Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Persons have acquired an aggregate of 18,587,616 shares of Common Stock (the Shares), which are reported herein, through the exchange of senior subordinated debt of the SunCom Wireless, Inc. (f/k/a Triton PCS, Inc.) (Wireless), the indirect subsidiary of the Issuer, in the aggregate principal amount of \$261,378,000.00 beneficially owned by Services and a combination of funds from accounts managed by Highland Capital.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares pursuant to an exchange transaction whereby the Issuer contributed Common Stock to its direct subsidiary and the direct parent of Wireless, SunCom Wireless Investment Company LLC (Investco), and Investco delivered the Shares to the Reporting Persons in exchange for all of the 9 3/8% Senior Subordinated Notes due 2011 and the 8 3/4 Senior Subordinated Notes due 2011 (collectively, the Wireless Notes) beneficially owned by the Reporting Persons, as part of a recapitalization by the Issuer (the Recapitalization).

The Reporting Persons originally acquired Wireless Notes for investment purposes because the Reporting Persons believed that such securities, when purchased, were substantially undervalued and represented an attractive investment opportunity.

On January 31, 2007, Highland Capital on behalf of itself and certain of its affiliates and related entities, including HCF, Restoration and Services (collectively, the Highland Entities), the Issuer and certain other unrelated parties listed on the signature pages thereto entered into an Exchange Agreement (the Exchange Agreement) pursuant to which, among other things, the parties agreed to effect the Recapitalization. Pursuant to the Exchange Agreement, the parties thereto, including holders of approximately 98.05% of the outstanding Wireless Notes (the Noteholders), implemented the Recapitalization through an equity-for-debt exchange (the Exchange) with an exchange ratio of 711.14 shares of Common Stock, for each \$1,000 principal amount of Wireless Notes exchanged by the participating Noteholders, including the Highland Entities. Based on the Highland Entities' ownership of the Wireless Notes immediately prior to the closing of the Exchange, the Highland Entities received approximately 18,587,616 shares of Common Stock in the Exchange, which amount reflects the conversion contemplated by the Merger (defined herein) described herein.

To effect the Exchange, the Issuer contributed shares of Common Stock to Investco and Investco delivered such Common Stock to the Highland Entities and other consenting Noteholders in exchange for their Wireless Notes in accordance with the exchange ratio and the provisions of the Exchange Agreement. In addition, the holders of its Common Stock at a specially called meeting on April 20, 2007 (the Special Meeting) approved (i) the Exchange and (ii) the Agreement and Plan of Merger (the Merger Agreement), between the Issuer and SunCom Merger Corp., a wholly-owned subsidiary of the Company (Merger Sub), entered into concurrently with the execution of the Exchange Agreement pursuant to which, immediately prior to the Exchange, Merger Sub was merged with and into the Issuer (the Merger) for the purpose of (x) effecting the conversion of each outstanding share of common stock of the Issuer into 0.1 share of Common Stock, (y) effecting certain amendments to the certificate of incorporation of the Company and (z) granting certain additional rights to the holders of Common Stock of the Company immediately prior to the Merger, as more fully described in the Exchange Agreement.

Table of Contents

Pursuant to the Exchange Agreement, the Highland Entities supported and implemented the Recapitalization. Contemporaneously with the consummation of the Exchange, the size of the board of directors of the Company (the Board of Directors) was increased to ten and the Board was reconstituted with two of the existing members continuing to serve on the Board, three of the ten members being appointed by the Highland Entities and the remaining five of the ten members being appointed by certain other Noteholders who were parties to the Exchange Agreement. The three members of the reconstituted Board appointed by the Highland Entities are Patrick H. Daugherty, Niles Chura and a person to be named that will qualify as an independent member of the Board. A copy of the Exchange Agreement is attached hereto as Exhibit 1 and incorporated herein by reference.

In connection with the Exchange and as an inducement for the Highland Entities and certain other Noteholders to enter into the Exchange Agreement, the Highland Entities, certain holders of Common Stock of the Issuer (the Lock-up Stockholders) and certain other Noteholders entered into a Lock-up and Voting Agreement simultaneously with the execution of the Exchange Agreement on January 31, 2007 (the Lock-up Agreement). Pursuant to the Lock-up Agreement, the Lock-up Stockholders agreed to vote their shares of Common Stock in favor of the Recapitalization, the Exchange Agreement and the Merger until the earliest to occur of (i) the closing of the transactions contemplated by the Exchange Agreement; (ii) the termination of the Exchange Agreement in accordance with its terms, (iii) the written agreement of the Noteholders that are signatories to the Lock-up Agreement to terminate the Lock-up Agreement, and (iv) May 31, 2007. At the Special Meeting and consistent with the Lock-up Agreement, the Lock-up Stockholders voted their shares in favor of the Recapitalization, the Exchange Agreement and the Merger. In addition to the voting agreement, the Lock-up Stockholders agreed to not, directly or indirectly, (i) support, solicit, seek, formulate or encourage any plan that would compete with the Recapitalization, (ii) object, oppose or take any action that may hinder or impair or that is inconsistent with the Recapitalization and (iii) transfer the Lock-up Stockholders' shares of Common Stock unless certain restrictions, including that any transferee would agree in writing to be bound by the terms and conditions of the Lock-up Agreement, are met. As a result of the closing of the transactions contemplated by the Exchange Agreement on May 15, 2007, the Lock-up Agreement is no longer effective.

The Reporting Persons continue to review the Highland Entities' investment in the Issuer. Certain of the Reporting Persons have in the past and may continue in the future to engage in discussions with management, the Board of Directors, other stockholders of the Issuer and other relevant parties concerning the business, operations, board composition, management, strategy and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and strategic direction, actions taken by the Board of Directors, price levels of the shares of Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, certain of, or all of, the Reporting Persons may in the future take such actions with respect to the Highland Entities' investment in the Company as they deem appropriate including, without limitation, purchasing additional shares of Common Stock or selling some or all of the Shares held by some, or all, of the Highland Entities, engaging in short selling of or any hedging or similar transactions with respect to the Shares and/or otherwise changing its intention with respect to any and all matters referred to in Item 4 of Schedule 13D. None of the Reporting Persons may bind, obligate or take action, directly or indirectly, on behalf of HCF or Restoration with respect to the matters described herein, and each of HCF and Restoration expressly disclaims any intention to take any action with the other Reporting Persons with respect to the Shares or its investment herein.
