such assignments is provided to the Governance, Nominating and Remuneration Committee at its next regular meeting.

The Manager supervises the Fund's investments, pays the compensation and certain expenses of its personnel who serve as officers of the Fund, and receives a management fee for its services. The Fund's other officers are also officers, employees, or stockholders of the Manager's affiliates and are paid a compensation by those firms. The Fund makes no direct payments to its officers.

The following Compensation Table provides the aggregate compensation received by each Director from the Fund for the fiscal year ended June 30, 2017. For the calendar year ended December 31, 2016, the Directors and the nominee received the compensation set forth in the table below for serving as Directors of the Fund and other funds in the same fund complex as the Fund. None of the Directors serves on any other registered investment company in the fund complex advised by the Manager and its affiliates. The Fund does not pay retirement benefits to its Directors.

Director Qualifications The Board has determined that Ms. Ogilvie and Messrs. Brader, Grause, Reid and Silver should continue to serve as Directors based on several factors (none of which alone is decisive). Each Director is familiar with the Fund's business and service provider arrangements. Among the factors the Board considered when concluding that the continuing Directors and the Director nominee should serve on the Board were the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's ability to work effectively with other members of the Board; (iii) the individual's prior experience, if any, serving on the boards of public companies (including, when relevant, other investment companies) and other complex enterprises and organizations; and (iv) how the individual's skills, experiences and attributes would contribute to an appropriate mix of relevant skills and experience on the Board.

In respect of each current Director and the Director nominee, the individual's substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Fund, were a significant factor in the determination that the individual should serve as a Director of the Fund. Following is a summary of various qualifications, experiences and skills of each Director (in addition to business experience during the past five years set forth in the table above) that contributed to the Board's conclusion that an individual should serve on the Board:

Julian Reid Mr. Reid has more than 30 years of U.S. and non-U.S. closed-end fund experience, including, among other things, serving as the head

of the closed-end fund business for Jardine Fleming Investment Management (at the time, a leading investment management company in Asia, subsequently acquired by JP Morgan) and as the chairman and/or a director of numerous closed-end funds. He has spent over 40 years in the financial services industry spanning Europe, Asia and the Americas. He was based in Asia for approximately 25 years, and during that time, spent time focusing on, among others, the Korean stock market. He is an Affiliate of the Securities Industry of Australia and has been licensed by the respective regulatory bodies in the United Kingdom, Hong Kong, Singapore and Australia. In 2007, Mr. Reid was named Small Board Trustee of the Year by Fund Directions, a U.S. magazine focusing on corporate governance matters, for his work as the independent chairman of the Fund.

Richard A. Silver Mr. Silver has more than 30 years of senior executive experience in the investment management industry. He served as treasurer and chief financial officer (for three years) of all Fidelity Mutual Funds and as executive vice president (for five years) of Fidelity Investments, during which time he oversaw accounting, financial reporting and related operations for more than 400 mutual funds and 2,300 other investment portfolios. He also served as senior vice president, treasurer and chief financial officer of The Colonial Group, Inc. for nearly 19 years, heading the company's financial services group. In addition, Mr. Silver served as the chairman of the Accounting/Treasurers Committee of the Investment Company Institute for approximately seven years.

Marran H. Ogilvie Ms. Ogilvie has significant experience in the investment management and financial services industries. She currently serves as Advisor to the Creditors Committee for the Lehman Brothers International (Europe) Administration, and as a Director of LSB Industries, Inc. and Director Four Corners Property Trust. Ms. Ogilvie was a partner of Ramius, LLC, an alternative investment management firm, where she served as Chief Operating Officer (for three years) and General Counsel (for ten years) before the firm's merger with Cowen Group, Inc., a diversified financial services firm. Following the merger, Ms. Ogilvie became Chief of Staff at Cowen Group, Inc. She formerly served as a director of Southwest Bankcorp, Inc., Seventy Seven Energy and Zais Financial Corporation.

