Such determination pertained only to the value of the Warrants following consummation of the Merger because the Offer is conditioned upon the consummation of the Merger and does not relate to any conclusion with respect to the value of the Warrants in any context other than the Offer, such as prior to the Merger or if the Merger is not consummated.

THE OFFER Section 5. Conditions of the Offer of the Offer to Purchase is amended and supplemented by replacing the first sentence of the last full paragraph on page 55 in its entirety as follows:

The conditions referred to above are for our sole benefit with respect to the Offer and may be asserted by us regardless of the circumstances (other than any action or omission to act by us) giving rise to any condition, and may be waived by us, in whole or in part, at any time and from time to time in our discretion until the Offer shall have expired or been terminated prior to expiration of the Offer.
