PROXY STATEMENT

COMMUNITY FIRST BANCORPORATION
3685 Blue Ridge Boulevard
Walhalla, South Carolina 29691
(864) 638-2105

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Community First Bancorporation (the "Company") for use at the Annual Meeting of Shareholders to be held at 1:30 p.m. on Tuesday, April 25, 2006 in Community First Bank's Seneca Office, 449 Highway 123 Bypass, Seneca, South Carolina. A Notice of Annual Meeting is attached hereto, and a form of proxy is enclosed. This statement was first mailed to shareholders on or about March 31, 2006, in connection with the solicitation. The cost of this solicitation is being paid by the Company. The only method of solicitation to be employed, other than use of the proxy statement, is personal contact, including contact by telephone or other electronic means, by directors and regular employees of the Company.

ANNUAL REPORT

The Annual Report to Shareholders covering the Company's fiscal year ended December 31, 2005, including financial statements, is enclosed herewith. Such Annual Report to Shareholders does not form any part of the material for the solicitation of proxies.

VOTING PROCEDURES

Voting

Shareholders who hold their shares of record in their own names can vote their shares by marking the enclosed proxy form, dating it, signing it, and returning it to the Company in the enclosed postage-paid envelope. Shareholders of record can also attend the Annual Meeting and vote in person. Shareholders who hold their shares in street name with a broker or other nominee can direct their vote by submitting voting instructions to the broker or nominee in accordance with the procedure on the voting card provided by the broker or nominee. Shareholders who hold their shares in street name may attend the Annual Meeting, but may not vote in person without a proxy appointment from a shareholder of record.

Revocation of Proxy

Any record shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted. The proxy may be revoked by a record shareholder by delivering to Frederick D. Shepherd, Jr., President, Community First Bancorporation, 3685 Blue Ridge Boulevard, Walhalla, South Carolina 29691, or by mailing to Mr. Shepherd at Post Office Box 1097, Walhalla, South Carolina 29691, an instrument which by its terms revokes the proxy. The proxy may also be revoked by a record shareholder by delivery to the Company of a duly executed proxy bearing a later date. Written notice of revocation of a proxy or delivery of a later dated proxy will be effective upon receipt thereof by the Company. Attendance at the Annual Meeting will not in itself constitute revocation of a proxy. However, any record shareholder who desires to do so may attend the meeting and vote in person in which case the proxy will not be used. Shareholders who hold their shares in street name with a broker or other nominee may change or revoke their proxy instructions by submitting new voting instructions to the broker or other nominee.

Edgar Filing: COMMUNITY FIRST BANCORP - Form DEF 14A

Quorum and Method of Counting Votes

At the close of business on March 1, 2006, there were outstanding 2,798,409 shares of the Company's common stock (no par value). Each share outstanding will be entitled to one vote upon each matter submitted at the meeting. Only shareholders of record at the close of business on March 1, 2006 (the "Record Date"), shall be entitled to notice of and to vote at the meeting.

3

A majority of the shares entitled to be voted at the annual meeting constitutes a quorum. If a share is represented for any purpose at the annual meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" and shares that are not voted, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the annual meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time. If the meeting is to be reconvened within thirty days, no notice of the reconvened meeting will be given other than an announcement at the adjourned meeting. If the meeting is to be adjourned for thirty days or more, notice of the reconvened meeting will be given as provided in the Bylaws. At any reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

If a quorum is present at the Annual Meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the annual meeting. "Plurality" means that if there are more nominees than positions to be filled, the individuals who receive the largest number of votes cast for the positions to be filled will be elected as directors. Cumulative voting is not permitted. Votes that are withheld or that are not voted in the election of directors will have no effect on the outcome of election of directors. If a quorum is present, all other matters that may be considered and acted upon at the Annual Meeting will be approved if the number of shares of Common Stock voted in favor of the matter exceeds the number of shares of Common Stock voted against the matter.

Actions to be Taken by the Proxies

The persons named as proxies were selected by the Board of Directors of the Company. When the form of proxy enclosed is properly executed and returned, the shares that it represents will be voted at the meeting. Each proxy, unless the shareholder otherwise specifies therein, will be voted "FOR" the election of the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors. In each case where the shareholder has appropriately specified how the proxy is to be voted, it will be voted in accordance with his specifications. As to any other matter of business which may be brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons voting the same, but the Board of Directors does not know of any such other business.

