PROXY STATEMENT

The 2010 Annual Meeting of Shareowners of ArvinMeritor, Inc. (the "Company" or "ArvinMeritor") will be held on January 28, 2010, for the purposes set forth in the accompanying Notice of 2010 Annual Meeting of Shareowners. The Board of Directors of ArvinMeritor is soliciting proxies to be used at the Annual Meeting and any adjournment, and is furnishing this proxy statement in connection with its solicitation.

As permitted by Securities and Exchange Commission (SEC) rules, ArvinMeritor is making this proxy statement, the proxy card and the annual report to shareowners (the proxy materials) available to you electronically via the Internet. On December 11, 2009, we mailed to our shareowners a notice (the Notice) containing instructions on how to access and review the proxy materials and how to vote online. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you request it. If you would like a printed copy of the proxy materials, follow the instructions for requesting them that are included in the Notice.

Shareowners of record may vote in any of three ways: (a) via the Internet; (b) by calling a toll-free telephone number; or (c) if you received your proxy materials by mail, by executing and returning a proxy card. Instructions for Internet voting are included on the Notice, and instructions for telephone and Internet voting are included on the proxy card. If you vote by telephone or Internet, it is not necessary to return a proxy card. If you properly give a proxy (including a written proxy or a proxy via telephone or Internet), your shares will be voted as you specify in the proxy. If no specification is made, the shares will be voted in accordance with the recommendations of the Board of Directors. You may revoke your proxy prior to its exercise by delivering written notice of revocation to the Secretary of the Company, by giving a valid, later dated proxy, by voting via telephone or Internet at a later date than the date of the proxy, or by attending the meeting and voting in person.

If your shares are held in street name by a bank, broker or other nominee holder on your behalf, you must follow the directions that you receive from your bank, broker or other nominee holder in order to direct the vote or change the vote of your shares. If you wish to vote in person at the meeting, you must obtain a legal proxy from the nominee holding your ArvinMeritor shares.

Our policy is to keep confidential proxy cards, ballots and voting tabulations that identify individual shareowners. However, exceptions to this policy may be necessary in some instances to comply with legal requirements and, in the case of any contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting. Inspectors of election and any employees associated with processing proxy cards or ballots and tabulating the vote must acknowledge their responsibility to comply with this policy of confidentiality.

ELECTION OF DIRECTORS

Our Restated Articles of Incorporation provide that the Board of Directors consists of three classes of directors with overlapping three-year terms, and that the three classes should be as nearly equal in number as possible. One class of directors is elected each year with terms extending to the Annual Meeting of Shareowners held three years later.

The Company's Board of Directors currently consists of nine members — three directors in Class I, with terms expiring at the Annual Meeting of Shareowners in 2010; three directors in Class II, with terms expiring at the Annual Meeting of Shareowners in 2011; and three directors in Class III, with terms expiring at the 2012 Annual Meeting;

Three directors are standing for re-election at the 2010 Annual Meeting as Class I directors, for terms expiring at the Annual Meeting of Shareowners in 2013. The three directors in Class II and the three directors in Class III continue to serve terms expiring at the Annual Meeting of Shareowners in 2011 and 2012, respectively.

Proxies will be voted at the meeting (unless authority to do so is withheld) for the election as directors of the nominees specified in *Class I — Nominees for Director with Terms Expiring in 2013*, under the heading *Information as to Nominees for Director and Continuing Directors* below. If for any reason any of the nominees is not a candidate (which is not expected) when the election occurs, it is likely that either (a) proxies would be voted for the election of the other nominees and a substitute nominee, or (b) the Board of Directors would reduce the number of directors.

No director of ArvinMeritor was selected pursuant to any arrangement or understanding between him or her and any person other than ArvinMeritor. There are no family relationships, as defined in Item 401 of Regulation S-K, between any executive officer, director or person nominated to become a director or executive officer of ArvinMeritor. No person who has served as a director or executive officer of ArvinMeritor at any time since

October 1, 2008 has any substantial interest, direct or indirect, in any matter to be acted on at the 2010 Annual Meeting, other than election of directors to office.

BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors manages or directs the management of the business of ArvinMeritor. In fiscal year 2009, the Board of Directors held five regularly scheduled meetings and five special meetings (two of which were held by teleconference). Each director attended at least 75% of the aggregate number of meetings of the Board and the standing and special committees on which he or she served in fiscal year 2009. ArvinMeritor encourages each director to attend the Annual Meeting of Shareowners. All of the directors attended the 2009 Annual Meeting.

The Board of Directors has established independence standards for directors, which are set forth in the Company's Guidelines on Corporate Governance and are identical to the standards prescribed in the corporate governance rules of the New York Stock Exchange. The Board determined that Ms. Brooks, Ms. Jackson, and Messrs. Anderson, Devonshire, Evans, Marley, Newlin, and Rothmeier have no material relationship with ArvinMeritor, either directly or as a partner, shareholder or officer of an organization that has a relationship with ArvinMeritor, and are therefore independent within the meaning of the Guidelines on Corporate Governance and the New York Stock Exchange listing standards. In addition, although Mr. Devonshire serves on the audit committee of more than three publicly traded companies, the Board of Directors determined that such simultaneous service does not impair his ability to serve on ArvinMeritor's Audit Committee. There were no transactions, relationships or arrangements involving the Company and any director in fiscal year 2009 that were considered by the Board in determining the independence of these directors under the Guidelines on Corporate Governance and the New York Stock Exchange listing standards.

The Board has established four standing committees (Audit; Compensation and Management Development; Corporate Governance and Nominating; and Environmental and Social Responsibility), the principal functions of which are briefly described below. The charters of these committees are posted on our website, www.arvinmeritor.com, in the section headed "Investors" "Corporate Governance," and paper copies will be provided upon request to the Office of the Secretary, ArvinMeritor, Inc., 2135 West Maple Road, Troy, MI 48084. The Board also establishes special committees from time to time for specific limited purposes or duration.

Audit Committee. ArvinMeritor has a separately designated standing audit committee established in compliance with applicable provisions of the Securities Exchange Act of 1934, as amended ("Exchange Act"). The Audit Committee is currently composed of four non-employee directors, Steven G. Rothmeier (chair), David W. Devonshire, Ivor J. Evans and Victoria B. Jackson, each of whom meets the criteria for independence specified in the listing standards of the New York Stock Exchange. The Board of Directors has determined that the Company has at least two individuals who qualify as an "audit committee financial expert" (as defined by the SEC), David W. Devonshire and Steven G. Rothmeier, serving on the Audit Committee. The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed and reassessed annually for compliance with rules of the New York Stock Exchange. The Audit Committee held five regularly scheduled meetings and one telephonic meeting in fiscal year 2009.

The Audit Committee is charged with monitoring the integrity of the Company's financial statements, compliance with legal and regulatory requirements, and the independence, qualifications and performance of the Company's internal audit function and independent accountants. The Audit Committee has sole authority to select and employ (subject to approval of the shareowners), and to terminate and replace where appropriate, the independent public accountants for the Company and also has authority to:

- approve and cause the Company to pay all audit engagement fees;
- review the scope of and procedures used in audits and reviews of the Company's financial statements by the independent public accountants;
- review the Company's annual and quarterly financial statements before their release;
- review any significant issues related to the audit activities of the independent public accountants and oversee the resolution of any disagreements between them and management;
- review at least annually a report from the independent public accountants describing the firm's internal quality control procedures;
- review and approve in advance the scope and extent of any non-audit services performed by the independent public accountants and the fees charged for these services, and receive and evaluate at least annually a report by the independent public accountants as to their independence;
- review significant internal control matters, the adequacy of the Company's system of internal controls and recommendations of the independent public accountants with respect to internal controls;
- review the internal audit charter, the scope of the annual internal audit plan and the results of internal audits;
- consult with management as to the appointment and removal of the internal auditor charged with auditing and evaluating the Company's system of internal controls;
- review in advance the type and presentation of financial information and earnings guidance provided to analysts and rating agencies;

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

- monitor matters related to compliance by employees with the Company's standards of business conduct policies;
- monitor policies with respect to risk assessment and risk management and initiatives to control risk exposures;
- review any disclosure made in connection with annual and quarterly certifications by the chief executive officer and chief financial officer in filed documents;
- consult with the Company's general counsel regarding significant contingencies that could impact the financial statements and regarding legal compliance matters;
- review any findings by regulatory agencies with respect to the Company's activities;
- investigate matters brought to its attention within the scope of its duties;
- engage outside consultants, independent counsel or other advisors;

6

- establish procedures for the receipt, retention and handling of complaints regarding accounting, internal controls or auditing matters, including procedures for the confidential and anonymous submission by employees of concerns regarding accounting or auditing matters;
- establish the Company's policies with respect to hiring former employees of the independent public accountants;
- consult with management on the structure and composition of the finance organization; and
- review annually the Committee's performance.

As part of each regularly scheduled meeting, the Audit Committee meets in separate executive sessions with the independent public accountants, the internal auditors and senior management, and as a Committee without members of management.

Compensation and Management Development Committee. The four members of the Compensation and Management Development Committee (the "Compensation Committee"), William R. Newlin (chair), David W. Devonshire, Ivor J. Evans and James E. Marley, are non-employee directors who meet the criteria for independence specified in the listing standards of the New York Stock Exchange and are not eligible to participate in any of the plans or programs that are administered by the Committee. The Compensation Committee held four regularly scheduled meetings in fiscal year 2009 and one telephonic meeting. Under the terms of its charter, the Compensation Committee has the authority to:

- review and approve the goals and objectives relevant to the Chief Executive Officer's compensation, evaluate his performance against these goals and objectives, and set his compensation accordingly;
- fix salaries of all of the Company's other officers and review the salary plan for other Company executives;
- evaluate the performance of the Company's senior executives and plans for management succession and development;

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

- review the design and competitiveness of the Company's compensation plans and medical benefit plans, and make recommendations to the Board of Directors;
- administer the Company's incentive, deferred compensation, stock option and long-term incentives plans (except with respect to any equity grants to directors, which are administered by the Corporate Governance and Nominating Committee);
- review all material amendments to the Company's pension plans and make recommendations to the Board concerning these amendments;
- hire outside consultants and independent counsel; and
- review annually the Committee's performance.

See *Executive Compensation - Compensation Discussion and Analysis* below for further information on the scope of authority of the Compensation Committee and the role of management and compensation consultants in determining or recommending the amount or form of executive compensation.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is currently composed of four non-employee directors, Rhonda L. Brooks (chair), Joseph B. Anderson, Jr., William R. Newlin and Steven G. Rothmeier, all of whom meet the criteria for independence specified in the listing standards of the New York Stock Exchange. The Corporate Governance and Nominating Committee held four regularly scheduled meetings in fiscal year 2009. Under the terms of its charter, this Committee has the authority to:

- screen and recommend to the Board qualified candidates for election as directors of the Company;
- periodically prepare and submit to the Board for adoption the Committee's selection criteria for director nominees;
- recommend to the Board and management a process for new Board member orientation;

7

- periodically assess the performance of the Board;
- consider matters of corporate governance and Board practices and recommend improvements to the Board;
- review periodically the Company's charter and by-laws in light of statutory changes and current best practices;

- review director independence, conflicts of interest, qualifications and conduct and recommend to the Board removal of a director when appropriate;
- engage search firms and other consultants and independent counsel; and
- review annually the Committee's performance.

See "Nominating Procedures" below for further information on the nominating process.

In discharging its duties with respect to review of director compensation, the Corporate Governance and Nominating Committee retains a compensation consultant, Hewitt Associates L.L.C., to provide information on current trends, develop market data and provide objective recommendations as to the amount and form of director compensation. Management has no role in determining or recommending the amount or form of director compensation.

Environmental and Social Responsibility Committee. The Environmental and Social Responsibility Committee is composed of four non-employee directors, Joseph B. Anderson, Jr. (chair), Rhonda L. Brooks, Victoria B. Jackson and James E. Marley. This Committee held one regularly scheduled meeting in fiscal year 2009. Under the terms of its charter, the Committee reviews and assesses the Company's policies and practices in the following areas and recommends revisions as appropriate: employee relations, with emphasis on equal employment opportunity and advancement; the protection and enhancement of the environment and energy resources; product integrity and safety; employee health and safety; and community and civic relations, including programs for and contributions to health, educational, cultural and other social institutions. The Committee also reviews its performance annually.

NOMINATING PROCEDURES

As described above, ArvinMeritor has a standing nominating committee, the Corporate Governance and Nominating Committee, currently composed of four non-employee directors who meet the criteria for independence in the listing standards of the New York Stock Exchange. The Corporate Governance and Nominating Committee's charter is posted on our website, www.arvinmeritor.com, in the section headed "Investors" "Corporate Governance."

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds who have high-level managerial experience in a complex organization and who represent the balanced interests of shareowners as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience, and specialized expertise. A significant majority of the Board should be directors who are not past or present employees of the Company or of a significant shareowner, customer or supplier.

In considering candidates for the Board, the Corporate Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board nominee. The Committee is guided by the membership guidelines set forth above, and by the following basic selection criteria: highest character and integrity; experience with and understanding of strategy and policy-setting; reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director. With respect to nomination of continuing directors for re-election, the individual's contributions to the Board, as reflected in results of the most recent peer review of individual director performance, are also considered.

8

The Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. In fiscal year 2009, the Committee did not pay any fees to any search firm to assist in locating Board candidates, nor did it reimburse any search firm for expenses incurred in consideration of possible Board candidates.

Shareowners may recommend candidates for consideration by the Committee by writing to the Secretary of the Company at its headquarters in Troy, Michigan, giving the candidate's name, biographical data and qualifications. A written statement from the candidate, consenting to be named as a candidate and, if nominated and elected, to serve as a director, should accompany any such recommendation. No candidates for Board membership have been put forward by large long-term security holders or groups of security holders for election at the 2010 Annual Meeting.

* Please note that the Company's fiscal year ends on the Sunday nearest September 30. For example, fiscal year 2009 ended on September 27, 2009, fiscal year 2008 ended on September 28, 2008 and fiscal year 2007 ended on September 30, 2008. For ease of presentation, September 30 is utilized consistently throughout this Proxy Statement to represent the fiscal year end.

- 1 This column includes retainer fees, chairman fees, meeting fees and, for Mr. Newlin, the presiding director fee. This column does not include cash amounts paid in 2009 if such amounts were earned and reported in prior years, but deferred for future payment pursuant to the Deferred Compensation Policy for Non-Employee Directors.
- 2 This column includes the amount of compensation cost that was recognized for financial reporting purposes for fiscal year 2009 for restricted share units, restricted shares and shares of common stock, in accordance with the FASB's compensation guidance. These amounts include costs recognized with respect to awards made in fiscal year 2009 and earlier, adjusted to eliminate estimates of forfeitures related to service-based vesting conditions. None of the restricted shares or restricted share units reported in this column have been forfeited. Information on the assumptions used in valuation of the grants is included in Note 19 of the Notes to Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2009 (Form 10-K), which is incorporated herein by reference. These amounts may not reflect the actual value realized upon settlement or vesting.

For fiscal 2009, there was a grant of 3,500 shares to each director, except for directors who elected to forego the stock grant as part of a 10% reduction in fees. The difference between the fair market value on the date of grant of the 3,500 shares and \$80,000 (the intended value of the equity award) was paid in cash, reduced as set forth below under *Narrative Description of Director Compensation -Reduction in Compensation*. The grant date fair value of each director's grant, computed in accordance with the FASB's compensation guidance, was \$6,125. Information on the assumptions used in valuation of the grants is included in Note 19 of the Notes to Consolidated Financial Statements in the Form 10-K, which is incorporated herein by reference.

- 3 In accordance with the FASB's compensation guidance, the Company recognizes compensation cost with respect to the unvested portion of stock options. All stock options issued by the Company under the 1997 Directors Stock Plan vested over a three year period. The Company has not granted stock options to non-employee directors since fiscal year 2003, and therefore no expense was recorded in fiscal year 2009.
- 4 The non-employee directors held the following restricted shares of Common Stock, restricted share units and options to purchase Common Stock, granted under the 1997 Directors Stock Plan or the 2004 Directors Stock Plan, as applicable, at September 30, 2009. Some restricted share units and restricted shares reported in the table below (for Ms. Jackson and Messrs. Anderson, Devonshire, Marley and Newlin) were granted in

lieu of annual stock grants or cash retainer fees, at the election of the director, in periods prior to fiscal year 2009.

| Name | Restricted Share | | |
|-------------------------|-------------------|--------|---------------|
| | Restricted Shares | Units | Stock Options |
| Joseph B. Anderson, Jr. | 750 | 15,900 | 11,437 |
| Rhonda L. Brooks | 0 | 15,900 | 12,938 |
| David W. Devonshire | 10,107 | 15,934 | 0 |
| Ivor J. Evans | 0 | 18,982 | 0 |
| Victoria B. Jackson | 1,000 | 15,900 | 12,938 |
| James E. Marley | 16,423 | 15,900 | 13,500 |
| William R. Newlin | 11,818 | 18,054 | 2,250 |
| Steven G. Rothmeier | 0 | 20,707 | 0 |

- 5 This column includes: (a) the cash amount paid in fiscal 2009 in lieu of the balance of the annual equity award as further described below under *Narrative Description of Director Compensation-Equity based Awards* in the amount of \$32,250 for Messrs. Anderson and Evans and \$29,188 for the each of the other directors; (b) dividends paid on outstanding restricted shares of Common Stock and (c) dividend equivalents accrued with respect to outstanding restricted share units. Perquisites did not exceed a value of \$10,000 for any director in fiscal year 2009 and therefore are not included in this column.

Narrative Description of Director Compensation

Only non-employee directors receive compensation for Board service. Directors who are also employees of ArvinMeritor or a subsidiary do not receive compensation for serving as a director. The following types of compensation were earned by or paid to non-employee directors in fiscal year 2009.

Retainer Fees. Non-employee directors of ArvinMeritor receive a cash retainer at the rate of \$75,000 per year for Board service. The chairs of the four standing Board committees receive additional cash retainers in the following amounts per year: Audit Committee - \$10,000; Compensation Committee - \$7,000; and Corporate Governance and Nominating Committee and Environmental and Social Responsibility Committee - \$5,000. The Presiding Director receives an additional annual retainer in the amount of \$20,000.

Committee Meeting Fees. Non-employee directors receive fees of \$1,500 for attendance at each standing and special committee meeting (\$750 for each telephone meeting).

Equity-Based Awards. As part of our director compensation, each non-employee director is entitled to receive, immediately after the Annual Meeting of Shareowners, an equity grant equal to a value of approximately \$80,000, in the form of shares of common stock, restricted stock or restricted share units, at the director's discretion. The restricted shares vest three years from the date of grant. The restricted share units vest upon the earliest of (a) six years from the date of grant, (b) ten days after the director retires after reaching age 72 and having served at least three years as a director, or (c) the date the director resigns or ceases to be a director under circumstances the Board determines not to be adverse to the best interests of the Company. Upon vesting, the holder is entitled to one share of Common Stock for each unit. Upon vesting of restricted share units, non-employee directors generally are entitled to receive a cash payment for dividend equivalents plus interest accrued during the vesting period. There were not sufficient shares remaining available under the 2004 Directors Plan, however, for a 2009 annual grant equal to \$80,000. Accordingly, for fiscal 2009, there was a grant of 3,500 shares per director (subject to the reduction discussed below). The difference between the fair market value on the date of grant of the 3,500 shares and \$80,000 (the intended value of the equity award) was paid quarterly in cash, reduced as set forth below.

Reduction in Compensation. In January 2009, in response to worsening economic conditions, the Board of Directors of ArvinMeritor reduced the amount of their annual compensation by 10% until further notice. As set forth above, their annual compensation consists of (i) a cash retainer of \$75,000 plus (ii) an annual grant valued at \$80,000 (to be comprised in the current year of cash and 3,500 shares of stock). The 10% reduction was achieved, at the director's election, either through foregoing the stock grant and deducting the balance of the

\$15,500 from the cash payment or through deducting the entire \$15,500 from the cash payment. At a meeting held on November 6, 2009, the Board of Directors voted to reinstate their pay. The 2010 Long-term Incentive Plan, if approved by the shareowners at the 2010 Annual Meeting, is expected to have sufficient shares of common stock available to make the annual equity grants to directors for 2010.

Deferrals. A director may elect to defer payment of all or part of the cash retainer and meeting fees to a later date, with interest on deferred amounts accruing quarterly at a rate equal to 120% of the Federal long-term rate set each month by the Secretary of the Treasury. Each director also has the option each year (provided sufficient shares are available under a plan covering director equity grants to accommodate this deferral option at the time of its election) to defer all or any portion of the cash retainer and meeting fees by electing to receive restricted shares of Common Stock or restricted share units that could be forfeited if certain conditions are not satisfied. The restricted shares or restricted share units in lieu of the cash retainer and meeting fees are valued at the closing price of ArvinMeritor Common Stock on the New York Stock Exchange □ Composite Transactions reporting system (the □NYSE Closing Price□) on the date the fee payment would otherwise be made in cash. In fiscal year 2009, no director deferred cash payments to a later date (although one director received cash payments due to prior deferrals), and no directors elected to receive restricted shares or restricted share units in lieu of cash payments.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since October 1, 2008 (the beginning of fiscal year 2009), there have been no transactions or currently proposed transactions, in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any director, officer or member of their immediate family had or will have a direct or indirect material interest.

Various means are employed to solicit information about relationships or transactions involving officers and directors that could raise questions of conflict of interest. Annual questionnaires solicit information from directors and officers regarding transactions and relationships that could trigger SEC rules on disclosure of related person transactions, as well as relationships and transactions that could impair a director's independence under the rules of the New York Stock Exchange. Directors and officers have a continuing duty to update the information should any changes occur during the year. In addition, all salaried employees, including officers and directors, have a duty to report any known conflicts of interest that would violate the Company's code of ethics (including policies regarding standards of business conduct and conflicts of interest; see *Code of Ethics* below). A toll-free employee Helpline is available for that purpose. Salaried employees, including officers, are also required to complete an annual certification that they are unaware of, or have reported, any such conflict of interest.

We have no written policy regarding review, approval or ratification of related person transactions. The Business Standards Compliance Committee (which is made up of management personnel) and the Audit Committee have responsibility for review of compliance by officers and other employees with the code of ethics, including conflict of interest provisions, and the Corporate Governance and Nominating Committee has similar responsibility with respect to compliance by directors. If a transaction or relationship involving an officer or director were to be reported through the employee Helpline, annual compliance certifications, questionnaires or otherwise, the appropriate Committee would investigate and consider all relevant facts and circumstances, including the nature, amount and terms of the transaction; the nature and amount of the related person's interest in the transaction; the importance of the transaction to the related person and to the Company; whether the transaction would impair the judgment of a director or officer to act in the Company's best interest; and any other facts involving the transaction that the Committee deems significant, and would then take appropriate action. Transactions will not be approved under the code of ethics if they are not in the Company's best interests. Any Committee member who is a related person in connection with a transaction would not participate in the Committee's consideration.

CORPORATE GOVERNANCE AT ARVINMERITOR

ArvinMeritor is committed to good corporate governance. The foundation of our corporate governance principles and practices is the independent nature of our Board of Directors and its primary responsibility to ArvinMeritor's shareowners. Our corporate governance guidelines have been in place since the Company's creation in 1997. The guidelines are reviewed periodically by the Corporate Governance and Nominating

Committee and changes are recommended to the Board for approval as appropriate. We will continue to monitor developments and review our guidelines periodically, and will modify or supplement them when and as appropriate. Our current Guidelines on Corporate Governance are posted on our website, www.arvinmeritor.com, in the section headed "Investors" "Corporate Governance," and paper copies will be provided upon request to the Office of the Secretary, ArvinMeritor, Inc., 2135 West Maple Road, Troy, MI 48084. Our policies and practices are summarized below.

Board Independence

- Independent directors must comprise at least a majority of the Board and, as a matter of policy, a substantial majority of the Board should be independent directors. The Board has adopted criteria for independence based on the definition used in the listing requirements of the New York Stock Exchange.
- The Corporate Governance and Nominating Committee reviews the independence of each director annually.
- Only independent directors serve on the Board's standing committees.

