Dear Fellow Stockholder:

You are cordially invited to attend a Special Meeting of Stockholders of U.S. Industries, Inc. The meeting will be held at the Crowne Plaza Hotel, 1601 Belvedere Road, West Palm Beach, Florida 33406, on June 4, 2003 at 11:00 a.m., local time.

At the Special Meeting we will seek approval to change the name of the corporation to Jacuzzi Brands, Inc. We believe that adopting this new name will be an important step in promoting the Company's strong brand portfolio, emphasizing our new corporate structure and clarifying our profile in the financial community. The Jacuzzi® brand reaches far beyond the retail marketplace. It joins only a handful of other global consumer brands that have transcended their respective markets and become part of the culture of our society. We are fortunate that USI's portfolio is further strengthened by the inclusion of a variety of other well-known consumer brands. Our SUNDANCE® brand is an industry-leader in premium spas and ELJER® is a leading North American brand of sanitary ware, including, toilets, baths and sinks. ZURN® is a recognized and respected brand name in the domestic commercial and institutional behind the wall plumbing marketplace, while the RAINBOW® brand vacuum cleaners manufactured by Rexair are ranked second in total domestic market share in the direct sale vacuum cleaner market. The continued strong performance of these brands will be an important part of the Company's future.

In addition, at the Special Meeting we will seek approval to amend the U.S. Industries, Inc. 2000 Stock Option Plan to change the equity component of non-employee director compensation. This change is necessary to allow directors to defer their cash and equity fees into stock units which will be deferred for the duration of their tenure as directors.

The Notice of Special Meeting and Proxy Statement accompanying this letter further describe the business to be transacted at the meeting.

It is important that your shares be represented at the meeting, regardless of the number you may hold. Whether or not you plan to attend the meeting in person, please sign, date and return the enclosed proxy card as soon as possible. If you desire to vote in accordance with management's recommendations, you need not mark your votes on the proxy card but need to sign, date and return it in the enclosed postage-paid envelope in order to record your vote. If you later decide to attend the meeting and wish to vote your shares personally, you may revoke your proxy at any time before it is exercised.

Sincerely,

DAVID H. CLARKE

Executive Officer*

**PROXY STATEMENT**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of U.S. Industries, Inc., a Delaware corporation (the Company), of proxies to be voted at a special meeting of stockholders of the Company to be held at the Crowne Plaza Hotel, 1601 Belvedere Road, West Palm Beach, Florida 33406 on June 4, 2003, at 11:00 a.m., local time, and at any and all postponements or adjournments thereof (the Special Meeting).

This Proxy Statement, the Notice of Special Meeting and the accompanying proxy card are first being mailed to stockholders on or about May 7, 2003.

**SOLICITATION AND VOTING OF PROXIES; REVOCATION; RECORD DATE**

Only stockholders of record at the close of business on April 30, 2003 (the Record Date) are entitled to notice of the Special Meeting and to vote the shares of common stock, par value \$.01 per share, of the Company (the Common Stock) held by them on that date at the Special Meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon at the Special Meeting. As of the Record Date, 74,927,552 shares of Common Stock were outstanding.

The presence at the Special Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. The affirmative vote of holders of a majority of shares outstanding as of the Record Date is required for approval of an amendment to the Company's Amended and Restated Certificate of Incorporation to change the name of the corporation to Jacuzzi Brands, Inc. It is required that a majority of the shares outstanding as of the Record Date cast votes at the Special Meeting and that a majority of such votes are in the affirmative in order to approve the amendment to the 2000 Plan.

Abstentions and broker non-votes will be treated as shares that are present, or represented, and entitled to vote for purposes of determining the presence of a quorum at the special meeting. Broker non-votes and abstentions will not be counted as a vote cast on any matter presented at the Special Meeting.