SHAREHOLDER PROPOSALS

Any shareholder who wishes to submit proposals for the consideration of the shareholders at the 2007 Annual Meeting may do so by mailing them in writing to Frederick D. Shepherd, Jr., President, Community First Bancorporation, Post

Edgar Filing: COMMUNITY FIRST BANCORP - Form DEF 14A

Office Box 1097, Walhalla, South Carolina 29691, or by delivering them in writing to Mr. Shepherd at the Company's main office, 3685 Blue Ridge Boulevard, Walhalla, South Carolina 29691. Such written proposals must be received prior to December 1, 2006, for inclusion, if otherwise appropriate, in the Company's 2007 Proxy Statement and form of Proxy relating to that meeting. With respect to any shareholder proposal not received by the Company prior to February 14, 2007, proxies solicited by management of the Company will be voted on the proposal in the discretion of the designated proxy agents.

ELECTION OF DIRECTORS

At the Annual Meeting, four directors are to be elected to hold office for the next three years, their terms expiring at the 2009 Annual Meeting of Shareholders, or until their successors are duly elected and qualified. Meetings of the Board of Directors and Director Attendance at the Annual Meeting of Shareholders

During the last full fiscal year, ending December 31, 2005, the Board of Directors of the Company met four times, including regular and special meetings. Each director attended at least 75% of the total number of meetings of the Board of Directors and committees of which he was a member.

7

The Company encourages, but does not require, its directors to attend annual meetings of shareholders. Last year, all of the Company's directors attended the annual meeting of shareholders.

Committees of the Board of Directors

Nominating Committee

The Board of Directors does not have a separate nominating committee. Rather, the entire Board of Directors acts as nominating committee. Based on the Company's size, the small geographic area in which it does business and the desirability of directors being a part of the communities served by the Company and familiar with the Company's customers, the Board of Directors does not believe the Company would derive any significant benefit from a separate nominating committee. The members of the Board of Directors are not all independent as defined in The Nasdaq Stock Market, Inc. Marketplace Rules, as modified or supplemented. The Company does not have a Nominating Committee charter.

In recommending director candidates, the Board takes into consideration such factors as it deems appropriate based on the Company's current needs. These factors may include diversity, age, skills such as understanding of banking and general finance, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, community activities and relationships, and the interrelationship between the candidate's experience and business background, and other Board members' experience and business background, as well as the candidate's ability to devote the required time and effort to serve on the Board.

Edgar Filing: COMMUNITY FIRST BANCORP - Form DEF 14A

The Board will consider for nomination by the Board director candidates recommended by shareholders if the shareholders comply with the following requirements. If a shareholder wishes to recommend a director candidate to the Board for consideration as a Board of Directors' nominee, such shareholder must submit in writing to the Board the recommended candidate's name, a brief resume setting forth the recommended candidate's business and educational background and qualifications for service, and a notarized consent signed by the recommended candidate stating the recommended candidate's willingness to be nominated and to serve. This information must be delivered to the Chairman of the Company at the Company's address and must be received no later than January 15 in any year to be considered as a potential Board of Directors' nominee at the Annual Meeting of Shareholders for that year. The Board may request further information if it determines a potential candidate may be an appropriate nominee. Director candidates recommended by shareholders that comply with these requirements will receive the same consideration that the committee's candidates receive.

Director candidates recommended by shareholders will not be considered for recommendation by the Board as potential Board of Directors' nominees if the shareholder recommendations are received later than January 15 in any year. Shareholders may also nominate director candidates as shareholder nominees for election at the annual meeting, but no person who is not already a director may be elected at an annual meeting of shareholders unless that person is nominated in writing not less than 14 days nor more than 50 days prior to the meeting. Such nominations, other than those made by or on behalf of the existing management of the Company, must be made in writing and must be delivered or mailed to the President of the Company, not less than 14 days prior to any meeting of Shareholders called for the election of Directors. Such notification must contain the following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of shares of capital stock of the Company that will be voted for each proposed nominee; (d) the name and residence address of the notifying shareholder; and (e) the number of shares of capital stock of the Company owned by the notifying shareholder. Nominations not made in accordance with these requirements may be disregarded by the presiding officer of the meeting, and upon his instructions, the vote tellers shall disregard all votes cast for each such nominee.