Board Composition

- Board nominees are screened and recommended by the Corporate Governance and Nominating Committee and approved by the full Board (see *Nominating Procedures* above for information on Board selection criteria).
- Committee membership is reviewed periodically to assure that each committee has the benefit of both experience and fresh perspectives.
- Committee chairs and the Presiding Director are normally rotated at least once every four years. A director usually serves on a committee at least 12 months before becoming its chair, and a former chair normally serves on a committee for at least 12 months after retiring as chair. Exceptions are made in appropriate circumstances.
- The Board has established term limits that provide that each director shall serve no more than 12 consecutive years, beginning the later of his initial election to the Board or the date of adoption of the provision (November 12, 2003). The Board, by affirmative vote of at least 2/3 of the directors, may make exceptions to this provision in appropriate cases.
- Directors should not serve on the boards of more than three other public companies, unless the Board has determined that such service does not impair the ability of the director to serve effectively.
- The Guidelines on Corporate Governance establish the following expectations regarding director tenure:
 - Non-employee directors are required to offer not to stand for re-election if they are age 70 at the time of re-election or will reach age 70 during their new term. The Corporate Governance and Nominating Committee decides whether continued Board service is appropriate and, if so, the length of the next term.
 - Directors whose job responsibilities change significantly during their Board service, or who retire from the position they held when elected to the Board, are required to offer to resign. The Corporate Governance and Nominating Committee reviews the appropriateness of continued Board membership.
 - When the Chief Executive Officer retires or resigns from that position, he is expected to offer his resignation from the Board. The Board and the successor Chief Executive Officer determine whether continued Board service is desirable and appropriate.

- Under the Company's majority vote policy, any nominee for director who receives a greater number of "withheld" votes than "for" votes in an uncontested election is required to tender his resignation after the

certification of the shareowner vote. The Corporate Governance and Nominating Committee considers the resignation and recommends to the Board what action should be taken. The Board is required to take action and publicly disclose the decision and its underlying rationale within 90 days of certification of the shareowner vote.

Key Responsibilities of the Board

- The Company's long-term strategic goals and plans are discussed in depth by the Board at least annually.
- The non-management directors select the Chief Executive Officer of the Company and meet at least annually to evaluate the Chief Executive Officer's performance against long-term goals and objectives established by the Compensation Committee.
- Management development and succession plans are reviewed annually, including CEO succession plans.

Board and Committee Meetings

- The Board has appointed a Presiding Director to chair executive sessions, serve as liaison with the chief executive officer and participate in development of meeting agenda.
- Board and committee meeting agendas are developed through discussions with management and the Presiding Director, and are focused on business performance and strategic issues, leadership, and recent developments.
- Presentation materials are generally made available to Board and committee members for review in advance of each meeting.
- Directors are expected to attend, prepare for and participate in meetings. The Corporate Governance and Nominating Committee monitors each director's attendance and addresses issues when appropriate.
- Non-management directors meet in private executive sessions during each regular Board meeting. The Presiding Director chairs these meetings and communicates the results of the sessions to the Chief Executive Officer.
- Minutes of each committee meeting are provided to each board member, and the chair of each committee reports at Board meetings on significant committee matters.
- Information and data important to understanding of the business, including financial and operating information, are distributed regularly to the Board.

Board Performance and Operations

- The Corporate Governance and Nominating Committee, which is composed solely of independent directors, is responsible for corporate governance and Board practices, and formally evaluates these areas periodically.
- Each Board committee has a detailed charter outlining its responsibilities, as described above under the heading *Board of Directors and Committees*.
- The Board and its committees have the authority to hire such outside counsel, advisors and consultants as they choose with respect to any issue related to Board activities. Directors also have full access to Company officers and employees and the Company's outside counsel and auditors.
- To enhance Board effectiveness, the Corporate Governance and Nominating Committee conducts annual self-evaluations of the Board's performance. In addition, informal reviews of individual performance are conducted periodically. Results are shared with the Board, and action plans are formulated to address any areas for improvement.

Director Education

- Each new director is provided a program of orientation to the Company's business, which includes discussions with each business and functional head, background materials on the Company's financial condition and business, and a facility tour.
- The continuing education process for Board members includes extensive informational materials, meetings with key management and visits to Company facilities.
- Meeting agenda regularly include discussions of business environment, outlook, performance and action plans for the various business segments.
- Board members may request presentations on particular topics and specific facility visits to educate them and update their knowledge as to the Company, its industry and markets, the responsibilities of directorship, and other topics of interest.
- Each director is encouraged to attend educational seminars and conferences to enhance his or her knowledge of the role and responsibilities of directors.
- In each fiscal year, at least one director is required to attend a director education seminar accredited by Institutional Shareholder Services. In fiscal year 2009, three directors attended such accredited seminars.

Alignment with Shareowner Interests

- A portion of director compensation is equity-based and therefore tied to the Company's stock performance. Directors can also elect to receive their cash retainer fees in the form of restricted shares of Common Stock or restricted share units.
- The Compensation Committee and the Board oversee employee compensation programs to assure that they are linked to performance and increasing shareowner value. The Compensation Committee also monitors compliance by Company executives with stock ownership guidelines. (See *Compensation Discussion and Analysis* below.)
- Senior management meets regularly with major institutional investors and shareowners and reports to the Board on analyst and shareowner views of the Company.
- The Board has adopted stock ownership guidelines for non-employee directors to further the direct correlation of directors' and shareowners' economic interests. Each non-employee director is required to own 18,500 shares of common stock, restricted stock or restricted share units effective the later of (i) five years from the date of his or her initial election to the Board and (ii) five years from the date of adoption of this provision in the Corporate Governance Guidelines (January 30, 2009). All of the directors are currently in compliance with this guideline.

CODE OF ETHICS

All ArvinMeritor employees, including our chief executive officer, chief financial officer, controller and other executive officers, are required to comply with our corporate policies regarding Standards of Business Conduct and Conflicts of Interest. These policies have been in place since the Company was formed in a spin-off from Rockwell International Corporation (now Rockwell Automation, Inc. and referred to in this proxy statement as "Rockwell") in 1997. The purpose of these corporate policies is to ensure to the greatest possible extent that our business is conducted in a consistently legal and ethical manner. The Audit Committee has oversight responsibility with respect to compliance by employees. The Board of Directors is also required to comply with these policies, and the Corporate Governance and Nominating Committee is responsible for monitoring compliance by directors.

Employees may submit concerns or complaints regarding ethical issues on a confidential basis to our Helpline, by means of a toll-free telephone call or e-mail. The Office of the General Counsel investigates all concerns and

complaints. Employees may also contact the Board of Directors directly on these issues. See *Communications with the Board of Directors* below.

14

ArvinMeritor's ethics manual, including the text of the policies on Standards of Business Conduct and Conflicts of Interest, is posted in the section headed "Investors Corporate Governance" on our website, www.arvinmeritor.com, and paper copies will be provided upon request to the Office of the Secretary, ArvinMeritor, Inc., 2135 West Maple Road, Troy, MI 48084. We will post on our website any amendment to, or waiver from, a provision of our policies that applies to our chief executive officer, chief financial officer or controller, and that relates to any of the following elements of these policies: honest and ethical conduct; disclosure in reports or documents filed by the Company with the SEC; compliance with applicable laws, rules and regulations; prompt internal reporting of code violations; and accountability for adherence to the policies.

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this section of the proxy statement is to provide the information you need to understand our compensation policies and how they relate to the compensation of the Named Executive Officers. The Named Executive Officers are the senior members of management listed or discussed in the detailed compensation tables and other data included in this proxy statement. You should read this section in conjunction with those tables and other data.

Administration of Executive Compensation Program

The Compensation Committee has overall responsibility for executive compensation, including administration of equity compensation plans. (See *Board of Directors and Committees* above for information on the Compensation Committee's members, charter and meetings in fiscal year 2009.) As part of this responsibility, the Compensation Committee evaluates the performance of the Chief Executive Officer and determines his compensation in light of the goals and objectives of the Company and the executive compensation program.

In discharging its duties, the Compensation Committee retains a compensation consultant (the "consultant"), Hewitt Associates L.L.C. The consultant provides information on current compensation trends, develops competitive market data and provides objective recommendations as to design of the compensation program, including the form and mix of award vehicles and the nature and level of performance criteria and targets. The Compensation Committee directly engages the consultant. Management also retains Hewitt Associates L.L.C. to provide actuarial and administrative services with respect to pensions and retiree medical benefits.

16

The Compensation Committee seeks and considers input from senior management in many of its decisions, and the consultant confers and collaborates with senior management in developing its compensation recommendations. Senior management regularly participates in the Committee's activities in the following specific respects:

- The Chief Executive Officer reports to the Compensation Committee with respect to his evaluation of the performance of the Company's senior executives, including the other Named Executive Officers. Together with the Senior Vice President and General Counsel, who has responsibility for overseeing the Human Resources department, the Chief Executive Officer makes recommendations as to compensation decisions for these individuals, including base salary levels and the amount and mix of incentive awards.
- The Senior Vice President and General Counsel participates in the development of the compensation program, including formulation of performance objectives and targets for incentive compensation, and oversees its implementation and interpretation, in each case carrying out the direction of the Compensation Committee and the recommendations of the consultant. He also assists the Chairman of the Compensation Committee in developing meeting agenda and oversees preparation and distribution of pre-meeting informational materials on the matters to be considered.
- The Chief Financial Officer is responsible for evaluating the tax, financial and accounting aspects of compensation decisions. He participates in developing financial objectives and targets for performance-based incentive compensation, and oversees calculation of payout and vesting levels, in accordance with plan design and the direction of the Compensation Committee.

Compensation Environment in 2009

As we entered fiscal year 2009, the global recession broadened dramatically and negatively impacted the Company, particularly since our business relies heavily on consumer discretionary spending. In response, the Company aggressively implemented necessary actions to align the business with external realities, including extensive cost reductions and the pay-cuts referenced below. While the Committee felt the Company performed well in view of the economic downturn, and responded aggressively and appropriately to the downturn, the Compensation Committee's "pay for performance" philosophy (as discussed below) meant that compensation paid (or rather not paid) to the executive officers for 2009 had to reflect the challenging environment. So you will see in the remainder of this proxy statement that the "pay for performance" philosophy was demonstrated clearly in 2009 through the failure to pay out 2009 performance-based compensation and compensation for performance cycles ending in 2009.

The primary components of ArvinMeritor's executive compensation program are base salary, annual incentives and long-term incentives ("direct compensation"). The direct compensation paid in cash to the Named Executive Officers who are current executive officers decreased approximately 50-70% in 2009 from their direct cash compensation in 2008 as set forth below:

Direct Cash Compensation in 2009 Compared to 2008

Executive Compensation Philosophy and Objectives

The Compensation Committee's compensation philosophy is to "pay for performance." The fundamental objectives of the Company's executive compensation program are: (1) to attract, retain and motivate the high caliber of executives necessary for ArvinMeritor's leadership and growth; (2) to recognize individual and team performance through evaluation of each executive's effectiveness in meeting strategic and operating plan goals; and (3) to foster the creation of shareowner value through close alignment of the financial interests of executives with those of ArvinMeritor's shareowners.

The Compensation Committee uses several basic practices and policies to carry out its philosophy and to meet the objectives of ArvinMeritor's executive compensation program:

- *Competitive Compensation Packages.* In order to attract and retain talented individuals, the Compensation Committee designs total compensation packages to be competitive with those of other companies with which ArvinMeritor competes for talent, using benchmarking studies to determine market levels of compensation, as described below.
- *Performance-Based Compensation.* A significant portion of each Named Executive Officer's total potential compensation is at risk because it is contingent on achieving strategic and operating plan goals that are intended to improve shareowner return. These goals are established to recognize business group and company performance against specified targets. A significant portion of the target annual compensation of the Named Executive Officers is made up of performance-based compensation, with the remainder comprised of base salary and service-based restricted shares or restricted share units.
- *Equity Awards and Stock Ownership Requirements.* A significant portion of incentive compensation for executives is comprised of equity and equity-based awards, or is tied to metrics that reward creation of shareowner value, which is intended to align the interests of the Company's executives with those of shareowners. In addition, senior executives are required under the Company's stock ownership guidelines to own a specified number of shares of ArvinMeritor Common Stock.

Market Analysis and Benchmarking

The Compensation Committee assesses the competitiveness of ArvinMeritor's compensation program, using data and studies compiled and provided by the consultant. The consultant provides a detailed competitive pay study periodically, with limited updates in the intervening years. As part of the assessment process, the

Committee compares the amount of each component and the total amount of direct compensation (defined below) for each executive officer with that of other companies in the durable goods manufacturing sector, including companies in the automotive sector, which have executive officer positions comparable to the Company's and with which the Company may compete for talented executives. The peer group for the competitive analysis in fiscal year 2009 included the following 35 companies (peer group):

See "Elements of the ArvinMeritor Compensation Program" Overview and Analysis" below for information on how the Compensation Committee uses this peer group data in setting compensation.

The Compensation Committee (or the Board of Directors, as appropriate) may also consider practices at other companies with respect to other elements of compensation, such as perquisites, retirement plans and health and welfare benefits, in assessing the competitiveness and cost effectiveness of the Company's programs. Any such studies are done on a case-by-case basis, as needed, and may use a group of comparator companies identified at the time by the consultant or other advisors.

Elements of the ArvinMeritor Compensation Program

Overview and Analysis

As discussed above, the primary components of ArvinMeritor's executive compensation program are base salary, annual incentives and long-term incentives, referred to herein as "direct compensation". Each of these components, and the relative levels of equity and non-equity compensation that comprise direct compensation, are generally set in relation to competitive market rates among peer group companies, as described above, with subsequent adjustments to take into account individual performance and characteristics and internal pay equity.

- The Compensation Committee approves variations from peer group revenue-adjusted median, or 50th percentile, base salary levels for some individuals based on their responsibilities, experience, expertise and performance. In addition, when recruiting new executives, base salary is often set at a premium above the median of the peer group, in order to attract outstanding candidates.
- The Compensation Committee believes that individuals should have an opportunity to earn above-market rewards for superior performance over the longer term. Therefore, while the Committee looks at the median of the peer group in terms of the target long-term incentive award for each position, it identifies a

maximum potential payout for each position that would be significantly above-market. The range of potential payouts on long-term incentives is described below, under the heading "Components" Long-Term Incentives." There is no particular target proportion among these components or between equity and non-equity awards. However, the program contemplates that a significant portion of each executive's direct compensation is performance-based and therefore is at risk. Performance-based awards, whether in the form of equity or non-equity, are tied to achievement of goals that are intended to improve, or reflect improvements in, shareowner value (see the performance-based awards described under the heading "Components" below).

- The Compensation Committee divides executive officers into four separate "bands" for the purposes of establishing the levels of annual and long-term incentive awards. A "band" consists of officers in one or more salary grades who are grouped together for incentive compensation purposes and receive the same target incentive awards. These target awards represent a blend of the market rates for the positions within the band. The chief executive officer (Mr. McClure) is in the first band; the business segment heads (Messrs. Reinhardt and, formerly, Mr. Martens) are in the second band; the chief financial officer and the executive vice president (Messrs. Craig and Donlon) are in the third band; and the general counsel (Mr. Baker) is in the fourth band. One purpose of the salary bands is to equalize incentive opportunities for individuals with similar levels of responsibility, regardless of their salary grades. This practice is intended to improve internal pay equity among the officer group. Considerations of internal pay equity among officers are also factored into the consultant's studies and the market data with respect to direct compensation.

The Committee did not specifically discuss the effect of prior years' compensation in conjunction with setting 2009 compensation. However, the Committee was aware of the potential value of outstanding long-term incentives, including the likelihood of their payout and vesting (based on achievement of performance objectives to date and on levels of payout and vesting of past awards), and this information was also implicit in the overall plan design used by the consultants in making recommendations for 2009 compensation.

19

In addition to direct compensation, special hiring or retention incentives have been put in place for certain executives, to motivate them to join the Company or to continue their employment. Executive officers also receive health and welfare benefits and are entitled to participate in the Company's defined benefit pension plans and savings plans on substantially the same basis as other employees.

Each component of the executive compensation program is discussed below.

Components

Base Salary. The Compensation Committee generally reviews base salaries for executive officers (including the Named Executive Officers) at the beginning of each fiscal year. Annual salary increases, which are generally effective on February 1 of each year but may be effective later, are based on evaluation of each individual's performance and on his level of pay compared to that for similar positions at peer group companies, as indicated by the consultant's reports and survey data. In recognition of worsening economic conditions, the Compensation Committee did not award any increases in the base salary of Named Executive officers for fiscal year 2009. On the contrary, in January 2009, the salaries of all executive officers (including the Named Executive Officers) were reduced by 10% as part of the Company's cost-cutting measures, and the Company match under the qualified savings plan was suspended in February 2009. Salaries were not be reinstated to their former level until November 1, 2009 and the match was not reinstated until November 16, 2009. The Compensation Committee also reviews and adjusts base salaries for executive officers at the time of any promotion or change in responsibilities.

Annual Incentives. The Incentive Compensation Plan, as amended ("ICP"), was last approved by the Company's shareowners in 2005. The performance goals of the ICP are being submitted to shareowners at the 2010 annual meeting for the purposes of 162(m) of the Internal Revenue Code of 1986, as amended ("IRC"). Under the ICP, a copy of which is attached to this proxy statement as Appendix B, executives (including the Named Executive Officers) can earn annual bonuses based on Company and/or business segment performance against goals established by the Compensation Committee at the beginning of the fiscal year.

The annual incentive goals for fiscal year 2009 were based on the levels of EBITDA and free cash flow from continuing operations that are achieved for the year, measured against target levels specified in the Company's annual operating plan ("AOP"). These two components (EBITDA and free cash flow) are equally weighted for the purposes of potential annual incentives. EBITDA is defined as earnings before interest, taxes, depreciation and amortization, and free cash flow is defined as net cash provided by operating activities minus capital expenditures. The Compensation Committee chose these measures because they are commonly used by the investment community to analyze operating performance and entity valuation and, as such, they are factors in the value of shareowners' investment in the Company. The EBITDA and free cash flow targets are tied to the AOP, rather than to prior periods' results, to provide incentives that are primarily driven by actual performance and not by the effect of industry cycles. On a Company-wide basis, our 2009 annual operating performance target for EBITDA was \$304 million and target free cash flow was \$25 million (including for this purpose the Wheels business, but excluding the remainder of our Light Vehicle Systems business). The target EBITDA for the Light Vehicle Systems business segment (excluding the Wheels business) was \$79 million and target free cash flow was \$(9) million.

The Compensation Committee also established target awards, stated as a percentage of base salary, for key employees, including the Named Executive Officers. The percentage applicable to a Named Executive Officer, and other executive officers, is determined by his salary band (as discussed above under "Overview and Analysis"). Based on these salary bands, target awards for fiscal year 2009 were 100% of base salary for Mr. McClure; 65% for Messrs. Craig, Donlon and Reinhardt; and 55% for Mr. Baker. See the table under the heading *Grants of Plan-Based Awards* for information on the target and maximum awards for each Named Executive Officer for fiscal year 2009.

To determine the amounts that are paid as bonuses, performance is measured against AOP goals for each of the applicable components of the award calculation. No payouts are made with respect to any part of the calculation in which performance is less than 70% of AOP goals. For each part of the calculation for which performance exceeds that threshold, the portion of an individual's target award that is paid out is dependent on, and increases with, the percentage of the AOP goal that is achieved. The calculated award for an individual cannot exceed 200% of his target award. The following chart summarizes payout calculations for each portion of the incentive payment:

20

| | Performance as a Percentage of Annual Operating Plan | Payout as a Percentage of Target |
|------------------------------|---|---|
| Threshold for Payment | 70% | 25% |
| | 80 | 50 |
| | 90 | 75 |
| Target Payment | 100 | 100 |
| | 110 | 150 |
| Maximum Payment | 120 or higher | 200 |

The Committee also has discretion to adjust any award (either upward or downward +/- 50%), or to make an additional award, to reflect individual performance or special achievements. However, any discretionary increase in an award, or special award, to a Named Executive Officer could have tax consequences under Section 162(m) of the IRC, as described below. Under the terms of the Company's Deferred Compensation Plan, an executive may elect to defer receipt of all or a portion of payouts of his annual incentive bonus. Deferred bonuses accrue interest during the deferral period and are paid out either in a lump sum or in not more than ten annual installments, as elected by the executive, beginning the January after termination of employment.

For fiscal year 2009, the Company achieved less than 70% of the performance targets discussed above. Accordingly, no annual incentive bonus payouts were made to the Named Executive Officers for fiscal year 2009.

Long-Term Incentives

Overview. The Compensation Committee provides long-term incentives to key employees, including the Named Executive Officers, which are tied to various performance or service objectives over three-year cycles. Each year, the Compensation Committee considers the types of award vehicles to be used and the performance or service objectives and targets on which payout of each type of award depends. The Company has used a number of long-term incentive plans for awards in the past, including the Company's 1997 Long-Term Incentives Plan, as amended ("1997 LTIP"), the Stock Benefit Plan, as amended, and the 2007 Long-Term Incentive Plan (the "2007 LTIP"). The Company's shareowners approved the 2007 LTIP in 2007 to govern awards going forward. As insufficient shares remain available under this plan, a new 2010 long-term incentive plan is being proposed for shareowner approval at this annual meeting and is attached to this proxy statement as Appendix A.

The Compensation Committee selects the types and mix of awards for long-term incentives each year after reviewing the consultant's report and survey data on peer group compensation, market practices, shares available for grant under the Company's long-term incentive plans, and goals to be achieved. The Compensation Committee has used a combination of three types of awards in the past three years, as described below. Each type of award is either equity-based or is tied to metrics that reward creation of shareowner value, which is intended to align management's interests with those of shareowners.

- **Performance Shares.** Performance shares are units valued by reference to a designated number of shares of Common Stock. For years in which performance shares are granted, the Compensation Committee grants a target number of performance shares and establishes performance objectives that, for recent grants, have been based on the Company's return on invested capital ("ROIC") over a three-year performance period. ROIC is defined to mean the sum of the Company's net income for the three fiscal years in the performance cycle (before cumulative effect of accounting changes, gains and losses on sale of businesses, minority interest, tax-effected interest expense and tax-effected restructuring expense) divided by the sum of the average invested capital (total debt, including preferred capital securities, minority interests and shareowners' equity) for the three fiscal years in the performance period. The Compensation Committee selected this performance measure because ROIC improvement was a key corporate focus, which was communicated to investors and analysts on a regular basis. Improvements in ROIC are believed to help the Company achieve higher margins, stronger cash flow and debt reduction. Performance shares were part of the long-term incentive awards for the 2007-2009 three year performance period, but have not been part of the long-term incentive awards since then.

21

Participants may earn awards at the end of the three-year performance period based on actual performance against target levels of ROIC. Award payments can vary from 0% to 200% of the target award of shares, and no awards will be earned unless the Company's return on invested capital is at least a stated threshold percentage over the period. No dividends or dividend equivalents are paid or accrued prior to payout of the performance shares. The value of the earned award may be paid out in the form of Common Stock, cash or any combination thereof, in the discretion of the Compensation Committee.

The following chart summarizes the potential payouts at different levels of ROIC for grants made for the 2007 - 2009 performance period:

| | 2009 | % of Award Earned and Paid Out |
|----------------------|---------------|--------------------------------|
| Threshold for Payout | 10% | 50% |
| Target Payout | 12.5% | 100% |
| Maximum Payout | 15% or higher | 200% |

The threshold for payout was not met for the 2007 - 2009 performance period and all performance shares were forfeited.

- **Awards under Cash Performance Plans.** When the Compensation Committee establishes a performance plan, it designates a three-year performance period and establishes performance objectives for the plan. Objectives for the 2007-2009 performance period were based on the Company's total shareholder return ("TSR") over the performance period compared to that of a selected group of other automotive suppliers.

TSR is defined to reflect cumulative stock price appreciation plus dividends and is intended to assess the Company's shareowner value creation relative to other companies in the same industry. Objectives for the 2008 -2010 performance period were based on ROIC. ROIC, as discussed above, is believed to help the Company achieve higher margins, stronger cash flow and debt reduction. For the 2009 - 2011 cash performance plan, the Compensation Committee believed that the global economic recession and uncertainty at the time of setting targets made setting a three year performance target extremely difficult. Accordingly, for 2009 - 2011, the Compensation Committee adopted a three year plan with separate one-year targets determined at the beginning of each fiscal year within the plan. For the 2009 fiscal year, this target was based on ROIC. For the 2010 fiscal year, this target will be based on EBITDA margins.

The Compensation Committee also establishes target awards, stated as dollar amounts, for each of the Named Executive Officers under each performance cycle. Participants can earn awards at the end of the three-year performance period, which may vary from 0% to 200% of target awards (300% for the 2007 - 2009 period), based on actual performance against specified levels. No awards under this plan may be earned unless the threshold for payout over the period is met as set forth below. The award payments are further multiplied by the percentage change in the price of ArvinMeritor Common Stock over the three-year performance period, which may increase the payment finally awarded up to a maximum of 200% of the original amount or reduce it down to a minimum of 50% of the original amount. This further ties payments to stock price appreciation. No earnings are accrued or paid on these awards. At the discretion of the Compensation Committee, payments may be made wholly or partly by delivering shares of Common Stock valued at the fair market value on the last trading day of the week preceding the day the Compensation Committee determines to make payments in the form of shares.