If the accompanying proxy card is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the proxy card will vote for the matters set forth in the attached Notice of Special Meeting of Stockholders, and as recommended by the Board of Directors with regard to all other matters or, if no such recommendation is given, in their own discretion. Each stockholder may revoke a previously granted proxy at any time before it is exercised by filing with the Secretary of the Company a revoking instrument or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if the person executing the proxy attends the Special Meeting in person and so requests in writing. Attendance at the Special Meeting will not, in itself, constitute revocation of a previously granted proxy.

The Company's Retirement Savings & Investment Plan (the 401(k) Plan) provides that the trustee of the 401(k) Plan shall vote the number of shares of Common Stock allocated to a participant's account as instructed by the participant and that the trustee shall vote the number of shares for which no instructions are received in the same proportion as those shares in the 401(k) Plan for which instructions have been received. Courts have held that trustees are required to follow participants' instructions unless they determine that doing so would breach their fiduciary responsibilities under the Employee Retirement Income Security Act of 1974, as amended (ERISA). Voting instruction cards are being mailed to all participants in the 401(k) Plan. If a participant also owns shares outside the 401(k) Plan, the participant must return both the proxy card and the voting instruction card as indicated on those cards. To be assured that the trustee will receive voting

**Table of Contents**

Effective on February 23, 1999, the Company adopted a Stock Ownership Tax Loan Program. The primary purpose of this program was to make loans to key executives of the Company to assist such executives to pay the federal, state and local taxes due upon the vesting of restricted stock, and upon approval for such loan, requiring them to retain the restricted stock as well as all other shares of Company stock beneficially owned by them, until such loan was repaid. The loan interest rate was the borrowing rate at which the Company could borrow from its principal lenders but in no event would the interest rate be less than the applicable federal interest rate. Mr. Clarke, Ms. Sander and Ms. Diana E. Burton, Vice President of Investor Relations, were participating in the loan program as of the end of the 2002 fiscal year. The largest aggregate amount of indebtedness outstanding (including accrued interest) at any time for the foregoing individuals during fiscal 2002 was \$1,755,119, \$714,138 and \$51,800 respectively. These loans were due and payable on February 22, 2003, and in accordance with Section 402 of the Sarbanes-Oxley Act that became effective July 30, 2002, these loans could not be extended, and were paid off. The loan program has been discontinued.

**Option Grants for Fiscal 2002 and Potential Realizable Values**

The following table sets forth as to each of the Named Executive Officers information with respect to option grants during fiscal 2002 and the potential realizable values of such option grants. Mr. Clarke declined to accept an option grant in fiscal 2002. The 5% and 10% assumed rates of growth, based on the grant price, are for illustrative purposes only. They are not intended to predict future stock prices, which will depend on market conditions, the Company's performance and other factors.

Name	Number of Securities Underlying Options Granted(#)	% of Total Options Granted to Employees in Fiscal Year	Exercise Price (\$/Share)	Expiration Date(1)	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term(2)	
					5%	10%
Allan D. Weingarten	75,000	10.69%	\$3.82	06/10/12	\$180,178	\$456,607
Dorothy E. Sander	75,000	10.69%	3.82	06/10/12	180,178	456,607
Steven C. Barre	75,000	10.69%	3.82	06/10/12	180,178	456,607
Alan Schutzman	25,000	3.56%	3.82	06/10/12	60,059	152,202

- (1) The options will become exercisable in four equal installments beginning on the first anniversary of grant; provided that each option is subject to acceleration upon a Change in Control (as defined in the applicable option agreement) and certain other circumstances. The options terminate on the tenth anniversary of the relevant grant, subject to earlier termination in the event that the executive's employment terminates in certain circumstances.
- (2) Amounts for the Named Executive Officers shown under the Potential Realizable Value columns have been calculated by (a) multiplying (i) the exercise price and (ii) the sum of 1 plus the adjusted stock price appreciation rate (the assumed annual appreciation rate shown (compounded for the term of the options), (b) subtracting the exercise price per share and (c) multiplying the gain per share by the number of shares covered by the options. However, all shares subject to options issued to executive officers through fiscal year 2002 range from \$3.82 to \$20.50 and had no value as of the end of the fiscal year 2002.

