- (a) Non-dividend paying.
- (b) Affiliate as defined in the Investment Company Act of 1940.
- (c) Valued at estimated fair value.
- (d) Restricted security. See footnote 3.
- (e) Securities which have been held less than one year which have not been previously disclosed and are not restricted.

See accompanying notes to statement of investments.

CENTRAL SECURITIES CORPORATION NOTES TO STATEMENT OF INVESTMENTS

1. Security Valuation - Securities are valued at the last sale price or, if unavailable, at the closing bid price. Corporate discount notes are valued at amortized cost, which approximates value. Securities for which no ready market exists are valued at estimated fair value by the Board of Directors.

As of September 30, 2009, the tax cost of investments was \$312,869,267. Net unrealized appreciation was \$163,876,820 consisting of gross unrealized appreciation and gross unrealized depreciation of \$222,480,584 and \$58,603,764, respectively.

- 2. Fair Value Measurements The Corporation's investments are categorized below in three broad hierarchical levels based on market price observability as follows:
 - O Level 1 Quoted prices in active markets for identical investments. The Corporation's Level 1 investments consist of securities listed on a national securities exchange or NASDAQ national market and money market funds;
 - o Level 2 Other significant observable data obtained from

independent sources; for example, quoted prices for similar investments or the use of models or other valuation methodologies. The Corporation's Level 2 investments consist of short-term investments, carried at amortized cost.

o Level 3 - Significant unobservable inputs including the Corporation's own assumptions based upon the best information available. Investments categorized as Level 3 include securities in which there is little, if any, market activity. The Corporation's Level 3 investments consist of The Plymouth Rock Company, Inc. and Aerogroup International, Inc.

The methodology used for valuing securities is not necessarily an indication of the risk associated with investing in those securities.

The Corporation's investments as of September 30, 2009 are classified as follows:

Valuation Inputs	Investments in Securities
Level 1	\$306,419,725
Level 2	30,001,476
Level 3	140,324,886
	\$476,746,087
	=========

The following is a reconciliation of assets in which significant unobservable inputs (Level 3) were used in determining fair value:

	=========
Balance at September 30, 2009	\$140,324,886
Change in unrealized appreciation of investments	13,939,048
Balance at December 31, 2008	\$126,385,838

No Level 3 investments were purchased, sold or transferred to Level 1 or Level 2 during the nine months ended September 30, 2009.

3. Restricted Securities - The Corporation has from time to time invested in securities the resale of which is restricted. On September 30, 2009, such investments had an aggregate value of \$140,324,886, which was equal to 29.4% of the Corporation's net assets. Investments in restricted securities at September 30, 2009 were:

Company	Shares	Security	Date Purchased	Cost
AeroGroup International, Inc. The Plymouth Rock Company, Inc. The Plymouth Rock Company, Inc.	28,751 60,000 10,000	Common Stock Class A Common Stock Class A Common Stock	6/14/05 12/15/82 6/9/84	\$17,200 1,500,000 699,986

The Corporation does not have the right to demand registration of the restricted securities

Item 2. Controls and Procedures.

(a) Disclosure Controls and Procedures. The Principal Executive and Financial Officers have concluded that the

Registrant's Disclosure Controls and Procedures are effective based on their evaluation of the Disclosure Controls and Procedures as of a date within 90 days of the filing date of this report.

(b) Internal Control Over Financial Reporting. During the last fiscal quarter, there was no significant change in the Registrant's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

Item 3. Exhibits.
(a) Certifications.

Pursuant to the requirements of the Securities Exchange Act of 1934 and the Investment Company Act of 1940, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
