## Report of Independent Auditors

Chelsea Property Group 401(k) Savings Plan  
Retirement and Benefits Committee

We have audited the accompanying statements of net assets available for benefits of Chelsea Property Group 401(k) Savings Plan (the "Plan") as of December 31, 2001 and 2000, and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of non-exempt transactions and assets (held at end of year) as of and for the year ended December 31, 2001, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Chelsea Property Group 401(k) Savings Plan

Notes to Financial Statements

December 31, 2001

## 1. Summary of Significant Accounting Policies

### Method of Accounting

The financial statements of Chelsea Property Group 401(k) Savings Plan (the "Plan") are presented on the accrual basis of accounting.

### Investments

Investments are valued at fair value using share values of the funds as reported by Trustar Retirement Services ("Trustar") on December 31, 2001 and 2000.

Appreciation or depreciation of securities represents realized gains (losses) and the change in fair value during the year.

### Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated August 26, 1998, stating the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended and restated, effective February 1, 2000. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator, CPG Partners, L.P., believes the Plan, as amended and restated, is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Chelsea Property Group 401(k) Savings Plan

Notes to Financial Statements (continued)

## 2. Description of the Plan

The Plan is a defined contribution plan sponsored and administered by CPG Partners, L.P. (formerly Chelsea GCA Realty Partnership, L.P.) (the "Partnership") and was established for the purpose of allowing Plan members to make tax-deferred contributions through voluntary payroll withholdings in order to accumulate benefits to be paid upon retirement. The Partnership pays all administrative expenses incurred by the Plan except for a fee of \$.25 per share for all purchase and sale transactions of Chelsea Property Group, Inc. (formerly Chelsea GCA Realty, Inc.) common stock which is paid by the participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective October 19, 2001, the Plan was updated to reflect new legislation.

All employees of the Partnership were eligible to participate in the Plan after completing 1,000 hours or one year of service and attaining age 21 through November 1, 2000 at which time the Partnership amended the Plan's eligibility requirements (the "Amendment"). Certain employees of the Partnership are eligible to participate in the Plan after 6 months of service with no hours requirement. Employees who elect to enroll in the Plan may elect to have from 1% to 15% of their pre-tax gross pay (for up to a 40 hour work week) contributed to their account each pay period. This deduction may not exceed the maximum amount allowed under the Code of \$10,500 for 2001 and 2000. Rollover

contributions of \$168,998 and \$66,357 in 2001 and 2000, respectively, were made by participants from other qualified plans.

Effective February 1, 2000 (the "Transition Date"), Trustar (the "Trustee") began serving as trustee of the Plan. Prior to the Transition Date, Merrill Lynch served as trustee of the plan. The Trustee has invested the assets of the Plan in funds maintained in pooled separate accounts held by Vanguard and Fidelity.

Also effective February 1, 2000, the Company no longer offered Chelsea Property Group, Inc. common stock as an investment option. Participants can keep the common stock they currently have in their account, but they cannot purchase additional stock.

Employees participating in the Plan are eligible to receive a benefit upon their normal retirement date, disability retirement date or termination date, equal to the amount in their individual account. Participants are always 100% vested in their contributions including the earnings thereon.

### Chelsea Property Group 401(k) Savings Plan

#### Notes to Financial Statements (continued)

## 2. Description of the Plan (continued)

Participants are eligible to borrow from their account. The minimum loan is \$500. A participant may borrow 50% of his or her vested balance to a maximum of \$50,000. The loans must be paid back within five years. The loans bore interest at a rate between 8.0% and 9.75% at December 31, 2001 and 2000.

The Plan provides for an employer discretionary matching contribution. For the 2001 and 2000 Plan years, the matching contribution was equal to 50% of each participant's first 6% contributed to the Plan.

As of December 31, 2001 and 2000, forfeitures in the amount of \$22,083 and \$21,931, respectively, will be used to reduce future Company contributions. Forfeitures arise from forfeited balances of terminated participant's nonvested accounts.

Employees with the following titles are not eligible to participate in the matching contribution: Chief Executive Officer, Chief Financial Officer, President, Chief Operating Officer, Senior Vice President, Executive Vice Presidents, and Vice Presidents.

As of October 1, 1999, the Plan was amended to allow employees from Worcester Common Outlets, a retail outlet that the Partnership managed through March 31, 2001, to participate in the Plan. As of April 1, 2001, the employees of Worcester no longer contribute to the Plan.

Participants shall have a vested percentage in the matching contributions as follows:

After 1 year of vesting service	20%
After 2 years of vesting service	40%
After 3 years of vesting service	60%
After 4 years of vesting service	80%
After 5 years of vesting service	100%

While the Partnership hopes and expects to continue the Plan indefinitely, it reserves the right to terminate, amend or modify the Plan at any time subject to the provisions of ERISA. Upon the termination of the Plan, the monies already invested in the Plan are distributed to the participants based on their account values at termination. If money has been deducted from a participant's paycheck but not yet deposited into the Plan, those monies are at risk because they are

not yet considered part of the Plan.