The following table sets forth, with respect to each of the Named Executive Officers, the number of share options exercised and the dollar value realized from those exercises during the 2002 fiscal year and the total number and aggregate dollar value of exercisable and non-exercisable stock options held on September 28, 2002. As noted in the table, no options were exercised in fiscal 2002 and none of the unexercised options had value on such date.

**USI Master Pension Plan**

The USI Master Pension Plan (the Retirement Plan) provides pension benefits to the Company's employees, including its executive officers. Employees will become vested in their benefits under the Retirement Plan after five years of service. Normal retirement is the later of age 65 or five years of service; however, employees who work beyond their normal retirement age will continue to accrue benefits.

## Edgar Filing: US INDUSTRIES INC /DE - Form DEF 14A

Under the Retirement Plan, the annual retirement benefits of the Company's corporate office employees, including its executive officers, will equal the greater of (i) the sum of (a) 1.95% of an employee's Final Average Earnings plus (b) .65% of that portion of the employee's Final Average Earnings in excess of Covered Compensation, multiplied by the employee's years of Credited Service (to a maximum of 25), and (ii) the product of (a) 2.67% of an employee's Final Average Earnings (which excludes, among other things, bonuses) minus 2% of such employee's Social Security Benefit, multiplied by the number of years of Credited Service the employee would have been credited with through his or her Normal Retirement Date (to a

maximum of 25) and (b) a fraction, the numerator of which is the actual number of years of Credited Service through December 31, 1992 (the Freeze Date ), and the denominator of which is the number of years of Credited Service the employee would have been credited with through his Normal Retirement Date (the Offset Formula ). Credited service for all corporate office employees, including the Company's executive officers, includes years of service under a predecessor Hanson plan. All defined terms have the same meanings as in the Retirement Plan or as stated herein.

The following table shows the estimated annual retirement benefits that would be payable under the Retirement Plan to the Company's corporate office employees, including its executive officers, assuming retirement at age 65 on the basis of a straight-life annuity. The table also includes benefits payable under the SRP, an unfunded supplemental retirement plan applicable to executive officers of the Company, which is described below.

The Named Executive Officers have been credited with the following years of service for purposes of benefit accrual (rounded to the nearest one-hundredth of a year): Mr. Clarke 25; Ms. Sander 18.33; Mr. Barre 14; Mr. Weingarten 1.75; and Mr. Schutzman 9.25.

**USI Supplemental Retirement Plan**

The USI Supplemental Retirement Plan (the SRP ) is a non-qualified, unfunded, deferred compensation plan administered by the Compensation Committee. In general terms, the purpose of the SRP is to restore to certain executive officers of the Company any benefits in excess of the benefits accrued under the Retirement Plan that would have accrued under the Offset Formula without regard to the Freeze Date (to a maximum of 25 years of Credited Service). In addition, the SRP provides for benefits in excess of the limitations on the amount of benefits accrued and compensation taken into account in any given year imposed by Sections 415 and 401(a)(17) of the Code, respectively, with respect to a qualified plan such as the Retirement Plan. Under the SRP, a participant's annual benefit is equal to 66 2/3% of his or her Average Final Compensation (bonuses and other awards are excluded) less 50% of his or her Social Security Benefit, multiplied by the number of years of Credited Service (to a maximum of 25) divided by 25, less the Pension Offset. Provisions relating to vesting, retirement and forms of payment are the same as the provision of the Retirement Plan, other than the early retirement age, which is 60 from the SRP and 55 from the Retirement Plan. Although Mr. Clarke had declined to be considered for increases in his base salary from the Demerger through calendar year 2002, under the terms of the SRP he was deemed to receive a salary increase for purposes of the SRP for each of the years equal to the average salary increase for the executive officers of the Company. As of the end of fiscal year 2002, Mr. Clarke's Average Final Compensation under the SRP was \$1,053,349. Capitalized terms used in this paragraph have the meanings defined for them in the SRP or in the Retirement Plan, as applicable.