The following chart summarizes the potential payouts at different levels of performance of the applicable objective:

- **Restricted Shares or Restricted Share Units.** The Compensation Committee grants restricted shares of Common Stock or restricted share units that are subject to forfeiture if the grantee does not continue as an employee of ArvinMeritor or a subsidiary or affiliate for a restricted period of at least three years (subject to certain exceptions in the event of death, disability or retirement). The period under which an employee receives severance is included for the purposes of vesting. Restricted shares have all the attributes of outstanding shares during the restricted period, including voting and dividend rights, except that the shares are held by the Company and cannot be transferred by the grantee. Cash dividends during the restricted period are reinvested in additional restricted shares of Common Stock, which will vest or be forfeited at the same time as the underlying shares. Restricted share units represent the right to receive one share of common stock upon the vesting date, subject to terms and conditions. Dividends during the restricted period are not paid or accrued on restricted share units.

The amount of the target award under cash incentive plans, and the number of any performance and restricted shares awarded to each Named Executive Officer, is determined based on his salary band, as described above under □Overview and Analysis.□

Fiscal Year 2009 Payouts. The Compensation Committee provided long-term incentives to the Named Executive Officers under the 1997 LTIP in the form of grants of performance shares and restricted shares of Common Stock and target awards under a three-year cash performance plan for the period ended September 30, 2009. Each type of equity grant represented one-fourth and the cash performance plan represented one-half of the total value

of the long-term incentive opportunity awarded to the individual in that year, based on an assumed share price of \$15 per share. The allocation among the three types of grants was intended primarily to award achievement of performance objectives, but also to reward continued employment, without regard for performance levels, during a difficult period in the automotive industry.

In view of the economic downturn and global financial crisis, the Company failed to achieve key operational objectives for the three year period ending September 30, 2009 as follows:

- **Performance Shares.** The Compensation Committee reviewed the Company's ROIC over the performance period and determined that it did not meet the threshold level necessary for a payout of performance shares. Accordingly, the target grant of performance shares was forfeited.
- **Cash Performance Plans.** The Compensation Committee reviewed the Company's TSR for the performance period compared to those of the comparator group, and determined that it did not meet the threshold level necessary for a payout. Accordingly, no cash payout was made for this performance period.

While the Committee felt the Company performed well in view of the economic downturn, and responded aggressively and appropriately to the downturn, the Committee's actions were consistent with our highly results-oriented compensation strategy. The component of the long-term incentive program rewarding continued employment was paid out as follows:

- **Restricted Shares.** The restricted shares of Common Stock awarded to the Named Executive Officers in fiscal year 2007 vested on December 1, 2009 for each of the Named Executive Officers who continued to

be employed on that date. Pursuant to the terms of the grant, cash dividends on these restricted shares during the restricted period which were reinvested in additional restricted shares of Common Stock vested at the same time as the underlying shares.

Fiscal Year 2009 Awards. In fiscal year 2009, long-term incentives were provided to the Named Executive Officers in the form of grants of restricted shares of Common Stock and target awards under cash performance plans, as described below. The equity grant represents one-half, and the cash performance plan represents one-half, of the total value of the long-term incentive opportunity for the individual in that year.

- **Restricted Share Units.** The Compensation Committee awarded restricted share units to the Named Executive Officers that will vest upon the grantee's continued employment with ArvinMeritor through the end of the three year restricted period and be paid out on January 2, 2012. Pursuant to the terms of the grant, dividends are not paid or accrued on these restricted share units during the restricted period. The grant was made based on an assumed share price of \$3.88 per share, which was the closing price on the date of grant. The Compensation Committee endeavored to provide the executives with the same value for their long-term incentive equity component as in prior years, despite a dramatically reduced stock price at the time of award. This resulted in larger awards of shares than in past years in order to give comparable value.
- **Cash Performance Plans.** The Compensation Committee established a performance plan with a three-year performance period ending September 30, 2011, granted target awards, expressed as cash payments, to the Named Executive Officers and established performance objectives for the first year of the plan based on the Company's ROIC, as described above. No earnings are accrued or paid on these awards.

See the table under the heading *Grants of Plan-Based Awards* for information on the specific grants of restricted shares and cash awards under performance plans to each of the Named Executive Officers in fiscal year 2009. See also the narrative under *Employment Agreements* thereafter for a description of agreements entered into in 2009 with Messrs. Martens and Donlon relating to their termination from the Company.

The Compensation Committee's practice in recent years with respect to timing of annual equity-based awards has been to establish December 1 as the standard grant date, whenever possible. In the two most recent fiscal years, however, long-term incentive grants for the three year cycles were not approved by the Compensation Committee until a special meeting in December. Accordingly, all equity-based long-term incentive awards for these cycles were granted at the Compensation Committee's December meeting and effective on the following January 2. The timing of the grant date does not impact the terms of the grant of restricted shares or performance shares. However, under the FASB's compensation guidance, the Company measures the fair value of stock-based awards, which is recognized in the Company's financial statements, based on the market value of the Common Stock on the grant date. The purpose of establishing a standard grant date for the Company's annual grant of equity-based

long-term incentive awards is to avoid any issue of whether a grant precedes or follows public disclosure of material information. The Company normally announces its fiscal year earnings in mid-November, and use of December 1, or January 2, as the case may be, as a standard grant date provides the market sufficient time to absorb and reflect the information, whether positive or negative, prior to measurement of fair value for accounting purposes.

Annual equity-based awards in the fiscal year 2010 were granted as of December 1, 2009 under the 2010 Long Term Incentive Plan, which is being proposed for shareholder approval at the Annual Meeting. These grants were made subject to shareholder approval and will be forfeited if the plan is not approved by the shareholders. See the "New Plan Benefits" table under the **Proposal to Approve 2010 Long-Term Incentive Plan** below in this Proxy Statement for further information on these grants.

Pension and Retirement Plans. The Company maintains a tax-qualified defined contribution savings plan, as well as a supplemental savings plan that provides for contributions without regard to the limitations imposed by the IRC on qualified defined contribution plans. All of the Named Executive Officers may participate in the Company's qualified and supplemental savings plans on the same basis as other eligible employees.

Under the qualified savings plan, a participant can defer up to 20% of his eligible pay, on a before-tax or after-tax basis, subject to annual IRC limits, and the Company matches deferrals at the rate of 100% on the first 3% and 50% on the next 3% of eligible pay. This match was temporarily suspended from February 1, 2009 through November 16, 2009 due to worsening economic conditions. [Eligible pay] includes base salary and annual bonus under the ICP. If an executive elects to participate in the supplemental savings plan, he can continue to contribute on a before-tax basis, even though his qualified savings plan contributions or his eligible pay have reached the annual IRC limits. Both participant contributions and Company matching contributions to the qualified and supplemental savings plans are always 100% vested.

The Named Executive Officers participate in both the qualified and supplemental savings plans. Employee contributions made by Named Executive Officers to the savings plans in fiscal year 2009 are included in the column headed [Salary], and the Company's matching contributions are included in the column headed [All Other Compensation,] in each case in the table under *Summary Compensation Table* below.

The Company maintains a tax-qualified, non-contributory defined benefit pension plan that covers eligible employees hired before October 1, 2005, and a supplemental pension plan that provides benefits to the participants without regard to the limitations imposed by the IRC on qualified pension plans. Messrs. McClure, Donlon and Baker participate in these plans on the same basis as other employees, except that, pursuant to the terms of his original employment agreement, Mr. McClure earned two years of pension service for each year he was employed through December 31, 2007 when his benefit under this defined benefit plan was frozen. The present value of accumulated pension benefits for these Named Executive Officers is reported in the table under the heading *Pension Benefits* below.

Employees hired on or after October 1, 2005, including Messrs. Craig and Reinhardt, are not eligible to participate in the defined benefit pension plans, and the Company instead makes additional contributions each year (ranging from 2% to 4% of base salary plus annual bonus, depending on age) to their accounts in the Company's qualified and supplemental savings plans. The amounts contributed by the Company to the savings plans on behalf of Messrs. Craig and Reinhardt as pension contributions are included in the column headed [All Other Compensation] in the table under *Summary Compensation Table* below.

Benefits under the Company's defined benefit pension plans were frozen, beginning January 1, 2008, and replaced with additional annual Company contributions (ranging from 2% to 4% of base salary plus annual bonus, depending on age) to the savings plans and supplemental savings plans for the accounts of eligible employees, including Messrs. McClure, Baker and Donlon. See *Pension Benefits* below for further information on this change. In order to compensate Mr. McClure for the elimination of the special service credit under the defined benefit program, the Compensation Committee approved additional defined contributions to the supplemental savings plan on his behalf in an amount equal to five times what he would otherwise be entitled to receive.

Perquisites. In fiscal year 2006, the Compensation Committee determined to phase out most perquisite programs (including company cars, club memberships, and reimbursement for financial services) and related gross-ups for payment of income taxes, and replace them with uniform cash payments (see the column headed [All Other Compensation] in the table under *Summary Compensation Table* below). As a result, the only perquisites that were received by the Named Executive Officers in fiscal year 2009 were: (a) Company-paid executive physicals

for Messrs. McClure, Baker and Martens; (b) Company-paid excess liability insurance policies for officers; and (c) very limited spousal travel (i.e. accompanying the Named Executive officer on business-related travel), each as reported under the column headed [All Other Compensation] and the related footnote in the table under *Summary Compensation Table* below.

Health and Welfare Benefits. The Company maintains health and welfare benefits, including medical, dental, vision, disability and life insurance programs, and the Named Executive Officers are entitled to participate in these programs on the same basis as other employees. Providing these benefits is necessary for the Company to remain competitive with other employers.

Employment Agreements and Retention Awards. The Compensation Committee believes it is appropriate to enter into agreements with executive officers relating to certain terms of their employment (including the effects of termination without cause), and in some cases to make special retention awards of service-based restricted shares of Common Stock. The purpose of these agreements and awards is to provide incentives to attract candidates for officer positions and to motivate key individuals to continue their services. The current employment agreements with the Named Executive Officers are described below under the heading *Employment Agreements*. Special retention awards of restricted shares of Common Stock made to the Named Executive Officers are reported in the table under *Outstanding Equity Awards at Fiscal Year-End 2009*.

Stock Ownership Guidelines

As noted above, alignment of the financial interests of ArvinMeritor's key executives with those of its shareowners is a fundamental objective of the Compensation Committee's program and helps to carry out its "pay for performance" philosophy. Accordingly, it has set minimum ownership guidelines that require each officer and other executive to own the following number of shares of ArvinMeritor Common Stock:

| | Minimum Number of Shares Owned |
|---|---|
| • Chief Executive Officer | 250,000 |
| • Business Presidents and Executive Vice President | 75,000 |
| • Other Executive Officers in Salary Grades 25 and above (including the Chief Financial Officer) | 50,000 |
| • Other Executive Officers | 25,000 |
| • Other Executives subject to the guidelines | 10,000 |

Shares owned directly (including restricted shares of Common Stock) or through savings plans of ArvinMeritor and restricted share units are considered in determining whether an executive meets the ownership guidelines. Shares subject to unexercised stock options are not considered. The ownership guidelines provide a transition period during which executives may achieve compliance. In general, this period ends as of the date that is five years after the date the ownership guidelines become applicable to the executive. As of October 31, 2009, all of the Named Executive Officers have satisfied their ownership requirements, taking into account the transition period.

Tax Deductibility of Executive Compensation

Section 162(m) of the IRC generally limits the deductibility of compensation paid to each Named Executive Officer to \$1,000,000 per year. An exception to this rule exists for any compensation that is "performance based," as defined in the IRC. Annual and long-term incentive awards are designed to be "performance based" for purposes of Section 162(m) and would not be subject to the deductibility limit (provided, in the case of awards made under the annual incentive and long-term incentive plan being submitted at this meeting, are approved by the shareowners). However, salaries, service-based restricted shares or restricted share units, special employment and retention incentives, and special annual bonus payments do not qualify as "performance based" compensation for this purpose.

Although the Compensation Committee's policy is to structure compensation arrangements when possible in a manner that will avoid limits on deductibility, it is not a primary objective of the Company's compensation program. In the view of the Committee, meeting the objectives stated above is more important than the ability to deduct the compensation for tax purposes.

Cautionary Statement

The information appearing in this *Compensation Discussion and Analysis*, and elsewhere in this proxy statement, as to performance metrics, objectives and targets relates only to incentives established for the purpose of motivating executives to achieve results that will help to enhance shareowner value. 1 The table reflects the positions held with ArvinMeritor at September 30, 2009. Prior to May 2008, Mr. Donlon served as Executive Vice President and Chief Financial Officer and Mr. Craig served as Senior Vice President and Controller. Mr. Craig was not a Named Executive Officer in fiscal year 2007. Accordingly, his compensation information for that year is not included.

2 This column includes amounts contributed by the Named Executive Officers to the Company's tax-qualified 401(k) savings plan and the related nonqualified supplemental savings plan (see *Non-qualified Deferred Compensation* below).

- 3 This column includes special awards made to Mr. Reinhardt and Mr. Baker, respectively, in recognition of a special achievement during the fiscal year. See *Compensation Discussion and Analysis* above.

27

- 4 This column includes the amount of compensation cost that was recognized for financial reporting purposes for fiscal year 2007, 2008 and 2009 for performance shares and restricted shares of Common Stock, in accordance with the FASB's compensation guidance. These amounts include costs with respect to awards made in the current and prior fiscal years, adjusted to eliminate estimates of forfeitures related to service-based vesting conditions. A portion of the performance shares granted in fiscal years 2005 and 2006, representing 22% and 43%, respectively, of each target award, was forfeited after the end of the three-year performance period. All of the performance shares granted in fiscal year 2007 (which would have been payable in 2009 had performance targets been met) were forfeited. These forfeitures are not reflected in the amount reported in this column. See *Grants of Plan-Based Awards and Outstanding Equity Awards at Fiscal Year-End 2009* below for further information. Information on the assumptions used in valuation of the grants is included in Note 19 of the Notes to Consolidated Financial Statements in the Form 10-K, which is incorporated herein by reference. These amounts may not reflect the actual value realized upon vesting or settlement.
- 5 In accordance with the FASB's compensation guidance, the Company recognizes compensation cost with respect to the unvested portion of stock options. All stock options issued by the Company vest over a three year period. Information on the assumptions used in valuation of the grants is included in Note 19 of the Notes to Consolidated Financial Statements in the Form 10-K, which is incorporated herein by reference. These amounts may not reflect the actual value realized upon exercise, if any.
- 6 This column includes cash payouts under (a) a cash performance plan established pursuant to the 1997 LTIP with respect to three-year performance periods ended September 30, 2007 and 2008, and (b) the ICP with respect to annual bonuses for fiscal year 2007 and 2008, in the amounts set forth below. There were no cash payouts under any long term incentive plan with respect to the three-year performance period ended September 30, 2009 or under the ICP with respect to annual bonuses for fiscal year 2009.

| Name | 2008 LTIP Payout | 2008 ICP Payout |

No earnings were paid or accrued on outstanding awards during the fiscal year. All payouts were in the form of cash. (See *Compensation Discussion and Analysis* above and *Grants of Plan-Based Awards* below for information on long-term incentive target awards made in fiscal year 2009 for the three-year performance period ending in fiscal year 2011 and annual bonus targets for fiscal year 2009.)

- 7 This column includes the change in actuarial present value of accumulated pension benefits of the Named Executive Officers under all defined benefit pension plans accrued during the period between the pension plan measurement dates used for financial statement reporting purposes for the reported fiscal year and the prior year. The amounts used for 2008 and 2007 were based on a measurement date of June 30. Effective as of September 30, 2009, the Company changed its measurement date for accounting purposes from June 30 to September 30. As a result, the amounts for fiscal year 2009 were measured as of September 30, 2009, and the net increase in the present value of accrued benefits has been pro-rated by 12/15ths to account for 15

months of benefit growth from the prior fiscal year's information. See the Pension Benefits table that follows for additional information. There were no above-market or preferential earnings on compensation that was deferred on a basis that is not tax-qualified during the fiscal year for the Named Executive Officers. See *Pension Benefits*

below for information on years of service and accumulated pension benefits for Messrs. McClure, Donlon and Baker under the Company's tax-qualified and non-qualified defined benefit retirement plans. Messrs. Craig, Martens and Reinhardt are not eligible to participate in these plans.

This column includes the following amounts for 2009: (a) amounts contributed by the Company to the accounts of the Named Executive Officers under the employee savings plan and related supplemental savings plan, including additional amounts contributed in lieu of participation in the Company's defined benefit retirement plans (see *Pension Benefits* below); (b) cash allowances in lieu of perquisites (see *Compensation Discussion and Analysis* ¶ *Elements of the ArvinMeritor Compensation Program* ¶ *Components* ¶ *Perquisites* above); (c) the value of perquisites; (d) any amounts reimbursed to the Named Executive Officers for the payment of income taxes on the value of perquisites (¶ *gross-ups*); (e) in the case of Mr. Martens, severance and (f) dividends on unvested restricted shares that were not factored into the grant date fair value reported in the table under the heading *Grants of Plan-Based Awards*; in each case, in the amounts disclosed in the table below:

| Type of Compensation | McClure | Craig | Baker | Martens | Reinhardt | Donlon |

| Dividends on unvested restricted shares | \$ 36,100 | \$ 6,700 | \$ 7,950 | \$ 10,050 | \$ 8,550 | \$ 10,050 |

* ¶ Spousal travel involves spouses accompanying Named Executive Officers on business-related trips. If a commercial flight is used, then this is valued at the actual cost of the airfare. In the case of a charter aircraft already flying to the same destination for a business purpose, only the direct variable costs associated with the additional passenger (for example, catering) are included in determining the aggregate cost of the use to the Company. Each other perquisite is valued at its actual cost to the Company. The Compensation Committee has determined to phase out most perquisite programs and related gross-ups. See *Compensation Discussion and Analysis* above.

¹ These columns include target amounts for awards under three-year cash performance plans established pursuant to the 2007 LTIP, and target amounts for annual incentive awards under the ICP. Potential payout

amounts for target and maximum performance are expressed as dollar amounts and, in the case of 2007 LTIP cash performance plans, are stated before application of the stock price change multiplier. Awards may, at the discretion of the Compensation Committee, be paid out in the form of shares of Common Stock, with the number of shares

determined based on the market price at the time of payout. See *Compensation Discussion and Analysis* above for further information on the terms of ICP and 2007 LTIP awards in fiscal year 2009. No actual ICP payouts for fiscal year 2009 were made as the performance targets necessary for a payout were not met.

2 This column includes grants of service-based restricted share units or, in the case of Mr. Donlon, service-based restricted shares (see *Compensation Discussion and Analysis* above).

3 This column includes the grant date fair value of restricted shares of Common Stock and options granted in fiscal year 2009, computed in accordance with the FASB's compensation guidance. Information on the assumptions used in valuation of the grants is included in Note 19 of the Notes to Consolidated Financial Statements in the Form 10-K, which is incorporated herein by reference. The value of dividends on restricted stock is not reflected in this calculation, and the amount of dividends paid on restricted shares in fiscal year 2009 is included in the column headed "All Other Compensation" in the table under *Summary Compensation Table* above.

Employment Agreements

2009 Officer Employment Letters. The officers of the Company (with the exception of Mr. Donlon, as discussed below) entered into employment letters with the Company in fiscal year 2009, which replaced any previous employment letters with such officers. Under the terms of these letters, if the Company terminates the executive's employment without cause, the executive will receive:

- any accrued and unpaid compensation;
- monthly severance pay for a period of 36 months for Mr. McClure, 30 months for each of Messrs. Craig and Reinhardt, and 24 months for Mr. Baker;
- *pro rata* participation in the current year annual bonus;
- *pro rata* participation in the cash portion of long-term incentive cycles under the terms of the applicable plan (which provide payout for only those existing long-term incentive cycles that began more than a year before the last day employed), based on the portion of the performance cycle that has elapsed as of the last day employed;
- continuation of health and welfare benefits (other than accidental death and dismemberment (ADD) and long-term and short-term disability coverage) throughout the severance period (or until the executive becomes subsequently employed and covered by the health plan of the new employer);
- vesting or forfeiture of special grants of service-based restricted shares, performance shares or RSUs as determined under the agreement relating to the grant (which in Mr. Craig's and Mr. Reinhardt's case provide for full vesting of those special awards);
- vesting or forfeiture of all other restricted shares, performance shares or restricted share units based on the terms of the applicable plans, which provide for vesting based on the portion of the restricted period that has elapsed as of the end of the severance period for restricted shares or restricted share units and

forfeiture for performance shares; and

- outplacement services for twelve months not to exceed \$10,000.

The 2009 officer employment letters also provide for vesting in accordance with the terms of the applicable plans for all equity grants in the event of a Change in Control (as defined in those plans) as well as the severance benefits described above if a separation of service results from a Change in Control or within one year thereafter (provided the full target amount of annual bonus will be paid in that event rather than a pro rata portion). The 2009 officer employment agreements also provide for payments in the event of death and disability which are comparable to those provided under prior agreements. These are described further under *Potential Payments Upon Termination or Change in Control* below.

Mr. Donlon Termination Agreement

Effective as of September 15, 2009, the Company entered into an agreement with Mr. Donlon regarding his continued employment and termination of employment, which supersedes his earlier agreement. The agreement provides that Mr. Donlon will continue to be employed through January 16, 2010 (the "Termination Date"). Upon termination of his employment on the Termination Date, Mr. Donlon will receive:

- monthly severance pay equal to \$58,650 per month for a period of 24 months, which will be paid in equal semi-monthly installments;
- continued health and certain other benefit coverage through the severance period (although with respect to health, such coverage will terminate if he subsequently becomes covered by a health plan of a new employer);
- full vesting on January 16, 2010 of all of his outstanding restricted shares;
- continued eligibility for a pro rated annual incentive award for 2010 (at his current target award of 65% of his base salary) based on time actually worked, payable in accordance with the terms of the Company's annual incentive compensation plan;
- continued eligibility for a target cash award, if any, of \$500,000 under the Company's long term incentive plan for the fiscal year 2007-2009, 2008-2010 and 2009-2011 cycles, in accordance with the terms of such plan, subject to approval of the Committee; and
- outplacement assistance for twelve months not to exceed \$10,000.

Mr. Donlon's agreement also provides for vesting in accordance with the terms of the applicable plans for all equity grants in the event of a Change in Control (as defined in those plans) as well as the severance benefits described above if a separation of service results from a Change in Control or within one year thereafter (provided the full target amount of annual bonus will be paid in that event rather than a pro rata portion). The 2009 Agreement also provides for payments in the event of death and disability which are comparable to those provided for under the prior agreement with Mr. Donlon.

The terms of these agreements are subject to modification to the extent necessary to comply with the requirements of Section 409A of the Internal Revenue Code relating to deferred compensation.

Mr. Martens Termination Agreement

The Company entered into a termination agreement with Mr. Martens on January 21, 2009 that provided for the termination of his employment effective January 15, 2009 and the following benefits:

- monthly severance pay equal to \$50,000 per month for a period of 30 months, which will be paid in equal semi-monthly installments;
- continued health and life insurance coverage through a period of 18 months;
- full vesting on January 27, 2009 of all of his outstanding restricted shares;
- continued eligibility for a pro rated annual incentive award for 2009 (at his current target award of 65% of his base salary) based on time actually worked, payable in accordance with the terms of the Company's annual incentive compensation plan;
- continued eligibility for a target cash award, if any, of \$500,000 under the Company's long term incentive plan for the fiscal year 2007-2009 and 2008-2010 cycles, in accordance with the terms of such plan, subject to approval of the Committee; and
- outplacement assistance for twelve months not to exceed \$10,000.

See Potential Payments Upon Termination or Change in Control below for information on the amounts that would be payable to the Named Executive Officers if their employment had been terminated at the end of fiscal year 2009.

Description of Plan-Based Awards

See *Compensation Discussion and Analysis* Elements of the ArvinMeritor Compensation Program Components Annual Incentives and Long-Term Incentives above for information on the types of plan-based awards that were made in fiscal year 2009 and are reported in the table above, the applicable performance objectives, and how payouts are calculated. No annual bonus payments for fiscal year 2009 or payouts for long-term incentive for the performance period ended September 30, 2009 were made because the performance targets necessary for a payout were not met.

The number of shares of restricted stock held as of September 30, 2009 includes the original grant, plus additional shares of restricted stock purchased through reinvestment of dividends (excluding fractional shares).

