On April 12, 2007, Firstgold Corp. sold 5,673,110 Units at a price of \$.45 per Unit. Each Unit consisted of one share of Firstgold's common stock and 1/2 warrant to purchase a share of Firstgold's common stock at an exercise price of \$.65 per share. The warrants are exercisable for a term of 18 months. Firstgold raised \$2,552,900 in gross proceeds from the sale of the Units. The Units are subject to a qualification condition that if the shares issued in the Units are not registered in the United States or become listed for trading on the Toronto Stock Exchange by October 15, 2007, the shares and warrants issued in each Unit will be increased by 10%. The Canadian selling agent which participated in this offering was paid a selling commission of 7% or \$178,703 and was issued broker's warrants equal to 10% of the Units sold which represents warrants to purchase approximately 567,311 shares of Firstgold's common stock at an exercise price of \$.65 per share. The broker's warrants are exercisable for a term of 12 months.

The Units were offered and sold exclusively to individuals residing or entities formed outside the United States who were not deemed to be "US persons" as that term is defined under Regulation S. Each investor represented that it was purchasing such Units for its own account. Both the offer and the sale of the Firstgold Units were made outside the United States in "offshore transactions" as that term is defined under Regulation S. The shares and warrants are deemed to be "restricted securities" as defined in Rule 144 under the Securities Act of 1933.
