Section 8 – Other Events

Item 8.01 Other Events

We previously disclosed that the Securities and Exchange Commission (“SEC”) was conducting an informal inquiry of us relating to the change in inventory accounting from LIFO to FIFO involving approximately \$500,000 by one of our subsidiaries, which change resulted in the restatement of certain of our financial statements for certain periods prior to 2005. The staff of the SEC has notified us and our principal accounting officer that we will receive a formal “Wells” notice that the staff has preliminarily decided to recommend to the SEC that it institute a civil enforcement action against us and our principal accounting officer in connection with the above described matter. We and our principal accounting officer will have an opportunity to make a written response to the Wells notice before the staff makes a formal recommendation to the SEC. If any enforcement proceeding is instituted by the SEC, we will vigorously defend the action. We cannot predict the outcome or timing of this matter. A copy of the press release is attached hereto as Exhibit 99.1, the text of which is incorporated herein by reference.