4 Column relates to performance shares that were granted for the three year performance cycle ending September 30, 2009. It was determined following fiscal year end that all of these performance shares would be forfeited as the performance goals for the cycle were not met. Accordingly, zero is shown. See *Compensation Discussion and Analysis* above for information on the performance objectives with respect to performance shares. The following sets forth each separate grant of performance shares that was forfeited.

No performance shares were earned based on the level of the Company's performance over the three-year performance period ended September 30, 2009 (see *Compensation Discussion and Analysis* □ *Elements of the ArvinMeritor Compensation Program* □ *Components - Long-Term Incentives* □ *Fiscal Year 2009 Payouts*).

2 The amount in the table is based on the number of shares acquired upon vesting of restricted shares multiplied by the NYSE Closing Price on the date of vesting of restricted shares. If such date is not a trading date, the trading day next preceding the date is used.

PENSION BENEFITS

ArvinMeritor has a tax-qualified defined benefit retirement plan covering salaried and non-represented U.S. employees hired prior to October 1, 2005. Sections 401(a)(17) and 415 of the Internal Revenue Code limit the annual benefits that may be paid from a tax-qualified retirement plan. As permitted by the Employee Retirement Income Security Act of 1974, the Company has established a supplemental non-qualified plan that authorizes the payment out of the Company's general funds of any benefits calculated under provisions of the tax-qualified retirement plan that may be above limits under these sections. Participation in ArvinMeritor's defined benefit retirement plans was terminated on December 31, 2007 and benefits were frozen as of a specified date, as

described below.

35

The following table shows the years of credited service and the actuarial present value of the accumulated benefit under ArvinMeritor's qualified and nonqualified defined benefit retirement plans for Messrs. McClure, Donlon and Baker as of September 30, 2009 (the pension plan measurement date used for financial statement reporting purposes), assuming retirement at age 62. Effective as of September 30, 2009, the Company changed its measurement date for accounting purposes from June 30 to September 30. No payments were made during the fiscal year ended September 30, 2009. Because they were hired after October 1, 2005, Messrs. Craig, Martens and Reinhardt are not eligible to participate in the defined benefit retirement plans.

1 Information on the valuation method and material assumptions applied in quantifying the present value of the current accrued benefits is included in Note 21 of the Notes to Consolidated Financial Statements in the Form 10-K, which is incorporated herein by reference.

2 Through the date of termination of participation in the defined benefit retirement plans, Mr. McClure earned two years of credited service for each year served, pursuant to the terms of his employment agreement (see *Employment Agreements* above). The additional credited service increases the amount reported above as actuarial present value of accumulated benefit under the ArvinMeritor Supplemental Retirement Plan by \$779,566.

The plans provide for annual retirement benefits payable on a straight life annuity basis to participating employees, reduced to reflect the cost of Social Security benefits related to service with the Company. The amount of a participant's annual benefit generally is calculated as 1.5% of the number that is the average of covered compensation for the highest five consecutive years of the ten years preceding retirement, multiplied by years of service, less the Social Security reduction.

Covered compensation includes base salary for the portion of fiscal year 2008 prior to December 31, 2007 when benefits under this plan were frozen. Covered compensation for fiscal year 2008 was \$275,000 for Mr. McClure; \$172,500 for Mr. Donlon; and \$118,750 for Mr. Baker. The plan credits participants with service earned with ArvinMeritor and its predecessor companies, as applicable. The plan also includes "grandfathering" provisions under which the retirement benefits payable to certain long-term employees will be adjusted in some cases to reflect differences between the benefits earned under the plan and those earned under predecessor plans of Arvin, Meritor or Rockwell.

36

Participants may generally elect to retire under the plans any time after reaching age 55, with the annual benefit reduced by 6% for each year that the participant receives benefit payments prior to his reaching age 62. As of the last day of fiscal year 2009, only Messrs. Baker, McClure and Donlon were eligible for early retirement under this provision.

In the event of the participant's death, the plans also provide for the payment of benefits to an employee's surviving spouse or other beneficiary. The amount of the survivor's benefit is 60% of the participant's benefit under the nonqualified plan, and can range from 60% to 100% of the participant's benefit under the qualified plan, depending on the participant's election as to benefit payment options.

See Note 21 of the Notes to Consolidated Financial Statements in the Form 10-K for information on the funded status of the qualified plan. The non-qualified plan is currently unfunded.

New non-union employees hired on or after October 1, 2005, including Messrs. Craig, Martens and Reinhardt, are not eligible to participate in the defined benefit retirement plans. In addition, the defined benefit retirement plans were amended, effective December 31, 2007, to provide that benefits were frozen for all participating employees as of specified dates. Most participating employees ceased accruing benefits effective January 1, 2008. Some participating employees, who either have at least 20 years of service or are age 50 or older with at least 10 years of service, will continue to accrue benefits for an additional transition period, ending June 30, 2011. None of the Named Executive Officers qualifies for this transitional accrual period. For those not eligible to participate in, or whose benefits have been frozen under, the defined benefit retirement plan, the Company makes additional defined contributions to the savings plans on behalf of these individuals, with the amount of the contribution depending on the individual's salary and age.

As noted above, Mr. McClure earned two years of credited service under the defined benefit retirement plans for each year served, pursuant to the terms of his employment agreement. The purpose of this additional accrual was to provide Mr. McClure with retirement benefits comparable to those he received at his last employer. To replace this provision when Mr. McClure's benefit under the defined benefit retirement plan was frozen on December 31, 2007, the Company began making additional defined contributions to the supplemental savings plan on his behalf in an amount equal to five times what he would otherwise be entitled to receive.

NON-QUALIFIED DEFERRED COMPENSATION

The following table reflects contributions made by the Named Executive Officers and the Company to the Company's non-qualified supplemental savings plan in fiscal year 2009, together with earnings on the accounts of the Named Executive Officers under that plan during the fiscal year.

Description of Non-Qualified Supplemental Savings Plan

The ArvinMeritor Supplemental Savings Plan allows certain executives of the Company, including the Named Executive Officers, to defer amounts that cannot be contributed to the tax-qualified 401(k) plan due to deferral and compensation limits imposed by the IRC. Under the 401(k) plan, a participant can defer up to 20% of his eligible pay, on a before-tax or after-tax basis, subject to IRC limits, and the Company matches deferrals at the rate of 100% on the first 3% and 50% on the next 3% of eligible pay (except for the period from February through November 16, 2009 when such matches were suspended). "Eligible pay" includes base salary and annual bonus under the ICP. If an executive elects to participate in the Supplemental Savings Plan, he can continue to contribute on a before-tax basis, even though his 401(k) plan contributions or his eligible pay have reached the annual IRC limits. Both participant contributions and Company matching contributions to the Supplemental Savings Plan are always 100% vested.

The Company also makes pension contributions to the 401(k) plan for certain employees who are not eligible to participate in the Company's defined benefit retirement plans, and these contributions would be made to the Supplemental Savings Plan when eligible pay reaches statutory limits. Company pension contributions to the Supplemental Savings Plan vest 20% after two years of employment and 20% each year thereafter, with full vesting occurring after six years of employment.

The plan administrator keeps track of contributions under the Supplemental Savings Plan as if they were invested in investment options selected by the participant. These options include a variety of mutual funds and Company Common Stock. Growth of the participant's account depends on the investment results of the selected mutual funds and/or on the market price of, and the payment of dividends on, Company Common Stock. Earnings for each investment vehicle for fiscal year 2009 were as follows:

| Name of Investment Fund | 2009 Rate of Return |

Distributions from the Supplemental Savings Plan are made in cash under one of three options, as elected by the participant: (a) a lump sum payment six months following termination of employment; (b) a lump sum payment at the later of age 55 or six months following termination of employment; or (c) ten annual installments payable on January 1 of each year beginning the year after the later of age 55 or six months after termination of employment.

38

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The narrative and tables below describe and quantify potential compensation that could be paid to each of the Named Executive Officers by the Company upon termination of his employment as of September 30, 2009, voluntarily or for cause, without cause, upon a change of control, and upon retirement, death or disability. Except as noted below, the amounts disclosed in the table are based on actual compensation through September 30, 2009 and estimates of future compensation. The actual amounts that could be paid to the Named Executive Officers are subject to a number of variables and can only be determined after occurrence of a termination event. Mr. Martens' employment with the Company was severed effective January 15, 2009 and accordingly, the table reflects only the amounts actually accrued or paid to him and the discussion below applies to him only with respect to termination without cause and not the other termination events.

Voluntary Termination of Employment or Involuntary Termination of Employment with Cause

A Named Executive Officer would be entitled to the following under the Company's current policies, plans and employment letters upon voluntary termination of employment or involuntary termination of employment with cause. "Cause" is defined as a continued and willful failure to perform duties; gross misconduct that is materially and demonstrably injurious to the Company; or conviction of or pleading guilty (or no contest) to a felony or to another crime that materially and adversely affects the Company.

Compensation and Benefits. If a Named Executive Officer were to voluntarily resign from his position or be terminated for cause, he would be entitled only to accrued and unpaid compensation. Participation in benefit plans would cease upon termination.

Incentive Plan Payments and Equity Awards. Upon voluntary termination or termination with cause, a Named Executive Officer would not be entitled to annual bonus or long-term incentive cash plan participation and all unvested equity grants (including unvested restricted shares of Common Stock, restricted share units and performance shares) would be forfeited. Stock options would be exercisable for three months after the termination date (or until their expiration date, if earlier), after which they would be forfeited.

Savings Plan Distributions. Participants in the qualified savings plan are generally entitled to a lump sum distribution of the vested interest in their savings plan accounts upon any termination of service. Participants in the supplemental (non-qualified) savings plan are entitled to receive distributions of the vested portion of their

accounts, either in a lump sum or in ten annual installments, at age 55 or six months after any termination of employment, depending on the election made by the participant. All participant contributions and Company matching contributions to the savings plans, and any related earnings, are immediately 100% vested. Retirement contributions made by the Company to the savings plans in lieu of participation in the defined benefit retirement plans vest 20% for each full year of the participant's employment beginning with the second year, with full vesting of accounts after completion of six years of service.

The Named Executive Officers would be entitled to receive a distribution of all of their employee and Company-matching contributions, and any related earnings, from their savings plan accounts upon voluntary termination or termination with cause. The Company also makes savings plan contributions on behalf of Messrs. Craig and Reinhardt, and beginning January 1, 2008, Messrs. McClure, Baker and Donlon, in lieu of participation in the defined benefit retirement plans. As of September 30, 2009, these additional retirement contributions had vested (and the Named Executive Officers would be eligible to receive a distribution of their accounts with respect to these distributions upon voluntary termination or termination with cause) in the following amounts: 100% for Mr. Baker; 80% for Mr. McClure; 60% for Mr. Donlon; and 40% for each of Messrs. Craig and Reinhardt.

Termination of Employment without Cause

Upon termination without cause, a Named Executive Officer's compensation and benefits would be governed by the terms of his 2009 employment or termination letter, as the case may be, as follows:

2009 Employment Letters. Messrs. McClure, Craig, Baker and Reinhardt entered into employment letters with the Company in fiscal year 2009, which replaced any previous employment letters with such officers. Under the terms of these letters, if the Company terminates the executive's employment without cause, the executive would receive any accrued and unpaid compensation, together with the following severance payments and benefits:

- **Severance pay:** The executive would receive severance pay, at his then-current salary, for a severance period of 36 months for Mr. McClure, 30 months for each of Messrs. Craig and Reinhardt and 24 months for Mr. Baker.
- **Annual bonus:** The executive would participate in the current year annual bonus on a pro rata basis, for the portion of the year during which he was actively employed.
- **Long-term incentives** (see *Grants of Plan-Based Awards and Compensation Discussion and Analysis* above for further information on the different types of long-term incentive awards that are currently outstanding):
 - ◆ **Cash performance plans:** The executive would participate in the cash portion of each existing long-term incentive cycle that began more than a year before the last day employed on a *pro rata* basis, for the portion of the three-year performance period during which he was actively employed.
 - ◆ **Equity grants:**
 - ◆ **Stock options:** The executive's outstanding stock options would remain exercisable for three months after the end of the severance period (but not beyond the original option expiration date).
 - ◆ **Restricted shares and Restricted Share Units:** The executive's outstanding unvested restricted shares and restricted share units would vest through the vesting date or the end of the severance period, whichever is earlier. To the extent not vested by the end of the severance period, unvested restricted shares and restricted share units would be forfeited (except for certain special hiring or retention grants, which would vest in full).

- ◆ Performance shares: Under the terms of the incentive plans under which they were granted, the executive's outstanding performance shares would be forfeited.
- Benefits: The executive would be entitled to continuation of health and welfare benefits (other than ADD and long-term and short-term disability coverage) throughout the severance period (or until the executive becomes subsequently employed and covered by the health plan of the new employer). The executive also would receive continued life insurance coverage through the end of the severance period.
- Retirement plans: Savings plan participation (including additional contributions in lieu of defined benefit plan participation) would cease at the end of employment.
- Outplacement services: The executive would receive outplacement services at Company expense for twelve months in an amount not to exceed \$10,000.

No perquisites are provided to the executive or paid for by the Company during the severance period. Bonus payments and long-term incentive payouts would occur at the time applicable for all participating employees. All other amounts would be payable periodically over the severance period, with timing of some payments delayed to comply with Section 409A of the IRC.

40

Mr. Donlon's Termination Agreement. Mr. Donlon entered into an agreement, which provides that Mr. Donlon will continue to be employed through January 16, 2010 (the "Termination Date"). Upon termination of his employment on the Termination Date, Mr. Donlon will receive:

- Severance pay. Mr. Donlon will receive monthly severance pay equal to \$58,650 per month for a period of 24 months, which will be paid in equal semi-monthly installments.
- Annual bonus. Mr. Donlon will receive a pro rated annual incentive award for 2010 (at his current target award of 65% of his base salary) based on time actually worked, payable in accordance with the terms of the Company's annual incentive compensation plan.
- Long-term incentives (see *Grants of Plan-Based Awards and Compensation Discussion and Analysis* above for further information on the different types of long-term incentive awards that are currently outstanding):
 - ◆ Cash performance plans: Mr. Donlon will continue to be eligible for a target cash award, if any, of \$500,000 under the Company's long term incentive plan for the 2008-2010 and 2009-2011 cycles, in accordance with the terms of such plan on a pro rata basis, for the portion of the three-year performance period during which he was employed.
 - ◆ Equity grants:
 - ◆ Restricted shares: The executive's outstanding unvested restricted shares will vest in full.
 - ◆ Performance shares: Under the terms of the incentive plans under which they were granted, the executive's outstanding performance shares will be forfeited.
 - Benefits. Mr. Donlon will continue to receive health and certain other benefit coverage through the severance period (although with respect to health, such coverage will terminate if he subsequently becomes covered by a health plan of a new employer). He will also receive continued life insurance coverage, car allowance and financial counseling allowance through the end of the severance period.
 - Outplacement. Mr. Donlon will receive outplacement assistance for twelve months not to exceed \$10,000.

Mr. Martens Termination Agreement. The Company entered into a termination agreement with Mr. Martens on January 21, 2009 that provided for the termination of his employment without cause effective January 15, 2009 and the following benefits:

- Severance pay. Mr. Martens receives monthly severance pay equal to \$50,000 per month for a period of 30 months, paid in equal semi-monthly installments.
- Annual Bonus. Although Mr. Martens was entitled to a pro rated portion of any annual bonus for 2009, no bonus was paid for that period.
- Long-term Incentives (see *Grants of Plan-Based Awards* and *Compensation Discussion and Analysis* above for further information on the different types of long-term incentive awards that are currently outstanding):
 - ◆ Cash performance plans: Mr. Martens will be eligible for a pro rated cash award (15/36), if any, of \$500,000 under the Company's long term incentive plan for the fiscal years 2008-2010 cycle, in accordance with the terms of such plan, subject to approval of the Committee. Although he was entitled to the same under the 2007 - 2009 cycle, no long-term incentive cash payment was made for that period.
 - ◆ Equity grants:
 - ◆ Restricted shares: Mr. Martens' outstanding unvested restricted shares vested in full on January 27, 2009.
 - ◆ Performance shares: Under the terms of the incentive plans under which they were granted, Mr. Martens' outstanding performance shares were forfeited.
 - Benefits. Mr. Martens continues to receive health and life insurance coverage through a period of 18 months.
 - Outplacement. Mr. Martens received \$10,000 in lieu of outplacement assistance for twelve months.

Savings Plan Distributions. Upon termination without cause, the Named Executive Officers would also be entitled to a distribution of certain amounts in their savings plan accounts, as described above under "Voluntary Termination of Employment or Involuntary Termination of Employment with Cause."

Termination of Employment upon Change of Control

Under their employment letters, the current officers (including Mr. Donlon) would receive substantially the same salary payments and benefits in the case of a termination of employment upon change of control (or within one year thereafter) as those outlined above for a termination of employment without cause, except that the annual bonus for the current year would be paid in full rather than pro rated. As a result, the amounts for long-term incentive payout and vesting of restricted shares and performance shares, as well as the totals, would increase to the amounts stated in the tables below if termination of employment occurred on the last day of fiscal year 2009 upon a change of control.

Payouts with respect to cash performance plans and all equity-based awards are governed by the provisions of the long term incentive plan under which they were granted. The terms of the 2007 LTIP (which covers awards or payouts for the 2008 - 2010 and 2009 - 2011 performance cycles) provide for immediate vesting and payout of all equity and non-equity long-term incentive awards at target levels upon a change of control. The provisions of the 1997 LTIP apply to long-term incentive awards made for the 2007 - 2009 performance cycle. Under the terms of the 1997 LTIP, equity and non-equity-based awards would be paid out or vest immediately upon a change of control at maximum amounts, rather than target. However, the Committee modified the change of control provisions applicable to these awards to provide for payouts at target levels (rather than any maximum) in the event of a change of control.

Retirement

Upon retirement, a Named Executive Officer may be eligible for the following payments and benefits:

Defined Benefit Retirement Plan. Messrs. McClure, Donlon and Baker participate in the Company's defined benefit retirement plans. The present value of each of their accumulated benefits, assuming retirement at age 62, is disclosed above in the table under the heading Pension Benefits. Each of these executives were eligible to retire under the defined benefit retirement plans as of the last day of fiscal year 2009. In the event of the death of Mr. Baker, Mr. Donlon or Mr. McClure, his spouse would receive a portion of his pension benefit paid monthly for the remainder of her life. Messrs. Craig and Reinhardt do not participate in the defined benefit retirement plans.

Savings Plan Distributions. Upon retirement, the Named Executive Officers would be entitled to a distribution of amounts in their savings plan accounts, including any vested Company contributions in lieu of defined benefit pension plan participation, as described above under "Voluntary Termination of Employment Termination of Employment with Cause."

Retiree Medical Benefits. Messrs. Craig, McClure, Donlon and Reinhardt were hired after January 1, 2001 and therefore are not eligible for benefits under the Company's retiree medical program. Since Mr. Baker is age 55 and has at least 10 years of service, he will be eligible for retiree medical benefits for the period from the date of his retirement to the date of his eligibility for Medicare. The value of these benefits as of September 30, 2009 is included in the table below.

Incentive Plan Payments and Equity Awards. Upon retirement, Messrs. Baker, Donlon and McClure would be entitled to participate in any annual bonuses on a pro rated basis. They would also be entitled to cash payouts under the 1997 LTIP and the 2007 LTIP for each three-year performance plan, and full vesting of performance shares at the end of the performance period for each grant, on the same basis and to the same extent as if employed for the entire period. Service-based restricted stock would vest in full if granted at least one year prior to retirement, but would be forfeited if granted less than a year prior to retirement. The other Named Executive Officers are not eligible to retire under the Company's retirement plans at the end of fiscal year 2009 and, therefore, would not be entitled to vesting and payout of these awards.

Death

In the event of his death, a Named Executive Officer's beneficiary would receive the following benefits:

42

Insurance. The Named Executive Officer's beneficiary would be entitled to the proceeds of Company-sponsored life insurance policies.

Compensation and Benefits. In addition to any accrued and unpaid compensation, the Named Executive Officer's spouse and other dependents would be eligible for continuation of medical benefits for a period of six months.

Incentive Plan Payments and Equity Awards. The Named Executive Officer's beneficiary would be entitled to a pro rata portion of any annual bonus, based on the portion of the year that he was employed. She would also be entitled to pro rata cash payouts under the long term incentive plan for each three-year performance plan and full vesting of restricted shares or restricted share units (either immediately or at the end of the restricted period for each grant). Outstanding stock options would be exercisable for three years after the date of death or until the expiration of the option, whichever is earlier. She would be entitled to a pro rata portion of any performance shares (to the extent any are earned) based on actual time worked by the Named Executive Officer prior to death.

Savings Plan Distributions. Upon the death of a Named Executive Officer, his beneficiary would be entitled to distribution of amounts in his savings plan accounts, including any vested Company contributions in lieu of defined benefit pension plan participation, as described above under "Voluntary Termination of Employment or Involuntary Termination of Employment with Cause."

Disability

In the event of his disability, which is defined as the inability to perform the duties of his current job as a result of disease or injury, a Named Executive Officer would be entitled to the following benefits:

Compensation and Benefits. The Named Executive Officer would be entitled to continuation of his full or partial salary (depending on years of service) for a period of six months, as short-term disability benefits, after which he would receive either 50% or 60% of his salary, depending on his benefit election (with a monthly maximum of \$20,000), under the long-term disability program. After 1½ years on long-term disability benefits, continued eligibility would be based on the inability to perform any job for which he is qualified by education, training or experience. Medical, dental, vision and life insurance benefits would continue during the period he is receiving long-term disability benefits as if he were still employed.

Incentive Plan Payments and Equity Awards. The Named Executive Officer would be entitled to a pro rata portion of any annual bonus, and pro rata participation in any existing three-year cash performance plans, based on the portion of the year or the performance period during which he was employed or on short-term disability. For each grant of restricted shares and performance shares made under a plan prior to the 2007 LTIP, he would also be entitled to full vesting at the end of the restricted or performance period, on the same basis and to the same extent as if the Named Executive Officer had been employed for the entire period. Under Mr. McClure’s July 2008 retention grant of restricted stock, he would also be entitled to full vesting. For any other grants under the 2007 LTIP, the Named Executive Officer would be entitled to a pro rata portion of the restricted stock, restricted share units or performance shares based on actual time worked. Outstanding stock options would continue to be exercisable as provided in their grant terms.

Savings Plan Distributions. A Named Executive Officer would be entitled to distributions under the savings plans, as described above under □Voluntary Termination of Employment or Involuntary Termination of Employment with Cause.□

Potential Payments

Assuming termination for the stated reasons on the last day of fiscal year 2009, and giving effect to the agreements and plan provisions described above, the Named Executive Officers would receive the following estimated payments and benefits under the agreements and plans described above. Amounts attributable to savings plan distributions, life and disability insurance, and health and welfare benefits in the event of death and disability are not included in the tables below because they are available to the Named Executive Officers on the same basis as other salaried employees.

1 Based on annual salary as of September 30, 2009. For the purposes of this table, however, severance amounts contemplate reinstatement of the executive's full salary at year end (i.e. not including the 10% reduction that was actually in effect on September 30, 2009).

2 The executive would be entitled to annual incentive bonus participation for the 2009 fiscal year, based on time actually worked, in accordance with the terms of the ICP. Since no ICP payouts were made for fiscal year 2009 (as the performance goals were not met), the executive would have received no payment in respect of his annual bonus if he had actually been terminated on the last day of fiscal year 2009.

3 Since no long-term incentive payouts were made for the three-year performance cycle ended September 30, 2009 (as the performance goals were not met), the executive would have received no payment

in respect of this long-term incentive cycle if he had actually been terminated on the last day of fiscal year 2009. Payments for the cash performance plans with three-year performance cycles ending September 30, 2010 and 2011 were estimated based on target awards and an assumed stock price multiplier of 1. For termination without cause, death and disability, these cycles are pro rated for time worked prior to the event, and for retirement (if applicable) a full award is paid. All payments would be made at the time the award would otherwise be paid.

4 Based, as applicable, on (a) the number of unvested restricted shares (plus any additional shares purchased with reinvested dividends through September 30, 2009) that would vest by the end of the executive's separation period and (b) the number of unvested restricted share units that would vest by the end of the executive's separation period. Performance shares were not earned for the three-year performance cycle ended September 30, 2009 based on the level of the Company's performance during that cycle, and were not awarded for the three year performance periods ending September 30, 2010 and 2011. In addition, in the case of retirement for Messrs. Baker, Donlon and McClure, the number of unvested restricted shares does not include those granted within less than a year. Although any unvested options would also vest, the exercise price of such options exceeded the closing Price on September 25, 2009 and accordingly, no value was assigned to the vesting.