### **Employment Agreements**

The following is a summary of the employment agreements between the Company and each of the named executive officers. The employment agreements provide for each named executive to serve in the respective capacities indicated in the Summary Compensation Table above. Ms. Sander entered into a separation agreement with the Company in February 2003, pursuant to which her employment with the Company terminated on March 31, 2003 (the Separation Agreement ).

Mr. Clarke's term of employment will expire at the end of the current three-year term. The term of employment for Messrs. Weingarten and Schutzman will expire at the end of the current two-year terms and for Mr. Barre, at the end of his current one-year term. The term of each of the agreements is subject to automatic extension for additional three-year terms in the case of Mr. Clarke, and additional one-year terms in the case of Messrs. Barre, Weingarten, and Schutzman, unless either party gives at least ninety (90) days prior written notice of non-extension or the agreement is terminated earlier as discussed below. Ms. Sander's employment agreement provided a two-year term, with automatic two-year extensions.

The employment agreements provide that the Company will pay Messrs. Clarke, Barre, Weingarten, and Schutzman base annual salaries at a rate of not less than \$750,000, \$300,000, \$300,000 and \$215,000, respectively (Ms. Sander's base annual salary was \$300,000). As provided in the employment agreements, each executive is eligible to receive an annual cash bonus, with a target bonus percentage equal to at least 100% of base salary for Mr. Clarke, 70% of base salary for Messrs. Barre and Weingarten, and 50% of base salary for Mr. Schutzman, pursuant to the Company's annual incentive bonus plan or a successor plan (the Target Bonus ). Pursuant to Ms. Sander's employment she was entitled to an annual cash bonus, with a target bonus percentage equal to at least 70% of her base salary. The employment agreements also entitle the executives to participate generally in all pension, retirement, savings, welfare and other employee benefit plans and arrangements and fringe benefits and perquisites maintained by the Company from time to time for senior executives of a comparable level.

The employment agreements for Mr. Clarke provides (and Ms. Sander's employment agreement provided) that if the executive's employment with the Company is terminated by reason of death or disability (as defined in the applicable employment agreement), the executive or his legal representative will receive, in addition to accrued compensation (including, without limitation, any declared but unpaid bonus, any amount of base salary or deferred compensation accrued or earned but unpaid, any accrued but unused vacation pay and unreimbursed business expenses (the Accrued Amounts )), a prorated Target Bonus for the fiscal year of the executive's death or disability, full accelerated vesting under all equity-based and long-term incentive plans, any other amounts or benefits owed to the executive under the then applicable employee benefit plans or policies of the Company, which will be paid in accordance with such plans or policies, payment of base salary on a monthly basis for twelve (12) months (six (6) months in the case of Ms. Sander) and payment of spouse's and dependents' COBRA coverage premiums for no more than three (3) years, subject in the case of disability to offset against the base salary payment by the amount the executive would receive under any long-term disability program maintained by the Company.

The employment agreements with Messrs. Barre, Weingarten and Schutzman provide that upon a termination by reason of death or disability, the executives or their legal representatives will receive only the Accrued Amounts and any other amounts or benefits owed to them under the then applicable employee benefit plans, long-term incentive plans or equity plans and programs of the Company, which will be paid in accordance with such plans and programs.