Audit Committee

The Company has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee

8

is responsible for seeing that audits of the Company are conducted annually. A firm of certified public accountants is employed for that purpose by the Board of Directors upon recommendation of the Audit Committee. Reports on these audits are reviewed by the Committee upon receipt and a report thereon is made to the Board at its next meeting. The Audit Committee is comprised of Messrs. Edwards, Hamrick, Thrift and Winchester. Each member of the Audit Committee is independent as defined in The Nasdaq Stock Market, Inc. Marketplace Rules, as modified or supplemented. The Audit Committee met four times in 2005. The Audit Committee does not have a written charter.

Compensation Committee

Although the Company does not have a standing compensation committee of the Board of Directors or a committee serving similar functions, Community First Bank has a compensation committee that makes recommendations to the Board of

Edgar Filing: COMMUNITY FIRST BANCORP - Form DEF 14A

Directors of the Bank concerning compensation of the Chief Executive Officer of the Bank and the Company. The members of the Bank's Compensation Committee are Messrs. McCoy (chair), Brown, Bowman and Winchester. This committee met once in 2005.

Shareholder Communications with the Board of Directors

Any shareholder who wishes to send communications to the Board of Directors should mail them addressed to the intended recipient by name or position in care of: Corporate Secretary, Community First Bancorporation, 3685 Blue Ridge Boulevard, Walhalla, South Carolina 29691. Upon receipt of any such communications, the Corporate Secretary will determine the identity of the intended recipient and whether the communication is an appropriate shareholder communication. The Corporate Secretary will send all appropriate shareholder communications to the intended recipient. An "appropriate shareholder communication" is a communication from a person claiming to be a shareholder in the communication the subject of which relates solely to the sender's interest as a shareholder and not to any other personal or business interest.

In the case of communications addressed to the Board of Directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to the independent or outside directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Audit Committee. In the case of communications addressed to committees of the board, the Corporate Secretary will send appropriate shareholder communications to the Chairman of such committee.

- (2) The amounts in these columns are the result of calculations based on the assumption that the market price of the Common Stock will appreciate in value from the date of grant to the end of the ten-year option term at rates of 5% and 10% per year. The 5% and 10% annual appreciation assumptions are required by the Securities and Exchange Commission; they are not intended to forecast possible future appreciation, if any, of the Company's stock price.

1989 Stock Option Plan and 1998 Stock Option Plan

The Company has adopted two stock option plans, both of which have been approved by the shareholders. The 1989 Stock Option Plan reserved 431,735 shares of the Company's Common Stock for issuance to eligible employees upon exercise of options. The 1998 Stock Option Plan reserved 617,720 shares of the Company's Common Stock for issuance to eligible employees and directors upon exercise of options. Under both plans, the Board of Directors or a committee appointed by the Board of Directors, determines the persons to whom options will be granted and sets the terms of the options within the parameters of the plans. At December 31, 2005, under the 1989 Plan, options to purchase 61,420 shares of Common Stock were outstanding, all of which were exercisable. The exercisable options have an average exercise price of \$5.13 per share. The 1989 Plan had a ten year term and has, therefore, terminated. Although options may still be exercised under the 1989 Plan, no further options may be granted under the 1989 Plan. At December 31, 2005, under the 1998 Plan, options to purchase 366,859 shares of Common Stock were outstanding, 193,914 shares were available for grant pursuant to options, and options to purchase 288,270 shares were exercisable. The exercisable options have an average exercise price of \$12.48 per share.

The numbers of shares and average prices in this section have been retroactively adjusted to reflect stock dividends and splits effective through December 31, 2005.

Shareholder Return Performance Graph

The Company is required to provide its shareholders with a line graph comparing the Company's cumulative total shareholder return with a performance indicator of the overall stock market and either a published industry index or a Company-determined peer comparison. Shareholder return (measured through increases in stock price and payment of dividends) is often a benchmark used in assessing corporate performance and the reasonableness of compensation paid to executive officers.