5 Based on payout at 100% of cash targets, multiplied by an assumed stock price multiplier of 1 for the three-year performance periods ending September 30, 2009, 2010 and 2011, respectively.

6 Based on (a) the number of unvested restricted shares granted plus additional restricted shares purchased with reinvested dividends through September 30, 2009; (b) the number of unvested restricted share units granted and (c) 100% of the target award number of performance shares granted for the performance period ending September 30, 2009, in each case multiplied by the NYSE Closing Price on September 25, 2009 (\$7.75), the last trading day in fiscal year 2009. Although any unvested options would also vest, the exercise price of such options exceeded the closing Price on September 25, 2009 and accordingly, no value was assigned to the vesting.

7 Since Mr. Martens's employment was terminated without cause effective January 15, 2009, the amounts in this table represent only the amounts actually accrued or paid to him in the event of his termination without cause and not the other termination events as they are no longer applicable to Mr. Martens.

AUDIT COMMITTEE REPORT

The Audit Committee, in accordance with its written charter, assists the Board in fulfilling its responsibility for monitoring the integrity of the accounting, auditing and financial reporting practices of ArvinMeritor. The Audit Committee's function is more fully described in its charter, which is available in the section headed "Investors" Corporate Governance" on the ArvinMeritor website (www.arvinmeritor.com).

Management is responsible for the financial reporting process, including the system of internal controls and disclosure controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States ("GAAP"). The independent auditors are responsible for auditing these financial statements and expressing an opinion as to their conformity to GAAP. The Audit Committee's responsibility is to monitor and review these processes, acting in an oversight capacity. The Audit Committee does not certify the financial statements or guarantee the independent auditor's report. The Audit Committee

relies, without independent verification, on the information provided to it, the representations made by management and the independent auditors and the report of the independent auditors.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended September 30, 2009 with the Company's management and with Deloitte & Touche LLP (the "Deloitte"), independent auditors. The Audit Committee has also reviewed and discussed written communications from both management and Deloitte regarding internal controls over financial reporting, as required by the Public Company Accounting Oversight Board's Auditing Standard No. 5, "An Audit of Internal Control over Financial Reporting That is Integrated with an Audit of Financial Statements," and applicable Securities and Exchange Commission rules.

46

The discussions with Deloitte also included the matters required to be discussed by Statement on Auditing Standards Standard No. 61, as amended, "Communication with Audit Committees." In addition, Deloitte has provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte's communications with the Audit Committee concerning independence and the Audit Committee has discussed with Deloitte their independence.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in ArvinMeritor's Annual Report on Form 10-K for the fiscal year ended September 30, 2009, filed with the Securities and Exchange Commission.

Pursuant to its charter, the Audit Committee is responsible for selection, approving compensation and overseeing the independence, qualifications and performance of the independent accountants. The Audit

Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent accountants. Pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee may also pre-approve particular services on a case-by-case basis. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor's independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the Company; and whether the service could enhance the Company's ability to manage or control risk or improve audit quality.

All of the audit-related, tax and other services provided by Deloitte in fiscal years 2008 and 2009 (described in the footnotes to the table above) and related fees were approved in advance by the Audit Committee.

PROPOSAL TO APPROVE THE SELECTION OF AUDITORS

The Audit Committee of the Board of Directors of ArvinMeritor has selected the firm of Deloitte & Touche LLP as the auditors of the Company, subject to the approval of the shareowners. Deloitte & Touche LLP have acted as auditors for ArvinMeritor since the merger and acted as auditors for Meritor from its inception.

Before the Audit Committee appointed Deloitte & Touche LLP, it carefully considered the qualifications of that firm, including its performance for ArvinMeritor and its reputation for integrity and for competence in the fields of accounting and auditing. Representatives of Deloitte & Touche LLP are expected to attend the 2010 Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

The Board of Directors recommends that you vote FOR the proposal to approve the selection of Deloitte & Touche LLP to act as auditors for ArvinMeritor, which is presented as item (2).

PROPOSAL TO APPROVE ADOPTION OF THE 2010 LONG-TERM INCENTIVE PLAN

The Board of Directors approved the 2010 Long-Term Incentive Plan ("2010 LTIP") on November 6, 2009, subject to the approval of the shareowners. The complete text of the 2010 LTIP, including the definition of certain terms used in the following summary information, is set forth in Appendix A to this proxy statement. Shareowners are urged to review the text of the 2010 LTIP together with the following information, which is qualified in its entirety by reference to Appendix A.

Approval of the 2010 LTIP will allow the Company to continue to provide a competitive compensation program that seeks to attract and retain exceptional employees and motivate those key employees responsible for the growth and success of the Company. The 2010 LTIP also allows equity awards to members of the Board of Directors rather than providing for director equity awards under a separate plan as has been done in the past.

48

If the 2010 LTIP is approved by the shareowners, no further awards will be issued under the Company's current long-term incentive plans. ***In addition, if the 2010 LTIP is not approved, the Company will not have an equity compensation plan for further grants of stock options, stock appreciation rights, restricted shares, restricted share units, or performance shares to its employees or directors going forward.*** Without the ability to grant equity awards, the Company believes it will be unable to offer competitive compensation terms to attract and retain key personnel.

Significant Features of the 2010 LTIP

Like the long-term incentive plans it will replace, the proposed 2010 LTIP is an "omnibus" plan that provides for several different kinds of awards. The 2010 LTIP authorizes the grant of stock options, stock appreciation rights, stock awards (including restricted shares and restricted share units), other stock-based awards and cash awards. Its adoption will enable the Company to continue its practice of linking the compensation of executives, directors and other key personnel to increases in the price of ArvinMeritor stock and the achievement of other performance objectives. Significant features of the 2010 LTIP include the following:

- A maximum of 1,200,000 shares are proposed to be available for equity and equity-based award grants. The 2010 LTIP does not have an "evergreen" feature, and any increase in the number of authorized shares would require shareholder approval.
- Of the maximum shares available, only 500,000 in the aggregate may be granted as incentive stock options. While it is not expected that options will be awarded as a regular feature of the Company's compensation strategy, maintaining the flexibility to do so is desirable.
- Limits, pursuant to Internal Revenue Code Section 162(m), on awards per person are (i) 500,000 shares in a single fiscal year, and (ii) \$10,000,000 relative to the portion of a performance award earned with respect to any single fiscal year.
- Stock option and stock appreciation right re-pricing is prohibited without shareholder approval.
- Discounted stock options and stock appreciation rights (except in the limited case of conversion awards in merger transactions) and reload option grants are prohibited.
- Up to 10% of the share authorization in the aggregate may be utilized generally for stock awards to employees with no minimum vesting restriction. All other equity and equity-based awards to employees under the 2010 LTIP that are subject to restrictions and vesting conditions will generally be subject to minimum vesting periods (1 year for options and performance-based awards, 3 years for restricted shares and restricted share units). The Plan prohibits the Committee from waiving these minimum vesting periods, except in the case of death, disability, retirement and change in control.
- Shares retained by the Company (or withheld upon settlement) in payment of the award purchase price or tax withholding obligation, as well as shares cancelled, forfeited, expired or settled in cash will be added back to the reserved shares available under the 2010 LTIP.

Summary of the 2010 LTIP

General

The purpose of the 2010 LTIP is to enhance shareholder value by linking the compensation of directors, officers and other key employees of the Company to increases in the price of ArvinMeritor stock and the achievement of other performance objectives, and to encourage ownership in the Company by key personnel whose long-term employment is considered essential to the Company's continued progress and success. The 2010 LTIP is also intended to assist in the recruitment of new employees and to motivate, retain and encourage such personnel to act in the shareholders' interest and share in the Company's success.

Employees of the Company and its affiliates are eligible to receive awards under the 2010 LTIP, including all of the Company's executive officers and approximately 200 other employees. Non-employee directors are also eligible for awards under the plan. Incentive stock options may only be granted to employees of the Company and of other entities in which the Company, directly or indirectly, holds more than 50% of the total outstanding voting power.

The 2010 LTIP authorizes the issuance or transfer of 1,200,000 shares of ArvinMeritor Common Stock, subject to certain limitations discussed below. The 2010 LTIP permits grants to be made from time to time as nonqualified stock options, incentive stock options, stock appreciation rights ("SARs"), stock awards (including restricted shares and performance shares), other stock-based awards (such as restricted share units) and cash awards, each as described below. The 2010 LTIP will become effective as of November 6, 2009 upon approval by the Company's shareholders, and will terminate ten years after such approval.

The 2010 LTIP will be administered by the Board, a committee designated by the Board and/or their respective delegates. It is expected that the 2010 LTIP will be administered by the Compensation and Management Development Committee of the Board with respect to employee grants and the Corporate Governance and

Nominating Committee with respect to director grants (the "administrator"), each of which consists of at least three and not more than six members of the Board of Directors who are independent under the rules of the New York Stock Exchange. The administrator has the authority, among other things, to determine the individuals to whom awards may be granted, make awards, determine the cash targets or number of shares subject to each award, determine the type and the terms of any award to be granted (consistent with the provisions of the 2010 LTIP), approve forms of award agreements, construe and interpret the terms of the 2010 LTIP, adopt rules and procedures for administration of the plan, and modify or amend awards, subject to certain limitations. The administrator may delegate day-to-day administration of the 2010 LTIP to one or more individuals.

In order to meet the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and the rules under Section 16 of the Exchange Act, awards to covered individuals under the 2010 LTIP will be made by a committee comprised solely of two or more "outside directors" as defined for purposes of Section 162(m) and "non-employee directors" as defined for purposes of Section 16 of the Exchange Act. The authority to approve awards to employees, other than employees subject to Section 162(m) of the Code or Section 16 of the Exchange Act, may be delegated to one or more directors or officers of the Company.

Types of Awards

Stock Options and Stock Appreciation Rights. The 2010 LTIP authorizes grants of stock options (which may be either incentive stock options eligible for special tax treatment or nonqualified stock options) and SARs. No more than 500,000 shares in the aggregate may be issued pursuant to incentive stock options. In addition, the aggregate fair market value of shares for which any employee may be granted incentive stock options which are exercisable for the first time in any calendar year may not exceed \$100,000.

Under the provisions of the 2010 LTIP authorizing the grant of stock options, the term of the option cannot be longer than 10 years from the date of grant, and the exercise price may not be less than 100% of the fair market value of the shares of Common Stock on the date of grant. With limited exceptions in the case of death or disability of the participant or change of control of the Company (as discussed below), stock options may not be exercised prior to one year from the date of grant. At the time of exercise of a stock option, the option price must be paid in full in cash, by check or wire transfer, in shares of ArvinMeritor Common Stock that are transferred to or withheld by the Company, or any combination of these methods. Repricing of options (i.e., reducing the exercise price) is not permitted under the 2010 LTIP without approval of the Company's shareowners.

The 2010 LTIP permits the grant of SARs related to a stock option (a "tandem SAR"), either at the time of the option grant or thereafter during the term of the option, or the grant of SARs separate and apart from the grant of an option (a "freestanding SAR"). Tandem SARs permit an optionee, upon exercise of such rights and surrender of the related option to the extent of an equivalent number of shares of Common Stock, to receive a payment equal to the excess of the fair market value (on the date of exercise) of the portion of the option so surrendered over the option exercise price of such shares of Common Stock. Freestanding SARs entitle the grantee, upon exercise of SARs, to receive a payment equal to the excess of the fair market value (on the date of exercise) of all or part of a designated number of shares of Common Stock over the fair market value of such shares of Common Stock on the date the SARs were granted. Payments by ArvinMeritor in respect of tandem SARs or freestanding SARs may be made in shares of ArvinMeritor Common Stock, in cash, or partly in cash and partly in shares of Common Stock, as the administrator may determine.

Stock Awards and Other Stock-Based Awards. Under the 2010 LTIP, the administrator may grant to participants stock awards, which in the case of employees are generally in the form of restricted shares of Common Stock or restricted share units. Restricted shares have all the attributes of outstanding shares of ArvinMeritor

Common Stock, except that the shares are delivered to and held by ArvinMeritor for the participant's account. Restricted share units are units granted to a participant valued by reference to a designated number of shares of ArvinMeritor Common Stock, which value may be paid upon vesting by delivery of shares of Common Stock (which may be restricted shares), cash or a combination of shares of Common Stock and cash, as the administrator may determine. Restricted share units represent an unfunded and unsecured obligation of the Company, except as otherwise provided for by the administrator. The administrator may also grant to participants any other type of equity-based or equity-related award, including the grant of unrestricted shares of

Common Stock.

Stock awards and other stock-based awards are subject to terms and conditions determined by the administrator and set forth in an award agreement, including conditions on vesting. These conditions may include continued employment by the Company or an affiliate, or achievement of performance conditions specified by the administrator. The period during which a stock award or other stock-based award is restricted and subject to forfeiture may not be less than three years for restricted stock and restricted stock units or one year for performance based awards, except in limited circumstances, including retirement, death or disability of the employee or change of control of the Company (as discussed below). However, the 2010 LTIP provides for awards of up to 10% of the share authorization may be subject to stock awards and other stock-based awards with no minimum vesting period.

Cash Awards. The 2010 LTIP authorizes the administrator to make cash awards, pursuant to which the participant can earn a future payment tied to the level of achievement with respect to performance criteria over a specific performance period. At the time of grant, the administrator will establish the performance criteria and the level of achievement compared to these criteria that will determine the amount payable under a cash award. Payment of cash awards may be in the form of cash or property, including shares of Common Stock. The maximum amount payable pursuant to that portion of a cash award earned with respect to any fiscal year to any one individual employee may not exceed \$10,000,000.

Performance-Based Compensation Awards

The administrator will specify if all or a portion of an award is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code. Section 162(m) of the Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid to the company's chief executive officer or any of the three most highly compensated executive officers other than the chief executive officer or the principal financial officer. Certain performance-based compensation is specifically exempt from this deduction limit. One of the requirements for performance-based compensation to qualify for this exemption is that it must be granted under a shareholder-approved compensation plan that provides a limit on the number of shares and a cap on the maximum cash compensation that may be granted to any one individual under the plan. Awards that meet these requirements will not be subject to the \$1,000,000 limitation on deductible compensation under Section 162(m).

The performance criteria applicable to such awards must be based on one or more qualifying performance criteria set forth in the 2010 LTIP. These qualifying performance criteria include: (i) sales or cash return on sales; (ii) cash flow or free cash flow or net cash from operating activity; (iii) earnings (including gross margin, earnings before or after interest and taxes, earnings before taxes, and net earnings); (iv) basic or diluted earnings per share; (v) growth in earnings or earnings per share; (vi) stock price; (vii) return on equity or average shareholders' equity; (viii) total shareholder return; (ix) return on capital; (x) return on assets or net assets; (xi) return on investments; (xii) revenue or gross profits; (xiii) income before or after interest, taxes, depreciation and amortization, or net income; (xiv) pretax income before allocation of corporate overhead and bonus; (xv) operating income or net operating income; (xvi) operating profit or net operating profit (whether before or after taxes); (xvii) operating margin; (xviii) return on operating revenue; (xix) working capital or net working capital; (xx) market share; (xxi) asset velocity index; (xxii) contract awards or backlog; (xxiii) overhead or other expense or cost reduction; (xxiv) growth in shareholder value relative to the moving average of the S&P 500 Index or a peer group index; (xxv) credit rating; (xxvi) strategic plan development and implementation; (xxvii) improvement in workforce diversity; (xxviii) customer satisfaction; (xxix) employee satisfaction; (xxx) management succession plan development and implementation; and (xxxi) employee retention. To the extent that any award (other than stock options and SARs) is intended to qualify as "performance-based compensation" under Section 162(m) of the Code, the performance criteria must be one of the criteria listed above. In addition, the administrator will (within the first quarter of the performance period, but in no event more than ninety (90) days into that period) establish the specific performance

targets (including thresholds and whether to exclude certain extraordinary, non-recurring, or similar items) and award amounts (subject to the right of the administrator to exercise discretion to reduce payment amounts following the conclusion of the performance period).

Dividends

The administrator may provide for payment of dividends or dividend equivalents on the shares of Common Stock subject to an award (other than options and SARs) prior to vesting. These payments may be made in cash, shares or units, or may be credited to an employee's account and settled upon vesting of the underlying award. The administrator may, in its discretion, make such payments subject to specified conditions and contingencies.

Transferability

Unless the administrator provides otherwise in the award agreement, awards are not transferable, other than by will or the laws of descent and distribution.

Termination of Employment or Board Membership

The administrator may specify the effect a termination from membership on the Board of Directors or a termination of employment of an employee will have on an award at the time it makes a grant. Unless otherwise determined by the administrator and specified in the award agreement, the 2010 LTIP provides that the following occurs upon a termination from the Board of Directors or of employment by an employee. The administrator may also modify these provisions in its discretion after the grant date.

Stock Options and SARs. Upon termination from the Board by a director, any non-vested options or SARs shall be cancelled and any vested options and SARs shall remain exercisable for a period of five years, or the remaining term of the award, if less. If termination from the Board is due to the death of the director, any outstanding option or SAR shall immediately vest and remain exercisable for a period of three years, or the remaining term of the award, if less. In the case of an employee, if the employee's employment terminates due to:

- Death or disability - outstanding stock options and SARs vest in full and remain exercisable until the earlier of three years after the termination or expiration of their term.
- Retirement - stock options and SARs that have been outstanding for at least one year after the grant date will remain outstanding for the lesser of five years or the expiration of their term and will continue to vest as though the employee were still employed.
- Any other reason - outstanding unvested stock options and SARs are cancelled and forfeited; outstanding stock options and SARs that have vested prior to termination remain exercisable for ninety days after the date of termination, or their remaining term if less, and thereafter are cancelled and forfeited. In the case of an involuntary termination (other than a termination for cause), termination is deemed to be effective at the end of any severance period.

Stock and Other Stock-Based Awards. Upon termination from the Board by a director, any non-vested stock awards shall be cancelled and any non-vested other stock-based awards shall become fully vested. However, if termination from the Board is due to the disability or death of the director, any outstanding stock awards shall also immediately vest. In the case of an employee, if the employee's employment terminates due to:

- Death or disability - a pro-rated portion of outstanding unvested stock awards and other stock-based awards will vest, based on the number of full months of the applicable performance or vesting period that have elapsed as of the date of termination.
- Retirement - unvested stock awards and other stock-based awards that have been outstanding for at least one year after the grant date will remain outstanding for the lesser of five years or the expiration of their term and will continue to vest as though the employee were still employed.
- Any other reason - outstanding unvested stock awards and other stock-based awards will be cancelled and forfeited upon termination. In the case of an involuntary termination (other than a termination for cause), termination is deemed to be effective at the end of any severance period.

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The amount of any performance-based award that vests will not be determined, and stock awards and other stock-based awards will not be paid, until after the vesting or performance period has ended.

Cash Awards. Upon termination from the Board by a director, any non-vested cash awards shall be cancelled. However, if termination from the Board is due to the disability or death of the director, any outstanding cash awards shall immediately vest. In the case of an employee, if the employee's employment terminates due to:

- Death or disability - a pro-rated portion of outstanding cash awards will be paid, based on the number of full months of the applicable performance cycle that have elapsed as of the date of termination.
- Retirement - outstanding cash awards that have been outstanding for at least one year after the beginning of the performance period will remain outstanding for the lesser of five years or the expiration of the performance period and will be paid as though the employee had been employed during that entire period.
- Involuntary termination other than termination for cause - a pro-rated portion of an award that has been outstanding for at least one year after the beginning of the performance period will be paid, based on the number of full months of the applicable performance cycle that have elapsed as of the date of termination.
- Any other reason - outstanding unvested cash awards will be cancelled and forfeited.

In each case, the amount of any cash award that is paid will not be determined, and payment on any such award will not be made, until after the applicable performance period has ended.

Change of Control Benefits

In the event of a change of control of the Company (as defined in the 2010 LTIP), unless the administrator has determined otherwise with respect to a particular award:

- All outstanding unvested stock options and SARs become fully vested and exercisable.
- All restrictions on outstanding unvested stock awards, other stock-based awards and cash awards lapse and these awards become fully vested, and any such awards that are performance-based will be deemed fully earned at the target amount.

If an employee's employment is terminated within two years after a change of control for any reason other than death, retirement, disability or termination for cause, each outstanding stock option or SAR that is vested at the time of termination will remain exercisable until the earlier of the third anniversary of termination or the expiration of the term of the stock option or SAR.

Amendment and Termination of 2010 LTIP

The administrator of the 2010 LTIP may at any time amend, alter or discontinue the 2010 LTIP or any award made thereunder, subject to approval by shareowners to the extent required by applicable law. Unless approved by the shareowners, the administrator may not increase the maximum aggregate number of shares of Common Stock that may be subject to awards granted under the 2010 LTIP, reduce the minimum exercise price for stock options or SARs or reduce the exercise price of outstanding stock options or SARs. No amendment, suspension or termination of the 2010 LTIP will impair the rights of any employee with respect to an outstanding award without the employee's consent, unless the administrator determines that (i) the amendment is required or advisable under applicable law, stock exchange requirements or accounting standards, (ii) the amendment is not likely to significantly diminish the benefits provided under the award, or (iii) the employee is adequately compensated for any reduction in benefits.

Capitalization Adjustments

Upon the occurrence of an event that affects the capital structure of the Company (such as a stock dividend, stock split or recapitalization), or a merger, consolidation, reorganization or similar event affecting the Company or its subsidiaries, the Board of Directors or the administrator shall make such substitutions or adjustments as it deems

53

appropriate and equitable. Such adjustments shall include, without limitation, such proportionate adjustments that it deems appropriate to reflect such change, including to the share reserve, the share limitations, and the purchase price and number of shares of Common Stock subject to outstanding equity or equity-based awards.

Deferred Compensation

Unless the administrator determines otherwise, it is intended that no award will be "deferred compensation" for purposes of Section 409A of the Code. If the administrator determines that an award is subject to Section 409A, the terms and conditions governing that award, including rules for elective or mandatory deferral of delivery of cash or shares of Common Stock and rules relating to treatment of awards in the event of a change of control of the Company, will be set forth in the applicable award agreement and will comply with Code Section 409A.

Shares Available for Grant under Company Plans

The following table provides the number of shares outstanding and the number of shares available for future grant under all Company plans as of September 30, 2009:

| | |
|--|------------|
| Number of Stock Options Outstanding ⁽¹⁾ | 1,754,328 |
| Weighted Average Exercise Price | \$17.66 |
| Weighted Average Term (in years) | 3.8 |
| Number of Full-Value Remaining Stock Awards Outstanding ⁽²⁾ | 3,776,685 |
| Number of Shares Remaining for Future Grant: | |
| Arvin Meritor, Inc. 2007 Long-Term Incentive Plan (2007 LTIP) | 494,000 |
| Incentive Compensation Plan (ICP) | |
| 2004 Directors Stock Plan (Directors Plan) | 75,740 |
| | 7,674 |
| Common Shares Outstanding (as of November 20, 2009, the record date) | 74,269,521 |

(1) All of our equity compensation plans under which grants are outstanding as shown above were approved by the shareholders of ArvinMeritor or by the shareholders of Meritor or Arvin prior to their merger into ArvinMeritor, except 295,102 shares under the Employee Stock Benefit Plan with a weighted average exercise price of \$19.21. The weighted average exercise price of outstanding grants under plans that were approved by the shareholders was \$17.34.

(2) 216,900 performance shares were not earned based on the Company's performance over the three year period ending September 30, 2009 and accordingly such shares were forfeited and not included in the total number of full-value remaining stock awards outstanding shown in this table and such shares were not added back to the share pool of any other Company equity plan.

There are no other shares remaining available for grant under any other Company plans or programs. The Company does not anticipate granting any new awards under the 2007 LTIP, the ICP or the Directors Plan between September 30, 2009 (the end of the fiscal year) and January 28, 2010 (which will be the date of approval of the 2010 LTIP if it is approved by shareowners). In addition, if the 2010 LTIP is approved, no further awards will be granted under the 2007 LTIP, the ICP or the Directors Plan.

The Company continues to grant awards under its plans at levels that it believes are reasonable in light of its business objectives, appropriate for attracting and retaining top talent and consistent with the long term interests of its shareholders.

