Mumbai 400 001, Maharashtra, India

Strong growth in Pick-up (50%), SCV (40%), ILCV (34%) & MHCV (25%) segments drives Tata Motors commercial vehicles sales higher by 29% in Sept 2017

Tata Motors continues to grow in Passenger vehicles segment clocking a growth of 18% in Sep 17

Newly launched compact SUV, Tata Nexon receives tremendous response

Mumbai, October 01, 2017:

Tata Motors Limited, a leading Global Automobile manufacturer today announced strong second-quarter growth driven by robust results for the third consecutive month. The Sales performance for September 2017 were at 53965 units resulting in 25% growth over last year for the Domestic Passenger and Commercial Vehicle Business. This is at the back of growing festive demand across segments, increased positive customer sentiments, introduction of new products and strong customer engagement initiatives.

Domestic - Commercial Vehicles

Tata Motors overall commercial vehicles sales in September 2017, in the domestic market were at 36679 nos. higher by 29% over September 2016. The sales grew on the back of strong ramp-up in production, growing demand for new product launches and higher customer uptick owing to peak festive season buying trends across segments. Additionally, the sales were boosted by strong growth in e-commerce segment sales and growing demand under Swachh Bharat drive.

The M&HCV trucks segment grew by 25%, at 12259 nos., in September 2017. This segment witnessed strong growth in demand on the back of continuously increasing acceptance of Tata Motors' SCR technology, infrastructure development led by government funding and restrictions on overloading creating greater demand for new high tonnage vehicles, especially for our new launches of 37T multi-axle trucks and 49T tractor trailers.

The I&LCV truck segment also saw an upward trend and grew by 34% with 4449 units in September 2017 driven by the performance of new product introductions and increased festive season demand.

The pickup category segment at 5569 units in September 2017 reported a strong growth of 50% with our newly launched Tata Xenon Yodha gaining acceptance and demand across markets while the SCV cargo segment with sales at 10040 units witnessed a growth of 40% at the back of strong response to XL range. Our passenger carrier (including buses) segment sales were at 4362 units, almost similar to last year.

Domestic - Passenger Vehicles

In September 2017, Tata Motors passenger vehicles, recorded sales of 17286 units, growth of 18%, over September 2016. This was augmented by the strong growth momentum for new generation vehicles Tiago, Tigor and Hexa. The newly launched compact SUV, Tata Nexon has also received a tremendous response in the market.

Cumulative sales growth of passenger vehicles in the domestic market for the fiscal (April-Sept 2017) were at 81417 units, a growth of 12%, compared to 72665 units, in the same period last fiscal.

Exports

The company's sales from exports was at 3887 nos. in September 2017, a decline of 27%, due to continued drop in TIV in Sri Lanka (by 54%) and Nepal (by 47%).