The employment agreement with Mr. Clarke provides that if Mr. Clarke's employment with the Company is terminated (i) by the Company other than for cause (as defined in his employment agreement) or due to a disability; (ii) by the executive for good reason (as defined in his employment agreement); (iii) by the executive for any or no reason within two (2) years after a Change in Control of the Company (as defined in his employment agreement); or (iv) as a result of the Company giving notice of nonextension at the end of any three-year term ((i) through (iv) referred to herein collectively as Severance Payment Events ), then Mr. Clarke shall be entitled to receive, among other things (a) a lump sum within five (5) days after such Severance Payment Event equal to (i) three (3) times base salary, and (ii) three (3) times the highest annual

**Table of Contents**

bonus paid or payable to Mr. Clarke by the Company for any of the previous three (3) completed fiscal years, provided that if such termination occurs on or after a Change in Control of the Company, Mr. Clarke will instead receive three (3) times the Target Bonus, (b) accelerated full vesting under all outstanding equity-based and long-term incentive plans, (c) three (3) years of additional service and compensation credit for pension purposes, (d) three (3) years of the maximum Company contribution under any type of qualified or nonqualified 401(k) plan, (e) payment by the Company of the premiums for Mr. Clarke and his dependents' health coverage for three (3) years (all such payments being collectively referred to as the Severance Payment) and (f) if such termination occurs after a Change in Control of the Company and Mr. Clarke is married at the time of the commencement of his benefits under the SRP his spousal death benefit under the SRP shall be the survivor benefit under a joint and 60% annuity rather than an actuarially adjusted survivor benefit under a joint and 50% annuity (the Special SRP Benefit Treatment). In addition, Mr. Clarke's employment agreement provides that if he dies or becomes disabled after a Change in Control of the Company and is married at the time of his death or disability, the Special SRP Benefit Treatment shall apply. If after a Change in Control of the Company Mr. Clarke has not attained the normal retirement date provided under the SRP as of the date of any Severance Payment Event, Mr. Clarke will be deemed to have attained his normal retirement date for purposes of the SRP and payments of amounts thereunder. In addition, if the Severance Payment to Mr. Clarke under the employment agreement, together with other amounts paid to Mr. Clarke, exceeds certain threshold amounts and results from a change in ownership (as defined in Section 280G(b)(2) of the Code), the employment agreement provides that Mr. Clarke will receive an additional amount to cover the federal excise tax and any interest or penalties with respect thereto on a grossed up basis. If Mr. Clarke is terminated for cause, voluntarily resigns (which right Mr. Clarke has on sixty (60) days' prior written notice to the Company) or the Company retires Mr. Clarke at or after his sixty-fifth birthday, Mr. Clarke will only receive the Accrued Amounts and benefits provided in benefit plans, provided that in the event such voluntary resignation is after age sixty-two (62) there will be certain additional vesting with regard to stock options and restricted stock in accordance with the terms of the applicable plans.

The employment agreement with Ms. Sander provided for substantially similar provisions on termination situations described in the prior paragraph except that, among other differences, the Severance Payment was based on a two (2) time rather than three (3) time multiple and, in certain limited instances, was subject to offset and there was more limited vesting of stock options and restricted stock. Ms. Sander's employment with the Company terminated on March 31, 2003 pursuant to her Separation Agreement, and she is receiving severance payments under her employment agreement, as modified by the Separation Agreement. In addition to her obligations under the employment agreement, pursuant to the Separation Agreement Ms. Sander has released all claims against the Company, agreed not to disparage the Company and agreed to provide limited post-termination consulting services to the Company. As a result, Ms. Sander became entitled to receive a lump sum payment equal to \$1,300,000, enhanced vesting and extended exercise periods of certain options and restricted stock and certain other benefits and payments.

