KONECRANES PLC STOCK EXCHANGE RELEASE February 20, 2016 at 00.40

#### KONECRANES CLARIFICATION ON POST-MERGER BUSINESS INTEGRATION PLANNING

Konecranes clarifies information that was released into the market yesterday by unnamed sources relating to the ongoing Konecranes-Terex merger process.

Konecranes is fully committed to the merger and continues to believe that the merger represents a highly compelling opportunity for both companies and their shareholders. All the work streams required to complete the transaction as soon as practicable are proceeding as planned. The Terex Board of Directors has not changed its recommendation of the merger.

In view of the progress made in the last seven months on post-merger business integration planning, and given the challenging business environment, Konecranes and Terex determined to temporarily suspend post-merger business integration planning discussions, being only one of the merger work streams, to focus on their respective businesses and completion of the merger.