Edgar Filing: ARVINMERITOR INC - Form DEF 14A

The following table sets forth information regarding awards granted and earned for each of the last three fiscal years.

| Fiscal Year Ended September 30, | (Amounts in Thousands) | | |
|---|------------------------|----------|----------|
| | 2007 | 2008 | 2009 |
| Stock options granted | 0.0 | 300.0 | 0.0 |
| Service-based restricted share and restricted share units granted | 542.5 | 1,263.3 | 2,508.5 |
| Actual performance-based restricted share and restricted share units earned | 242.3 | 181.4 | 0.0 |
| Weighted average basic common shares outstanding during the fiscal year | 70,500.0 | 72,100.0 | 72,500.0 |

54

To facilitate the approval of the 2010 LTIP, the Company commits that with respect to the number of shares subject to awards granted over the next three fiscal years, we will maintain an average annual burn rate (awards granted divided by average shares outstanding) over that period that does not exceed 3.05% of the average number of common shares outstanding as of the end of the three fiscal years. For purposes of calculating the number of shares granted in a particular year, all awards will first be converted into option-share equivalents. Each share underlying option awards shall count as equivalent to one option share. Each share that is subject to awards other than options will count as equivalent to one and one-half option shares.

New Plan Benefits

On November 5, 2009, the Compensation Committee approved grants of restricted stock units under the 2010 LTIP that were effective on December 1, 2009, subject to shareowner approval at the Annual Meeting. These grants were based on the fair market value of Common Stock on December 1, 2009 and are as set forth below.

| Name and Principal Position | Dollar Value | Number of |
|---|--------------|-----------|
| | (\$) | Units* |
| Charles G. McClure, Jr. Chairman of the Board, Chief Executive Officer and President (principal executive officer) | 1,500,000 | 177,100 |
| Jeffrey A Craig Senior Vice President, Chief Financial Officer and Acting Controller (principal financial officer) | 500,000 | 59,000 |
| Vernon G. Baker, II Senior Vice President and General Counsel | 300,000 | 35,400 |
| Carsten J. Reinhardt Senior Vice President and Chief Operating Officer | 600,000 | 70,800 |
| James D. Donlon, III Executive Vice President | 0 | 0 |
| Philip R. Martens Former Senior Vice President and President, Light Vehicle Systems | 0 | 0 |
| Executive group | 3,765,000 | 444,400 |
| Non-Executive Director group | 640,000 | ** |
| Non-Executive Officer Employee Group | 3,828,440 | 452,000 |

* Number of Units is based on closing price of the Common Stock on December 1, 2009 (which was \$8.47), rounded to the nearest 100.

** Non-executive directors will be granted equity awards on January 28, 2010 (if the 2010 LTIP is approved at the Annual Meeting), and the number of units or shares underlying such awards will be based on the share price on such date.

The awards as set forth above subject to approval of the shareowners are included in the total requested authorization under the plan of 1,200,000 shares. Further grants may be made in the discretion of the administrator, and the amounts to be awarded in any future year are not determinable. As a result, benefits under the 2010 LTIP will depend on the administrator's actions as well as the fair market value of Common Stock at various future dates. It is not possible to determine the benefits other than the December 1, 2009 grants that will be received by executive officers and other employees if the 2010 LTIP is approved by the shareowners.

Tax Matters

The United States federal income tax consequences applicable to the Company and employees in connection with awards under the 2010 LTIP are complex and depend, in large part, on surrounding facts and circumstances.

55

Under current federal income tax laws, an employee will generally recognize income, and the Company will be entitled to a deduction, with respect to stock options, SARs, stock awards and other stock-based awards as follows:

Incentive Stock Options (ISOs)

With respect to ISOs, in general, for federal income tax purposes under the present law:

- (i) Neither the grant nor the exercise of an ISO, by itself, results in income to the employee; however, the excess of the fair market value of the Common Stock at the time of exercise over the option exercise price is includable in alternative minimum taxable income (unless there is a disposition of the Common Stock acquired upon exercise of the ISO in the taxable year of exercise) which may, under certain circumstances, result in an alternative minimum tax liability to the employee.
- (ii) If the Common Stock acquired upon exercise of an ISO is disposed of in a taxable transaction after the later of two years from the date on which the ISO is granted or one year from the date on which such Common Stock is transferred to the employee, long-term capital gain or loss will be realized by the employee in an amount equal to the difference between the amount realized by the employee and the employee's basis which, except as provided in (v) below, is the exercise price.
- (iii) Except as provided in (v) below, if the Common Stock acquired upon the exercise of an ISO is disposed of within the two-year period from the date of grant or the one-year period after the transfer of the Common Stock to the employee (a "disqualifying disposition"):
 - (a) Ordinary income will be realized by the employee at the time of such disposition in the amount of the excess, if any, of the fair market value of the Common Stock at the time of such exercise over the option exercise price, but not in an amount exceeding the excess, if any, of the amount realized by the employee over the option exercise price.
 - (b) Short-term or long-term capital gain will be realized by the employee at the time of any such taxable disposition in an amount equal to the excess, if any, of the amount realized over the fair market value of the Common Stock at the time of such exercise.

(c) Short-term or long-term capital loss will be realized by the employee at the time of any such taxable disposition in an amount equal to the excess, if any, of the option exercise price over the amount realized.

- (iv) No deduction will be allowed to the Company with respect to ISOs granted or Common Stock transferred upon exercise thereof, except that if a disqualifying disposition is made by the employee, the Company will be entitled to a deduction in the taxable year in which the disposition occurred in an amount equal to the amount of ordinary income realized by the employee making the disposition.
- (v) With respect to the exercise of an ISO and the payment of the option exercise price by the delivery of Common Stock, to the extent that the number of shares received does not exceed the number of shares surrendered, no taxable income will be realized by the employee at that time, the tax basis of the Common Stock received will be the same as the tax basis of the Common Stock surrendered, and the holding period (except for purposes of the one-year period referred to in (iii) above) of the employee in Common Stock received will include his holding period in the Common Stock surrendered. To the extent that the number of shares received exceeds the number of shares surrendered, no taxable income will be realized by the employee at that time; such excess Common Stock will be considered ISO stock with a zero basis; and the holding period of the employee in such Common Stock will begin on the date such shares are transferred to the employee. If the Common Stock surrendered was acquired as the result of the exercise of an ISO and the surrender takes place within two years from the date the ISO relating to the surrendered Common Stock was granted or within one year from the date of such exercise, the surrender will result in a disqualifying disposition and the Employee will realize ordinary income at that time in the amount of the excess, if any, of the fair market value at the time of exercise of the Common Stock surrendered over the basis of such Common Stock. If any of the shares received are disposed of in a disqualifying disposition, the employee will be treated as first disposing of the Common Stock with a zero basis.

Nonqualified Stock Options (NQSOs)

With respect to NQSOs, in general, for federal income tax purposes under present law:

- (i) The grant of a NQSO by itself does not result in income to the grantee.

56

-
- (ii) Except as provided in (v) below, the exercise of a NQSO (in whole or in part, according to its terms) results in ordinary income to the grantee at that time in an amount equal to the excess (if any) of the fair market value of the Common Stock on the date of exercise over the option exercise price.
 - (iii) Except as provided in (v) below, the tax basis of the Common Stock acquired upon exercise of a NQSO, which is used to determine the amount of any capital gain or loss on a future taxable disposition of such shares, is the fair market value of the Common Stock on the date of exercise.
 - (iv) A deduction is allowable to the Company upon the exercise of a NQSO in an amount equal to the ordinary income realized by the grantee upon exercise.
 - (v) With respect to the exercise of a NQSO and the payment of the option exercise price by the delivery of Common Stock, to the extent that the number of shares received does not exceed the number of shares surrendered, no taxable income will be realized by the grantee at that time, the tax basis of the Common Stock received will be the same as the tax basis of the Common Stock surrendered, and the holding period of the grantee in the Common Stock received will include his or her holding period in the Common Stock surrendered. To the extent that the number of

shares received exceeds the number of shares surrendered, ordinary income will be realized by the grantee at that time in the amount of the fair market value of such excess Common Stock; the tax basis of such excess Common Stock will be equal to the fair market value of such Common Stock at the time of exercise; and the holding period of the grantee in such Common Stock will begin on the date such Common Stock is transferred to the grantee.

SARs

The grant of either a tandem SAR or a freestanding SAR will not result in any immediate tax consequences to ArvinMeritor or the grantee. Upon the exercise of either a tandem SAR or a freestanding SAR, any cash received and the fair market value on the exercise date of any shares of Common Stock received will constitute ordinary income to the grantee. ArvinMeritor will be entitled to a deduction in the same amount and at the same time.

Restricted Shares

A grantee generally will not realize income upon an award of restricted shares. However, a grantee who receives restricted shares will realize as ordinary income at the time of the lapse of the applicable restrictions an amount equal to the fair market value of the restricted shares at the time of such lapse. Alternatively, a grantee may elect within 30 days of receipt to include as ordinary income on the date of receipt of the restricted shares an amount equal to the fair market value of the Common Stock underlying such award at that time. At the time the grantee realizes ordinary income, the Company will be entitled to deduct the same amount as the ordinary income realized by the grantee.

Cash Awards under Performance Plans

Any cash and the fair market value of any property, including shares of Common Stock (other than restricted shares or RSUs as described above), received as payments under performance plans established in accordance with the 2010 LTIP will constitute ordinary income to the grantee in the year in which paid, and the Company will be entitled to a deduction in the same amount and at the same time.

Code Section 162(m)

As discussed above, Section 162(m) of the Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid to a company's chief executive officer or any of the three most highly compensated executive officers other than the chief executive officer or the principal financial officer. Certain performance-based compensation is specifically exempt from the deduction limit if it otherwise meets the requirements of Section 162(m). Stock options and SARs granted under the 2010 LTIP qualify as performance-based compensation. Other awards will be performance-based compensation if they are so designated and if their grant, vesting or settlement is subject to the performance criteria described above. Stock awards and other stock-based awards that vest solely upon the passage of time do not qualify as performance-based compensation.

Code Section 409A

To the extent that any award under the 2010 LTIP is or may be considered to involve a nonqualified deferred compensation plan or deferral subject to Code Section 409A, the Company intends that the terms and administration of such award shall comply with the provisions of such section, applicable Internal Revenue Service guidance and good faith reasonable interpretations thereof.

Applicable taxes will be withheld from all amounts paid in satisfaction of an award to the extent required by law. With respect to equity-based awards, the amount of the withholding will generally be determined with reference to the closing sale price of the shares of ArvinMeritor Common Stock as reported on the New York Stock Exchange - Composite Transactions reporting system on the date of determination.

The foregoing is only a summary of the effect of U.S. federal income taxation upon grantees and the Company with respect to the grant and exercise of stock options, stock awards, other stock-based awards and cash awards under the 2010 LTIP. It is not intended as tax advice to grantees participating in the 2010 LTIP, who should consult their own tax advisors. It does not purport to be a complete description of the tax consequences under all circumstances, nor does it describe the tax laws of any municipality, state or foreign country in which the grantee's income or gain may be taxable.

The Board of Directors recommends that you vote FOR the proposal to approve the 2010 LTIP, which is presented as item (3).

PROPOSAL TO APPROVE PERFORMANCE GOALS UNDER THE INCENTIVE COMPENSATION PLAN

The Incentive Compensation Plan (the "ICP") sets forth objective performance criteria in order that certain awards made under the ICP could qualify for favorable tax treatment under Section 162(m). The performance goals are not required to be approved by shareholder under the rules of the New York Stock Exchange. However, in order to be effective for purposes of Section 162(m) of the Internal Revenue Code, the goals must be approved by shareholders every five years. Since ICP performance goals were last approved by the shareholders at the annual meeting in 2005, a proposal seeking shareholder approval of such goals will be presented at the 2010 Annual Meeting. If the Company's shareholders fail to approve the proposed goals, the ICP will not qualify for favorable tax treatment under Section 162(m). The Compensation Committee amended the ICP on November 5, 2009. The complete text of the ICP, as amended and including the performance goals, is set forth in Appendix B to this proxy statement, and shareholders are urged to review it, together with the following information, which is qualified in its entirety by reference to Appendix B.

SUMMARY OF THE ICP

The purposes of the ICP are to provide a reward and an incentive to employees in managerial, staff or technical capacities who have contributed in the then-current fiscal year and, in the future, are likely to contribute to the success of the Company and to enhance the Company's ability to attract and retain outstanding employees to serve in such capacities.

Any person in the salaried employ of the Company during some part of the fiscal year for which awards are made may be eligible for an award under the ICP. Approximately 2,400 employees are currently eligible for awards. Unless also an employee of the Company, no member of the Board of Directors is eligible to participate in the ICP. The Compensation Committee has the power to administer and interpret the ICP, except that the grant committee (which consists of outside non-employee directors) administers awards intended to qualify under Section 162(m).

Awards Not Intended to Qualify Under Section 162(m)

Under the ICP, the Company's chief executive officer will submit to the Compensation Committee, within 35 days after the end of each fiscal year, recommendations concerning awards for that fiscal year. In its discretion, the Compensation Committee will annually, following the close of the immediately preceding fiscal year, determine: (i) the extent to which awards, if any, will be made; (ii) the employees to whom any such awards will be made; (iii) the amount of any such award; and (iv) the form, terms and conditions of such awards. Among other things, the Compensation Committee may determine whether and to what extent awards will be paid in installments.

58

Awards Intended to Qualify Under Section 162(m)

Under the ICP, the grant committee may make awards to employees as performance compensation awards in order that the awards constitute qualified performance-based compensation under Section 162(m). The grant committee will exercise all other responsibilities, powers and authority not reserved to the Board of Directors relating to awards intended to qualify under Section 162(m). With respect to each such performance compensation award, the grant committee will, on or before the 90th day of the applicable fiscal year, establish,

in writing, applicable performance goals and the performance objectives to be used in determining whether and to what extent awards will be deemed to be earned in respect of the fiscal year. The performance goals will be based on one or more of the following objective performance criteria or components thereof selected by the grant committee to measure the performance of the Company, a division or business component (which may but need not be a subsidiary) of the Company or both for a fiscal year: (i) sales or cash return on sales; (ii) cash flow or free cash flow or net cash from operating activity; (iii) earnings (including gross margin, earnings before or after interest and taxes, earnings before taxes, and net earnings); (iv) basic or diluted earnings per share; (v) growth in earnings or earnings per share; (vi) stock price; (vii) return on equity or average shareholders' equity; (viii) total shareholder return; (ix) return on capital; (x) return on assets or net assets; (xi) return on investments; (xii) revenue or gross profits; (xiii) income before or after interest, taxes, depreciation and amortization, or net income; (xiv) pretax income before allocation of corporate overhead and bonus; (xv) operating income or net operating income; (xvi) operating profit or net operating profit (whether before or after taxes); (xvii) operating margin; (xviii) return on operating revenue; (xix) working capital or net working capital; (xx) market share; (xxi) asset velocity index; (xxiii) contract awards or backlog; (xxii) overhead or other expense or cost reduction; (xxiv) growth in shareholder value relative to the moving average of the S&P 500 Index or a peer group index; (xxv) credit rating; (xxvi) strategic plan development and implementation; (xxvii) improvement in workforce diversity; (xxviii) customer satisfaction; (xxix) employee satisfaction; (xxx) management succession plan development and implementation; and (xxxi) employee retention.

A participant will be eligible to receive payment in respect of a performance compensation award only to the extent that the performance goals for that award are achieved. As soon as practicable after the close of each fiscal year, the grant committee will review and determine whether, and to what extent, the performance goals for the fiscal year have been achieved and, if so, determine the amount of the performance compensation award that may be earned by the employee for such fiscal year. The grant committee will then determine the actual amount of the performance compensation award that may be paid to the employee and, in so doing, may in its sole discretion decrease, but not increase, the amount of the award otherwise payable to the employee based upon such performance. No performance compensation award having an aggregate maximum dollar value in excess of 5,000,000 will be paid to any individual employee in any one fiscal year.

The designation of an award as a performance compensation award will enable such award to qualify as performance-based compensation not subject to the \$1 million limitation on deductible compensation under Section 162(m). Such awards made under the ICP prior to shareowner approval will qualify as performance-based compensation only to the extent such awards will be forfeited if shareholder approval is not obtained.

Payment of Awards

Any award payable under the ICP for a fiscal year will be paid no later than March 15th of the calendar year following the year in which such award vests.

Amendment, Suspension or Termination of ICP

The Board of Directors has the power, in its discretion, to amend, suspend or terminate the ICP at any time. It does not have the power, however, to take any such action that would adversely affect rights under an award already made, without the consent of the person affected.

Change of Control Benefits

In order to maintain rights of participants in the ICP in the event of a change of control (as defined in the Company's By-Laws) of the Company, the ICP provides that all unpaid installments of awards theretofore made under the ICP will become due and payable.

New Plan Benefits

Only certain employees of the Company are eligible for awards under the ICP. Non-executive directors are not eligible for awards. Grants under the ICP are made in the discretion of the Compensation Committee or grant committee, as applicable, and the amounts to be awarded in any year are not determinable.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO APPROVE THE PERFORMANCE GOALS RELATING TO THE ICP TO ENABLE CERTAIN AWARDS TO QUALIFY UNDER SECTION 162(m), WHICH IS PRESENTED AS ITEM (4).

VOTE REQUIRED

The presence, in person or by proxy, of the holders of at least a majority of the shares of ArvinMeritor Common Stock entitled to be cast on any matter to be acted on at the 2010 Annual Meeting is necessary to have a quorum. Once a share is represented with respect to any matter, it is deemed present for quorum purposes for the remainder of the meeting. Assuming a quorum is present, the vote required for approval of each proposal is as follows:

- *Election of Directors*
 - ◆ Plurality. Under Indiana law and our By-Laws, the three nominees who receive the greatest number of votes for election as Class I directors cast by the holders of ArvinMeritor Common Stock entitled to vote at the meeting will become directors at the conclusion of the tabulation of votes. A properly executed proxy marked withhold with respect to the election of one or more directors will not be voted with respect to the director or directors indicated.
 - ◆ Majority Vote Policy. Under the Company's majority vote policy (as described above under the heading *Corporate Governance at ArvinMeritor* Board Composition), any nominee for director who is elected but who receives a greater number of withhold votes than for votes in an uncontested election is required to tender his or her resignation after the certification of the shareowner vote. The Corporate Governance and Nominating Committee considers the matter and recommends to the Board what action should be taken. The Board is required to take action and publicly disclose the decision and its underlying rationale within 90 days of certification of the shareowner vote.
 - ◆ Broker Non-Votes. You should be aware that due to a change in NYSE rules applicable to shareowner meetings held on or after January 1, 2010, brokers will no longer be entitled to exercise discretion to vote shares in an uncontested election of directors if the shareowner does not give voting instructions. Accordingly, if you hold your shares in street name and wish your shares to be voted in the election of directors, you must give your broker voting instructions.
- *Selection of Auditors* Under Indiana law and our By-Laws, more votes must be cast in favor of the proposal to approve the selection of auditors than are cast against it.
- *2010 LTIP Approval* Under Indiana law and our By-Laws, more votes must be cast in favor of the proposal to approve the 2010 LTIP than are cast against it. However, the listing standards of the NYSE require that the number of votes cast on the proposal represent more than 50% of the total votes entitled to be cast on the proposal and a majority of the votes cast must vote in favor. In addition, this proposal is subject to the approval requirements of Section 162(m) of the Internal Revenue Code (Section 162(m)) which requires the affirmative vote of a majority of the votes cast.
- *ICP Performance Goals* Under Indiana law and our By-Laws, more votes must be cast in favor of the proposal to approve the ICP performance goals than are cast against it. In addition, this proposal is subject to the approval requirements of Section 162(m) which requires the affirmative vote of a majority of the votes cast.

60

Abstentions and broker non-votes will have the following effects on the outcome of the proposals:

- *Effect of Abstentions on Matters* Under Indiana law, an abstention from voting on a matter by a shareowner present in person or represented by proxy at the meeting will not be counted in the votes cast in the election of directors and in all of the other proposals to be voted on and will have no effect on the outcome of those matters. However, for purposes of the NYSE listing standards and Section 162(m), abstentions will be counted as votes cast on the proposal to approve the 2010 LTIP and the proposal to

approve the ICP performance goals and so will have the same effect as votes against those proposals.

- *Effect of Broker Non-Votes on Matters* □ If your shares of ArvinMeritor Common Stock are held in □street name□ and you do not give your broker voting instructions, your broker will nonetheless have discretion to vote your shares for the proposal to approve the selection of auditors. With respect to all other matters to be voted on at the 2010 Annual Meeting, the votes associated with shares held in □street name□ for which you do not give your broker voting instructions will be considered □broker non-votes,□ which means your broker will not have discretion to vote your shares on those matters. Broker non-votes will have no effect on the outcome of the election of directors, the proposal to approve the selection of auditors and the proposal to approve the ICP performance goals. Broker non-votes could affect the requirement of the NYSE listing standards that the number of votes cast on the proposal to approve the 2010 LTIP must represent more than 50% of the votes entitled to be cast.

OTHER MATTERS

The Board of Directors does not know of any other matters that may be presented at the meeting. In the event of a vote on any matters other than those referred to in items (1), (2), (3) and (4) of the accompanying Notice of 2010 Annual Meeting of Shareowners, it is intended that properly given proxies will be voted on the additional matters in accordance with the judgment of the person or persons voting such proxies.

3. Stock Subject to the Plan.

(a) *Aggregate Limit.* Subject to the provisions of Section 16(a) of the Plan, the maximum aggregate number of Shares which may be subject to or delivered under Awards granted under the Plan is 1,200,000 (one million two hundred thousand) Shares. Shares subject to or delivered under Conversion Awards shall not reduce the aggregate number of Shares which may be subject to or delivered under Awards granted under this Plan. The Shares issued under the Plan may be either Shares reacquired by the Company, including Shares purchased in the open market, or authorized but unissued Shares.

(b) *Code Section 162(m) and 422 Limits; Other Share Limitations.* Subject to the provisions of Section 16(a) of the Plan, the aggregate number of Shares subject to Awards granted under this Plan during any fiscal year to any one Awardee shall not exceed 500,000. Subject to the provisions of Section 16(a) of the Plan, the aggregate number of Shares that may be subject to all Incentive Stock Options granted under the Plan is 500,000 Shares. Notwithstanding anything to the contrary in the Plan, the limitations set forth in this Section 3(b) shall be subject to adjustment under Section 16(a) of the Plan only to the extent that such adjustment will not affect the status of

any Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code.

66

(c) *Share Counting Rules.*

(i) For purposes of this Section 3 of the Plan, Shares subject to Awards that have been canceled, expired, settled in cash, or not issued or forfeited for any reason shall not reduce the aggregate number of Shares which may be subject to or delivered under Awards granted under this Plan and shall be available for future Awards granted under this Plan. In addition, Shares subject to Awards that have been canceled, expired, settled in cash, or not issued or forfeited for any reason shall not reduce any other limitation on Shares to which such Shares were subject at the time of the Award, and shall be available for future Awards of the type subject to such limitations.

(ii) The following Shares shall not become available for Awards under this Plan: (A) Shares issued upon exercise of an Option, but only to the extent of the net Shares issued upon exercise, not including Shares that have been retained by the Company in payment or satisfaction of the purchase price of an Award or the tax withholding obligation of an Awardee; or (B) Shares reserved for issuance upon a grant of Stock Appreciation Rights which are exercised and settled in Shares, but only to the extent the number of reserved Shares does not exceed the number of Shares actually issued upon the exercise of the Stock Appreciation Right.

4. Administration of the Plan.

(a) *Procedure.*

(i) *Multiple Administrative Bodies.* The Plan shall be administered by the Board, a Committee designated by the Board to so administer this Plan and/or their respective delegates.

(ii) *Section 162(m).* To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as "performance-based compensation" within the meaning of Code Section 162(m), Awards to "covered employees" (within the meaning of Code Section 162(m)) or to Employees that the Committee determines may be "covered employees" in the future shall be made by a Committee of two or more "outside directors" within the meaning of Section 162(m) of the Code. References herein to the Administrator in connection with Awards intended to qualify as "performance-based compensation" shall mean a Committee meeting the "outside director" requirements of Code Section 162(m). Notwithstanding any other provision of the Plan, the Administrator shall not have any discretion or authority to make changes to any Award that is intended to qualify as "performance-based compensation" to the extent that the existence of such discretion or authority would cause such Award not to so qualify.

(iii) *Rule 16b-3.* To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3 promulgated under the Exchange Act ("Rule 16b-3"), Awards to Officers and Directors shall be made by the entire Board or a Committee of two or more "non-employee directors" within the meaning of Rule 16b-3.

(iv) *Other Administration.* Except to the extent prohibited by Applicable Law, the Board or a Committee may delegate to a Committee of one or more Directors or to authorized officers of the Company the power to approve Awards to persons eligible to receive Awards under the Plan who are not (A) subject to Section 16 of the Exchange Act or (B) at the time of such approval, "covered employees" under Section 162(m) of the Code.

