Item 4. Purpose of Transaction.

Jayhawk, Jayhawk Investments, Jayhawk Institutional, and Mr. McCarthy (collectively, the Shareholders ) originally acquired the shares of Common Stock and Class C Preferred (collectively, the Shares ) because they believed that the Shares were undervalued at the then-current market prices and represented an attractive investment opportunity. The Shareholders further believed that unexploited opportunities to increase the value of the Shares existed. Mr. McCarthy, as a holder of Class C Preferred, participated in the nomination and election of two individuals to serve on the board of directors. In connection with a Redemption Notice sent by the Issuer to all holders of the Class C Preferred on July 12, 2007 and filed with the Commission on July 16, 2007 on a Current Report on Form 8-K, all outstanding Class C Preferred will be redeemed as of August 27, 2007 or, at the election of the holders of the Class C Preferred, may be converted to Common Stock by August 14, 2007 in accordance with the terms of the Class C Preferred. In connection with the redemption of all outstanding Class C Preferred, the term of office of the directors nominated and elected by the holders of the Class C Preferred will terminate immediately.

The Shareholders reserve the right to acquire, or dispose of, additional securities of the Issuer, in the ordinary course of business, to the extent deemed advisable in light of the Shareholders' general investment and trading policies, market conditions, the availability of shares of Common Stock or other factors. The Shareholders may contact the Issuer, officers and directors of the Issuer, third parties and/or other shareholders regarding potential strategies to increase shareholder value. Other than as described above, none of the Shareholders has present plans or proposals that would result in any of the following:

1. any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
2. any sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
3. any material change in the present capitalization or dividend policy of the Issuer;
4. any other material change in the Issuer's business or corporate structure;
5. any change in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
6. causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
7. causing a class of securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
8. any action similar to any of those enumerated above.