The employment agreements with Messrs. Barre, Weingarten and Schutzman provide that on a termination by the executive for good reason (as defined in the applicable employment agreement), by the Company without cause (as defined in the applicable employment agreement) or nonextension of the employment term by the Company, they will receive among other things (i) the Accrued Amounts and (ii) equal monthly payments of the executive's then monthly rate of base salary for twelve (12) months (Mr. Schutzman's employment agreement also provides for a prorated annual bonus based on the Target Bonus for the fiscal year), provided that if such termination occurs within two (2) years after a Change in Control, they will instead receive a lump sum equal to two (2) times base salary and the Target Bonus. In addition, if such termination occurs within two (2) years after a Change in Control, Messrs. Barre, Weingarten and Schutzman will receive (i) two (2) years of additional service and compensation credit for pension purposes, (ii) two (2) years of the maximum Company 401(k) contribution, (iii) any earned or declared but unpaid annual bonus and (iv) payment of premiums for the executives and their dependents' health coverage for two (2) years (or, one (1) year of COBRA coverage premium payments (as long as they remain eligible for COBRA) if such termination is prior to, or after two (2) years following a Change in Control). Messrs. Barre, Weingarten, and Schutzman are required to execute a release prior to receiving

severance payments and they must comply with certain provisions relating to confidential information, non-competition and non-solicitation.

The employment agreements of each of the Named Executive Officers also provide for indemnification for actions in their corporate capacity, directors' and officers' liability insurance and coverage in most instances for legal fees incurred in enforcing their rights under their respective employment agreements.

### **Compensation Of Directors**

#### *Fiscal 2002 Compensation:*

Directors who are also full-time employees of the Company receive no additional compensation for their services as directors. Each non-employee director has in the past been entitled to an annual retainer of \$25,000 payable wholly in shares of Common Stock in four equal installments on the first business day of each calendar quarter. For the Company's fiscal year ended September 28, 2002 (fiscal 2002), the retainer was paid to each non-employee director by delivery of 11,360 shares of Common Stock, based on the last reported sale price of the Common Stock on the New York Stock Exchange (the NYSE) on October 1, 2001, of \$2.20 per share, plus cash in lieu of a fractional share. Each non-employee director is also entitled to an initial grant of 1,500 shares of Common Stock, an initial grant of options to purchase 7,500 shares of Common Stock and an annual grant of options to purchase 3,750 shares of Common Stock.

Each non-employee director is entitled to a fee of \$1,500 payable in cash for each Board of Directors or committee meeting attended. The Company reimburses all reasonable expenses incurred by both employee and non-employee directors in connection with such meetings and pays the premiums on directors' and officers' liability and travel accident insurance policies insuring both employee and non-employee directors.

Mr. McAtee, in his capacity as Chairman of the Finance Committee, received a monthly fee of \$10,000 during fiscal 2002 in recognition of the extraordinary amount of time required by this continuing responsibility, in addition to the fees he received as a director. These monthly fees were discontinued in December 2002, following completion of a comprehensive restructuring of the Company's bank and bond debt.

The Board held nine meetings in fiscal 2002. Each director attended more than seventy-five percent of all meetings of the Board and the committees on which the director served, with the exception of Mr. Butler, who attended approximately sixty-five percent of such meetings.

#### *Fiscal 2003 and 2004 Change:*

After a review of the heightened responsibilities of the non-employee directors under recent legislation and the proposed stock exchange rules, increased time for preparation and meetings, adoption of charters of the Audit, Compensation, and Nominating and Governance Committees, which create more responsibilities for the committee chairs, and current trends in non-employee director compensation, including discussions with a nationally-recognized outside compensation consultant who is familiar with trends in board compensation, the Board determined that changes to the prior compensation arrangement would be appropriate. This change will bring the directors' compensation more in line with the current trend so that new directors could be attracted and current directors retained. Accordingly, subject to stockholder approval of the amendment to the 2000 Plan described in Proposal II, the following changes will be made to non-employee director compensation commencing with fiscal 2004:

The portion of the annual retainer that is payable in Common Stock would be increased from \$25,000 to \$30,000, but only if the director elects to defer 100% of such amount in the form of stock units under a deferred compensation plan maintained by the Company; and

Directors would be permitted to defer all or a portion of their cash retainer and meeting fees in the form of stock units under a deferred compensation plan maintained by the Company.

It is contemplated that for fiscal 2004 all non-employee directors will elect to defer 100% of their retainer fees that are payable in Common Stock in the form of stock units.

