The presence in person or by proxy at the Annual Meeting of the holders of a majority of such shares shall constitute a quorum. There is no cumulative voting. Assuming the presence of a quorum at the Annual Meeting:

- o directors shall be elected by a plurality of the votes cast;

the votes represented by proxies presented. Abstentions and broker nonvotes are counted for purposes of determining the number of shares represented at the meeting, but are deemed not to have voted on the proposal. Broker nonvotes occur when a broker nominee (which has voted on one or more matters at the meeting) does not vote on one or more other matters at the meeting because it has not received instructions to so vote from the beneficial owner and does not have discretionary authority to so vote.

It also provides for the grant of 350,000 options at an exercise price of \$12.10. Because the Company had limited resources in the past, certain of

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

our officers have from time to time agreed to defer the receipt of substantial portions of their salaries. In May 1999, Mr. Mandelbaum's deferred salary was reduced by \$150,000 by the issuance to him of 75,000 shares of our common stock and warrants entitling him to purchase an additional 75,000 shares of our common stock at a price of \$3.00 per share at any time prior to May 3, 2001. In May 1999, our former Chief Technology Officer, Mr. Kevin Messina's deferred salary was reduced by \$10,126 through the issuance to him of 5,063 shares of our common stock and warrants to purchase 5,063 shares of our common stock at a purchase price of \$3.00 per share at any time prior to May 3, 2001. As of June 30, 1999, Mr. Mandelbaum's deferred salary was approximately \$375,000 and Mr. Messina's deferred salary was approximately \$200,000. In June 1999, Mr. Messina received, in lieu of all deferred salary, options to purchase 207,000 shares of common stock at an exercise price of \$3.00 per share. Also in June 1999, Mr. Mandelbaum received, in lieu of all deferred salary, options to purchase 375,000 shares of common stock at an exercise price of \$3.00 per share. Mr. Messina resigned his position as an officer of the Company in May, 2001 and his term as a director expired in July 2001.

In June 1999, Mr. Todd Cohen, who resigned as President in April 1998, received, in lieu of all deferred salary, options to purchase 110,000 shares of common stock at an exercise price of \$3.00 per share.

All the options granted in exchange for deferred salary expire five years after the date of grant.

The following table summarizes options granted during the year ended December 31, 2001 to the named executive officers other than stock options granted for deferred compensation:

Name	Individual Grants				Potential
	Number of Securities Underlying	% of Total Granted To Employees In	Exercise Price	Expiration Date	Assumed Appreciation
	2001				5%
	Granted	Fiscal Year			
Edwin Winiarz	75,000	69.6%	\$8.04	9/7/2011	\$166,59

Pursuant to their employment agreements, Messrs. Mandelbaum and Messina each received a grant in August 1999 of options to purchase 75,000 shares of our common stock at a purchase price of \$3.00 per share. The options became exercisable with respect to 25,000 shares of our common stock on January 1, 2000, an additional 25,000 shares became exercisable on January 1, 2001, and the final 25,000 shares became exercisable on January 1, 2002, provided they were employed by us at that date. The options expire five years from the date of grant. Due to Mr. Messina's resignation on May 3, 2001, the remaining 25,000 did not become exercisable and, upon the expiration of his term as director on July 11, 2001, he had ninety days to exercise the 50,000 vested options, which he did. During the years ended December 31, 2000 and December 31, 2001, we granted employees other than the executive officers named above options to purchase 215,000 shares and 32,750 shares respectively, of common stock under the 1998, 1999 and 2001 Stock Option Plans.

The amounts shown as potential realizable value represent

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. The 5% and 10% assumed annual

-7-

rates of compounded stock price appreciation are mandated by rules of the Securities and Exchange Commission and do not represent our estimate or projection of our future common stock prices. These amounts represent certain assumed rates of appreciation in the value of our common stock from the fair market value on the date of grant. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock and overall stock market conditions. The amounts reflected in the table may not necessarily be achieved.

EMPLOYMENT AGREEMENTS

Effective January 1, 2002, Mr. Mandelbaum entered into a three-year employment agreement with Intelli-Check. Mr. Mandelbaum's agreement expires December 31, 2005. The agreement provides for a base salary of \$250,000 and grants Mr. Mandelbaum 350,000 options at an exercise price of \$12.10. Of these options, 125,000 were granted pursuant to the Company's 2001 Stock Option Plan and are immediately exercisable. Of the remaining 225,000 options, which are non-plan options, 75,000 will become exercisable on December 31 of each of 2002, 2003 and 2004.