(v) *Awards to Directors.* The Board shall have the power and authority to grant Awards to Directors who do not serve as employees of the Company ("Non-employee Directors"), including the authority to determine the number and type of Awards to be granted; determine the terms and conditions, not inconsistent with the terms of this Plan, of any Award; and to take any other actions the Board considers appropriate in connection with the administration of the Plan.

(vi) *Delegation of Authority for the Day-to-Day Administration of the Plan.* Except to the extent prohibited by Applicable Law, the Administrator may delegate to one or more individuals the day-to-day administration of the Plan and any of the functions assigned to it in this Plan. Such delegation may be revoked at any time.

(b) *Powers of the Administrator*. Subject to the provisions of the Plan and, in the case of a Committee or delegates acting as the Administrator, subject to the specific duties delegated to such Committee or delegates, the Administrator shall have the authority, in its discretion:

(i) to select the Non-employee Directors and Employees of the Company or its Affiliates to whom Awards are to be granted hereunder;

(ii) to determine Cash Award targets and the number of Common Shares to be covered by each Award granted hereunder;

(iii) to determine the type of Award to be granted to the selected Employees and Non-employee Directors;

(iv) to approve forms of Award Agreements;

(v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise and/or purchase price, the time or times when an Award may be exercised (which may or may not be based on performance criteria), the vesting schedule, any vesting and/or exercisability provisions, terms regarding acceleration of Awards or waiver of forfeiture restrictions, the acceptable forms of consideration for payment for an Award, the term, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine and may be established at the time an Award is granted or thereafter;

(vi) to correct administrative errors;

(vii) to construe and interpret the terms of the Plan (including sub-plans and Plan addenda) and Awards granted pursuant to the Plan;

(viii) to adopt rules and procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures. Without limiting the generality of the foregoing, the Administrator is specifically authorized (A) to adopt rules and procedures regarding the conversion of local currency, the shift of tax liability from employer to employee (where legally permitted) and withholding procedures and handling of stock certificates which vary with local requirements, and (B) to adopt sub-plans and Plan addenda as the Administrator deems desirable, to accommodate foreign laws, regulations and practice;

(ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans and Plan addenda;

(x) to modify or amend each Award, including, but not limited to, the acceleration of vesting and/or exercisability, provided, however, that any such modification or amendment (A) is subject to the minimum vesting provisions set forth in Sections 8(e), 11(a) and 12(a) of the Plan and the plan amendment provisions set forth in Section 17 of the Plan, and (B) may not impair any outstanding Award unless agreed to in writing by the Participant, except that such agreement shall not be required if the Administrator determines in its sole discretion that such modification or amendment either (Y) is required or advisable in order for the Company, the Plan or the Award to satisfy any Applicable Law or to meet the requirements of any accounting standard, or (Z) is not reasonably likely to significantly diminish the benefits provided under such Award, or that adequate compensation has been provided for any such diminishment, except following a Change of Control;

(xi) to allow or require Participants to satisfy withholding tax amounts by electing to have the Company withhold from the Shares to be issued upon exercise of a Nonqualified Stock Option or vesting of a Stock Award that number of Shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined in such manner and on such date that the Administrator shall determine or, in the absence of provision otherwise, on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may provide;

(xii) to authorize conversion or substitution under the Plan of any or all stock options, stock appreciation rights or other stock awards held by awardees of an entity acquired by the Company (the "Conversion Awards"). Any conversion or substitution shall be effective as of the close of the merger or acquisition. The Conversion Awards may be Nonqualified Stock Options or Incentive Stock Options, as determined by the Administrator, with respect to options granted by the acquired entity;

(xiii) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xiv) to impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resale by a Participant or of other subsequent transfers by the Participant of any Shares issued as a result of or under an Award or upon the exercise of an Award, including without limitation, (A) restrictions under an insider trading policy, (B) restrictions as to the use of a specified brokerage firm for such resale or other transfers, and (C) institution of "blackout" periods on exercises of Awards;

(xv) to provide, either at the time an Award is granted or by subsequent action, that an Award shall contain as a term thereof, a right, either in tandem with the other rights under the Award or as an alternative thereto, of the Participant to receive, without payment to the Company, a number of Shares, cash or a combination thereof, the amount of which is determined by reference to the value of the Award; and

(xvi) to make all other determinations deemed necessary or advisable for administering the Plan and any Award granted hereunder.

(c) *Effect of Administrator's Decision.* All questions arising under the Plan or under any Award shall be decided by the Administrator in its total and absolute discretion. All decisions, determinations and interpretations by the Administrator regarding the Plan, any rules and regulations under the Plan and the terms and conditions of any Award granted hereunder, shall be final and binding on all Participants. The Administrator shall consider such factors as it deems relevant, in its sole and absolute discretion, to making such decisions, determinations and interpretations, including, without limitation, the recommendations or advice of any officer or other employee of the Company and such attorneys, consultants and accountants as it may select.

5. Eligibility.

Awards may be granted only to Directors and Employees of the Company or any of its Affiliates.

6. Term of Plan.

The Plan shall become effective upon its approval by shareholders of the Company. It shall continue in effect for a term of ten (10) years from the date the Plan is approved by the shareholders of the Company unless terminated earlier under Section 17 of the Plan.

7. Term of Award.

Subject to the provisions of the Plan, the term of each Award shall be determined by the Administrator and stated in the Award Agreement, and may extend beyond the termination of the Plan. In the case of an Option or a Stock Appreciation Right, the term shall be ten (10) years from the Grant Date or such shorter term as may be provided in the Award Agreement.

8. Options.

The Administrator may grant an Option or provide for the grant of an Option, either from time to time in the discretion of the Administrator or automatically upon the occurrence of specified events, including, without limitation, the achievement of performance goals or the satisfaction of an event or condition within the control of the Awardee or within the control of others.

(a) *Option Agreement.* Each Option Agreement shall contain provisions regarding (i) the number of Shares that may be issued upon exercise of the Option, (ii) the type of Option, (iii) the exercise price of the Option and the means of payment of such exercise price, (iv) the term of the Option, (v) such terms and conditions regarding the vesting and/or exercisability of an Option as may be determined from time to time

69

by the Administrator, (vi) restrictions on the transfer of the Option and forfeiture provisions, and (vii) such further terms and conditions, in each case not inconsistent with this Plan, as may be determined from time to time by the Administrator.

(b) *Exercise Price.* The per share exercise price for the Shares to be issued upon exercise of an Option shall be determined by the Administrator, except that the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the Grant Date.

(c) *No Option Repricing.* Subject to Section 16(a) of the Plan, the exercise price of an Option may not be reduced without shareholder approval, nor may outstanding Options be cancelled in exchange for cash, other Awards or Options with an exercise price that is less than the exercise price of the original Option without shareholder approval.

(d) *No Reload Grants.* Options shall not be granted under the Plan in consideration for and shall not be conditioned upon the delivery of Shares to the Company in payment of the exercise price and/or tax withholding obligation under any other employee stock option.

(e) *Vesting Period and Exercise Dates.* Options granted under this Plan shall vest and/or be exercisable at such time and in such installments during the period prior to the expiration of the Option's term as determined by the Administrator, except that no Option granted to an Employee shall first become exercisable within one (1) year from its Grant Date, other than (i) upon a Change of Control as specified in Section 16(b) of the Plan, or (ii) upon the death or Disability of the Awardee, in each case as specified in the Option Agreement. The Administrator shall have the right to make the timing of the ability to exercise any Option granted under this Plan subject to continued active employment, the passage of time and/or such performance requirements as deemed appropriate by the Administrator. At any time after the grant of an Option, the Administrator may reduce or eliminate any restrictions surrounding any Participant's right to exercise all or part of the Option, subject to the restrictions set forth above.

(f) *Form of Consideration.* The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment, either through the terms of the Option Agreement or at the time of exercise of an Option. Acceptable forms of consideration may include:

(i) cash;

(ii) check or wire transfer (denominated in U.S. Dollars);

(iii) subject to any conditions or limitations established by the Administrator, other Shares which (A) in the case of Shares acquired from the Company (whether upon the exercise of an Option or otherwise), have been owned by the Participant for more than six (6) months on the date of surrender (unless this condition is waived by the Administrator), and (B) have a Fair Market Value on the date of surrender equal to or greater than the aggregate exercise price of the Shares as to which said Option shall be exercised (it being agreed that the excess of the Fair Market Value over the aggregate exercise price shall be refunded to the Awardee in cash);

(iv) subject to any conditions or limitations established by the Administrator, the Company withholding shares otherwise issuable upon exercise of an Option;

(v) consideration received by the Company under a broker-assisted sale and remittance program acceptable to the Administrator and in compliance with Applicable Law;

(vi) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Law; or

(vii) any combination of the foregoing methods of payment.

(g) *Procedure for Exercise; Rights as a Shareholder.*

(i) Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the applicable Option Agreement.

70

(ii) An Option shall be deemed exercised when (A) the Company receives (1) written or electronic notice of exercise (in accordance with the Option Agreement or procedures established by the Administrator) from the person entitled to exercise the Option and (2) full payment for the Shares with respect to which the related Option is exercised, and (B) with respect to Nonqualified Stock Options, provisions acceptable to the Administrator have been made for payment of all applicable withholding taxes.

(iii) Unless provided otherwise by the Administrator or pursuant to this Plan, until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or any other rights as a shareholder shall exist with respect to the Shares subject to an Option, notwithstanding the exercise of the Option.

(iv) The Company shall issue (or cause to be issued) such Shares as soon as administratively practicable after the Option is exercised. An Option may not be exercised for a fraction of a Share.

(h) *Termination of Employment or Board Membership.* The Administrator shall determine as of the Grant Date (subject to modification subsequent to the Grant Date) the effect a termination from membership on the Board by a Director for any reason or a Termination of Employment due to (i) Disability, (ii) Retirement, (iii) death, or (iv) otherwise (including Termination for Cause) shall have on any Option. Unless otherwise provided in the Award Agreement, (w) upon termination from membership on the Board by a Director, any Option held by such Director that (1) has not vested and is not exercisable as of the effective date of such termination from membership on the Board shall be subject to immediate cancellation and forfeiture or (2) is vested and exercisable as of the effective date of such termination shall remain exercisable for five (5) years thereafter, or the remaining term of the Option, if less; (x) a Termination of Employment due to Disability or death or the termination of a Director due to death shall result in immediate vesting of any Option, which shall remain exercisable for three (3) years thereafter, or the remaining term of the Option, if less; (y) provided that Retirement occurs at least one (1) year after the Grant Date, an Option held by an Awardee at Retirement will remain outstanding for the lesser of five (5) years or the remaining term of the option and will continue to vest in accordance with the terms of the Option Agreement as though the Awardee were still employed; and (z) any other Termination of Employment shall result in immediate cancellation and forfeiture of all outstanding Options that have not vested as of the effective date of such Termination of Employment, and any vested and exercisable Options held at the time of such Termination of Employment shall remain exercisable for ninety (90) days thereafter, or the remaining term of the Option, if less, provided, however, that an involuntary Termination of Employment other than a Termination for Cause shall be deemed effective as of the end of any period during which severance is payable.

9. Incentive Stock Option Limitations/Terms.

(a) *Eligibility.* Only employees (as determined in accordance with Section 3401(c) of the Code and the regulations promulgated thereunder) of the Company or any of its Subsidiaries may be granted Incentive Stock Options. No Incentive Stock Option shall be granted to any such employee who as of the Grant Date owns stock possessing more than 10% of the total combined voting power of the Company.

(b) *\$100,000 Limitation.* Notwithstanding the designation "Incentive Stock Option" in an Option Agreement, if and to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Awardee during any calendar year (under all plans of the Company and any of its Subsidiaries) exceeds U.S. \$100,000, such Options shall be treated as Nonqualified Stock

Options. For purposes of this Section 9(b) of the Plan, Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the Grant Date.

(c) *Transferability.* The Option Agreement must provide that an Incentive Stock Option is not transferable by the Awardee otherwise than by will or the laws of descent and distribution, and, during the lifetime of such Awardee, must not be exercisable by any other person. If the terms of an Incentive Stock Option are amended to permit transferability, the Option will be treated for tax purposes as a Nonqualified Stock Option.

(d) *Exercise Price.* The per Share exercise price of an Incentive Stock Option shall in no event be inconsistent with the requirements for qualification of the Incentive Stock Option under Section 422 of the Code.

71

(e) *Other Terms.* Option Agreements evidencing Incentive Stock Options shall contain such other terms and conditions as may be necessary to qualify, to the extent determined desirable by the Administrator, with the applicable provisions of Section 422 of the Code.

10. Stock Appreciation Rights.

A [Stock Appreciation Right] is a right that entitles the Awardee to receive, in cash or Shares (as determined by the Administrator), value equal to or otherwise based on the excess of (i) the Fair Market Value of a specified number of Shares at the time of exercise over (ii) the aggregate exercise price of the right, as established by the Administrator on the Grant Date. Stock Appreciation Rights may be granted to Awardees either alone ([freestanding]) or in addition to or in tandem with other Awards granted under the Plan and may, but need not, relate to a specific Option granted under Section 8 of the Plan. Any Stock Appreciation Right granted in tandem with an Option may be granted at the same time such Option is granted or at any time thereafter before exercise or expiration of such Option. All Stock Appreciation Rights under the Plan shall be granted subject to the same terms and conditions applicable to Options as set forth in Section 8 of the Plan. Subject to the provisions of Section 8 of the Plan, the Administrator may impose such other conditions or restrictions on any Stock Appreciation Right as it shall deem appropriate. Stock Appreciation Rights may be settled in Shares or cash as determined by the Administrator.

11. Stock Awards.

(a) *Stock Award Agreement.* Each Stock Award Agreement shall contain provisions regarding (i) the number of Shares subject to such Stock Award or a formula for determining such number, (ii) the purchase price of the Shares, if any, and the means of payment for the Shares, (iii) the performance criteria, if any, and level of achievement versus these criteria that shall determine the number of Shares granted, issued, retainable and/or vested, (iv) such terms and conditions on the grant, issuance, vesting and/or forfeiture of the Shares as may be determined from time to time by the Administrator, (v) restrictions on the transferability of the Stock Award, and (vi) such further terms and conditions, in each case not inconsistent with this Plan, as may be determined from time to time by the Administrator. No condition that is based upon performance criteria and level of achievement versus such criteria shall be based on performance over a period of less than one year, and no condition that is based upon continued employment or the passage of time shall provide for vesting in full of a Stock Award in less than three (3) years from the date the Stock Award is made, other than (i) with respect to such Stock Awards that are issued upon the exercise or settlement of Options or Stock Appreciation Rights, (ii) upon a Change of Control as specified in Section 16(b) of the Plan, (iii) upon the death, Disability or Retirement of the Awardee, in each case as specified in the Stock Award Agreement, or (iv) for up to 10% of the total Shares authorized to be issued under the Plan in the aggregate subject to Stock Awards or Other Stock-Based Awards which shall have no minimum vesting period. The Administrator shall be prohibited from waiving the minimum vesting conditions set forth above except under the circumstances in clauses (i) through (iv) of the immediately preceding sentence.

(b) *Restrictions and Performance Criteria.* The grant, issuance, retention and/or vesting of Stock Awards issued to Employees may be subject to such performance criteria and level of achievement versus these criteria as the Administrator shall determine, which criteria may be based on financial performance, personal performance evaluations and/or completion of service by the Awardee. Notwithstanding anything to the contrary herein, the performance criteria for any Stock Award that is intended to satisfy the requirements for [performance-based compensation] under Section 162(m) of the Code shall be established by the Administrator

based on one or more Qualifying Performance Criteria selected by the Administrator and specified in writing not later than ninety (90) days after the commencement of the period of service (or, if earlier, the elapse of 25% of such period) to which the performance goals relate or otherwise within the time period required by the Code or the applicable Treasury Regulations, provided that the outcome is substantially uncertain at that time.

(c) *Termination of Employment or Board Membership.* The Administrator shall determine as of the Grant Date (subject to modification subsequent to the Grant Date) the effect a termination from membership on the Board by a Director for any reason or a Termination of Employment due to (i) Disability, (ii) Retirement, (iii) death, or (iv) otherwise (including Termination for Cause) shall have on any Stock Award. Unless otherwise provided in the Award Agreement, (w) a termination from membership on the Board by a Director due to Disability or death shall result in immediate vesting of a Stock Award; (x) a Termination of Employment due

72

to Disability or death shall result in vesting of a prorated portion of any Stock Award, effective as of the end of the applicable performance or vesting period or other period of restriction, based upon the full months of the applicable performance period, vesting period or other period of restriction elapsed as of the end of the month in which the Termination of Employment due to Disability or death occurs over the total number of months in such period; (y) provided that Retirement occurs at least one (1) year after the Grant Date, an Award held by an Awardee at Retirement will remain outstanding for the lesser of five (5) years or the remaining term of the Award and will continue to vest in accordance with the terms of the Award Agreement as though the Awardee were still employed, subject to the requirement that the amount of any Award shall not be determined before the end of the applicable performance or vesting period or other period of restriction; and (z) any other Termination of Employment or termination from membership on the Board by a Director (including, but not limited to, Retirement before the one (1) year anniversary of the Grant Date) shall result in immediate cancellation and forfeiture of all outstanding, unvested Stock Awards, provided, however, that, with respect to an Employee, an involuntary Termination of Employment other than a Termination for Cause shall be deemed effective as of the end of any period during which severance is payable.

(d) *Rights as a Shareholder.* Unless otherwise provided for by the Administrator, the Participant shall have the rights equivalent to those of a shareholder and shall be a shareholder only after Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) to the Participant.

12. Other Stock-Based Awards.

(a) *Other Stock-Based Awards.* An "Other Stock-Based Award" means any other type of equity-based or equity-related Award not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amount and subject to such terms and conditions as the Administrator shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares. Each Other Stock-Based Award will be evidenced by an Award Agreement containing such terms and conditions as may be determined by the Administrator. No condition that is based upon performance criteria and level of achievement versus such criteria shall be based on performance over a period of less than one year and no condition that is based upon continued employment or the passage of time shall provide for vesting in full of an Other Stock-Based Award in less than three (3) years from the date the Other Stock-Based Award is made, other than (i) with respect to such Other Stock-Based Awards that are issued upon the exercise or settlement of Options or Stock Appreciation Rights, (ii) upon a Change of Control as specified in Section 16(b) of the Plan, (iii) upon the death, Disability or Retirement of the Awardee, in each case as specified in the Other Stock-Based Award Agreement, or (iv) for up to 10% of the total Shares authorized to be issued under the Plan in the aggregate subject to Stock Awards or Other Stock-Based Awards which shall have no minimum vesting period. The Administrator shall be prohibited from waiving the minimum vesting conditions set forth above except under the circumstances in clauses (i) through (iv) of the immediately preceding sentence.

(b) *Value of Other Stock-Based Awards.* Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Administrator. The Administrator may establish performance goals in its discretion. If the Administrator exercises its discretion to establish performance goals, the number and/or value of Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met. Notwithstanding anything to the contrary herein, the performance criteria for any Other Stock-Based Award that is intended to satisfy the requirements for "performance-based

compensation[] under Section 162(m) of the Code shall be established by the Administrator based on one or more Qualifying Performance Criteria selected by the Administrator and specified in writing not later than ninety (90) days after the commencement of the period of service (or, if earlier, the elapse of 25% of such period) to which the performance goals relate and otherwise within the time period required by the Code and the applicable Treasury Regulations, provided that the outcome is substantially uncertain at that time.

(c) *Payment of Other Stock-Based Awards.* Payment, if any, with respect to Other Stock-Based Awards shall be made in accordance with the terms of the Award, in cash or Shares as the Administrator determines.

73

(d) *Termination of Employment or Board Membership.* The Administrator shall determine as of the Grant Date (subject to modification subsequent to the Grant Date) the effect a termination from membership on the Board by a Director for any reason or a Termination of Employment due to (i) Disability, (ii) Retirement, (iii) death, or (iv) otherwise (including Termination for Cause) shall have on any Other Stock-Based Award. Unless otherwise provided in the Award Agreement, (w) the termination from membership on the Board of a Director for any reason shall result in immediate vesting; (x) a Termination of Employment due to Disability or death shall result in vesting of a prorated portion of any Other Stock-Based Award, effective as of the end of the applicable performance or vesting period or other period of restriction, based upon the full months of the applicable performance period, vesting period or other period of restriction elapsed as of the end of the month in which the Termination of Employment due to Disability or death occurs over the total number of months in such period; (y) provided that Retirement occurs at least one (1) year after the Grant Date, an Award held by an Awardee at Retirement will remain outstanding for the lesser of five (5) years or the remaining term of the Award and will continue to vest in accordance with the terms of the Award Agreement as though the Awardee were still employed, subject to the requirement that the amount of any Award shall not be determined before the end of the applicable performance or vesting period or other period of restriction; and (z) any other Termination of Employment (including but not limited to Retirement before the one (1) year anniversary of the Grant Date) shall result in immediate cancellation and forfeiture of all outstanding, unvested Other Stock-Based Awards, provided, however, that an involuntary Termination of Employment other than a Termination for Cause shall be deemed effective as of the end of any period during which severance is payable.

13. Cash Awards.

Each Cash Award will confer upon the Participant the opportunity to earn a future payment tied to the level of achievement with respect to one or more performance criteria established for a performance period.

(a) *Cash Award.* Each Cash Award may contain provisions regarding (i) the amounts potentially payable to the Participant as a Cash Award, (ii) the performance criteria and level of achievement versus these criteria which shall determine the amount of such payment, (iii) the period as to which performance shall be measured for establishing the amount of any payment, (iv) the timing of any payment earned by virtue of performance, (v) restrictions on the alienation or transfer of the Cash Award prior to actual payment, (vi) forfeiture provisions, and (vii) such further terms and conditions, in each case not inconsistent with the Plan, as may be determined from time to time by the Administrator. The maximum amount payable as a Cash Award that is settled for cash may be a multiple of the target amount payable, but the maximum amount payable pursuant to portions of Cash Awards earned with respect to any fiscal year to any Awardee shall not exceed U.S. \$10,000,000.

(b) *Performance Criteria.* The Administrator shall establish the performance criteria and level of achievement versus these criteria which shall determine the amounts payable under a Cash Award, which criteria may be based on financial performance and/or personal performance evaluations. The Administrator may specify the percentage of the target Cash Award that is intended to satisfy the requirements for []performance-based compensation[] under Section 162(m) of the Code. Notwithstanding anything to the contrary herein, the performance criteria for any portion of a Cash Award that is intended to satisfy the requirements for []performance-based compensation[] under Section 162(m) of the Code shall be a measure established by the Administrator based on one or more Qualifying Performance Criteria selected by the Administrator and specified in writing not later than ninety (90) days after the commencement of the period of service (or, if earlier, the elapse of 25% of such period) to which the performance goals relate and otherwise within the time period required by the Code and the applicable Treasury Regulations, provided that the outcome is substantially uncertain at that time.

(c) *Timing and Form of Payment.* The Administrator shall determine the time of payment of any Cash Award. The Administrator may provide for or, subject to such terms and conditions as the Administrator may specify, may permit an Awardee to elect for the payment of any Cash Award to be deferred to a specified date or event. The Administrator may specify the form of payment of Cash Awards, which may be cash or other property, including Shares, or may provide for an Awardee to have the option for his or her Cash Award, or

74

such portion thereof as the Administrator may specify, to be paid in whole or in part in cash or other property, including Shares. To the extent that a Cash Award is in the form of cash, the Administrator may determine whether a payment is in U.S. dollars or foreign currency.

(d) *Termination of Employment or Board Membership.* The Administrator shall determine as of the Grant Date (subject to modification subsequent to the Grant Date) the effect a termination from membership on the Board by a Director for any reason or a Termination of Employment due to (i) Disability, (ii) Retirement, (iii) death, or (iv) otherwise (including Termination for Cause) shall have on any Cash Award. Unless otherwise provided in the Award Agreement, (w) termination from membership on the Board by a Director due to Disability or death shall result in immediate vesting of any Cash Award; (x) a Termination of Employment due to Disability or death shall result in vesting of a prorated portion of any Cash Award, effective as of the end of the applicable performance period, based upon the full months of the applicable performance period elapsed as of the end of the month in which the Termination of Employment due to Disability or death occurs over the total number of months in such period; (y) provided that Retirement occurs at least one (1) year after the first day of the performance period, an Award held by an Awardee at Retirement will remain outstanding for the lesser of five (5) years or the remaining term of the Award and will continue to vest in accordance with the terms of the Award Agreement as though the Awardee were still employed, subject to the requirement that the amount of any Award shall not be determined before the end of the applicable performance period; and (z) any other Termination of Employment or termination from Board membership (including but not limited to Retirement before the one (1) year anniversary of the first day of the performance period) shall result in immediate cancellation and forfeiture of all outstanding, unvested Cash Awards, provided, however, that an Awardee who incurs an involuntary Termination of Employment other than a Termination for Cause at least one year after the beginning of an applicable performance cycle for a performance based Award shall receive a partial Award, subject to the requirement that the amount of such performance-based Award shall not be determined before the end of the applicable performance period, and shall be prorated based upon the full months of the applicable performance period elapsed as of the end of the month in which the Termination of Employment occurs over the total number of months in the performance period.