**Table of Contents**

In addition, effective for the second quarter of fiscal 2003, non-employee director compensation was revised to provide each director with an annual retainer of \$15,000, an annual retainer of \$8,000 for the Chairman of the Audit Committee and \$5,000 for each other member of the Audit Committee, and an annual retainer of \$5,000 for the Chairman of each other committee of the Board and \$3,000 for each other member of each such other committee, payable in cash. The meeting fee was unchanged.

**PROPOSAL I**

**APPROVAL OF AMENDMENT TO OUR AMENDED AND RESTATED**

**CERTIFICATE OF INCORPORATION TO CHANGE OUR NAME TO JACUZZI BRANDS, INC.**

The Board of Directors has unanimously approved, subject to stockholder approval, an amendment (the Amendment) to our Amended and Restated Certificate of Incorporation (the Certificate of Incorporation) solely for the purpose of changing the Company's name to Jacuzzi Brands, Inc.

The Board of Directors believes that the proposal should be adopted to better reflect the Company's corporate structure, which is primarily focused on the strong brand portfolio of its bath and plumbing business as well as its RAINBOW® brand premium vacuum systems.

A copy of the certificate of amendment (the Certificate) effecting the Amendment is attached as Exhibit A to this Proxy Statement. If approved by the Company's stockholders, the change in our name will become effective upon the filing of the Certificate with the Secretary of State of the State of Delaware. The Board intends to file the Certificate as soon as practicable after stockholder approval is obtained.

The name change will not affect the validity of currently outstanding stock certificates. The Company's current stockholders will not be required to surrender or exchange any stock certificates that they now hold and should not send such certificates to the Company or its transfer agent for exchange.

Delaware General Corporation Law does not offer stockholders appraisal rights in connection with a change of the corporate name.

The proposal must be approved by the affirmative vote of the holders of a majority of the shares of the Common Stock outstanding as of the Record Date.

**The Board of Directors deems the approval of the Amendment to be in the best interest of the Company and its stockholders and unanimously recommends that holders of the Common Stock vote FOR the Amendment**

**PROPOSAL II**

**APPROVAL OF AMENDMENT TO THE 2000 PLAN**

The Board of Directors seeks approval of an amendment to the 2000 Plan to provide for the deferral of non-employee director retainer fees that are payable in Common Stock and certain other related changes to director compensation (see page 11 for a discussion of current and proposed changes to director compensation).

The Board of Directors proposes to amend the 2000 Plan to provide for: (i) the payment of the equity portion of the non-employee director compensation in deferred stock units rather than in current shares of Common Stock if elected by the director; (ii) increase of the annual retainer that is payable in such form from \$25,000 to \$30,000 (\$6,250 per quarter to \$7,500) if the director makes such election; and (iii) the use of stock units for the elective deferral of cash fees under the Company's non-employee director deferred compensation plan (the Deferred Compensation Plan). Non-employee directors would continue to be entitled to initial and annual grants of Common Stock and stock options. To accomplish such deferral mechanism, the 2000 Plan would be further amended to permit the grant of stock units to non-employee directors. Currently, the 2000 Plan only permits the grant of Common Stock and stock options to non-employee directors. A stock unit is a unit of measurement equivalent to one share of Common Stock, but with

**Table of Contents**

none of the attendant rights of a stockholder of a share of Common Stock until shares are ultimately distributed in payment of the deferred obligation (other than rights to additional units equivalents for dividends and other distributions on the shares). Any annual retainer fee (equity or cash) that a director elects to receive in the form of stock units will be deferred under the Deferred Compensation Plan pursuant to the rules and regulations established by the committee appointed to administer the Deferred Compensation Plan.

Any shares of Common Stock that are deferred in the form of stock units under the contemplated provisions of the Deferred Compensation Plan would be distributed in the form of Common Stock to a director in two installments: (i) 50% upon a director's retirement and (ii) 50% one year after retirement. Any cash fees that are deferred in the form of stock units will be distributed upon retirement. All amounts that are deferred in the form of stock units under the Deferred Compensation Plan will be distributed in the form of Common Stock.