The performance graph below compares the Company's cumulative total return over the most recent five year period with the Russell 2000 Index (reflecting overall stock market performance for small cap stocks) and the SNL 100-500 OTC BB and Pink Banks Index (reflecting changes in overall stock market performance for a national group of 382 banking companies with asset sizes ranging from \$100 - \$500 million, the trades of which are reported either on the OTC Bulletin Board or in the Pink Sheets). Returns are shown on a total return basis, assuming the reinvestment of dividends and a beginning stock index price of \$100 per share. Values presented for the Company's common stock are based on information compiled by SNL Financial, LC, which prepared the performance graph, and are based on limited transactions.

Compensation Committee Report on Executive Compensation

The Compensation Committee follows a policy of providing Mr. Shepherd with a total compensation package consisting of salary, bonuses, insurance and other benefits and stock options. The Committee used the services of Calvert Consulting, a compensation consulting firm, to assist it in setting Mr. Shepherd's 2005 compensation. The consultant evaluates executive performance based on a national peer group of all commercial banks with assets between \$300 million and \$1 billion. The Compensation Committee used this peer group information for comparison to the Company in setting Mr. Shepherd's 2005 salary. Based on these criteria, Mr. Shepherd's salary for 2005 was set at approximately the same level as the 2004 level.

In determining bonuses to be awarded to Mr. Shepherd, the Committee takes into account the Company's overall success as measured by increases in its net income relative to the prior year and increases in market share as evidenced by growth in total assets. The bonus awarded to Mr. Shepherd in 2005 reflected the Company's increased net income and growth in assets for 2005 as compared to 2004. Stock options awarded to Mr. Shepherd in 2005 were for his service on the board of directors and were set at a level believed by the Committee to be

appropriate to keeping his interests aligned with those of the shareholders. Insurance and other benefits are set by the Committee at levels believed to be competitive with other employers and to advance the Committee's goal of retaining Mr. Shepherd.

Compensation of Directors

Directors receive compensation of \$700 for each regular meeting of the Board of Directors of the Company attended and \$600 for each regular meeting of the Board of Directors of the Bank attended. All non-employee directors also receive an annual grant of options to purchase 2,000 shares of the Company's common stock at an exercise price equal to the market value at the date of grant.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Community First Bank, in the ordinary course of its business, makes loans to and has other transactions with directors, officers, principal shareholders, and their associates. Loans are made on substantially the same terms, including rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectibility or present other unfavorable features. The Bank expects to continue to enter into transactions in the ordinary course of business on similar terms with directors, officers, principal stockholders, and their associates. The aggregate dollar amount of such loans outstanding at December 31, 2005 was \$7,839,433. During 2005, \$2,944,527 of new loans were made and repayments totaled \$3,985,703.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, its executive officers and certain individuals are required to report periodically their ownership of the Company's Common Stock and any changes in ownership to the Securities and Exchange Commission. Based on a review of Section 16(a) reports available to the Company and written representations of the persons subject to Section 16(a), it appears that each director failed to timely file one Form 4 with respect to a grant of stock options in 2005.

the Company and the Bank, as well as all out-of-pocket expenses incurred in connection with these services, which have been billed to the Company.

Audit Fees

Audit fees include fees billed for professional services rendered for the audit of the Company's consolidated financial statements and review of the interim condensed consolidated financial statements included in quarterly reports, and services that are normally provided by the Company's independent auditor in connection with statutory and regulatory filings or engagements, and attest services, except those not required by statute or regulation. Audit-related fees include fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees". These services would include employee benefit plan audits, attest services that are not required by statute or regulation, and consultations concerning financial accounting and reporting standards. For the years ended December 31, 2004 and 2005, respectively, J. W. Hunt and Company, LLP did not bill the Company for any audit-related fees.

All Other Fees

All other fees would include fees for all services other than those reported above. For the years ended December 31, 2004 and 2005, J. W. Hunt and Company, LLP, did not bill the Company for any other fees.

In making its decision to recommend appointment of J. W. Hunt and Company, LLP as the Company's independent auditors for the fiscal year ending December 31, 2006, the Audit Committee considered whether services other than audit and audit-related services provided by that firm are compatible with maintaining the independence of J. W. Hunt and Company, LLP.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permitted non-audit services (including the fees and terms thereof) provided by the independent auditors, subject to limited exceptions for non-audit services described in Section 10A of the Securities Exchange Act of 1934, which are approved by the Audit Committee prior to completion of the audit. The Committee may delegate to one or more designated members of the Committee the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decision is presented to the full Committee at its next scheduled meeting.