14. Other Provisions Applicable to Awards.

(a) *Non-Transferability of Awards.* Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by beneficiary designation, will or by the laws of descent or distribution. The Administrator may make an Award transferable to an Awardee's family member or any other person or entity. If the Administrator makes an Award transferable, either as of the Grant Date or thereafter, such Award shall contain such additional terms and conditions as the Administrator deems appropriate, and any transferee shall be deemed to be bound by such terms upon acceptance of such transfer.

(b) *Qualifying Performance Criteria.* For purposes of this Plan, the term "Qualifying Performance Criteria" shall mean any one or more of the following performance criteria, either individually, alternatively or in any combination, applied to either the Company as a whole or to a business unit, Affiliate or business segment, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee in the Award: (i) sales or cash return on sales; (ii) cash flow or free cash flow or net cash from operating activity; (iii) earnings (including gross margin, earnings before or after interest and taxes, earnings before taxes, and net earnings); (iv) basic or diluted earnings per share; (v) growth in earnings or earnings per share; (vi) stock price; (vii) return on equity or average shareholders' equity; (viii) total shareholder return; (ix) return on capital; (x) return on assets or net assets; (xi) return on investments; (xii) revenue or gross profits; (xiii) income before or after interest, taxes, depreciation and amortization, or net income; (xiv) pretax income before allocation of corporate overhead and bonus; (xv) operating income or net operating income; (xvi) operating profit or net operating profit (whether before or after taxes); (xvii) operating margin; (xviii) return on operating revenue; (xix) working capital or net working capital; (xx) market share; (xxi) asset velocity index; (xxii) contract awards or backlog; (xxiii) overhead or other expense

or cost reduction; (xxiv) growth in shareholder value relative to the moving average of the S&P 500 Index or a peer group index; (xxv) credit rating; (xxvi) strategic plan development and implementation; (xxvii) improvement in workforce diversity; (xxviii) customer satisfaction; (xxix) employee satisfaction; (xxx) management succession plan development and implementation; and (xxxi) employee

retention. With respect to any Award that is intended to satisfy the requirements for [performance-based compensation] under Section 162(m) of the Code, the performance criteria must be Qualifying Performance Criteria, and the Administrator will (within the first quarter of the performance period, but in no event more than ninety (90) days into that period) establish the specific performance targets (including thresholds and whether to exclude certain extraordinary, non-recurring, or similar items) and award amounts (subject to the right of the Administrator to exercise discretion to reduce payment amounts following the conclusion of the performance period).

(c) *Certification.* Prior to the payment of any compensation under an Award intended to qualify as [performance-based compensation] under Section 162(m) of the Code, the Administrator shall certify in writing the extent to which any Qualifying Performance Criteria and any other material terms under such Award have been satisfied (other than in cases where such criteria relate solely to the increase in the value of the Common Shares).

(d) *Discretionary Adjustments Pursuant to Section 162(m).* Notwithstanding satisfaction or completion of any Qualifying Performance Criteria, to the extent specified as of the Grant Date, the number of Shares, Options or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Qualifying Performance Criteria may be reduced by the Administrator on the basis of such further considerations as the Administrator in its sole discretion shall determine.

(e) *Other Forfeiture Events.* The Administrator may, in its discretion, also require repayment to the Company of all or any portion of an Award if the amount of the Award was calculated based upon the achievement of certain financial results that were subsequently the subject of a restatement of the Company's financial statements within a period of one year after the payment or settlement of the Award, the Participant engaged in misconduct or other culpable conduct (as determined by the Committee in its sole discretion) that caused or contributed to the need for the restatement of the financial statements, and the amount of the Award would have been lower than the amount actually awarded to the Participant had the financial results been properly reported. This provision shall not be the Company's exclusive remedy with respect to such matters.

15. Dividends and Dividend Equivalents.

Awards (other than Options and Stock Appreciation Rights and performance-based awards) may provide the Awardee with the right to receive dividend payments or dividend equivalent payments on the Shares subject to the Award, whether or not such Award is vested. Such payments may be made in cash, Shares or Stock Units or may be credited as cash or Stock Units to an Awardee's account and later settled in cash or Shares or a combination thereof, as determined by the Administrator. Such payments and credits may be subject to such conditions and contingencies as the Administrator may establish.

16. Adjustments upon Changes in Capitalization, Organic Change or Change of Control.

(a) *Adjustment Clause.* In the event of (i) a stock dividend, stock split, reverse stock split, share combination, or recapitalization or similar event affecting the capital structure of the Company (each, a [Share Change]), or (ii) a merger, consolidation, acquisition of property or shares, separation, spin-off, reorganization, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, an [Organic Change]), the Administrator or the Board shall make such substitutions or adjustments to outstanding Awards as it deems appropriate and equitable. In its discretion, such adjustments may include, without limitation, such proportionate adjustments that it deems appropriate to reflect such change with respect to (i) the Share limitations set forth in Sections 3, 11(a) and 12(a) of the Plan, (ii) the number and kind of Shares covered by each outstanding Award, and (iii) the price per Share subject to each such outstanding Award. In the case of Organic Changes, such adjustments may include, without limitation, (x) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Administrator or the Board in its sole discretion (it being understood that in

the case of an Organic Change with respect to which shareholders receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Administrator that the value of an Option or Stock Appreciation Right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Organic Change over the exercise price of such Option or Stock Appreciation Right shall conclusively be deemed valid); (y) the substitution of other property

76

(including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (z) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company), by the affected Subsidiary, Affiliate, or division or by the entity that controls such Subsidiary, Affiliate, or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities).

(b) *Change of Control*. In the event of a Change of Control, unless otherwise determined by the Administrator as of the Grant Date of a particular Award (or subsequent to the Grant Date), the following acceleration, exercisability and valuation provisions shall apply:

(i) On the date that such Change of Control occurs, any or all Options and Stock Appreciation Rights awarded under this Plan not previously exercisable and vested shall become fully exercisable and vested.

(ii) Except as may be provided in an individual severance or employment agreement (or severance plan) to which an Awardee is a party, in the event of an Awardee's Termination of Employment within two (2) years after a Change of Control for any reason other than because of the Awardee's death, Retirement, Disability or Termination for Cause, each Option and Stock Appreciation Right held by the Awardee (or a transferee) that is vested following such Termination of Employment shall remain exercisable until the earlier of the third (3rd) anniversary of such Termination of Employment (or any later date until which it would remain exercisable under such circumstances by its terms) or the expiration of its original term. In the event of an Awardee's Termination of Employment more than two (2) years after a Change of Control, or within two (2) years after a Change of Control because of the Awardee's death, Retirement, Disability or Termination for Cause, the provisions of Sections 8(h) and 10 of the Plan shall govern (as applicable).

(iii) On the date that such Change of Control occurs, the restrictions and conditions applicable to any or all Stock Awards, Other Stock-Based Awards and Cash Awards shall lapse and such Awards shall be fully vested. Unless otherwise provided in an Award at the Grant Date, upon the occurrence of a Change of Control, any performance based Award shall be deemed fully earned at the target amount as of the date on which the Change of Control occurs. All Stock Awards, Other Stock-Based Awards and Cash Awards shall be settled or paid within thirty (30) days of vesting hereunder. Notwithstanding the foregoing, if the Change of Control would not qualify as a permissible date of distribution under Section 409A(a)(2)(A) of the Code, and the regulations thereunder, the Awardee shall be entitled to receive the Award from the Company on the date that would have applied absent this provision, with interest in the case of Cash Awards from the vesting date to the payment date at the applicable federal mid-term rate under Section 7872 of the Code in effect for the month in which the Change of Control occurred.

(c) *Section 409A*. Notwithstanding the foregoing: (i) any adjustments made pursuant to Section 16(a) of the Plan to Awards that are considered "deferred compensation" within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code; (ii) any adjustments made pursuant to Section 16(a) of the Plan to Awards that are not considered "deferred compensation" subject to Section 409A of the Code shall be made in such a manner as to ensure that after such adjustment, the Awards either continue not to be subject to Section 409A of the Code or comply with the requirements of Section 409A of the Code; (iii) the Administrator shall not have the authority to make any adjustments pursuant to Section 16(a) of the Plan to the extent that the existence of such authority would cause an Award that is not intended to be subject to Section 409A of the Code to be subject thereto; and (iv) if any Award is subject to Section 409A of the Code, Section 16(b) of the Plan shall be applicable only to the extent specifically provided in the Award Agreement and permitted pursuant to Section 25 of the Plan in order to ensure that such Award complies with Code Section 409A.

17. Amendment and Termination of the Plan.

(a) *Amendment and Termination.* The Administrator may amend, alter or discontinue the Plan or any Award Agreement, but any such amendment shall be subject to approval of the shareholders of the Company in the manner and to the extent required by Applicable Law. In addition, without limiting the foregoing, unless approved by the shareholders of the Company and subject to Section 16(a), no such amendment shall be made that would:

77

(i) increase the maximum aggregate number of Shares which may be subject to Awards granted under the Plan;

(ii) reduce the minimum exercise price for Options or Stock Appreciation Rights granted under the Plan;

(iii) reduce the exercise price of outstanding Options or Stock Appreciation Rights; or

(iv) result in outstanding Options or Stock Appreciations Rights being cancelled in exchange for cash, other Awards, or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights.

(b) *Effect of Amendment or Termination.* No amendment, suspension or termination of the Plan shall impair the rights of any Participant with respect to an outstanding Award, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company, except that no such agreement shall be required if the Administrator determines in its sole discretion that such amendment either (i) is required or advisable in order for the Company, the Plan or the Award to satisfy any Applicable Law or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated, except following a Change of Control. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

(c) *Effect of the Plan on Other Arrangements.* Neither the adoption of the Plan by the Board or a Committee nor the submission of the Plan to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board or any Committee to adopt such other incentive arrangements as it or they may deem desirable, including without limitation, the granting of restricted shares or restricted share units or stock options otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

18. Designation of Beneficiary.

(a) An Awardee may file a written designation of a beneficiary who is to receive the Awardee's rights pursuant to Awardee's Award or the Awardee may include his or her Awards in an omnibus beneficiary designation for all benefits under the Plan. To the extent that Awardee has completed a designation of beneficiary while employed with the Company, such beneficiary designation shall remain in effect with respect to any Award hereunder until changed by the Awardee to the extent enforceable under Applicable Law.

(b) Such designation of beneficiary may be changed by the Awardee at any time by written notice. In the event of the death of an Awardee and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Awardee's death, the Company shall allow the legal representative of the Awardee's estate to exercise the Award.

19. No Right to Awards or to Employment.

No person shall have any claim or right to be granted an Award and the grant of any Award shall not be construed as giving an Awardee the right to continue in the employ of the Company or its Affiliates. Further, the Company and its Affiliates expressly reserve the right, at any time, to dismiss any Employee or Awardee at any

time without liability or any claim under the Plan, except as provided herein or in any Award Agreement entered into hereunder.

20. Legal Compliance.

Shares shall not be issued pursuant to an Option, Stock Appreciation Right, Stock Award or Other Stock-Based Award unless such Option, Stock Appreciation Right, Stock Award or Other Stock-Based Award and the issuance and delivery of such Shares shall comply with Applicable Law and shall be further subject to the approval of counsel for the Company with respect to such compliance. Unless the Awards and Shares covered by this Plan have been registered under the Securities Act or the Company has determined that such registration is unnecessary, each person receiving an Award and/or Shares pursuant to any Award may be required by the Company to give a representation in writing that such person is acquiring such Shares for his or her own account for investment and not with a view to, or for sale in connection with, the distribution of any part thereof.

78

21. Inability to Obtain Authority.

To the extent the Company is unable to or the Administrator deems it unfeasible to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be advisable or necessary to the lawful issuance and sale of any Shares hereunder, the Company shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

22. Reservation of Shares.

The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

23. Notice.

Any written notice to the Company required by any provisions of this Plan shall be addressed to the Secretary of the Company and shall be effective when received.

24. Governing Law; Interpretation of Plan and Awards.

(a) This Plan and all determinations made and actions taken pursuant hereto shall be governed by the substantive laws, but not the choice of law rules, of the state of Indiana, except as to matters governed by U.S. federal law.

(b) In the event that any provision of the Plan or any Award granted under the Plan is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of the terms of the Plan and/or Award shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

(c) The headings preceding the text of the sections hereof are inserted solely for convenience of reference, and shall not constitute a part of the Plan, nor shall they affect its meaning, construction or effect.

(d) The terms of the Plan and any Award shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors and assigns.

25. Section 409A.

It is the intention of the Company that no Award shall be [deferred compensation] subject to Section 409A of the Code, unless and to the extent that the Administrator specifically determines otherwise, and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. The terms and conditions governing any Awards that the Administrator determines will be subject to Section 409A of the Code, including any rules for elective or mandatory deferral of the delivery of cash or Shares pursuant thereto and any rules regarding treatment of such Awards in the event of a Change of Control, shall be set forth in the applicable Award Agreement, deferral election forms and procedures, and rules established by the Administrator, and shall comply in all respects with Section 409A of the Code. The following rules will apply to Awards intended to be subject to Section 409A of the Code ([409A Awards]):

(a) If a Participant is permitted to elect to defer an Award or any payment under an Award, such election will be permitted only at times in compliance with Code Section 409A, including applicable transition rules thereunder.

(b) The Company shall have no authority to accelerate distributions relating to 409A Awards in excess of the authority permitted under Section 409A.

(c) Any distribution of a 409A Award following a Termination of Employment that would be subject to Code Section 409A(a)(2)(A)(i) as a distribution following a separation from service of a [specified employee] as defined under Code Section 409A(a)(2)(B)(i), shall occur no earlier than the expiration of the six-month period following such Termination of Employment.

79

(d) In the case of any distribution of a 409A Award, if the timing of such distribution is not otherwise specified in the Plan or an Award Agreement or other governing document, the distribution shall be made not later than the end of the calendar year during which the settlement of the 409A Award is specified to occur.

(e) In the case of an Award providing for distribution or settlement upon vesting or the lapse of a risk of forfeiture, if the time of such distribution or settlement is not otherwise specified in the Plan or an Award Agreement or other governing document, the distribution or settlement shall be made not later than March 15 of the year following the year in which the Award vested or the risk of forfeiture lapsed.

26. Limitation on Liability.

The Company and any Affiliate which is in existence or hereafter comes into existence shall not be liable to a Participant, an Employee, an Awardee or any other persons as to:

(a) *The Non-Issuance of Shares.* The non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and

(b) *Tax or Exchange Control Consequences.* Any tax consequence expected, but not realized, or any exchange control obligation owed, by any Participant, Employee, Awardee or other person due to the receipt, exercise or settlement of any Option or other Award granted hereunder.

27. Unfunded Plan.

Insofar as it provides for Awards, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Awardees who are granted Stock Awards or Other Stock-Based Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets which may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation. Neither the Company nor the Administrator shall be deemed to be a trustee of stock or cash to be awarded under the Plan. Any liability of the Company to any Participant with respect to an Award shall be based solely upon any contractual obligations which may be created by the Plan; no such obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Administrator shall be required to give any security or bond for the

performance of any obligation which may be created by this Plan.

28. Foreign Employees.

Awards may be granted hereunder to Employees who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Administrator, be necessary or desirable to foster and promote achievement of the purposes of the Plan, and, in furtherance of such purposes, the Administrator may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

29. Tax Withholding.

Each Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to any Award under the Plan no later than the date as of which any amount under such Award first becomes includible in the gross income of the Participant for any tax purposes with respect to which the Company has a tax withholding obligation. Unless otherwise determined by the Company, withholding obligations may be settled with Shares, including Shares that are part of the Award that gives rise to the withholding requirement; provided, however, that not more than the legally required minimum withholding may be settled with Shares. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any vested Shares or any other payment due to the Participant at that time or at any future time. The Administrator may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Shares.

ARVINMERITOR, INC.

INCENTIVE COMPENSATION PLAN

(Amended and Restated as of November 5, 2009)

1. PURPOSES.

The purposes of the Incentive Compensation Plan (the "Plan") are to provide a reward and an incentive to employees in managerial, staff or technical capacities who have contributed in the then-current fiscal year and, in the future, are likely to contribute to the success of the Corporation and to enhance the Corporation's ability to attract and retain outstanding employees to serve in such capacities.

2. DEFINITIONS.

For the purpose of the Plan, the following terms shall have the meanings shown:

- (a) ArvinMeritor. ArvinMeritor, Inc., an Indiana corporation.
- (b) Board of Directors. The Board of Directors of ArvinMeritor.
- (c) Committee. The Compensation and Management Development Committee, designated by the Board of Directors, consisting of three or more members of the Board of Directors who are not eligible to participate in the Plan.

- (d) Corporation. ArvinMeritor and such of its subsidiaries and affiliates as may be designated by the Board of Directors.
- (e) Employees. Persons in the salaried employ of the Corporation (including those on authorized leave of absence) during some part of the fiscal year for which an award is made. Unless also an employee of the Corporation, no member of the Board of Directors shall be eligible to participate in the Plan.
- (f) Grant Committee. The Committee excluding those members of the Committee who are not, at the time any award is made under paragraph 4, both outside directors as defined for purposes of Section 162(m) and the regulations thereunder and Non-Employee Directors as defined in rule 16b-3(b)(3)(i) under the Securities Exchange Act of 1934, as amended, for purposes of Section 16 of that Act and the rules thereunder.
- (g) Section 409A. Section 409A of the Internal Revenue Code of 1986, as amended, or any successor provision, and any regulations or other guidance issued thereunder.
- (h) Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, or any successor provision, and any regulation or other guidance issued thereunder.

3. AWARDS NOT INTENDED TO QUALIFY UNDER SECTION 162(M).

(a) The Chief Executive Officer of ArvinMeritor shall submit to the Committee, within 35 days after the end of each fiscal year, recommendations concerning awards under this paragraph 3 for that fiscal year.

(b) The Committee, in its discretion, shall annually following the close of the immediately preceding fiscal year, determine (i) the extent to which awards, if any, shall be made under this paragraph 3; (ii) the employees to whom any such awards shall be made; (iii) the amount of any such award; and (iv) subject to Section 409A, the form, terms and conditions of such awards. Subject to paragraph 7(a) of this Plan, the Committee may determine, among other things, whether and to what extent awards shall be paid in installments.

(c) The Corporation shall promptly notify each person to whom an award has been made and pay the award in accordance with the determinations of the Committee.

(d) A cash award may be made with respect to an employee who has died. Any such award shall be paid to the legal representative or representatives of the estate of such employee.

4. AWARDS INTENDED TO QUALIFY UNDER SECTION 162(M).

(a) In addition to awards that may be made by the Committee under paragraph 3, the Grant Committee may make awards to employees from time to time on terms consistent with the provisions of the Plan as performance compensation awards in order that such awards constitute qualified performance-based compensation under Section 162(m). The Grant Committee shall exercise all other responsibilities, powers and authority not reserved to the Board of Directors relating to awards made under this paragraph 4. With respect to each such performance compensation award, the Grant Committee shall, on or before the 90th day of the applicable fiscal year, establish, in writing, applicable performance goals and the performance objectives to be used in determining whether and to what extent awards shall be deemed to be earned in respect of such fiscal year. The performance goals shall be based on one or more of the following objective performance criteria or components thereof selected by the Grant Committee to measure the performance of ArvinMeritor, a division or business component (which may but need not be a subsidiary) of ArvinMeritor or both for a fiscal year: (i) sales or cash return on sales; (ii) cash flow or free cash flow or net cash from operating activity; (iii) earnings (including gross margin, earnings before or

after interest and taxes, earnings before taxes, and net earnings); (iv) basic or diluted earnings per share; (v) growth in earnings or earnings per share; (vi) stock price; (vii) return on equity or average shareholders' equity; (viii) total shareholder return; (ix) return on capital; (x) return on assets or net assets; (xi) return on investments; (xii) revenue or gross profits; (xiii) income before or after interest, taxes, depreciation and amortization, or net income; (xiv) pretax income before allocation of corporate overhead and bonus; (xv) operating income or net operating income; (xvi) operating profit or net operating profit (whether before or after taxes); (xvii) operating margin; (xviii) return on operating revenue; (xix) working capital or net working capital; (xx) market share; (xxi) asset velocity index; (xxii) contract awards or backlog; (xxiii) overhead or other expense or cost reduction; (xxiv) growth in shareholder value relative to the moving average of the S&P 500 Index or a peer group index; (xxv) credit rating; (xxvi) strategic plan development and implementation; (xxvii) improvement in workforce diversity; (xxviii) customer satisfaction; (xxix) employee satisfaction; (xxx) management succession plan development and implementation; and (xxxi) employee retention. Such performance goals and performance objectives also may be based solely on ArvinMeritor's performance or the performance of an affiliate, division or business component of ArvinMeritor, or based on the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. Each such performance criterion shall be determined in accordance with generally accepted accounting principles, if applicable, as consistently applied by the Corporation and, if so determined by the Grant Committee at the time the award is made, and to the extent permitted under Section 162(m), adjusted to omit the effects of extraordinary items, gain or loss on the disposal of a business segment, unusual or infrequently occurring events and transactions and cumulative effects of changes in accounting principles. Performance goals and performance objectives may vary from fiscal year to fiscal year and from employee to employee and may be established on a stand-alone basis, in tandem or in the alternative. Once established for a fiscal year, such goals and objectives shall not be amended or otherwise modified if and to the extent such amendment or modification would cause the compensation payable pursuant to the award to fail to constitute qualified performance-based compensation under Section 162(m).

(b) A participant shall be eligible to receive payment in respect of a performance compensation award only to the extent that the performance goals for that award are achieved. As soon as practicable after the close of each fiscal year, the Grant Committee shall review and determine whether, and to what extent, the performance goals for the fiscal year have been achieved and, if so, determine the amount of the performance compensation award that may be earned by the employee for such fiscal year. The Grant Committee shall then determine the actual amount of the performance compensation award that may be paid to the employee and, in so doing, may in its sole discretion decrease, but not increase, the amount of the award otherwise payable to the employee based upon such performance.

(c) No performance compensation award having an aggregate maximum dollar value in excess of \$5,000,000 shall be paid to any individual employee in any one fiscal year of ArvinMeritor.

5. FINALITY OF DETERMINATIONS.

The Committee or Grant Committee, as applicable, shall have the power to administer and interpret the Plan. All determinations, interpretations and actions of the Committee or Grant Committee, as applicable, and all actions of the Board of Directors under or in connection with the Plan shall be final, conclusive and binding upon all concerned.

6. AMENDMENT OF THE PLAN.

The Board of Directors shall have the power, in its sole discretion, to amend, suspend or terminate the Plan at any time, except that no such action shall adversely affect rights under an award already made, without the consent of the person affected; and

7. SECTION 409A

(a) Notwithstanding any other provision of this Plan to the contrary, each award will be paid no later than March 15th of the calendar year following the year in which such award vests.

(b) This Plan is intended to be exempt from Section 409A. Notwithstanding any other provision of this Plan to the contrary, the Corporation makes no representation that this Plan or any amount payable under this Plan will be exempt from or comply with Section 409A and makes no undertaking to preclude Section 409A from applying to this Plan.

(c) Employees who are eligible to participate in the Corporation's Deferred Compensation Plan may elect to defer receipt of awards under the Plan in accordance with and subject to the terms and conditions of the Corporation's Deferred Compensation Plan.

8. MISCELLANEOUS.

(a) A majority of the members of the Committee shall constitute a quorum. The Committee may act by the vote of a majority of a quorum at a meeting, or by a writing or writings signed by a majority of the members of the Committee.

(b) Notwithstanding any other provision of the Plan, if a Change of Control (as defined in Article 8, Section 8.10(a) of ArvinMeritor's By-Laws) shall occur, then, unless prior to the occurrence thereof the Board of Directors shall determine otherwise by vote of at least two-thirds of its members, all unpaid installments of any awards made under the Plan prior to such Change of Control shall forthwith become due and payable.

(c) The Corporation shall bear all expenses and costs in connection with the operation of the Plan.
