Item  
8.01 Other Events

ONE Gas, Inc. announced today that its Kansas Gas Service division filed a request with the KCC for an increase in base rates, reflecting system investments and operating costs necessary to maintain the safety and reliability of its natural gas distribution system.

Kansas Gas Service’s request, if approved, represents a net base rate increase of \$28 million. Kansas Gas Service is already recovering \$7.4 million from customers through the Gas System Reliability Surcharge (GSRS), resulting in a total base rate increase of \$35.4 million.

This request would increase the average residential customer’s natural gas bill by \$4.34 per month.

The filing is based on a 10.0 percent return on equity and a 55.0 percent common equity ratio.

The filing represents a rate base of \$903 million, compared with \$826 million included in existing base rates plus previously approved GSRS-eligible investments. Since the last general rate case, Kansas Gas Service has invested \$230 million in its systems and facilities.

The company’s filing also includes a proposed Cost of Service Adjustment mechanism that would reset rates annually, based on a review of the previous year’s financial results. The proposed rate mechanism is intended to reduce the need to file full rate cases, thereby saving on costs associated with these traditional rate cases.

In accordance with Kansas law, the KCC has 240 days to consider Kansas Gas Service’s filing.