Joseph T. Grause, Jr. Mr. Grause has more than 30 years of senior executive experience in the investment management industry. He previously served as Director of International Investment Consulting for Morningstar Associates Europe Limited (for three years) and as Chief Executive Officer of Morningstar UK and Morningstar France (for two years). Between 1993 and 2002, Mr. Grause held senior executive positions at AdvisorCentral, American General Asset Management, Cypress Holding Company and First Data Corporation. Prior to 1993, Mr. Grause was a Senior Vice President at Fidelity

Investments, where he spent the first 17 years of his investment management career. In addition, Mr. Grause currently serves as Independent Trustee of the Advisors Inner Circle, Advisors Inner Circle II and Bishop Street Funds.

Christopher B. Brader Mr. Brader has more than 40 years of investment management experience in emerging markets, with over a decade spent working with investment funds. He was an Investment Consultant at Advance Emerging Capital for ten years, where he was responsible for Asian investments and macro coverage. Mr. Brader was previously affiliated with ING Barings Securities Ltd., where he ran the emerging markets closed-end fund team from 1994 to 2002. Committees of the Board of Directors

Audit and Compliance Committee. The Fund's Audit and Compliance Committee is currently composed of all of the Directors, each of whom is not an interested person (as defined in the 1940 Act) of the Fund (collectively, the Independent Directors) and is chaired by Mr. Silver. The members of the Audit and Compliance Committee are independent, as independence is defined in the listing standards of the NYSE applicable to closed-end funds.

The Audit and Compliance Committee's purposes are: (i) to oversee the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the qualifications and independence of the Fund's independent registered public accounting firm, the performance of the Fund's internal control systems and independent registered public accounting firm and, as appropriate, the internal controls of certain Fund service providers; (ii) to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof; (iii) to exercise direct responsibility for the appointment, compensation, retention and oversight of the work performed by the Fund's independent registered public accounting firm for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund; (iv) to act as a liaison between the Fund's independent registered public accounting firm and the Board; (v) to oversee the Fund's compliance with legal and regulatory requirements, including through periodic

meetings with and review of reports provided by the Fund's Chief Compliance Officer; and (vi) to prepare the audit committee report as required by Item 407(d)(3)(i) of Regulation S-K, to be included in the Fund's annual proxy statement relating to the election of directors. The Audit and Compliance Committee met six times during the fiscal year ended June 30, 2017.

The Board of Directors has adopted a charter for the Audit and Compliance Committee, a current copy of which is available at the Fund's website, www.thekoreafund.com.

Audit and Compliance Committee's Pre-Approval Policies and Procedures. The Audit and Compliance Committee must approve in advance the engagement of the Fund's independent registered public accounting firm to provide (i) audit or permissible non-audit services to the Fund and (ii) non-audit services to the Manager or its control affiliates that relate directly to the Fund's operations and financial reporting. The Audit and Compliance Committee pre-approves such services on at least an annual basis, and receives at least annually a report of all audit and non-audit services rendered in the previous calendar year by the Fund's independent registered public accounting firm for the Fund and its Affiliated Fund Service Providers. Such services, including services provided to Affiliated Fund Service Providers, may be preapproved by the Audit and Compliance Committee chairman, or by any other member of the Audit and Compliance Committee who is an Independent Director and to whom such responsibility has been delegated, so long as the aggregate fees for such services do not exceed certain maximum amounts. In such case, the Audit and Compliance Committee must be notified of such preapproval at its next regularly scheduled meeting.

At a meeting held on October 25, 2016, the Audit and Compliance Committee and the Board of Directors of the Fund, including a majority of the Independent Directors, selected PricewaterhouseCoopers LLP (PWC) to act as the independent registered public accounting firm for the Fund for the fiscal year ending June 30, 2017. The Board of Directors intends to select the independent registered public accounting firm for the Fund for the fiscal year ending June 30, 2018 at its October 2017 meeting. The Fund's financial statements for the fiscal years ended June 30, 2017 and June 30, 2016 were audited by PWC.

