PART I

INFORMATION REQUIRED IN SECTION 10(A) PROSPECTUS

Item 1. Plan Information\*

This Registration Statement covers certain shares of the Common Stock reserved for issuance under the 2002 Employee Stock Compensation Plan ( Plan ) including (i) shares of Common Stock issued to eligible participants under the Plan and (ii) shares of Common Stock of the Registrant issued since September 14, 2001, in reliance on advice from Registrant by Suburban Capital Corp. or its affiliates or counsel (none of whom are currently advising the Registrant or involved in this Registration Statement) who advised management that shares of Common Stock issued during such period were validly issuable and freely tradeable in reliance on a Form S-8 Registration even though no shares were then subject to such registration and no analysis of services had been made and who, in certain cases, engaged in unauthorized and improper issuances or transfers of Common Stock, including shares which may then have been transferred in market transactions to others.

Upon discovery of the possible improprieties in March 2002, the Registrant advised authorities and market members and regulators and initiated an internal reconciliation investigation, which is ongoing ( Curative Review Process ). In connection with the Curative Review Process, the Registrant subsequently placed stop transfer orders on all of the original certificates and derivatives of those certificates, advised market members and depositories of its actions and has been working with these parties and its transfer agent and other resources to ascertain which shares of Common Stock need to remain in commerce to recognize the interests of the transferee, which shares should be cancelled or returned to the Registrant and therefore removed from registration ( Removed Shares ) and which shares are held by or were delivered to parties who were eligible to receive and hold the same pursuant to the Plan. The Registrant will file an amendment to this Registration Statement as soon as practicable when the reconciliation in the Curative Review Process is complete to withdraw the Removed Shares from registration.

The Registrant filed a Certificate of Amendment to the Articles of Incorporation (Exhibit 2.1) with the Nevada Secretary of State on July 26, 2002 increasing the number of authorized common shares to twenty billion.

\* Information required by Part I to be contained in a Section 10(a) Prospectus is omitted from the Registration Statement in accordance with Rule 428 under the Securities Act of 1933, and the Note to Part I of Form S-8.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold or unissued at the termination of the offering, including any Removed Shares identified during the current Curative Review Process.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a
