Item 6. Indemnification of Directors and Officers.

Section 14A:3-5 of the New Jersey Business Corporation Act describes those circumstances under which directors, officers, employees and agents may be insured or indemnified against liability which they may incur in their capacities as such.

Article XVII of the Certificate of Incorporation of the Company requires indemnification of directors, officers, employees or agents of the Company to the full extent permissible under New Jersey law.

The registrant believes that these provisions assist the registrant in, among other things, attracting and retaining qualified persons to serve the registrant and its subsidiaries. However, a result of such provisions could be to increase the expenses of the registrant and effectively reduce the ability of stockholders to sue on behalf of the registrant because certain suits could be barred or amounts that might otherwise be obtained on behalf of the registrant could be required to be repaid by the registrant to an indemnified party.

The Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Company or is or was serving at the request of the Company as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other

enterprise against any liability asserted against the person and incurred by the person in any such capacity or arising out of his status as such, whether or not the Company would have the power to indemnify the person against such liability under the provisions of the Certificate of Incorporation.

Additionally, the Company has in force two directors and officers liability policies for claims directly against directors and officers and for claims where the Company is required to indemnify directors and officers. A policy is underwritten by Zurich North America Surety and Financial Enterprises with a \$5,000,000 aggregate limit of liability and an aggregate deductible of \$25,000. A policy is underwritten by Fidelity and Deposit Company of Maryland with a \$5,000,000 aggregate limit of liability and an aggregate deductible of \$50,000.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 ("1933 Act") may be permitted to directors, officers, or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the 1933 Act and is therefore unenforceable.

(i) To include any prospectus required by Section 10(a)(3) of the 1933 Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided however, that paragraphs (a)(1)(I) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8, and the information required to

be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the 1934 Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the 1934 Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned Registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the 1934 Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission

4

such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy expressed in the 1933 Act and will be governed by the final adjudication of such issue.