Audit and Compliance Committee Report. In connection with the audited financial statements as of and for the fiscal year ended June 30, 2017 included in the Fund's 2017 Annual Report (the Annual Report), at a meeting held on August 24, 2017, the Audit and Compliance Committee considered and discussed the audited financial statements with management and the independent registered public accounting firm, and discussed the audit of such financial statements with the independent registered public accounting firm. The Audit and Compliance Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit and Compliance Committee received the written

disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board (United States) regarding the independent accountant's communications with the Audit and Compliance Committee concerning independence, and has discussed with representatives of the independent registered public accounting firm the firm's independence.

The members of the Audit and Compliance Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit and Compliance Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered accounting firm. Accordingly, the Audit and Compliance Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit and Compliance Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) generally accepted in the United States of America or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America. Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent registered public accounting firm and subject to the limitation on the responsibilities and role of the Audit and Compliance Committee set forth in the Audit and Compliance Committee's Charter and those discussed above, the Audit and Compliance Committee of the Fund recommended to the Fund's Board of Directors that the audited financial statements be included in the Fund's Annual Report.

Contracts Committee. The Fund's Contracts Committee is currently composed of all of the Independent Directors and is chaired by Ms. Ogilvie. The Contracts Committee meets at least annually to review the Fund's contractual and financial arrangements. The Contracts Committee's primary function is to review the Fund's contractual arrangements with the Manager and its affiliates. The Contracts Committee also reviews contractual and financial arrangements with other parties related to transfer agency, custody, investment accounting and other services. The Contracts Committee met two times during the fiscal year ended June 30, 2017. The Board has adopted a charter for the Contracts Committee, a current copy of which is available on the Fund's website, www.thekoreafund.com.

Executive Committee. The Fund's Executive Committee is currently composed of all of the Independent Directors and is chaired by Mr. Reid. Directors receive no fees for service on the Executive Committee. The Board has delegated to the Executive Committee all of the powers of the Directors that are not otherwise delegated and that may lawfully be exercised by an executive committee. The Executive Committee is authorized to act when the full Board of Directors is not in session. The Executive Committee did not meet during the fiscal year ended June 30, 2017.

Governance, Nominating and Remuneration Committee. The Fund's Governance, Nominating and Remuneration Committee is currently composed of all of the Independent Directors and is chaired by Mr. Grause. The members of the Governance, Nominating and Remuneration Committee are independent, as independence is defined in the listing standards of the NYSE applicable to closed-end funds. The primary purposes and responsibilities of the Governance, Nominating and Remuneration Committee are (i) reviewing governance standards of the Board in light of best practices (with the understanding that the Board will seek to conform its practices to what it perceives to be best practices); (ii) screening and nominating candidates for election to the Board as Independent Directors in the event that a position is vacated or created; (iii) setting any necessary standards or qualifications for service on the Board; (iv) reviewing any policy matters affecting the operation of the Board or Board committees and making recommendations to the Board as deemed appropriate by the Governance, Nominating and Remuneration Committee; and (v) establishing and reviewing Director compensation. Directors receive no fees for service on the Governance, Nominating and Remuneration Committee. The Governance, Nominating and Remuneration Committee met two times during the fiscal year ended June 30, 2017.

The Board has adopted a written charter for the Governance, Nominating and Remuneration Committee, a current copy of which is available at the Fund's website, www.thekoreafund.com.

The Governance, Nominating and Remuneration Committee requires that Director candidates have a college degree or equivalent business experience. The Governance, Nominating and Remuneration Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) an assessment of the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Governance, Nominating and Remuneration Committee will consider and evaluate nominee candidates

properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. *Appendix A* to the charter, as it may be amended from time to time by the Governance, Nominating and Remuneration Committee, sets forth procedures that must be followed by stockholders to properly submit a nominee candidate to the Governance, Nominating and Remuneration Committee. Those procedures are set forth in the paragraph below. Recommendations not properly submitted in accordance with those procedures will not be considered by the Governance, Nominating and Remuneration Committee. The Governance, Nominating and Remuneration Committee has full discretion to reject nominees recommended by stockholders, and there is no assurance that any such person properly recommended and considered by the Governance, Nominating and Remuneration Committee will be nominated for election to the Board.