If there shall occur a change of control, as defined in the employment agreement, Mr. Mandelbaum may terminate his employment at any time and be entitled to receive a payment equal to 2.99 times his average annual compensation, including bonuses, during the three years preceding the date of termination, payable in cash to the extent of three months' salary and the balance in shares of our common stock based on a valuation of \$2.00 per share.

We have entered into a three-year employment agreement with Mr. Winiarz, which became effective on September 7, 2001 and expires on December 31, 2004. The agreement provides for a base salary of \$135,000. In addition, we granted Mr. Winiarz an option to purchase 75,000 shares of common stock at an exercise price of \$8.04 of which 25,000 become exercisable in December of each of 2002, 2003 and 2004 subject to earlier vesting on the occurrence of the Company meeting certain income levels or in the event his employment is terminated for reasons other than cause.

We renewed Mr. Holloway's employment agreement for another two-year term, which became effective on October 25, 2001. The agreement provides for a base salary of \$115,000. At the time we entered into his prior employment agreement we granted Mr. Holloway an option to purchase 75,000 shares of common stock at \$7.50 per share, of which 20,000 shares are immediately exercisable and 5,000 shares become exercisable for each 10,000 units of ID-Check sold that exceed 10,000. The maximum options that can be earned in any calendar year may not exceed 100,000. Any options earned above the initial 50,000 options will be at fair market value on the date of grant. No further options were granted to Mr. Holloway in connection with the renewal of his employment agreement.

Under the terms of the agreements, each of the executives has the right to receive his compensation in the form of shares of common stock valued at 50% of the closing bid price of our shares of common stock as of the date of the employee's election, which is to be made at the beginning of each quarter. In addition, each of the employment agreements requires the executive to devote substantially all his time and efforts to our business and contains non-competition and nondisclosure covenants of the officer for the term of his employment and for a period of two years thereafter. Each employment agreement

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

provides that we may terminate the agreement for cause.

COMPENSATION OF DIRECTORS

Non-employee directors receive a fee of \$500 for attending board meetings and \$250 for attendance at such meetings held telephonically. They also receive a fee of \$250 for each committee meeting held on a date other than that of a board meeting and are reimbursed for expenses incurred in connection with the performance of their respective duties as directors. In August 1999, each non-employee director, Messrs. Paul Cohen and McQuinn and Ms. Berezin, received a grant of a non-qualified stock option to purchase an aggregate

-8-

of 45,000 shares of our common stock upon their election as a director at an exercise price of \$3.00 per share. Of these options, 30,000 are immediately exercisable and an additional 15,000 will be exercisable on the next anniversary of the date of grant, provided the director is re-elected or continues to serve the term to which he or she was elected. RATIFICATION OF SELECTION OF AUDITORS

Our board of directors recommends the selection of Grant Thornton LLP as independent auditors to examine Intelli-Check's financial statements for the fiscal year ending December 31, 2002. On June 6, 2002, our Audit Committee, with the approval of our Board of Directors, determined to dismiss its independent auditors, Arthur Andersen, LLP, and to engage the services of Grant Thornton, LLP as its new independent auditors. During the two most recent fiscal years ended December 31, 2001, and the subsequent interim period through June 6, 2002, there were no disagreements between Intelli-Check and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement in connection with its reports. Representatives of Arthur Andersen will not be present at the annual meeting.

Representatives of Grant Thornton LLP are expected to be present at the annual meeting of shareholders with the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

OTHER MATTERS

The Board of Directors does not know of any matters other than those mentioned above to be presented to the meeting.

SHAREHOLDER PROPOSALS

Proposals by any shareholders intended to be presented at the next Annual Meeting of Shareholders must be received by Intelli-Check for inclusion in material relating to such meeting not later than March 14, 2003.

EXPENSES

All expenses in connection with solicitation of proxies will be borne by Intelli-Check. Officers and regular employees of Intelli-Check may solicit proxies by personal interview and telephone and telegraph. Brokerage houses, banks and other custodians, nominees and fiduciaries will be reimbursed for out-of-pocket and reasonable expenses incurred in forwarding proxies and proxy statements.