The proposal to amend the 2000 Plan to permit the grant of stock units to non-employee directors to accomplish the aforementioned changes in non-employee director compensation would not require the authorization of additional shares of Common Stock for utilization under the 2000 Plan. Rather, existing available shares under the 2000 Plan would be utilized to grant the stock units and the Common Stock upon distribution.

The full text of the proposed amendment is attached to this Proxy Statement as Exhibit B, and the foregoing description is qualified in its entirety by reference thereto.

Delaware General Corporation Law does not offer stockholders appraisal rights in connection with an amendment to an equity compensation plan.

It is required that a majority of the shares outstanding as of the Record Date cast votes at the Special Meeting and that a majority of such votes are in the affirmative in order to approve Proposal II. Broker non-votes and abstentions will not be counted as a vote for or against this proposal.

**The Board of Directors deems the approval of the amendment to be in the best interest of the Company and its stockholders and unanimously recommends that holders of the Common Stock vote FOR Proposal II.**

**OTHER MATTERS**

As of the date of this Proxy Statement, the Company knows of no business that will be presented for consideration at the Special Meeting other than the items specifically identified in the Notice of Special Meeting. Proxies in the enclosed form will be voted in respect of any other business that is properly brought before the Special Meeting in accordance with the judgment of the person or persons voting the proxies.

**STOCKHOLDER PROPOSALS AND NOMINATIONS OF BOARD MEMBERS**

If a stockholder intends to present a proposal for action at the 2004 Annual Meeting and wishes to have such proposal considered for inclusion in the Company's proxy materials in reliance on Rule 14a-8 under the Exchange Act, the proposal must be submitted in writing and received by the Company by September 27, 2003. Such proposals must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholders' proposals.

The By-Laws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the Board of Directors. The Nominating and Corporate Governance Committee will consider nominations that comply with the procedures set forth below. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by the Company 60 days or more before the date of the annual meeting and must contain specified information and conform to certain requirements, as set forth in the By-Laws. Notice of a stockholder proposal or a director nomination for a special meeting must be received by the Company no later than the 15th day following the day on which notice of the date of a special meeting of stockholders was given. If the

**Table of Contents**

presiding officer at any stockholders meeting determines that a stockholder proposal or director nomination was not made in accordance with the By-Laws, the Company may disregard such proposal or nomination.

In addition, if a stockholder submits a proposal outside of Rule 14a-8 for the 2004 Annual Meeting, and the proposal fails to comply with the advance notice procedure prescribed by the By-Laws, then the Company's proxy may confer discretionary authority on the persons being appointed as proxies on behalf of management to vote on the proposal. Proposals and nominations should be addressed to the Secretary of the Company, U.S. Industries, Inc., 777 S. Flagler Drive (Suite 1108 West), West Palm Beach, Florida 33401.

**ADDITIONAL INFORMATION**

The cost of soliciting proxies in the enclosed form will be borne by the Company. Officers and regular employees of the Company may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, email, telex or facsimile. The Company will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of Common Stock. In addition, the Company has engaged Mellon Investor Services to assist in the solicitation of proxies, and has agreed to pay a fee of approximately \$7,500 for such services.

7.4 *Changes.* The Awards to a Non-Employee Director shall be subject to Sections 4.2(a), (b), (c) and (d) of the Plan and this Section 7.4. Notwithstanding anything else herein, if the grants to be made under this Article VII would violate the limitation set forth in Sections 4.1(a) and (b), such grants shall be proportionately reduced to an amount that would not violate such limitation and, subject to the next sentence, an additional make-up grant of the portion of any Award that has not yet been granted shall be made on the first day of the first month commencing at least twenty (20) days after such limitation is no longer exceeded based on the Fair Market Value on such date.