Stockholders must submit any nominee recommendation for the Governance, Nominating and Remuneration Committee's consideration in writing to the Fund, to the attention of the Chairman or Secretary of the Fund, at the address of the principal executive offices of the Fund, not less than ninety (90) days nor more than one hundred and twenty (120) days prior to the date of the Board or stockholder meeting at which the nominee would be elected. The stockholder recommendation must include: (i) a statement in writing setting forth (A) the name, age, date of birth, business address, residence address and nationality of the person recommended by the stockholder (the "candidate"); (B) the class and number of all shares of the Fund owned of record or beneficially by the candidate, as reported to such stockholder by the candidate; (C) any other information regarding the candidate called for with respect to director nominees by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the Exchange Act (or the corresponding provisions of any regulation or rule subsequently adopted by the SEC or any successor agency applicable to the Fund); (D) any other information regarding the candidate that would be required to be disclosed if the candidate were a nominee in a proxy statement or other filing required to be made in connection with solicitation of proxies for election of Directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and (E) whether the recommending stockholder believes that the candidate is or will be an "interested person" of the

Fund (as defined in the 1940 Act) and, if not an "interested person," information regarding the candidate that will be sufficient for the Fund to make such determination; (ii) the written and signed consent of the candidate to be named as a nominee and to serve as a Director if elected; (iii) the recommending stockholder's name as it appears on the Fund's books; (iv) the class and number of all shares of the Fund owned beneficially and of record by the recommending stockholder; and (v) a description of all arrangements or understandings between

the recommending stockholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made by the recommending stockholder.

Investment Committee. The Fund's Investment Committee is currently composed of all of the Independent Directors and is chaired by Mr. Brader. Directors receive no fees for service on the Investment Committee. The Board has delegated to the Investment Committee the responsibility to monitor the performance of the Fund and its peer group of funds. The Investment Committee met four times during the fiscal year ended June 30, 2017. In addition, the chairman of the Investment Committee coordinates with an independent third-party consultant that reviews and provides quarterly reports to the Board regarding the performance and portfolio characteristics of the Fund.

Discount Management Committee. The Fund's Discount Management Committee is currently composed of all of the Independent Directors and is chaired by Mr. Reid. The Discount Management Committee meets as circumstances warrant to review the Fund's Discount Management Program and Share Repurchase Program. The Discount Management Committee's primary function is to review the Fund's market performance in relation to the discount trigger at which the Fund repurchases shares. The Discount Management Committee met eight times during the fiscal year ended June 30, 2017. The Board has adopted a charter for the Discount Management Committee, a current copy of which is available on the Fund's website, www.thekoreafund.com.

Valuation Committee. The Fund's Valuation Committee is currently composed of all of the Independent Directors and is chaired by Mr. Silver. Directors receive no fees for service on the Valuation Committee. The Board has delegated to the Valuation Committee the responsibility to review, to assess and to approve valuation procedures, to recommend their adoption by the Board and to oversee their administration on behalf of the Fund; to determine or to cause to be determined the fair values of the Fund's portfolio securities or other assets in accordance with the valuation procedures and the 1940 Act; to review and to approve or to ratify methodologies to be followed by the Manager to determine the fair values of portfolio securities and other assets held by the Fund without the direct involvement of the Valuation Committee or the Board (including approval or ratification of independent pricing services); and to meet periodically with representatives of the Manager to review and to assess the quality of fair valuation and other pricing determinations made pursuant to the valuation procedures and to ratify such determinations. The Valuation Committee met four times during the fiscal year ended June 30, 2017. The Board has adopted a charter for the Valuation Committee, a current copy of which is available at the Fund's website, www.thekoreafund.com.

Disclosure About Diversity

The Governance, Nominating and Remuneration Committee and/or the Board takes the diversity of a particular nominee and the overall diversity of the Board into account when considering and evaluating nominees for Director. While the Governance, Nominating and Remuneration Committee has not adopted a particular definition of diversity, when considering a nominee's and the Board's diversity, the Committee generally considers the manner in which each nominee's professional experience, education, nationality, expertise in matters that are relevant to the oversight of the Fund (e.g., investment management, accounting and trading), general leadership experience and life experience are complementary and, as a whole, contribute to the ability of the Board to oversee the Fund.

Stockholder Communications with the Board of Directors

The Board of Directors of the Fund has adopted procedures by which Fund stockholders may send communications to the Board. Stockholders may mail written communications to the Board to the attention of the Board of Directors, The Korea Fund, Inc., c/o Thomas J. Fuccillo, Chief Legal Officer (CLO), Allianz Global Investors U.S. LLC, 1633 Broadway, New York, NY 10019. The CLO shall either (i) provide a copy of each properly submitted stockholder communication to the Board at its next regularly scheduled Board meeting or (ii) if the CLO determines that the communication requires more immediate attention, forward the communication to the Directors promptly after receipt. The CLO may, in good faith, determine that a stockholder communication should not be provided to the Board because it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, stockholders or other matters relating to an investment in the Fund or is otherwise routine or ministerial in nature. These procedures do not apply to (i) any communication from an officer or Director of the Fund, (ii) any communication from an employee or agent of the Fund, unless such communication is made solely in such employee's or agent's capacity as a stockholder, or (iii) any stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act, or any communication made in connection with such a proposal.

In addition, the Chairman of the Board is happy to receive communications directly from any stockholder at julianreid@3afunds.com.

Required Vote. Election of the nominee for Class II Director requires the affirmative vote of the holders of a majority of Shares present in person or by proxy and entitled to vote thereon. Abstentions and broker non-votes will have the effect of a vote against the Proposal.

The Directors unanimously recommend that you vote FOR the election of the nominee set forth in the Proposal.

In addition, upon motion of the chairman of the Meeting, the question of adjournment may be submitted to a vote of the stockholders, and, in any such case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares of stock present in person or by proxy and entitled to vote with respect to the matter or matters adjourned, and without further notice other than announcement at the meeting at which the adjournment is taken. On any adjournment put to a stockholder vote, the persons named as proxies on the enclosed proxy card will exercise their best judgment to vote as they deem to be in the best interest of stockholders. Stockholder Proposals

Stockholders wishing to submit proposals pursuant to Rule 14a-8 under the Exchange Act for inclusion in the proxy statement for the Fund's 2018 annual meeting of stockholders should send their written proposals to the Secretary of the Fund, c/o Allianz Global Investors U.S. LLC, at 1633 Broadway, New York, New York 10019 by May 10, 2018. The timely submission of a proposal does not guarantee its inclusion.

For nominations of candidates for election as Directors (other than nominations made by or at the recommendation of the Directors) or other business to be properly brought before the annual meeting by a stockholder, the stockholder must comply with the Fund's By-Laws, which, among other things, require that the stockholder must give timely notice thereof in writing to the Secretary of the Fund, the stockholder must be a stockholder of record, and the notice must contain the information about the nomination or other business that is required by the Fund's By-Laws. To be timely, any such notice must be delivered to or mailed by certified mail, return receipt requested, and received at the principal executive offices of the Fund not later than 90 days nor more than 120 days prior to the date of the meeting; provided, however, that if less than 100 days' notice or prior public disclosure is given or made to stockholders, any such notice by a stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the annual or special meeting was given or such public disclosure was made.

The Fund may exercise discretionary voting authority with respect to stockholder proposals for the Meeting that are not included in the Proxy Statement and form of proxy, but that were timely received by the Fund. Discretionary voting authority is the ability to vote proxies that stockholders have executed and returned to the Fund on matters not specifically reflected on the form of proxy.
